Mr. Deutch from the Committee on Ethics submitted the following

**R E P O R T**

In accordance with Rule 18(e)(2) of the Committee on Ethics (Committee), the Committee hereby submits the following Report to the House of Representatives:

**I. FINDINGS AND CONCLUSIONS**

On September 22, 2021, the Committee convened for the purpose of considering the August 3, 2021, arrest of Representative Al Green, for Crowding, Obstructing, or Incommoding, during a protest outside the Capitol Building in Washington, D.C. Representative Green was released following his arrest. Representative Green informed the Committee he intends to pay a \$50 fine related to his arrest. The legal proceedings related to his arrest are expected to be resolved with no further action.

The Committee voted against impanelling an investigative subcommittee in this matter. The Committee considered the scope and nature of the conduct described above and determined that review by an investigative subcommittee is not required in this matter.

The Committee has determined to take no further action in this matter, and upon publication of this Report, considers the matter closed.

**II. STATEMENT UNDER HOUSE RULE XIII, CLAUSE 3(C)**

The Committee made no special oversight findings in this Report. No budget statement is submitted. No funding is authorized by any measure in this Report.
