INVESTIGATION OF FINANCIAL TRANSACTIONS PARTICIPATED IN AND GIFTS OF TRANSPORTATION ACCEPTED BY REPRESENTATIVE FERNAND J. ST GERMAIN

APRIL 9, 1987.—Ordered to be printed

Mr. DIXON, from the Committee on Standards of Official Conduct, submitted the following

REPORT

I. Foreword

During the late summer and fall of 1985, a number of news reports contained information and allegations that Representative Fernand J. St. Germain may have acted improperly in a number of respects by virtue of his involvement in a series of financial transactions resulting in his interest in certain real estate properties. News reports also suggested that Representative St Germain may have accepted gifts of transportation from a Florida savings and loan in violation of the limitation on gifts imposed by House Rule XLIII, clause 4.

Committee staff undertook an informal analysis and review of the information and allegations as they arose during the fall of 1985. As a result of the staff's review, the Committee voted on February 5, 1986, to undertake a Preliminary Inquiry into the matters raised. Specifically, the Committee focused the Preliminary Inquiry on Representative St Germain's "various financial transactions and acceptance of gifts (transportation)" that "may have resulted in violation(s) of the Code of Official Conduct, or a law, rule, regulation or other standard of conduct applicable to his conduct in the performance of his duties or in the discharge of his responsibilities." The full text of the Committee's February 5, 1986, resolution appears in Exhibit 1.
II. Scope and Conduct of Investigation

A. Scope of investigation

As noted, the Committee voted on February 5, 1986, to undertake a Preliminary Inquiry into a series of allegations that had been made regarding Representative St Germain. Specifically, the allegations were that Representative St Germain may have:

1. failed to report air transportation supplied by Florida Federal Savings & Loan Association (Florida Federal);
2. improperly exerted influence for his personal benefit, as Chairman of the House Committee on Banking, Finance and Urban Affairs, on the Federal Home Loan Bank Board (Bank Board) in an effort to achieve and expedite conversion of Florida Federal to a stock association and Florida Federal's acquisition of First Mutual Savings Association of Pensacola, Florida (First Mutual);
3. benefited directly or indirectly from purchases of properties that influential officials of Florida Federal may have offered in light of his congressional position;
4. benefited directly or indirectly from purchases of properties that were offered to him by a developer, Ferland Corporation, who did so because of the Congressman's position and influence; and
5. received directly or indirectly bank loans for the full amount, or more, to purchase certain properties associated with the International House of Pancakes (IHOP), as a result of favorable treatment accorded him by the banking institutions involved, that did so because of the Congressman's position and influence.

B. Conduct of investigation

The Committee determined, on the basis of a wide range of issues presented for analysis and resolution and the apparent magnitude of documents that would have to be obtained, reviewed, and considered, that outside assistance was appropriate to conduct the Preliminary Inquiry. To this end, on February 5, 1986, the Committee entered into a contract with the law firm of Johnnie L. Cochran, Jr., in association with attorney Michael R. Mitchell to provide assistance in the subject Preliminary Inquiry.

In view of the broad scope of the Preliminary Inquiry, the Committee decided that certain aspects of the undertaking would be handled primarily by the law firm with the remaining issues to be handled by Committee staff. From the outset of the Committee's association with the outside counsel, it was understood that the Committee would retain complete and total control over the scope and conduct of those activities undertaken by the outside counsel and that regular and periodic oral and written reports would be submitted to the Committee in order to keep the Committee fully apprised of the status and progress of the Preliminary Inquiry. The Committee is of the view that the subject arrangement resulted in a thorough and satisfactory working relationship.
C. Methodology

During the course of the Preliminary Inquiry, a number of investigative techniques were utilized in obtaining materials relevant to the subject investigation. Thus, for example, a large volume of documents was obtained from Representative St Germain, affected banking institutions, and other individuals determined to have knowledge of or familiarity with the matters underlying the allegations. The Committee also used its subpoena power to obtain documentation and elicited information under oath, subject to penalty of perjury, from individuals who submitted to voluntary interviews in connection with the investigation. (See Exhibits 2, 3, 4, 5, 6.)

III. SUMMARY OF FINDINGS

The results of the Preliminary Inquiry into the five broad areas of concern may be summarized as follows:

A. Representative St Germain violated House Rule XLIII, clause 4, in connection with his acceptance of transportation provided in 1980 by Florida Federal. The value of the improperly accepted gift and flight was $99. The Committee concludes that this violation was de minimis in amount and a singular occurrence not part of an overall pattern of improper acceptance.

B. The Committee obtained no proof that the Bank Board’s approval of the stock conversion application submitted by Florida Federal was the product of expressions of interest made on behalf of Representative St Germain. While calls may have been made on behalf of Representative St Germain to then chairman of the Bank Board, Richard Pratt, no evidence exists that those calls either affected in any way the ultimate outcome of the Bank Board’s activities or expedited the Bank Board’s processing of Florida Federal’s conversion application. Further, while one might conclude that the calls made to Mr. Pratt were, in fact, intended to expedite the Bank Board’s activities, no evidence was obtained supporting such an inference. In this light, the Committee believes it would be inappropriate to attribute improper action to Representative St Germain based solely on inference and, thus, does not reach this conclusion. Nevertheless, the Committee would admonish all Members to avoid situations in which even an inference might be drawn suggesting improper action.

C. With regard to the congressman’s interest in Florida investments, the Committee concludes that the congressman did not act improperly in acquiring those interests. The Committee’s review established that Representative St Germain paid market rates for any mortgages into which he entered, that he made down payments that did not single him out as having been provided preferential treatment, and that his participation in the investments

---

1 The Committee points out that due to the fact four subpoenas for documents were issued on August 28, 1986, insufficient time remained for the Committee to receive and analyze the subpoenaed materials as well as to reach conclusions on the issues raised during the Preliminary Inquiry prior to the sine die adjournment of the 99th Congress on October 18, 1986. Consequently, since the subject investigation could not be completed until after the 99th Congress adjourned, it was made a matter of utmost priority to report the Committee’s findings as early in the 100th Congress as possible. In this light, and in order to avoid a de novo review of the matter, the Committee, through this report, hereby adopts the factual determinations reached in connection with the Preliminary Inquiry that was initiated during the 99th Congress.
stemmed from a combination of his long-term friendship with Raleigh Greene, Jr., and his desire to acquire property interests in Florida.

D. As to the congressman's interests in property controlled by the Ferland Corporation, the Committee did not obtain any evidence that Representative St Germain acted improperly in his role as a limited partner in those investments. Moreover, the congressman's participation in those transactions was not the result of any influence exerted by him on the Ferland Corporation or associated banking interests. In sum, Representative St Germain's involvement in the Ferland Corporation investments was due primarily, if not exclusively, to his long-standing friendship with Roland Ferland who was the general partner in those undertakings.

E. With regard to those allegations concerning Representative St Germain's interest in properties associated with IHOP, the Committee concludes that Representative St Germain could reasonably be characterized as a willing buyer who accepted the offerings of a more-than-willing seller. In this regard, the Committee adduced no evidence suggesting improper influence exerted by the congressman in obtaining the properties or either the initial mortgages or subsequent recasting of loans on those properties.

F. As part of the Preliminary Inquiry, the Committee undertook an exhaustive review and analysis of Representative St Germain's Financial Disclosure Statements submitted pursuant to the Ethics in Government Act of 1978 (EIGA) during the time that the reviewed transactions and holdings occurred. Several reporting deficiencies were noted. Specifically, the Committee concludes that the methodology utilized by Representative St Germain resulted in Financial Disclosure Statements that had the effect of undervaluing, or not reporting at all, the magnitude of certain transactions and holdings. The Committee points out, however, that such undervaluation is clearly attributable to the congressman's misapplication of advice provided to him by the former Staff Director of the Select Committee on Ethics. This misapplication resulted in Representative St Germain's disclosing only his net equity in certain properties reported on his Financial Disclosure Statements to the exclusion of other market considerations. That approach resulted, for example, in the congressman's reporting on his Financial Disclosure Statements on a net equity basis the value of his 5 IHOPs at no more than $300,000 when, during the same period he said he estimated, in a loan application to a Federally insured savings and loan, the present market value without appraisal of the same holdings at about $1,800,000.

Several instances of nonreporting were the result of the congressman's undisclosed use of cash versus accrual accounting in preparing his Financial Disclosure Statement.

Finally, the Committee identified other filing omissions. The Committee notes that Representative St Germain abandoned these approaches in reporting his financial holdings and transactions on his 1985 Financial Disclosure Statement. The congressman's most recent Financial Disclosure Statement is now consistent with the long-standing instructions issued by this Committee for the preparation of Financial Disclosure Statements.
IV. RESULTS OF INVESTIGATION

Below is a detailed discussion of the Committee's findings with respect to each of the five allegations.

A. Gifts of travel

The Committee focused on whether Representative St Germain improperly accepted gifts of transportation from Florida Federal. To this end, the Committee obtained information relevant to this allegation from Florida Federal, Representative St Germain, and records of the House of Representatives. In sum, the Committee determined that Representative St Germain accepted seven gift flights of transportation provided by Florida Federal. These flights were as follows:

1. March 30, 1979.—On this date Representative St Germain was provided transportation from Washington, D.C., to St. Petersburg, Florida. Representative St Germain has asserted, and the Committee agrees, that the subject travel was provided in connection with the congressman's purchase of a Florida condominium at Bayfront Tower from a Florida Federal subsidiary (discussed later in this report). The Committee concludes that the subject travel was not related, in any way, to the congressman's official duties and, therefore, is viewed as a gift subject to the limitations of House Rule XLIII, clause 4.

2. March 19, 1980.—On this date the congressman accepted transportation from Florida Federal from Washington, D.C., to St. Petersburg, Florida. The congressman has asserted that this was a personal trip taken at a time when the aircraft was already scheduled to go to that destination. It is, therefore, clear that this trip was not related to official duties and, again, should be considered a gift subject to House Rule XLIII, clause 4.

3. May 7, 1980.—On this date Representative St Germain was provided transportation from Washington, D.C., to Orlando, Florida. Florida Federal provided the transportation at no cost to the congressman in connection with his speech before the National Association of Mutual Savings Banks in Orlando. Since this trip was clearly not related to the congressman's official duties, it too is regarded as a gift.

4. December 3, 1982.—Florida Federal provided transportation to Representative St Germain from Palm Beach to St. Petersburg, Florida. This trip was described by Representative St Germain as having been provided to him in connection with his making a speech to the Securities Industry Association (SIA) in Boca Raton, Florida. (SIA provided travel from Washington, D.C., to Boca

2 The well-established exceptions to the so-called "gift Rule" (House Rule XLIII, clause 4) are for fact-finding trips and those activities in which substantial participation by the Member justifies receipt of transportation costs. The Committee concludes that neither of these two exceptions apply to the flights here involved.

3 Representative St Germain informed the Committee that regarding all flights provided in connection with speeches, Florida Federal did so on its own behalf and not on behalf of the sponsor, or of any of the speaking engagements. (Moreover, with regard to the May 7, 1980, flight, Florida Federal was not a member of the National Association of Mutual Savings Banks and did not have any agreement with the association to provide the congressman transportation. In this light, the Committee does not view the gift as coming within the exception to House Rule XLIII, clause 4, regarding "substantial participation" of a Member enabling acceptance of such a flight as consideration for his participation.)
Raton, Florida, which is located adjacent to Palm Beach, Florida. The Committee considers the subject flight a gift.

5. **February 21, 1983.**—On this date, Representative St Germain was flown by Florida Federal from St. Petersburg, Florida, to Washington, D.C. He has stated that the flight was taken at a time when the aircraft was already scheduled to go to Washington. Since a connection between the congressman's official responsibilities and the aircraft flight has neither been identified nor asserted, the Committee concludes that this transportation is a gift subject to House Rule XLIII, clause 4.

6. **March 9, 1984.**—On this date, Florida Federal flew Representative St Germain from Miami to Tampa, Florida, in connection with his speech before the Florida Council of 100. The subject trip is viewed as a gift.

7. **February 22, 1985.**—Florida Federal flew Representative St Germain from St. Petersburg to Miami, Florida, in connection with his making a speech to the Florida Council of 100. This flight was a gift to the congressman.

* * * * * *

In support of the subject seven gift flights, the Committee reviewed trip reports provided by Florida Federal as well as vouchers filed by the congressman with the House of Representatives. This review established the dates and times of the subject travel and its lack of relationship to his official duties. Because of concern that Representative St Germain may have accepted additional transportation from Florida Federal (or other organizations) to enable him to accept the identified seven trips, the Committee requested and obtained copies of other flight documents and charge receipts. These materials established that Representative St Germain utilized his own funds in reaching or departing from his departure or destination points provided by Florida Federal.

With these seven gift trips having been established, the Committee next turned its attention to valuing each of the flights. That valuation established that the flights have the following values:

<table>
<thead>
<tr>
<th>Trip Date</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>March 30, 1979</td>
<td>$98</td>

</table>

The values ascribed to each of the flights were obtained by review of common carrier fares in effect at the time of the subject transportation as published in the *Official Airline Guide*.

On the basis of these valuations, Representative St Germain violated House Rule XLIII, clause 4, when he accepted the second flight on May 7, 1980; that flight brought Representative St Germain's gifts from Florida Federal to a total of $198, $99 over the limit prescribed by the Rule. (See Legal Analysis, *infra.*) The matter of whether action is to be taken on this matter is also discussed later in this report.
B. Florida Federal Savings and Loan Stock Conversion and Merger

1. Allegation

On September 11, 1985, an article appeared in the *Wall Street Journal* stating, among other things, that Representative Fernand St Germain's aide, Mr. Paul Nelson, repeatedly called the Bank Board to check on the progress of an application made by Florida Federal to allow it to issue stock (hereafter, "stock conversion"). The article stated that, after the stock conversion was approved, Representative St Germain purchased between $15,001 and $50,000 of stock in mid-1983. The *Journal* also stated that the Representative failed to report this purchase on his next annual Financial Disclosure Statement in May 1984 but, after being questioned by the newspaper, amended his report to reflect the purchase. The article observed that at the time these transactions took place, Raleigh Greene, Jr., a good friend of Representative St Germain, was the president of Florida Federal. Finally, the article stated that during the summer of 1984, Representative St Germain was "creating heat" on the Bank Board to complete its review of an application by Florida Federal to acquire First Mutual Savings Association of Pensacola, Florida. Florida Federal eventually dropped the merger plan.

2. Findings—Stock conversion

Committee staff discussed the matters raised by the allegations with staff members of the Bank Board who were involved in the conversion and merger processes. The Committee determined that in the latter part of 1982 Mr. Thomas Vartanian, then General Counsel of the Bank Board, had conversations with Raleigh Greene, Jr., and Raleigh Greene, III, the President and General Counsel of Florida Federal, respectively, regarding their desire to obtain approval of a "modified" conversion of Florida Federal from a depositor-backed institution to a stock corporation. The "modified" conversion conceptually differed from a regular conversion in that less stringent criteria would be applied in a "modified" conversion since it was primarily viewed as a vehicle to allow financially troubled banks to convert to a stock corporation.

In early 1983, and after a brief period of study, the Bank Board informed Florida Federal that it would not approve the modified conversion because Florida Federal was not an institution suffering economic difficulty. Following the Bank Board decision, Florida Federal filed an application for a standard conversion.

Mr. Vartanian recalled his impression that it was during the processing of this second application that the Bank Board (specifically, then Chairman Richard Pratt) received a number of phone calls from Paul Nelson, an aide to Representative St Germain, regarding the status of the Bank Board's processing of Florida Federal's conversion application.

Committee staff met with Mr. Richard Pratt who was the Chairman of the Bank Board during the pendency of Florida Federal's standard conversion application. Pratt recalled that he personally received one to three calls from Paul Nelson. He was aware at the time of these calls that Paul Nelson was an aide to Representative St Germain. He was also aware at that time that Raleigh Greene,
Jr., was a friend of Representative St Germain. Although Pratt could not recall the precise substance of these conversations, he did recall that they generally concerned the status of the conversion. He said he never received a call personally from Representative St Germain regarding the subject conversion.

Committee staff also spoke informally with Mr. John Buchanan, who was the Executive Director of the Bank Board during the pendency of the conversion. He was also aware of the calls made by Nelson. Mr. Buchanan stated that calls such as Nelson’s were not unique and that calls from congressional offices regarding the status of conversions did occur but they were more typically in the nature of constituent contact and not purely friendship-initiated communications.¹

Committee staff met with Paul Nelson who confirmed that he did make phone calls to the Bank Board. He did not specifically recall whether he made these calls at the behest of Representative St Germain. He did state that making such calls at the request of members was not uncommon. He further stated that he did not offer any suggestions of substance but simply inquired into the status of the processing of Florida Federal’s application.

In May 1983 Representative St Germain purchased 1,500 shares of Florida Federal stock at $20 per share out of the 5 million shares issued. He had the right to purchase shares of stock at the time of the original issue because he was a depositor in and a borrower from Florida Federal. He did not receive any special consideration or discounts for his stock purchase. But, as a depositor, he had a mutual ownership interest in Florida Federal prior to the conversion.

Financial Disclosure Analysis

A review of Representative St Germain’s Financial Disclosure Statements indicates that the subject stock was not specifically reported as “stock” on his 1983 Financial Disclosure Statement filed on May 15, 1984. However, on September 6, 1984, the Representative filed an amended statement identifying the stock as a “holding” but failed to indicate that it had been purchased in May 1983.

Representative St Germain’s failure to state on his original 1983 Financial Disclosure Statement that the subject stock was purchased—that is, listed as a “transaction”—during that year, as well as the failure to reflect this “transaction” on the amended statement, was a reporting deficiency. However, it is clear that Representative St Germain did disclose his ownership of the stock in both his original and amended Financial Disclosure Statements for 1983, although the amended filing was more precise on this matter. Consequently, the Committee infers that the failure to report the stock acquisition as a “transaction” was a reporting oversight and not the product of his desire to avoid public awareness of his stock ownership.

¹ The Committee notes that in 1983 the only Member on the Banking Committee from Florida did not represent Tampa, Florida, where Florida Federal was based.
Conclusion—Stock Conversion

The Committee infers that calls may have been made by Paul Nelson to the Bank Board on behalf of Representative St Germain. The Committee further infers that the calls were not precipitated by the congressman's friendship with Raleigh Greene, Jr., a Florida Federal official, and not on behalf of a constituent. While the design of the calls may have been to expedite the Bank Board's processing of Florida Federal’s application, there is no evidence that this occurred or that the calls affected in any way the Bank Board's substantive considerations. No evidence was obtained that Representative St Germain realized any pecuniary benefit from the calls or that the calls to the Bank Board made on his behalf were exertions of improper influence to benefit the congressman personally. While one might conclude that the calls made to Mr. Pratt were, in fact, intended to expedite the Bank Board’s activities, no evidence was obtained supporting such an inference. In this light, the Committee believes it would be inappropriate to attribute improper action to an individual based soley on inference and, thus, does not reach this conclusion. Nevertheless, the Committee would admonish all Members to avoid situations in which even an inference might be drawn suggesting improper action. Finally, the Committee concludes that Representative St Germain did disclose his stock holdings on his original and amended Financial Disclosure Statements for 1983 but did not report the “transaction” of his purchase of the stock because of an apparent disclosure oversight.

3. Findings—Merger

On September 27, 1983, Florida Federal and First Mutual Savings Association of Pensacola, Florida (First Mutual), entered into an agreement to merge. This transaction was halted by the Bank Board's disapproval because (1) First Mutual had recently converted to a stock institution and (2) Bank Board regulations, as well as the Bank Board's conversion resolution approving First Mutual's conversion, prohibited such an arrangement during the first year after conversion. On October 28, 1983, both institutions agreed to terminate the merger agreement.

On April 17, 1984, Florida Federal once again announced an agreement with First Mutual for a merger. On May 18, 1984, Florida Federal and its wholly owned first-tier subsidiary, Gulf Coast Services of St. Petersburg, Inc. (Gulf Coast), applied to the Bank Board for permission to acquire control of First Mutual. The acquisition was to be effected through either a merger, purchase of stock, or both. Stock purchases might include open market and/or privately negotiated acquisitions. The purpose of these stock purchases would be to acquire shares to vote in favor of the merger. Additionally, in the event of a competing takeover proposal for First Mutual, First Mutual granted an option to the applicants to purchase additional shares of authorized but unissued shares of stock.

During the course of the application’s processing, staff members of the Bank Board identified what they believed were problems with the proposed transaction. The following summarizes the problems identified:
1. Employment agreements

Example: Staff members of the Bank Board objected to a proposed employment agreement involving an official of First Mutual. First Mutual had agreed to pay the individual the value of his employment agreement upon his termination from those positions although an employment agreement between the official and Florida Federal, replacing First Mutual’s employment agreement, was more lucrative. Bank Board staff felt that this was a waste of corporate assets. Staff also felt that a mandatory wage increase for the same individual of 8 percent was against Bank Board policy. The staff recommended conditioning approval of the application upon the official’s not receiving the above-mentioned payment and amendment of the mandatory salary increase provision.

2. Investment in service corporation

Bank Board staff felt that the investment necessary to fund the service corporation, Gulf Coast, exceeded regulatory requirements. Additionally, the Bank Board had a policy against a federally chartered institution, such as Florida Federal, owning a state-chartered institution, such as First Mutual. It was felt that both of these concerns would be alleviated by converting Florida Federal to a state-chartered institution since the cap on investment in a service corporation did not exist for such institutions.

3. Ensuring First Mutual’s separate corporate existence

Bank Board staff believed a need existed to ensure First Mutual’s separate corporate existence and insulate it from possible pressure that Florida Federal might apply to issue unreasonable dividends, bolstering Florida Federal’s operating results to the detriment of First Mutual. Board staff felt that certain provisions should be in the agreement to maintain the net worth of First Mutual and limit the payment of dividends. The Board staff felt that the merger application could be approved with the above-mentioned modifications. On October 12, 1984, the Bank Board approved Florida Federal and First Mutual’s application to merge conditioned on, among other things, the adoption of provisions to obviate the above-described problems.

The condition that Florida Federal found most undesirable was that imposing limitations on the payment of dividends. Florida Federal felt that this could force a reduction in dividend payments if margins were limited by a return to very high interest rates.

Florida Federal filed an appeal to the conditional approval of its application on October 15, 1984. However, staff at the Bank Board saw no reason to change its position until its concerns were adequately addressed and/or corrected by Florida Federal.

On November 28, 1984, Florida Federal informed the Bank Board that on November 20, 1984, its Board of Directors, by unanimous vote, decided to terminate the agreement and plan of merger.

Conclusion—Merger

The Committee concludes that since (1) the Bank Board did not alter its position on identified flaws in the merger details and insisted on corrective modifications and (2) Florida Federal ultimate-
ly decided not to merge with First Mutual, any assertion regarding "pressure" that may have been exerted by or on behalf of the congressman was substantively and procedurally ignored. Nevertheless, the Committee would admonish all Members to avoid situations in which even an inference might be drawn suggesting improper action.

C. Florida properties

The third broad allegation was that Representative St Germain may have benefited directly or indirectly from purchases of properties that influential officials of Florida Federal may have offered in light of his congressional position. The Committee conducted interviews and obtained documentation relevant to the congressman's Florida properties in order to assess whether the allegation was well founded. The properties reviewed included:

2. Tampa Legal Properties.
3. Village Square Condominiums.
4. Alachua Hills Trust.
5. E. B. Porter Trust.
6. Sandpiper Key Condominium.

The results of this analysis follow:

1. Bayfront Tower Condominium

The Committee determined that on March 6, 1979, Joseph T. Lettelleir, then President of Florida First Service Corporation, known formerly as First St. Petersburg Service Corporation, (a wholly owned subsidiary of Florida Federal) proposed to Representative St Germain that the congressman purchase a condominium unit at the Bayfront Tower Condominium located in St. Petersburg. According to Joseph Lettelleir, the Bayfront condominium project was being disposed of by Florida Federal in a distress sale because of the prior owners' failure to meet a financial obligation to the savings and loan. At the time of the proposal, Mr. Lettelleir was an officer and on the Board of Directors of Florida Federal. Lettelleir was also a long-time friend of Representative St Germain (having known the congressman since 1972) and knew of the congressman's interest in purchasing Florida property. Shortly after the proposal, Representative St Germain entered into an agreement with Florida First Service Corporation for purchase of condominium unit 1505 in Bayfront Tower Condominium.

The terms of the agreement, which were subject solely to Mr. Lettelleir's approval and control, included a sales price of $106,000; a deposit of $1,000 upon execution of the agreement, plus an additional deposit of $9,600 before March 21, 1979, with a stated balance due of $84,400 payable over a term of 29 years at 9.25 percent; and a settlement date occurring before June 4, 1979, at which time the balance of the purchase price, plus applicable settlement costs, would be paid.

In May 1979 an appraisal of the unit was requested, resulting in a partial appraisal report on June 6, 1979. Unit 1505 was appraised as having a fair market value of $110,000. Appraisal documents noted a requirement that units within new projects, such as Representative St Germain's, were to be appraised by comparables select-
ed outside such a new project. This appraisal procedure was not followed apparently because of the distress sale situation.

Project comparables listed fair market values different than that of unit 1505. For example, the fair market value of a similar unit, condominium unit 1405 (one floor below), was set at $109,000, and the fair market value of another similar unit, unit 1005, was estimated at $111,000.

The appraisal documents themselves expressly stated that unit 1505 was “sold below market value.” Specifically, unit 1505 was appraised at $110,000 and sold for $4,000 less.

On July 16, 1979, Representative St Germain, Helen C. Hitz, and Richard P. Meuvire executed a note for $84,800, payable to Florida First Federal Savings and Loan in monthly payments of $702.19 until August 1, 2008, at an interest rate of 9.25 percent. The note was secured by a mortgage on the property, signed by Charles S. Sokoloff, as Trustee of the Crepe Trust (formed to handle certain of the Congressman’s real estate ventures).

The Committee concludes that Representative St Germain’s acquisition of the Bayfront condominium was precipitated by (1) his friendship with Lettellier and (2) the Savings and Loan’s desire to dispose of the property as close to market value as possible in a distress sale context. The documents reviewed establish that the congressman entered into a secured agreement in which he made a down payment and incurred a mortgage liability not at variance with prevailing market conditions given the distress sale context in which the acquisition occurred. In this light, no further action is warranted.

2. Tampa Legal Properties Agreement

The Tampa Legal Properties was a partnership agreement undertaking by a group of investors. The stated purpose of the partnership agreement was to acquire title to and develop property in Hillsborough County, Florida. The principal office of the partnership was the Florida Federal Building, Fourth Street and Central Avenue, Tenth Floor, St. Petersburg, Florida.

There were 17 original investors: one investor, Ann L. Kerr, owned 50-percent interest in the partnership. The other original investors and their interests were—

As can be seen, Representative St Germain was not an original listed investor. The investment plan was to enter into a sale-leaseback arrangement, described in greater detail below.

On October 24, 1980, Fred Graves and Sam H. Mann, Jr., the latter one of the partnership investors, entered into an option contract in which Graves agreed to sell to Mann, for $650,000, a parcel of land known as the "Graves parcel" upon the exercise of the option. The option contract required a $2,000 deposit, with closing on January 22, 1981.

On October 30, 1980, Zoe A. Furman and Ann L. Kerr, the majority investor, entered into an option contract in which Furman agreed to sell to Kerr, for $200,000, a parcel of land known as the "Furman parcel" upon the exercise of the option. This option contract required a $1,000 deposit, with closing on December 31, 1980.

On February 23, 1981, Sam H. Mann, Jr., required a total assessment of $11,415.17 from the Tampa agreement partners for acquisition of the Graves and Furman parcels, according to their original contribution percentages. According to his 7.4625-percent interest in the partnership, Raleigh W. Greene, Jr.'s contribution due toward the total $11,415.17 was $1,703.71.

On February 1, 1982, Ann L. Kerr and Sam H. Mann, Jr., as trustees, and lessors, entered into a 3-year lease with C.D. Furman, Jr., for the properties.

On February 19, 1982, Raleigh W. Greene, Jr., assigned 20 percent of his interest in the Tampa Legal Properties partnership to Representative St Germain. Specifically, Raleigh W. Greene, Jr., assigned a 1.4925-percent interest to Representative St Germain for $10,000. Mr. Greene informed the Committee that he had invited Representative St Germain's participation in the partnership because he knew his friend was interested in Florida investments.

Pursuant to his partial assignment, Raleigh W. Greene, Jr., requested contributions from Representative St Germain on, for example, February 19, 1982, and September 25, 1985. Specifically, correspondence from Raleigh W. Greene, Jr., to Representative St Germain requested, on February 19, 1982, $1,413 from Representative St Germain. (Raleigh W. Greene, Jr., had paid $57,067.46 in total contributions up to January 31, 1982. Twenty percent thereof—(the congressman's interest) was $11,413. (Representative St Germain had already paid $10,000, leaving a balance due of $1,413.)

Moreover, on September 25, 1985, correspondence to Representative St Germain, Raleigh W. Greene, Jr., requested $917.18 from the congressman, reflecting 20 percent of a $4,589.43 assessment against Raleigh W. Greene, Jr., concerning the subject property.
As can be seen, Representative St Germain’s participation in this investment was attended by his making appropriate financial contributions. The Committee concludes that Representative St Germain’s involvement in this investment was due to his long-standing friendship with Raleigh Greene, Jr., and not due to the congressman’s position. Inasmuch as no evidence exists that Representative St Germain’s involvement in the partnership was occasioned by preferential treatment (financial) or that, because of his position, he was not expected to meet his responsibilities under the partnership, the Committee concludes no further action is warranted.

3. Village Square Of Titusville, Titusville, Florida

On October 20, 1983, Representative St Germain entered into a contract for the purchase of a unit in the Village Square of Titusville, Florida, condominiums. The terms were the following: $47,500, including a $1,000 deposit and the balance of $46,500, payable at closing. The scheduled closing date was December 5, 1983.

On February 1, 1984, the congressman executed a U.S. Housing and Urban Development (HUD) Settlement Statement concerning Village Square Unit 104/Bldg. 1. The lender was the Rhode Island Federal Savings & Loan Association. The settlement statement reflected a $1,000 down payment and $43,110 as the principal amount of a new purchase loan. On that same date, Representative St Germain executed an adjustable rate note to Rhode Island Federal Savings & Loan Association in the amount of $43,110. Payments were to be $489.56 per month until February 1, 2014, with interest at 13.375 percent, subject to change every 60 days. The note was supported by a mortgage on the property.

On February 1, 1984, Representative St Germain made his check for $4,810.55 payable into the escrow for this Titusville property, which included the down payment plus closing costs.

On February 1, 1984, Representative St Germain leased the property to First Service Properties as lessee. The lease agreement called for a term of 1 year, with payments of $535.49 per month, with an option to renew.

No improprieties are noted in this transaction. Moreover, the Committee notes that Florida Federal was not connected with this property acquisition.

4. Alachua Hills Trust

In 1980 Representative St Germain obtained a 38-percent interest in a land trust, known as the Alachua Hills Trust, the purpose of which was to acquire a 66-lot parcel in Alachua City, Florida. The partners in the venture included the congressman, Raleigh W. Greene, Jr., and Joseph T. Lettelleir. Their shares were: Representative St Germain—38 percent; Lettelleir—24 percent; and Greene—38 percent.

Correspondence from Joseph T. Lettelleir to Representative St Germain on December 15, 1980, concerning the trust reflected that Raleigh W. Greene, Jr., was to contribute $9,000 of $90,000 needed for the purchase of the property. Lettelleir requested that Representative St Germain repay to Raleigh W. Greene, Jr., the congressman’s proportionate share thereof, 38 percent, i.e., $3,420.
December 23, 1980, Representative St Germain paid $3,420 by check to Raleigh Greene.

In January 26, 1981, correspondence to Raleigh W. Greene, Jr., Representative St Germain enclosed a $27,000 check payable to “Birr Bryant & Saier, Escrow,” for the Alachua Hills Trust. In the January 26, 1981, letter, the congressman stated that his check was postdated to January 30 so that he could take advantage of a few extra days of interest on his money market funds.

On January 27, 1981, Raleigh W. Greene, Jr., sent $27,000 to Frank Saier regarding Phase II of the Alachua Hills development.

On February 11, 1981, the Congressman paid Lettelleir $3,580 for his portion of Lettelleir’s interest.

No improprieties are indicated in this transaction. The Committee concludes that this investment was, again, the product of Greene and Lettelleir’s friendship with the congressman and their awareness of his interest in investing in Florida.

5. E.B. Porter Trust

In June 1982 a land trust agreement, the “E.B. Porter Trust” was created, with E.B. Porter as trustee. Mr. Porter was, at the time, Vice Chairman of the Board of Directors of Florida Federal. The following individuals possessed original interests in the trust:

The stated purpose of the trust was to acquire title to and develop investment property, consisting of five different parcels. The principal office of the trust was the Florida Federal Building, St. Petersburg, Florida.

By an addendum dated June 23, 1982, the trust agreement was modified to show Representative St Germain as a participant. This resulted in the following changes in interests:

The congressman’s 5-percent interest consisted of transfers to him of the following interests from the original beneficiaries:

The Congressman paid $38,939, for his 5-percent interest.

On May 10, 1983, E.B. Porter, the trustee, executed an agreement to sell certain properties to Town 'N Country Park, Inc. The sale closed on February 14, 1984, reflecting a selling price of $1,272,280, a mortgage thereon of $550,140 in favor of the trust, and net cash to the trust (after loan payoffs and expenses) of $36,400.86.
The Committee did not identify any material indicating any improper action by Representative St Germain in this investment. In this case, as with the other Florida investments, the congressman was shown to have entered the transaction on the basis of a contribution of funds reflecting his true share in the holdings and as a result of his desire to invest in Florida, a fact known by his long-time friends, Messrs. Greene and Lettelleir. On this basis, no further action is warranted.

6. Sandpiper Key Condominium

On May 27, 1982, Representative St Germain entered into an agreement with Sandpiper Key Associates, a Florida general partnership, to purchase a waterfront condominium, unit 205, building II. Representative St Germain had been introduced to the property by his friend, Joseph Lettelleir. Florida Federal was the construction lender that ultimately foreclosed on the property in October 1982. The congressman initially inspected the project and reserved two small units in two buildings that had not yet been constructed. The developer later proposed that Representative St Germain upgrade his purchase for two small units to one large townhouse unit. Thus the final purchase agreement was to “replace” unit 404, building V, and unit 306, building VI.

The total purchase price was recited at $190,000, with $19,000 down payment “transferred from V-404 and VI-306.” Closing was to take place, if the congressman could obtain a $171,000 mortgage, on July 26, 1982. The seller agreed to lease back the unit from the congressman for $2,500 per month for 18 months.

On January 6, 1983, the congressman made a “Residential Loan Application” to Florida Federal for the purchase of the condominium. He applied for a conventional $171,000 loan at 12.25 percent for 360 months, with monthly payments of $1,791.90. The total monthly expense for the condominium was reflected at $2,637, with $23,958 being required in cash from the congressman to complete the escrow. The loan application recites that the congressman did not intend to occupy the property as his primary residence. In fact, he leased the condominium back to Sandpiper Key Associates for $2,500 per month for use as a model.

A Florida Federal internal document reflects that Representative St Germain was referred by Mr. Joseph T. Lettelleir, a director and executive vice president of Florida Federal. It states, “The request is for a 90% LTV” (loan to value).

The Committee reviewed a Florida Federal Mortgage Screening and Committee Action Sheet showing an application date of January 6, 1983. The savings and loan initially refused the loan application on the basis that it did “not offer rates & terms requested.” The settlement took place on January 17, 1983.

At the time of settlement, there was a $17,000 “purchase rebate” that reduced the purchase price from $190,000 to $173,000. Thus, the LTV (loan to value) ratio changed from 90 percent to 98.84 percent.

The loan from Florida Federal was at 12.5 percent for 30 years with monthly payments of $1,825.01 on principal of $171,000 commencing March 1, 1983. It was secured by a standard mortgage in favor of Florida Federal.
No evidence of improper action by the congressman was identified in this transaction. Thus, the Committee concludes no further action is warranted.

Conclusions—Florida Properties

The Committee is not persuaded that the facts that officials of Florida Federal were co-investors in the financial undertakings or introduced Representative St Germain to other Florida investments render the investments improper. In all cases, Representative St Germain’s participation was supported either by contributions of his appropriate share or by commercially reasonable loans. Without evidence to the contrary, the Committee is not in a position to conclude that the congressman’s investments with his friends, or other personal purchases notwithstanding their affiliations with Florida Federal, were improper.

D. Rhode Island properties

The fourth allegation was that Representative St Germain may have benefited directly or indirectly from purchases of properties that were offered to him by a developer, Ferland Corporation, which did so because of the congressman’s position and influence. As with the other allegations, the Committee conducted interviews and obtained and reviewed relevant documentation. In sum, this entailed analysis of the following transactions participated in by the congressman:

1. Four Seasons East Group.
2. School Street Associates.
3. Parkview Associates.

The results of this Committee's analysis follow:

1. Four Seasons East Group

On January 2, 1971, a Rhode Island limited partnership, the Four Seasons East Group, was formed by Roland O. Ferland as general partner and the following limited partners: Representative St Germain, Armand J. Ferland, Albert J. Ferland, J. Raymond Ferland, Eugene H. Ferland, and Armand A. Ferland. Roland Ferland is a prominent Rhode Island developer who first met Representative St Germain over thirty years ago as a member of a fraternal organization. Mr. Ferland later served as the campaign manager during the congressman's first congressional race in 1960. The two men have since remained close friends. The purpose of the partnership was to own and develop real property in East Providence, Rhode Island.

The congressman was to have contributed $3,000 for his 15-percent limited partnership share. This property was developed into an extensive complex of 192 apartment units.

Representative St Germain reported in his 1980 and 1981 Financial Disclosure Statements a sale of a portion of this interest that occurred in December 1980. At that time he sold 13 of his 15-percent interest for $184,798.90 to Ferland Corporation (10 percent) and Koffler Corporation (3 percent) and retained a 2-percent interest. In December 1980 the Koffler Corporation gave the congressman a $42,219.44 note dated December 5, 1980, at 9-percent inter-
est, payable January 2, 1981. The Ferland Corporation also gave the congressman a $140,731.47 note dated December 5, 1980, at 9-percent interest, payable January 2, 1981. The notes totaled $182,950.91. The corporations paid him the balance of the purchase price of $1,847.99 on or about December 5, 1980.

The congressman, on February 7, 1985, received $2,400 for his 2-percent share of the net cash flow from the Four Seasons East Group.

On February 24, 1986, the congressman received $4,526 "nonpreferred distribution" for the year ended that date, characterized in a February 16, 1986, letter from Ferland Corporation transmitting the check as the congressman's share of "net cash flow" of Four Seasons.

The Committee concludes that this investment opportunity was made possible through Roland Ferland's long-standing friendship with Representative St Germain. Accordingly, no further action is warranted.

2. School Street Associates

This investment partnership was organized in 1975 by Roland Ferland, general partner, and the following limited partners: Representative St Germain, Armand J. Ferland, Albert Ferland, J. Raymond Ferland, Eugene Ferland, and Armand A. Ferland. The purpose of this venture was to acquire for development and investment certain property located on School Street, Pawtucket, Rhode Island.

Representative St Germain acquired a 20-percent partnership interest in this investment for a capital contribution of $2,000 in 1975. The congressman loaned an additional $12,000 in 1980 and $4,000 in 1983, representing his proportional share of financial contributions (loans) to the partnership. Specifically, on April 14, 1980, Roland Ferland called on partners for $60,000, which, in effect, required Representative St Germain to make a $12,000 loan to the partnership on the basis of his 20-percent interest. And in October 1983, Representative St Germain sent to Roland Ferland a check for $4,000. Thus, in addition to his $2,000 capital contribution, the congressman made two later loans totaling $16,000, to the partnership.

Prior to 1985 no partnership distributive shares had been issued. The real estate was sold in November 1985 to Famco Associates. The congressman, to date, has received $21,200 as a partnership distribution of the proceeds from the sale to Famco as well as $16,000 in repayment of his 1980 and 1983 loans.

The Committee did not obtain any evidence in connection with this investment establishing that Representative St Germain's participation had any basis other than his friendship with Roland Ferland.

3. Parkview Associates

On June 30, 1976, a Rhode Island limited partnership agreement was entered into with Roland O. Ferland as general partner and the following limited partners: Representative St Germain, Armand J. Ferland, Albert J. Ferland, J. Raymond Ferland, Eugene H. Ferland, Armand A. Ferland, James A. O'Leary, Rich-
ard R. Ferland, Albert J. Ferland, and Roland J. Ferland. Again, this investment involved Roland Ferland, a prominent Rhode Island developer and friend of Representative St Germain. The purpose of the partnership was to own and develop two lots on Parkview Drive in Pawtucket, Rhode Island.

The congressman claims to have contributed $7,500 to obtain a 15-percent interest in the limited partnership.

The Committee determined that on December 20, 1982, Roland Ferland refinanced Parkview Associates, replacing a $239,000 obligation to Ferland Corporation with outside financing of $250,000. He distributed the cash "tax-free" difference to the partners. Representative St Germain received $1,500, his share of the proceeds. The congressman also received $24,000 on September 27, 1983, as a partnership distribution share.

The Committee determined that the congressman later received from this partnership $7,500 on February 7, 1984; $4,500 on July 20, 1984; and $7,500 on December 13, 1984, for an additional total of $19,500.

On March 29, 1985, the congressman received a letter containing a check for the "first distribution for 1985 on Parkview in the amount of $11,250."

More recently, on September 11, 1985, Roland O. Ferland wrote a letter to Representative St Germain reporting that Ferland had completed additional secondary financing and enclosed a $120,000 check representing the congressman's share of the proceeds of the new financing.

The Committee concludes that this investment opportunity was made possible by Representative St Germain's friendship with Roland Ferland. In fact, during the Committee's interview of Ferland, it was made clear that his friendship with the congressman led to this investment. The Committee adduced no evidence during its review of this investment establishing that Representative St Germain's participation had any other basis, and accordingly, no further action is warranted.

Conclusion

In the light of the information obtained and discussed above regarding Representative St Germain's Rhode Island interests, the Committee concludes the allegation of improper activity was not confirmed. The subject holdings were participated in by virtue of the congressman's long-standing friendship with Roland Ferland, and no evidence was obtained establishing that Representative St Germain did not contribute his appropriate financial share at the time of entry into the holdings or that friendship with Ferland was not, in fact, the basis for the investments.

E. Acquisition of International House of Pancakes properties

The fifth allegation was that, because of his office or influence, Representative St Germain received, directly or indirectly, loans from banks for the full amount, or more, of the purchase of certain properties. The thrust of the allegation was that, because of his congressional position, Representative St Germain benefited from
favorable treatment accorded him by the banking institutions involved.

This allegation relates to Representative St Germain's acquisition of properties relating to the International House of Pancakes (IHOP). The Committee's analysis of this allegation follows:

1. International Industries, Inc., and Representative St Germain's decision to acquire the properties

In 1971 International Industries, Inc. (III), was a Beverly Hills, California-based corporation whose stock was listed on the New York Stock Exchange. The principal business of the corporation was that of a franchisor of IHOP restaurants. The company owned, among other things, improved real estate on which were situated 38 IHOP restaurants valued in excess of $10,000,000. The company franchised these restaurants to franchisees who leased the restaurant sites from III, paying III rent on a regular basis. The leases were generally for a 20-year term. The franchise agreements also required additional regular payments to III as "franchise fees."

In 1971 III had serious financial problems. The company owed a consortium of banks, led by California-based Security Pacific National Bank (SPNB), in excess of $114 million. SPNB held, as partial security for these borrowings, liens on the 38 IHOP restaurants. In order to satisfy SPNB's insistence on reducing the line of credit owed the consortium, III placed the restaurants up for sale to investors, on a basis whereby III would lease them back, continuing its relations with the franchisees on a sublease basis.

By way of background, while attending Boston University Law School (graduating in 1955), Representative St Germain became personal friends with his classmate, Jerry Fisher. They parted company after graduation, and Mr. Fisher later became employed in Washington, D.C., with the Small Business Administration.

Mr. Fisher and the congressman renewed their friendship in Washington and continued it for several years until, in 1967, Fisher moved to California to become an officer of III. He was ultimately placed in charge of selling the IHOP restaurants. During this period, Fisher was under intense pressure to sell the restaurants to alleviate III's severe cash flow problems.

The restaurants were essentially disposed of on a forced sale basis, with Mr. Fisher regularly being called upon by SPNB to sell millions of dollars worth of III assets on short notice. The restaurants were offered for sale on a "net book value" basis, i.e., at a price equal to the cost to III of the improvements (less depreciation) and the land. Fisher informed the Committee that in 1971 he was phoning everyone he could think of who might be interested in buying the properties. It was in this context that he phoned Representative St Germain, despite his ignorance of whether the congressman had the financial ability to make the purchase.

Apparently the first call Fisher placed to Representative St Germain occurred in late 1971 or early 1972. Mr. Fisher explained to the congressman that the IHOPs were being sold at bargain prices and that he, Fisher, assured the congressman that he would provide prime locations. The congressman ultimately agreed to purchase, and did purchase, five restaurants from March 1972 to March 1973. He financed these purchases with loans from four fi-
nancial institutions in his home state of Rhode Island. To effect the acquisition, Representative St Germain created a vehicle, the Crepe Trust, in the name of which these investments were made.

2. The Crepe Trust

The initial February 28, 1972, Crepe Trust Indenture named Michael A. Abatuno, North Providence, Rhode Island, as trustee. Abatuno was then a Providence, Rhode Island, attorney who had previously employed Mr. St Germain as a lawyer in his office. The indenture recites Representative St Germain as the sole beneficiary and recites the trustee's power to buy a Cranston, Rhode Island, IHOP for $263,320 and a Providence, Rhode Island, IHOP for $311,440, executing two promissory notes to Industrial National Bank of Rhode Island (now Fleet National Bank).

The indenture also recites that the congressman delivered $28,738 to the trustee. This sum apparently was intended as a down payment on the first two IHOPs he acquired.

In the records of IHOP, Inc., the Committee located a photocopy of a cashier's check dated February 28, 1972, marked "re: Fernand St Germain" payable to "Michael A. Abatuno, Trustee U/I/T 2/28/72" drawn on Industrial National Bank of Rhode Island in the amount of $28,738. The congressman initially informed the Committee that this was not his money and that he could not recall where it came from. The Fleet National Bank (successor to Industrial National Bank of Rhode Island) photocopy of this check shows it endorsed by Michael Abatuno, but otherwise the back of this check is illegible. In fact, the Committee determined that the source of this so-called "seed" money for the Crepe Trust was Industrial National Bank of Rhode Island. The congressman obtained a loan from that bank in the amount of $28,738 for 17 days with interest at 5 percent per annum. The funds were deposited in the Crepe Trust account on March 7, 1972, and were repaid to the bank on March 17, 1972. Representative St Germain agreed that he did borrow the funds to "seed" the Trust.

Crepe Trust Trustees

The committee determined that the following individuals served as trustees of the Crepe Trust:

- Charles S. Sokoloff, Warwick, R.I., trustee: April 24, 1978, to date.

3. The loans

The congressman, through the Crepe Trust, obtained five loans (plus the initial "seed" money loan) from four Rhode Island financial institutions to purchase five IHOP restaurants. Listed below are the institutions from which he obtained the loans, the amounts of the loans, dates of the notes evidencing the loans, and the specific properties purchased.

The Committee focused on whether the congressman improperly used the influence of his office to secure the above financing. Marquette Credit Union located in the congressman's hometown of Woonsocket, Rhode Island, was, and still is, a state-chartered and wholly state-regulated and -insured credit union. It has never been subject to federal regulation and thus would not be subject to influence from a federal committee.

However, Industrial National Bank of Rhode Island (now Fleet National Bank) and Rhode Island Hospital Trust National Bank were, and still are, federally chartered banks subject to federal regulatory oversight by the Comptroller of the Currency and the Federal Deposit Insurance Corporation (FDIC). Similarly, Old Stone Bank was, and now is, insured by the FDIC, subjecting it to federal regulatory oversight. The Committee scrutinized the loans from these four institutions, along with the congressman’s Financial Disclosure Statements as to the category of value of the loan obligations, fair market value, capital gain, and transaction value.

4. Legal limitations on the banks

As noted, one focus of the investigation was to determine whether any of these institutions acted improperly in making a loan to the congressman.

National banks such as Industrial National Bank and Rhode Island Hospital Trust National Bank were and are allowed to hold real estate mortgages as security for loans under 12 U.S.C. § 29. However, pure “real estate” loans—loans secured only by real estate—have been subject to varying limitations under 12 U.S.C. § 371. In 1972 when the congressman’s loans were made, national banks were prohibited from lending in excess of 90 percent of the appraised value of improved real estate. Pure “real estate” loans in excess of 75 percent of appraised value were required to be amortized by installments over not more than 25 years.

But the congressman’s loans were not subject to such limitations, because his loans were “commercial” loans and not “real estate” loans under the statute.

Loans made to any borrower (i) where the [bank] looks for repayment by relying primarily on the borrower’s general credit standing and forecast of income, with or without other security, or (ii) secured by an assignment of rents under a lease, and where, in either case the [bank] wishes to take a mortgage, deed of trust upon real
estate . . ., shall not be considered as real estate loans within the meaning of this section, but shall be classed as commercial loans.

As shown below, each of the congressman's loans were secured by numerous items, including an assignment of rents. As such, they are commercial loans not subject to restrictions based on appraised value.

Consequently, three questions remained for the Committee's consideration. First, were the loans sound from a banking point of view? Second, regardless of the soundness of the loans, was there any evidence that Representative St Germain improperly attempted to use the influence of his public office to obtain the loans? And, third, did Representative St Germain properly disclose these matters in his Financial Disclosure Statements?

We next examine each loan with these three questions in mind.

5. Industrial National Bank of Rhode Island (Fleet National Bank)

The Wall Street Journal reported in September 1985 that "records show that Industrial National Bank [of Rhode Island] (now Fleet National Bank) of Providence, lent [Representative St Germain] a net total of $1,000 more than the combined purchase prices of two restaurants he bought within four days of each other, one in Providence and the other in nearby Cranston, Rhode Island."

Industrial National Bank of Rhode Island (Industrial Bank or Fleet National Bank hereafter) financed the congressman's first two IHOP purchases: the Providence and Cranston, Rhode Island, restaurants. Although the financing for the two properties was applied for, considered, and granted simultaneously, the Committee analyzes these two purchases separately below.

Settlement sheets for the congressman's purchases reflect that the "selling price" of the Providence IHOP restaurant was $295,868 and the "selling price" of the Cranston IHOP restaurant was $250,154, a total of $546,022. By two notes dated March 7, 1972, Industrial Bank loaned Representative St Germain $292,000 and $255,000, respectively, or a total of $547,000 for the two purchases. Thus, the aggregate loan amounts exceeded the total "selling prices" by $978.

(a) Providence IHOP. It appears that Jerry Fisher, as an officer of III, first contacted the congressman regarding the Rhode Island IHOP purchases before early January 1972. Specifically, on or about January 6, 1972, Industrial Bank, at the request of J. Terrence Murray, the bank's senior vice president, began collecting information about III, primarily from Security Pacific National Bank. The 1971 III annual report that was ultimately received by Industrial Bank shows the company experiencing financial difficulty.

Jerry Fisher apparently had prepared and sent to prospective purchasers, including Representative St Germain, "listing sheets" for the IHOPs that III had for sale. The top right corner of each sheet indicated a price—related to net book value. The sheet for the Providence IHOP restaurant shows a price of $311,440. (As of
August 29, 1971, this restaurant was carried on III's books with a net book value of $296,800. Apparently, III calculated its listing sheet price by multiplying the net book value times an anticipated real estate brokerage fee of 5 percent and adding the brokerage fee to the net book value. In the case of the Providence IHOP, this calculation should have resulted in a listing price of $311,640.

The Committee found that on February 14, 1972, 2 weeks prior to formation of the Crepe Trust (established on February 28, 1972), Mr. Abatuno (who was to become the first Crepe trustee) applied on behalf or Representative St Germain to Industrial Bank for a $292,000 mortgage loan at 8 percent for 15 years to purchase the Providence IHOP. The loan was to be secured by an assignment of rent from the tenant, III, at “12% of cost.” A corporation to be formed, the Crepe Trust, F. St Germain, Pres., was the named applicant. The purchase price was recited as $311,440 with a proposed down payment of 4 percent, or $12,440.

By letter dated February 22, 1972, Jerry Fisher wrote trustee Abatuno noting, “Dear Mike: It was a pleasure talking to you yesterday...” and enclosing, among other things, copies of the subleases for the two Rhode Island IHOPs.

Industrial Bank, by its employee-appraiser Robert C. Nordstrom, apparently inspected the site on February 16, 1972, and appraised the 1-year-old IHOP restaurant at $310,000. The appraisal reflects that sale-leaseback with IHOP is “12% of cost on a net/net lease for 20 years or $37,372.30 per year,” or $3,114 per month. The appraiser capitalized annual Providence IHOP earnings of $37,400 at 12 percent to obtain a value of $311,600. No cost appraisal was made.

On March 7, 1972, Representative St Germain (via the Crepe Trust) purchased the Providence IHOP by warranty deed from III for a “selling price” of $295,868 (less $2,387.70 rents, yielding a net sale price of $293,480) securing a 15-year note dated March 7, 1972, for $292,000 payable at $2,875.50 per month, in favor of the Industrial Bank. After other selling expenses totaling $1,695.82, the balance paid to the seller, III, was $291,784.48. The congressman paid the difference between the “Adjusted Sale Price” of $293,480.30 and the $292,000 mortgage proceeds, or $1,480.30. Representative St Germain and his wife personally guaranteed the note.

The Committee examined a purchase agreement entered into between III and the Crepe Trust. The document reflects a purchase price for this Providence IHOP of $311,440, with a deposit of $15,572 having purportedly been paid simultaneously with execution of the agreement on February 28 or March 3, 1972. The purchase agreement provided that IHOP would lease the premises from Representative St Germain for 20 years at the greater of $3,114.40 per month or 5 percent of gross receipts. The purchase agreement also required the escrowee to pay Security Pacific Bank $311,440 (less closing costs not to exceed $1,000). This, of course, was not done because the $311,440 purchase price to be paid by Representative St Germain was reduced by 5 percent to $295,868. This matter of reduced selling price is discussed later.

Mr. Ed Resnick, an III Vice President, sought SPNB consent for the proposed sale by letter dated February 29, 1972. He reflected, “The gross purchase price for the property is $311,440 before de-
duction of closing items," stating that the book value of the property was $293,500 and the yearly rental during the 20-year lease would be $37,372.80 net, net, net.

The initial $292,000 mortgage was recorded March 7, 1972. It was replaced by another mortgage recorded June 26, 1972, which is identical to the initial mortgage except that the later mortgage required Representative St Germain to pay taxes, assessments, and insurance premiums.

Release of brokerage fee

At the time of settlement, on March 7, 1972, for "valuable consideration," William Halliwell, then of Woonsocket, Rhode Island, released the Crepe Trust from all claims for a brokerage commission on the 228 Meeting Street, Providence, Rhode Island, IHOP. The purchase agreement reflects that William Halliwell, real estate broker, was responsible for said sale. The document also stated that III agreed that the purchase price ($311,440) shall be reduced by 5 percent and Crepe Trust assumed the obligation to pay said broker. This provision effectively reduced the purchase price of $311,440 by the amount of the $15,572 purported deposit.

The Committee determined that Mr. Halliwell never brokered the IHOP and that his purported "release" of the 5-percent commission was a fiction. The fact remains, however, that III, and apparently SPNB, was willing to accept the net book value of the property and had no intention to obtain the 5-percent commission for its use. Thus, while Halliwell's release did not, as such, affect the price Representative St Germain would pay for the IHOP, it did create a misimpression that the Crepe Trust used Halliwell to obtain the property and paid Halliwell a commission.

Leasehold agreement

Representative St Germain leased back the Providence IHOP to III for the greater of $3,114.40 per month or a 5 percent of gross. III subleased the property for $395 per week plus 10 percent of weekly gross in excess of $4,000, a minimum of $20,540 per year (52 x $395), or $1,711 per month.

On March 7, 1972, at the time of the settlement, Representative St Germain assigned his rental rights to Industrial Bank. Also at that time, III and its sublessee subordinated their leasehold rights to Representative St Germain and Industrial Bank.

Interest rate modifications

By letter dated January 16, 1973, Industrial Bank, through Robert Crowley, a bank officer, unilaterally reduced the interest rate on this loan to 7.5 percent, effective with the February payment, with the mortgage payment to remain the same. A bank representative informed the Committee that it did so because of falling interest rates. However, according to the Board of Governors of the Federal Reserve Statistical Digest, 1970-79, interest rates were rising at that time.

5 "Net, net, net," or "triple net," refers to the obligation of a tenant to pay for all taxes, insurance, utilities, maintenance, etc.
By letter dated March 31, 1975, the bank "recast" the congressman's loan—that is, revised the amortization of the remaining balance. The recasting reduced the congressman's payment from $2,875.50 to $2,281 per month "considering a full payout * * * in seventeen years" at an interest rate increased to 8 percent from 7.5 percent.

Financial Disclosure Analysis

A. The congressman's 1983 Financial Disclosure Statement shows this obligation, under Fleet National Bank, in category E ($100,001 to $250,000). It appears that in the normal course of business, the original obligation would have been paid down by about $223,392 to about $68,607 by December 15, 1983. However, with the 1975 recasting, the 1983 year-end mortgage balance was approximately $159,305, so this categorization of the obligation is correct.

B. The 1983 Financial Disclosure Statement shows the Providence IHOP with a fair market value category D ($50,001 to $100,000). Representative St Germain made this categorization on the basis of "net book value" as follows. Original cost of the Providence IHOP was $295,868. He allocated 51.9 percent, or $153,555.50, to improvements and depreciated them over 25 years ($6,142.22 per year—$5,118 in 1972). Thus, by year-end 1983 accumulated depreciation was $72,691.

The congressman calculated net book value as follows:

<table>
<thead>
<tr>
<th>Balance</th>
<th>$295,868</th>
<th>$223,177</th>
</tr>
</thead>
<tbody>
<tr>
<td>Original cost</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Less Accumulated depreciation</td>
<td>72,691</td>
<td>223,177</td>
</tr>
<tr>
<td>Mortgage balance</td>
<td>159,305</td>
<td>63,872</td>
</tr>
</tbody>
</table>

Thus, with a calculated fair market value of $63,872, the categorization is correct.

C. Representative St Germain's 1984 Financial Disclosure Statement shows this property with a fair market value category D ($50,001 to $100,000). Again, the congressman made this categorization on the basis of "net book value" as suggested by the Terry letter. Original cost of the Providence IHOP was $295,868. He allocated 51.9 percent, or $153,555.50, to improvements and depreciated it over 25 years ($6,142.22 per year—$5,118 in 1972). Thus, by year-end 1984 accumulated depreciation was $78,834. The recast mortgage balance at year-end 1984 was $144,130 according to the congressman.

As will be discussed in this part and later in this report, Representative St Germain obtained written advice on April 20, 1978, from Mr. Donald F. Terry, Staff Director, Select Committee on Ethics, that for the purpose of filing his Financial Disclosure Statements under House Rule XLIV (the predecessor to the Ethics in Government Act of 1978):

[I]f you cannot reasonably ascertain the fair market "category of value" of your interest in any property holdings, you may use any recognized indicator of value provided that the method of value is indicated on the disclosure statement. Accordingly, it is appropriate to use book value to determine the category of value of your real estate holdings.

The congressman, in his April 17, 1978, request to Mr. Terry, described the "book value" as being arrived at by "taking the original cost, less accumulated depreciation, and subtracting that amount from the mortgages outstanding plus total current liabilities"
Thus, the congressman calculated net book value as follows:

<table>
<thead>
<tr>
<th></th>
<th>Balance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Origin: cost</td>
<td>$295,868</td>
</tr>
<tr>
<td>Less:</td>
<td></td>
</tr>
<tr>
<td>Accumulated depreciation</td>
<td>78,834</td>
</tr>
<tr>
<td>Mortgage balance</td>
<td>144,130</td>
</tr>
</tbody>
</table>

Thus, with a calculated fair market value of $72,904, the categorization is correct.

The Wall Street Journal reported that on “December 31 the congressman sold his Providence, R.I. restaurant for $470,000, a nearly 59 percent gain over the purchase price. Land records indicate that Mr. St Germain cleared about $400,000 on the sale of the Providence restaurant.”

The congressman did, on or about December 31, 1984, sell the Providence IHOP for $470,000. His obligation to Fleet Bank was, at this time, $144,898.70. When the obligation plus other closing costs were deducted, the congressman “cleared” $315,995.30.

The Financial Disclosure Statement for 1984 reports income from “Real Estate (228 Meeting St., Providence, RI)” as a capital gain in category F ($50,001 to $100,000). The specific source of the income is not specified on the Financial Disclosure Statement. Apparently, a $5,000 deposit plus $40,995.30 was paid to the congressman on or about December 31, 1984, along with a hand-written, unsecured “Note” of the same date for $270,000 payable January 2, 1985, the next business day. The congressman has explained that the basis for this categorization was that the capital gain from this transaction was reported in installments in proportion to the cash proceeds received in 1984 and 1985. On this stated basis, the $45,995.30 cash received in 1984 is correctly categorized.

(b) Cranston IHOP.—On or about January 6, 1972, Industrial Bank, at the request of J. Terrance Murray, Senior Vice President, began collecting information about III primarily from Security Pacific National Bank. Robert C. Nordstrom appraised the Cranston IHOP, on a “cost approach,” at $190,000 in a February 1, 1972, memorandum to the bank.

As previously discussed, Jerry Fisher had prepared and sent to prospective purchasers, including the congressman, “listing sheets” for the IHOPs held for sale by III. At the top right of each, a price—related to net book value—was shown. The sheet for the Cranston restaurant has never been located. (As of August 29, 1971, this restaurant was carried on III’s books with a net book value of $250,900. Apparently, III calculated its listing sheet price by multiplying this $250,900 value times an anticipated real estate brokerage fee of 5 percent and adding the brokerage fee, yielding $263,445.)

Two weeks prior to formation of the Crepe Trust (on February 28, 1972), the Industrial Bank received an application dated February 14, 1972, for a 15-year, $255,000 mortgage loan at 8 percent to purchase the Cranston IHOP. The annual rental income is recited at “12% of cost.” A corporation to be formed, the Crepe Trust, F. St Germain, Pres., is the applicant. The purchase price on the ap-
Application appears to be $263,320 with a 4-percent, or $10,520, down payment.

Mr. Nordstrom apparently reinspected the site on February 16, 1972, and reappraised the 2-year-old restaurant and property at $265,000. Mr. Nordstrom increased the value of the building from $123,150 to $205,000. It reflects that the sale-leaseback with IHOP is "12% of cost on a net/net lease for 20 years or $31,598.40 per year," or $2,633 per month. Twelve percent of $263,320 is $31,598.40.

The initial February 28, 1972, Crepe Trust indenture authorizes the trustee to "invest" in this property in the sum of $263,320 and to execute a $252,800 note to Industrial Bank.

By letter dated February 29, 1972, Ed Resnick, Vice President of III, wrote to Security Pacific National Bank requesting consent to the sale and leaseback of this Cranston IHOP. He states that the "gross purchase price for the property is $263,320" and that its "book value" is $247,600. This is consistent with IHOP, Inc., formerly III, records reflecting, as of August 29, 1971, this Cranston IHOP with a net book value of $250,900.

On about March 7, 1972, Representative St Germain (through the Crepe Trust) purchased the Cranston IHOP for a selling price of $250,154 (suggesting that a purported $13,166 deposit had been paid), securing a 15-year note dated March 7, 1972, for $255,000 payable at $2,437 per month in favor of the Industrial Bank. Representative St Germain and his wife personally guaranteed the note. Their guarantee is on the back of the original note, which Committee staff inspected at Fleet Bank. The mortgage loan closing statement dated "3/7/72" reflects a mortgage of $255,000 and a "Deposit paid" of "See Sales Agreement." The Crepe Trust received a credit for $2,018.79 for "Rents," resulting in an "adjusted sale price" of $248,135.21. After deduction of "Sellers' Expenses" of $587.17 and Title Insurance Policy of $1,020.46, the Net Balance Due to be disbursed to the seller (III/SPNB) was $246,527.68. It appears that Representative St Germain, or his trust, received about $4,846 ("Selling Price" of $250,154 less mortgage of $255,000) net cash from this transaction.

The purchase agreement reflects the purchase price of this Cranston IHOP to be $263,320 and a purported deposit to be $13,166. The purchase agreement reflected that Representative St Germain will lease this Cranston IHOP back to III for a rent of the greater of $2,633.20 per month or 5 percent of gross receipts. An exhibit to the purchase agreement requires the escrowee to pay Security Pacific Bank $263,320 (less closing costs not to exceed $1,000).

By virtue of the loan applications, the bank appears, as of March 7, 1972, to have believed that the purchase price of this IHOP would be $263,320 with the owner's equity of 4 percent of cost. The Wall Street Journal reported that "records show that Industrial National Bank [of Rhode Island] (now Fleet National Bank) of Providence, lent [Representative St Germain] a net total of $1,000 more than the combined purchase prices of two restaurants he bought within four days of each other, one in Providence and the other in nearby Cranston, R.I."

Documentation reflects that the "selling price" of the Providence IHOP restaurant was $295,868 and of the Cranston IHOP restaurent.
rant was $250,154, for a total of $546,022. By two notes dated March 7, 1972, the Industrial Bank loaned Representative St Germain $292,000 and $255,000, respectively, or a total of $547,000 for the purchases. Thus, the aggregate loan amounts exceeded the aggregate "selling prices" by $978. But the documentation examined by the Committee shows that the Congressman obtained $4,846 from the Cranston IHOP escrow, paid $1,480.30 into the Providence IHOP escrow, and netted $3,365.70.

The initial $255,000 mortgage for the Cranston IHOP recorded March 7, 1972, was replaced by another mortgage recorded June 26, 1972, which is identical to the initial mortgage except that the later mortgage required Representative St Germain to pay taxes, assessments, and insurance premiums. The title policy on the property insured it for $255,000.

**Release of brokerage fee**

The Committee identified this as another instance involving the release of the 5-percent brokerage commission that resulted in a reduced selling price. Again, on March 7, 1972, for valuable consideration, William Halliwell released the Crepe Trust from all claims for a brokerage commission on the Cranston IHOP. As was the case regarding the Providence IHOP, the purchase agreement reflects that "William Halliwell, real estate broker was responsible for said sale * * * Seller agrees that the purchase price shall be reduced by the amount of 5% of the purchase price * * * [Representative St Germain] assumes the obligation to pay said broker." This release reduced the purchase price of $263,320 by exactly the amount of the $13,166 purported deposit. Again, Halliwell was neither owed nor paid any brokerage commission.

Similar to the purchase of the Providence IHOP and by virtue of the loan applications, the bank may have believed that the purchase price of the Cranston IHOP would be $311,440 with the owner's equity of 4 percent of cost, equal to $10,520.

**Leasehold agreement**

On March 7, 1972, Representative St Germain leased back the Cranston IHOP to III for a 20-year term at the greater of $2,633.20 per month (yielding annual rental of $31,598.40 as Resnick had told SPNB February 29, 1972) or 5 percent of gross. III was subleasing this Cranston IHOP for $395 per week plus 10 percent of gross in excess of $4,000 per week, or a minimum of $20,540 per year.

On March 7, 1972, at the time of settlement, Representative St Germain assigned his rights to rent from the Cranston IHOP tenant to the Industrial Bank. In addition, on March 7, 1972, III and its sublessee subordinated their leasehold rights to Representative St Germain and the Industrial Bank.

**Interest rate modifications**

By letter from Robert Crowley, dated January 16, 1973, the Industrial Bank unilaterally reduced the interest rate on this loan to 7.5 percent, with the mortgage payment to remain the same. As in the case of the Providence IHOP, the bank informed the Committee that it reduced the rate because of falling interest rates. Again,
the *Federal Reserve Statistical Digest* indicates interest rates were rising.

Industrial Bank subsequently "recast" the congressman's loan. By letter dated March 31, 1975, the bank reduced the congressman's payment from $2,437 to $2,015 per month "considering a full payout * * * in seventeen years" at an interest rate increased to 8 percent from 7.5 percent.

**Financial disclosure matters**

A. The Financial Disclosure Statement for 1984 shows this obligation, under Fleet National Bank, in category E ($100,001 to $250,000). It appears that in the normal course of business, the original Industrial Bank obligation would have been paid down by about $190,957 to about $60,042 by December 31, 1984. However, with the 1975 recasting, the 1984 year-end mortgage balance owed was, according to the congressman, $128,228. Thus, this obligation was correctly categorized.

B. The Financial Disclosure Statement for 1984 shows the Cranston IHOP with a fair market value in category D ($50,001 to $100,000). The congressman apparently assigned this categorization on the basis of the "net book value" because of the Terry letter. The original cost of the Cranston IHOP was $250,154. He allocated 64.5 percent, or $161,349.33, to improvements and depreciated it over 25 years ($6,453.97 per year-$5,378 in 1972). Thus, by year-end 1984, accumulated depreciation was $82,826.

The congressman calculated net book value as follows:

<table>
<thead>
<tr>
<th>Balance</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Original cost</td>
<td>$250,154</td>
</tr>
<tr>
<td>Less</td>
<td></td>
</tr>
<tr>
<td>Accumulated</td>
<td>82,826</td>
</tr>
<tr>
<td>depreciation</td>
<td>$167,328</td>
</tr>
<tr>
<td>Mortgage balance</td>
<td>128,228</td>
</tr>
<tr>
<td></td>
<td>39,100</td>
</tr>
</tbody>
</table>

Thus, with a calculated fair market value of $39,100, the categorization is not correct; it should have been category C—that is, the congressman "overvalued" the holding.

6. *Old Stone Bank Financing of Richardson, Texas, IHOP*

The Committee determined that Jerry Fisher wrote Representative St Germain the following note:

To: Fred

Here is information on other 2 properties. Note the following:

On Richardson, Texas, there is some vacant land. If you are to buy only the improved area—there is one price and 1 legal description. If you want to buy all, I can get it for about $260,000.

Please let me know how you want to go. I suggest going for it all. Either way—time is of the essence.

Best regards,

JERRY.
By letter dated February 22, 1972, six days prior to formation of the Crepe Trust, Representative St Germain wrote to Robert G. Stevens, President of Old Stone Bank, in Providence. Representative St Germain’s letter requested “100 percent financing” for 15 years by the bank to enable his purchase of two parcels of real property with improvements consisting of operating restaurants located in Bronx, New York, and Richardson, Texas. The letter identified Jerry Fisher as the “contact” for III. Accompanying the letter was certain documentation describing the restaurants.

An III listing sheet reflects a price for the Texas IHOP of $236,550. IHOP, Inc., records reflect that, as of August 29, 1971, this property had a net book value of $225,100, and that it was “in escrow” with a selling price of $266,000.

In an April 12, 1972, letter, E.H. Resnick, Vice President of III, certified to Security Pacific Bank that the gross purchase price for the property was $250,000, “before deduction of closing items,” and that the book value of the Richardson, Texas, IHOP was $221,200 with net sales (gross sales of $305,518.45 less sales taxes of $13,557.42) in 1971 of $291,961. By letter dated April 20, 1972, E.E. Loyd, Senior Vice President of SPNB, consented to the sale.

The Committee reviewed the bank’s loan records, providing an opportunity to review Representative St Germain’s loan in the context of similar loans. Of the records provided, the Committee selected the nine loans approved by Old Stone Bank in the 18-month period bracketing the congressman’s loan approval. These loans were analyzed to determine if Representative St Germain’s loan was or was not comparable with other loans. In the Committee’s judgment, the congressman’s loan did not represent an aberration in the bank’s loan policy, therefore supporting a conclusion that he was not accorded favorable treatment. The nine loans examined are described below. Identifying information has been deleted to maintain confidentiality.

1. Request: November 30, 1971 (Conventional Restaurant Loan—$275,000—Ohio).

The bank approved a $275,000 loan to provide permanent first mortgage financing for a proposed restaurant in Ohio for a 20-year term at 9.25 percent. The mortgagor had net worth of approximately $100,000. Additional security included assignment of the restaurant lease. The lessee had net worth in excess of $2 million, sales in excess of $12 million in 1971, and after-tax income in excess of $1 million. The bank valued the land at $100,000 and the proposed improvements at $212,600. The bank considered net income (from lease) of $42,000 less interest on land to be $33,500. The bank then capitalized this at 12 percent to obtain economic value attributable to improvements at $279,166. The bank added the land value of $100,000 to yield a total economic value of $379,000, making this a 72.5-percent loan. The bank calculated reproduction value to be $367,000, making this a 74.9-percent loan. The loan was conditioned on proof that the borrower “has invested a minimum of $75,000 cash equity above our loan.”

The bank approved a $2,400,000 loan to provide permanent first mortgage financing for conversion of an outdated hotel to a modern
downtown motel in Alabama for a 20-year term at 9.25 percent plus 10 percent of gross in excess of $1,012,500 per year. The stockholders of the corporate borrower were experienced businessmen of substantial personal net worth, but they were not personally guaranteeing the loan. The bank valued the land at $343,000. The bank considered net income of $400,000 less interest on land, $30,780, to be $369,220. The bank then capitalized this at 12 percent to obtain an economic value, attributable to improvements, of $3,082,650. The bank added the land value to yield a total economic value of $3,424,000, making this a 70-percent loan. The bank also calculated reproduction value to be $3,367,000, making this a 71-percent loan.

The bank approved a $448,400 loan to Representative St Germain to provide long-term mortgage financing for two existing restaurant buildings to be purchased in Richardson, Texas, and Bronx, New York, for a 15-year term at 8 percent. The bank capitalized net income of $58,609 (Richardson of $28,386 plus Bronx at $30,223) at 9 percent to obtain an economic value of $651,200, making this a 75-percent loan. No reproduction value was calculated. The loan was conditioned on physical inspection. Edward E. Lind, Vice President, recommended this loan.

On May 14, 1986, Edward E. Lind, now a Vice President of Eastland Bank in Woonsocket, explained that capitalization rates stay in the same range for a long period of time. The lease securing the loan provided pretty good credit. Acknowledging that III was in poor financial shape, he noted that there was a franchisee who knew how to, and would, manage the underlying restaurant. He contrasted the leasehold security with a straight loan on a restaurant like number 1, above. The latter is riskier—justifying a higher capitalization rate—because it is more management-intensive. Mr. Lind says he treated comparable number 3, discussed below, like the congressman's—the restaurant lease, guaranteed by a major restaurant chain, was security, justifying a capitalization rate of 8.75 percent. Mr. Lind said the 12.5 percent capitalization rate applied to loan number 4, below, was most likely due to the property being located in Pawtucket, Rhode Island, an area where general economic conditions were not good.

The bank approved a $950,000 loan to provide permanent first mortgage financing for a conventional motel and restaurant in North Carolina for a 20-year term at 9.5 percent plus 0.5 percent of gross rents. The stockholders of the corporate borrower had considerable experience with motels, operating 14, but were not personally liable, though their combined net worth was about $1,400,000. The restaurant was leased from a major restaurant chain and the lease, guaranteed by the chain, was given as security to the bank. The restaurant chain's net worth was $32 million. Motel income was capitalized at 12 percent and restaurant income was capitalized at 8.75 percent to give a total economic value of $1,399,000, making this a 68-percent loan. Reproduction value calculated at
$1,376,000 made it a 69-percent loan. An independent appraisal valued the property as of June 30, 1971, at $1,407,000.

4. Request: May 9, 1972 (Retail Stores and Restaurant Loan—$145,000—Rhode Island).

The bank approved a $145,000 loan to finance the purchase of a building containing the loan applicant's existing restaurant (in business for 13 years) and certain other retail units plus certain lots of nearby land in Rhode Island for a 15-year term at 8 percent. The bank valued the land at $93,000 and the reproduction cost of the building (less depreciation) at $107,000. The bank considered net income, of $20,756 less interest on land, $7,440, to be $13,316. The bank then capitalized this at 12.5 percent to obtain economic value attributable to improvements to be $107,000. The bank added the land value of $93,000 to yield a total economic value of $200,000, making this a 73-percent loan. The bank also calculated reproduction value to be $200,000.

5 Request: October 3, 1972 (Fast Food Restaurant Loan—$135,000—Rhode Island). Also, Request: December 19, 1972 (Fast Food Restaurant Loan—$135,000).

The bank approved a $135,000 loan to provide first mortgage financing on a fast food restaurant in Rhode Island for a 15-year term at 8.5 percent. The bank capitalized net income of $16,200 at 9 percent to obtain an economic value of $180,000, making this a 75-percent loan. The bank also calculated reproduction value to be $180,000. On December 19, 1972, the bank extended the term of this loan to 18 years to coincide with the franchisor’s long-term net lease. The loan’s underwriting strength was based on the mortgagor that, in 1971, had sales in excess of $200 million and after-tax income in excess of $25 million.

The bank approved a $200,000 loan to provide first mortgage financing for a fast food restaurant in Rhode Island for a 15-year term at 8.5 percent. The bank capitalized net income of $21,760 at 8 percent to obtain an economic value of $284,000, making this a 70-percent loan. The loan was underwritten on the basis that it did not exceed the land value of the restaurant site. The loan was also personally guaranteed.

7. Request: November 14, 1972 (Fast Food Restaurant Loan—$100,000—Rhode Island).

The bank approved a $100,000 loan to provide permanent leasehold mortgage financing on a fast food restaurant in Rhode Island for a 15-year term at 8.25 percent. The bank capitalized net income of $25,050 at 9 percent to yield an economic value of $228,000, making this a 44-percent loan. The bank also calculated reproduction value at $175,000, making this a 57-percent loan. The strength of the loan is that the mortgagor was guaranteeing the note. In 1971 the mortgagor had sales in excess of $270 million and after-tax income in excess of $25 million.

8. Request: March 13, 1973 (Restaurant Loan—$100,000—Rhode Island).

The bank approved a $100,000 loan to provide construction and permanent first mortgage financing for a restaurant in Rhode
Island for a 20-year term at 8.25 percent. The bank capitalized net income of $20,000 at 10 percent to yield an economic value of $200,000, making this a 50-percent loan. The bank also calculated reproduction value to be $200,000, making this a 50-percent loan. The mortgagor had personal net worth in excess of $1 million.

9. Request: November 20, 1973 (Conventional Restaurant Loan—$118,000—Rhode Island)

The bank approved a $118,000 loan to provide construction and permanent first mortgage financing for a proposed restaurant facility in Rhode Island for a 15-year term at 9 percent. The bank capitalized net income of $14,800 at 10 percent to yield an economic value of $148,000, making this a 79.7-percent loan.

By letter dated March 23, 1972, Edward E. Lind of Old Stone Bank notified Representative St Germain of approval of his application for a loan on the Richardson, Texas, IHOP only. Two relevant conditions were attached to the loan.

1. Annual operating statements for the IHOP were to be submitted to the bank within 90 days after the end of the restaurant’s fiscal year; and

2. The bank required a first mortgage on all “furnishings, furniture, carpets, air-conditioning, and all other personality pertinent to the real estate.” Apparently, this condition was later waived by the bank.

Representative St Germain agreed to the condition of the loan March 27, 1972.

On March 31, 1972, Old Stone Bank Vice-President Edward E. Lind and Associate Manager Stephen M. Bessett certified that the value of the Texas IHOP property was not less than $315,400. The valuation was made by capitalizing the $28,386 annual net rental to Representative St Germain at 9 percent.

The Crepe Trust indenture was amended April 7, 1972, to empower the trustee to purchase the Texas IHOP by investing $250,000 and executing the $236,550 note. Security Pacific National Bank approved the sale of the Richardson, Texas, IHOP by letter dated April 20, 1972.

**Release of brokerage fee**

A copy of the Texas IHOP purchase agreement dated April 7, 1972, shows the purchase price to be $250,000, $13,450 more than the asked price shown above. The agreement recites that William Halliwell, real estate broker, was responsible for the sale, and accordingly that the seller agreed that the purchase price be reduced 5 percent ($12,500) in consideration for which purchaser would pay Halliwell. As in the case of the Rhode Island IHOPs, Mr. William Halliwell swears he did not receive any commission. Thus, Representative St Germain actually paid only $237,500 for the property.

**Leasehold agreement**

By lease dated April 11, 1972, Representative St Germain leased the Texas IHOP to III for 20 years at a minimum annual rental of the greater of $30,000 or 5 percent of gross sales.

On or about July 7, 1972, Representative St Germain, by the Crepe Trust, purchased the Richardson, Texas, IHOP for "Total Consideration for Deed" of about $237,500, securing a note dated
April 24, 1972, for $236,550 in favor of Gulf Coast Investment Corporation, payable in monthly installments of $2,261.02 each through July 1, 1987.

The note states that it is secured by a vendor’s lien from IHOP Corp. of Richardson, Texas, and a deed of trust on the real property. This note in turn was purchased by assignment to Old Stone Bank, which agreed to hold Michael Abatuno, trustee of the Crepe Trust, personally harmless on the note. Representative St Germain, also on April 24, 1972, assigned as collateral to Old Stone Bank his rights to receive rent from International Industries, Inc., under the master lease and the IHOP Corporation of Richardson, Texas, vendor’s lien. The bank did not require Representative St Germain to execute a personal guaranty. Gulf Coast Investment Corporation (Gulf Coast) serviced the loan for Old Stone Bank.

Restructuring the loan

On April 5, 1977, William D. Taylor, Old Stone Bank Senior Vice President, submitted a recommendation to the bank’s Executive Committee that Representative St Germain’s loan be modified by increasing the interest rate to 8.5 percent and extending the loan amortization by 6 years to 16 years and 4 months. The remaining term was 10 years and 4 months, creating a balloon payment at the end of the term ($100,000 on July 1, 1987). Three days later Mr. Taylor wrote to Representative St Germain and told him that the Executive Committee had confirmed the verbal proposal made April 4, 1977, to extend the loan term at 8.5-percent interest, thus giving the congressman an increased cash flow of $5,545 per year. The 8.5-percent rate appears reasonable. At the time, U.S. conventional mortgages being made averaged 8.95 percent and AAA-rated utilities were issuing bonds at 8.21 percent. (See Board of Governors of the Federal Reserve, Annual Statistical Digest: 1970–1979, 5. The weighted-average interest rate for long-term commercial and industrial loans in amounts from $100,000 to $999,000 was 8.37 percent for the week May 2 through 6, 1977. Id., 160.)

On or about May 13, 1977, William D. Taylor prepared a report addressed to the bank’s Board of Investment that “Mr. St Germain has requested * * *” the loan be extended to coincide with the original term of the lease to III, in effect extending the loan term from 15 to 20 years. Mr. Taylor noted the “serious financial problems” of III for the previous two or three years, but recommended the loan be extended as requested with a new loan rate of 8.5 percent—but only so long as Representative St Germain was the real party in interest.

Apparently, about May 23, 1977, Representative St Germain had a discussion with Mr. Barnes of Old Stone Bank and persuaded the bank to extend the loan term an additional 6 years to eliminate the balloon payment. Thus, the new loan’s term was 16 years and 3 months.

Financial Disclosure Analysis

A. The 1978 Financial Disclosure Statement shows this obligation to Old Stone Bank in category V ($100,000 to $250,000). The staff’s amortization of the recast loan reflects that as of December 1, 1978, the principal balance on the loan was approximately $178,987.50,
and as of January 1, 1979, was approximately $178,461.50, which is consistent with the categorization. This is also consistent with the Crepe Trust loan application to Florida Federal reflecting the obligation, as of January 1, 1979, to be $179,642.

B. The Financial Disclosure Statement for 1984 shows the obligation to Old Stone Bank in category E ($100,001 to $250,000). The amortization schedule for the loan as recast in May, 1977, shows that as of December 31, 1984, the principal balance owed was approximately $132,000. Thus, this categorization is proper.

C. The 1984 Financial Disclosure Statement shows this property with a fair market value in category C ($15,001 to $50,000). The congressman made this categorization on the basis of “net book value” suggested in the previously discussed Terry letter. Original cost of the Texas IHOP was $237,500. He allocated 62.3 percent, or $147,962.50, to improvements and depreciated it over 25 years ($5,918.50 per year—$2,964 in 1972). Thus, by year-end 1984, accumulated depreciation was $74,100. The recast mortgage balance year-end 1984 was $130,841 according to the congressman, $129,802.80 according to Committee staff.

The congressman calculated net book value as follows:

<table>
<thead>
<tr>
<th></th>
<th>Balance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Original cost</td>
<td>$237,500</td>
</tr>
<tr>
<td>Less</td>
<td></td>
</tr>
<tr>
<td>Accumulated depreciation</td>
<td>74,100</td>
</tr>
<tr>
<td>Mortgage balance</td>
<td>130,841</td>
</tr>
</tbody>
</table>

Thus, with a calculated fair market value of $32,559, the categorization is correct.

7. Rhode Island Hospital Trust National Bank (RIHT) Financing of 4340 Boston Post Road, Bronx, New York, IHOP

The Wall Street Journal reported that deed and mortgage records show that the Rhode Island Hospital Trust lent Representative St Germain $2,500 more than the $239,500 purchase price of a restaurant he bought in the Bronx borough of New York City. Documentation reviewed by the Committee establishes the $242,000 loan to have been $2,733 more than the purchase price of $239,267.

The congressman had, on February 22, 1972, sought 100-percent financing from Old Stone Bank for this IHOP at a “purchase price” of $251,850 and, although initially committed itself to the loan, Old Stone Bank ultimately declined it.

About March 1972 the congressman apparently approached RIHT for a loan to purchase this New York IHOP, and the bank discussed the proposition at a Loan Review meeting. However, details were not completed until about July 25, 1972.

The total cost to III of land and construction on the 4340 Boston Post Road, Bronx, New York, IHOP was $91,100 and $162,500, respectively, or a total of $253,600.

In January 1972 III was negotiating with a national real estate broker to purchase $21,000,000 worth of III property. By April 20, 1972, the broker offered to purchase nine New York pancake
houses, including the 4340 Boston Post Road, Bronx, New York, IHOP. The offer for this Bronx IHOP was $241,800, a 10-percent down payment, and an 11.5-percent constant net rental for 20 years with two 5-year renewal options. An April 29, 1972, letter reflects that the broker was expecting a 5-percent commission from III. This would have reduced proceeds to III by $12,090, lowering it to $229,710. By August 4, 1972, Jerry Fisher noted there had been a "change in plans" regarding this IHOP.

Apparently, a conversation was held July 24, 1972, between Robert W. Radway and Alden M. Anderson, Assistant Vice President, as representatives of RIHT, and Michael Abatuno as legal counsel representing the Crepe Trust.

Robert Radway, Alden Anderson, Chester Barker, and Peter Toulmin, of RIHT, had "several meetings" with Michael Abatuno about the proposed loan. The loan was attractive to the bank because of the security afforded by the real estate mortgage, assignment of a 20-year lease by III, assignment of rents from the franchisee, and personal guarantee of the congressman and his wife. The bank noted that the franchisee showed excellent profits, "easily enough to cover rent payments." Radway capitalized $30,000 annual earnings from the III lease at 10 percent to obtain an approximate value of $300,000 and a bank loan of about 80 percent of the value.

By letter dated July 26, 1972, to Abatuno, the Crepe trustee, RIHT confirmed the July 24, 1972, conversation and the bank's commitment to loan the trust $242,000 at 8 percent for 15 years repayable at $2,312.67 monthly, secured by the Bronx IHOP. There was no loan application for this loan. For "commercial loans," it was not this bank's practice "to require a formal loan application to be executed by the Borrower."

A signed amendment to the Crepe Trust dated July 28, 1972, authorized the trustee to "invest" the trust estate in the acquisition of the Bronx IHOP in the sum of $251,860 and for the trustee to execute a $242,000 note to RIHT secured by a mortgage on the Bronx IHOP.

**Five-percent brokerage fee**

The purchase agreement between III and the trust for the Bronx IHOP, executed August 14, 1972, is for a purchase price of $251,860 with a $1,000 down payment placed into escrow.

The purchase agreement acknowledged that "William Halliwell, real estate broker, was responsible for said sale by seller to purchaser. Seller agrees that the purchase price shall be reduced by the amount of * * *" 5 percent in consideration of purchaser assuming the obligation to pay said broker directly. Committee staff found an unsigned, undated general release of claim for brokerage commission from William Halliwell in favor of III; Mr. Halliwell has no recollection of this transaction. The purchase price ($251,868) less 5 percent ($12,593) is $239,275. This contrasts with the earlier offer of $241,800 which, reduced by a 5-percent commission, would have netted III only $229,710.
Sale and Leaseback

By letter dated August 14, 1972, III, through Edward H. Resnick, Senior Vice President, requested SPNB's consent to sell this Bronx IHOP for a "gross purchase price" of $251,860 "before deduction of closing items." He recites that the book value of the property is $231,900. This is consistent with III's August 29, 1971, net book valuation of $239,700. Mr. Resnick represented to SPNB that the yearly rental during the 20-year term will be $30,223.20, net, net, net. This request was approved by letter dated August 28, 1972, in which SPNB gave its consent to the sale.

The underlying 20-year sublease required a $385 per week rental payment plus 10 percent of gross. An equipment lease and franchise fees were also payable. The sublessee and III subordinated their interest to the first mortgage of RIHT on about August 14, 1972. Effective on December 15, 1972, III assigned its right to rent from this sublease to the trust.

On or about December 15, 1972, Representative St Germain (through the Crepe Trust) purchased the New York property, securing a 15-year, 8-percent note dated December 15, 1972, for $242,000 in favor of the Rhode Island Hospital Trust National Bank, payable commencing January 15, 1973, at $2,312.67 per month. This note is personally guaranteed by Representative St Germain and his wife. As of December 15, 1972, the trust gave a collateral assignment of this lease to RIHT as security for its loan.

The trust opened a savings account with RIHT as a depository of rentals from the New York IHOP, from which RIHT could withdraw note payment funds without notice. This was envisioned by RIHT and the trust at the outset, July 26, 1972.

Restructuring the loan

By letter dated November 8, 1977, Alden Anderson, Senior Vice President of RIHT responded favorably to the congressman's request for a modification of the loan to extend it to the expiration date of the underlying lease.

By document dated September 21, 1977, the Crepe Trust and RIHT entered into an agreement to amend the terms of the December 15, 1972, note by (1) increasing the interest rate to 8.5 percent and (2) reducing the payment, commencing January 15, 1978, to $1,878.96, and extending the maturity date 5 years, from December 15, 1987, to December 15, 1992. No loan committee action was required to approve this agreement because no new funds were loaned.

Financial disclosure analysis

The Financial Disclosure Statement for 1984 shows this obligation in category E ($100,001 to $250,000). It appears that in the normal course of business, the original obligation would have been paid down to a principal amount of about $75,611 by December 31, 1983. However, the recast loan had an outstanding balance according to the congressman, of $134,521, so the categorization was correct.

The Financial Disclosure Statement for 1984 shows this property with a fair market value in category C ($15,001 to $50,000). The
congressman made this categorization on the basis of the “net book value” approach approved in the Terry letter. Original cost of the New York IHOP was $239,267. He allocated 64.1 percent, or $153,370.15, to improvements and depreciated them over 25 years ($6,134.81 per year—$511 in 1972). Thus, by year-end 1984, accumulated depreciation was $74,131. The recast mortgage balance year-end 1984 was either $134,521 or $130,205.50.

The congressman calculated net book value as follows:

<table>
<thead>
<tr>
<th>Balance</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Original cost</td>
<td>$239,267</td>
</tr>
<tr>
<td>Less:</td>
<td></td>
</tr>
<tr>
<td>Accumulated depreciation</td>
<td>74,131</td>
</tr>
<tr>
<td>Mortgage balance</td>
<td></td>
</tr>
</tbody>
</table>

Thus, with the fair market value calculation of $30,615, the categorization is correct. Using Committee staff calculations, and subtracting the $130,205.50 mortgage balance, this fair market value calculation becomes $34,930.50, making the categorization correct.

8. Marquette Credit Union Financing of 2526 University Boulevard West, Wheaton, Maryland, IHOP

The Wheaton, Maryland, IHOP restaurant first opened August 28, 1970. As of August 30, 1970, III had incurred land and construction costs of $277,638.

In 1972 Charles Leveille was president of the Marquette Credit Union located in the congressman's hometown of Woonsocket, Rhode Island. Since 1977, Mr. Leveille has had no association with the credit union. Mr. Leveille informed the Committee that Representative St Germain personally approached him as president of the credit union seeking a 100-percent loan to purchase the Maryland IHOP. Mr. Leveille told the congressman that neither he, Leveille, nor the Credit Committee had authority to approve a 100-percent loan of this size.

In a letter dated June 14, 1972, and written to the attention of Mr. Leveille, Michael Abatuno, Trustee of the Crepe Trust, enclosed both a general information sheet and an earnings statement of the Wheaton IHOP and requested a telephone call. The information sheet reflects the Wheaton IHOP's asking price of $293,940.

The next day, June 15, Mr. Abatuno wrote to the attention of the president of Marquette and applied for a $282,182.40 loan for the Crepe Trust to acquire the Wheaton IHOP at a total purchase price of $293,940. This sum was exactly the asking price shown on the III listing sheet. The letter stated the loan “will be” for 15 years at 8-percent interest. The loan is to be paid in monthly installments, secured by a first mortgage, assignment of lease, and collateral assignment of rents of the franchisee. This document was the only “loan application” received or considered by the credit union.

Two days later, at a special Saturday meeting, the Marquette Board Directors concurred with Mr. Abatuno's request for financing, agreeing to loan $283,000—$900 more than the amount requested—subject to certain conditions. This agreement was reflected in a June 19, 1972, letter from the president of Marquette to Mr.
Abatuno, which also states, "I have contacted your client today by phone and advised him of our decision." The minutes of the June 17, 1972, Board of Directors meeting reflect the recommendations of Directors Sheahan, Desaulniers, and DeRoche that the Crepe Trust loan be approved and the board's approval. At that meeting, two other substantial loans unrelated to the congressman were considered. One was approved; one was not. Mr. Leveille stated that, to his knowledge, the congressman never approached or put any pressure on any director to approve the loan.

Exertion of Influence

The first question is whether the congressman had the ability to use improperly the influence of his office to secure this loan. At the time, he was a member of the House Banking Committee and Chairman of the Subcommittee on Bank Supervision and Insurance. However, neither the Committee nor Subcommittee had any authority over this credit union. Marquette Credit Union was and still is a state-chartered and wholly state-regulated credit union. Accordingly, the Committee concludes that Representative St Germain had no such ability.

The next question which arises is whether the loan was sound from a banking point of view. If one considers the "real" purchase price of $278,000 ("selling price" minus 5 percent—see, discussion below regarding broker's commission), then rental income of $35,272.80 yields a 12.6-percent return on investment. If one considers the "unreduced" purchase price of $293,340, then annual rental income of $35,272.80 yields about a 12-percent return on investment. This capitalization at 12 percent was the same that Fleet National Bank made for the Providence and Cranston IHOPs. However, Old Stone Bank capitalized annual rent at 9 percent. Five months earlier, Old Stone Bank would have valued the property at $391,920 ($35,272 is 9 percent of $391,920), much higher than did this credit union. There is no indication of how RIHT capitalized annual rental of the Bronx IHOP, but its annual rental of $30,223.20 yields $335,813.33 value at 9 percent and $251,859.99 at 12 percent (with a $242,000 loan).

Five-percent brokerage fee

The purchase agreement provided that III would sell the Wheaton IHOP to the Crepe Trust for a purchase price of $293,340 ($1,000 deposit received simultaneously) reduced by 5 percent ($14,667) in consideration of the trust undertaking to pay a real estate broker's commission to William Halliwell.

Mr. Leveille stated that he recalled nothing about Halliwell or any brokerage commission but, that had the credit union known no commission was payable, increasing the loan to a 105-percent loan, it would have made no difference—the loan would have been made. Mr. Halliwell, under oath, has stated that he never heard of and had nothing to do with this transaction.

Sale and leaseback

By letter dated July 14, 1972, Jerry Fisher requested SPNB consent to the sale and leaseback of the Wheaton IHOP, reciting the purchase price to be $293,940 "before the deduction of closing
items" and the book value to be $274,800. The book value is consistent with III's August 29, 1981, book value of $280,400, which would, by July 14, 1986, have been approximately $275,000. By letter dated August 28, 1972, SPNB consented to the sale/leaseback.

By agreement dated February 28, 1973, Marquette obtained from III, the trustee, and the franchisee subordination of the Wheaton IHOP sublease, the equipment lease, and the franchise agreement.

On about March 7, 1973, Representative St Germain (through the Crepe Trust) purchased the Wheaton IHOP property for "Total Consideration for Deed" of $293,940. The Crepe Trust made a note dated February 28, 1973, for $283,000 in favor of Marquette Credit Union payable at $2,705.48 per month for 15 years. Representative St Germain and his wife personally guaranteed the loan.

Restructuring the loan

Mr. Leveille stated that the congressman personally contacted him and requested that payments be lowered so he would have money to pay his taxes. Leveille said that he, Leveille, unilaterally approved the extension because of the good payment record and loan security.

By letter dated April 22, 1975, Edgar Turcotte, Mortgage Officer of Marquette, requested the trust attorneys to have William Halliwell, trustee, execute a supplemental agreement modifying the terms of the note. Mr. Turcotte also by letter of the same date asked the congressman and his wife to acknowledge, as guarantors, the changes in the terms of the note, which they did as of April 25, 1975.

The changes were as follows:
(a) The term of the note was extended from 16 years to 18 years; and
(b) The monthly payment was reduced from $2,705.48 to $2,292.50, amounting to $27,510 total payment per year. This increased the congressman's cash flow by $4,955.76 per year.

Financial disclosure analysis

The 1983 Financial Disclosure Statement shows this property with a fair market value in category C ($15,001 to $50,000). By letter dated July 3, 1986, Representative St Germain provided an explanation for this categorization on the basis of the Terry letter. The $279,243 cost was attributed on the basis of the III listing sheet, 51.9 percent to depreciable improvements ($153,555.50). This was depreciated over 25 years ($6,142.22 per year—$5,118 in 1972). Thus, at the end of 1983, the accumulated depreciation was $58,281. The congressman stated that the year-end mortgage balance payable was $178,901. He calculated the fair market value by subtracting the accumulated depreciation and the mortgage balance payable from the cost, to yield $42,061—category C.

The 1984 Financial Disclosure Statement shows this obligation in category E ($101,001 to $250,000). In the normal course of business, the original obligation would have been paid down by about $188,545 to about $94,454. However, records of Marquette Credit Union reflect the recasting as of April 1, 1975. Committee staff calculates the recasting to render the obligation to be $176,981. The categorization is correct.
The 1984 Financial Disclosure Statement shows this property with a fair market value in category D ($51,001 to $100,000). The congressman provided a basis for this categorization, as noted above. Thus, at the end of 1984, the accumulated depreciation was $63,661. The congressman stated that the year-end mortgage balance payable was $165,216. Thus, he calculated the fair market value by subtracting the accumulated depreciation and the mortgage balance payable from the cost, to yield $50,366—category D.

V LEGAL ANALYSIS

On the basis of the Committee's findings, several legal matters warrant consideration. These are discussed below.

A. Receipt of gift flights

The text of House Rule XLIII, clause 4, in effect at the time of the gifts of transportation, stated:

A Member, Officer, or employee of the House of Representatives shall not accept gifts (other than personal hospitality of an individual or with a fair market value of $35 or less) in any calendar year aggregating $100 or more in value, directly or indirectly, from any person (other than from a relative of his) having a direct interest in legislation before the Congress or who is a foreign national (or agent of a foreign national). Any person registered under the Federal Regulation of Lobbying Act of 1946 (or any successor statute), any officer or director of such registered person, and any person retained by such registered person for the purpose of influencing legislation before the Congress shall be deemed to have a direct interest in legislation before the Congress.

As noted earlier, the Committee found that Representative St Germain violated the quoted Rule when he accepted a flight on May 7, 1980, from Florida Federal. The trip from Washington, D.C., to Orlando, Florida, was valued at $99. However, Representative St Germain had already accepted a gift flight in 1980 from that institution, also valued at $99, when he flew on March 19, 1980, from Washington, D.C., to St. Petersburg, Florida. It is clear that Florida Federal is an entity with a "direct interest in legislation" because it is federally regulated. Accordingly, by accepting the second gift flight in 1980, Representative St Germain violated the quoted Rule.

Having established the violation, the Committee next considered the most reasonable and appropriate course of action. It is readily apparent that the subject violation was a singular occurrence and not part of an overall pattern of improper acceptance not attended by mitigating circumstances or explanation. Furthermore, the monetary value of the gift was nominal—$99—and occurred over 6 years ago.

B. Attempted influence of the Federal Home Loan Bank Board

The investigation established that, in 1983, while Representative St Germain was chairman of the Committee on Banking, Finance and Urban Affairs, which had regulatory oversight of federally in-
sured savings and loan institutes and the Federal Home Loan Bank Board (Bank Board), Paul Nelson, a Banking Committee staff member, made telephone calls, apparently on behalf of the congressman, to Richard Pratt, then chairman of the Bank Board. Mr. Nelson’s stated purpose for the calls was to check on the status of the Bank Board’s deliberations regarding Florida Federal Savings & Loan’s application to convert from a mutual to a stock ownership financial institution.

There is no evidence (or claim by the congressman) supporting a contention that Mr. Nelson’s calls had a “constituency basis”—Representative St Germain is the congressman from the first congressional district of Rhode Island; Florida Federal is a Florida-based financial institution.

Similarly, there is no evidence (or claim by the congressman) supporting a contention that the calls were made on behalf of the congressman’s long-time, close personal friend, Raleigh Greene, Jr., who was chairman of Florida Federal. Finally, there is no evidence directly linking Representative St Germain to Mr. Nelson’s calls, although it would not be illogical to do so.

There is circumstantial evidence that the purpose of the calls might have been to expedite the Bank Board’s processing of the conversion application in an effort to obtain approval during a particular time frame. While there was no evidence that any such effort was successful or otherwise influenced the ultimate agency disposition—the Bank Board’s approval—the calls were made during a time when Representative St Germain was a depositor at Florida Federal. He stood to derive personal economic benefit from the ownership interest such deposit gave him. His ownership interest gave him the option to purchase shares immediately upon conversion. One could speculate that a motive for him seeking expedited conversion would be that it could give him the opportunity to purchase stock at a bargain price relative to the after-market for the stock. Conversions to stock institutions had resulted in substantial price increases after the initial offering in the then recent past. However, the Committee firmly believes that speculation about motive is not evidence. And, there is no direct evidence that the congressman had any such improper motive or for that matter, caused Mr. Nelson to make the calls.

In mid-1983, the congressman did purchase $30,000 worth of Florida Federal stock upon conversion. He failed to report this as a “transaction” in his 1983 Financial Disclosure Statement. See “Non-Reporting of Florida Federal Transaction” below.

In light of the above, the Committee believes it would be inappropriate to attribute improper action to an individual based solely on inference and speculation and, thus, does not reach this conclusion. Nevertheless, the Committee would admonish all Members to avoid situations in which even an inference might be drawn suggesting improper action.

C. Financial disclosure

The Preliminary Inquiry identified a number of instances in which Representative St Germain did not report at all or reported inaccurately his participation in certain financial transactions.
Representative St. Germain did not report a late payment penalty he received from III for rents due on the IHOP restaurants owned through the Crepe Trust. Specifically, a dispute arose between the Crepe Trust—Chales S. Sokoloff, Trustee—and III in 1977 because III was late paying its rent to the trust. That dispute was compromised by payment to the trust, in December 1977, of $20,000 representing late payment penalties. In the congressman's Financial Disclosure Statement filed pursuant to House Rule XLIV for the period from October 1, 1977, to December 21, 1977, he reported "Income from rental of commercial properties—$41,304.05." In a May 1, 1978, press release, Representative St. Germain stated that his annual gross rents from the IHOPs were $165,000—yielding $41,250 income per quarter. The Committee established the precise amount as $41,116.80, on the basis of its review of III records. The $20,000 compromise settlement was, thus, not reported. Fleet Bank records show the funds were received into the Crepe Trust account on December 16, 1977, and withdrawn December 20, 1977. By letter dated July 3, 1986, the congressman acknowledged cash receipts deposited by the Crepe trustee in the last quarter of 1977 amounted to $61,117. However, he said that since the $20,000 represented prior-period late payment penalties, he had reported on an accrual basis and not a cash accounting basis. Thus, he did not report the $20,000 because it was not cash income earned during that quarter. This explanation is not inconsistent with the instructions issued for the period—a "rule of reasonableness."

The Committee recognizes that cash and accrual accounting methods are available by which transactions can be reported. However, the undisclosed mixture of such methods is not in accordance with any generally accepted accounting principles. This is not to say that Representative St. Germain's explanation is without merit in this unique instance. Indeed, the rationale for the nonreporting of the penalty payment is logical although it resulted in nondisclosure of the $20,000 income.

The Committee thus concludes that further action is not warranted on this issue but points out that the accounting method used by a filer must be clearly stated and consistently applied to all categories of disclosure.

Nonreporting of transaction

As noted above, Representative St. Germain did not report at all, as a "transaction," his purchase in mid-1983 of $30,000 worth of Florida Federal Stock. In his Financial Disclosure Statement for calendar year 1983, he noted only a "Florida Federal holding," otherwise unidentified, in the $15,001 to $50,000 range. After the ambiguity of this was pointed out to him, the congressman filed an amended 1983 Financial Disclosure Statement on September 6, 1984, identifying the Florida Federal holding as "stock." In the congressman's 1984 Financial Disclosure Statement (filed May 29,
1985), he disclosed in a footnote that he had acquired the stock upon conversion of the association, and that the acquisition "was intended to be temporary." He has never disclosed the purchase transaction by stating the date or category of value. Counsel for the congressman did not offer any plausible explanation for the non-reporting. This non-reporting violated House Rule XLIV and the Ethics in Government Act of 1978.

*Inaccurately reported financial transactions*

Related to the nonreporting matter are a number of instances in which Representative St Germain reported the value of a holding, transaction, or income incorrectly.

Beginning in 1968, House Rule XLIV required annual financial disclosure reports by Members, but only limited information from the reports was publicly disclosed. On March 2, 1977, the House of Representatives adopted a new financial ethics code by House Resolution 287, amending Rule XLIV. The first disclosure statement under the new code was due April 30, 1978, and covered the period from October 1 through December 31, 1977.

The House Select Committee on Ethics was established by House Resolution 383 on March 9, 1977, to implement the new ethics code. The Committee was authorized to define and clarify the ethics rules and to interpret application of the rules to specific factual situations. Donald F. Terry was selected as Staff Director of the Committee.

By letter dated December 13, 1977, to Members, the Select Committee on Ethics issued Advisory Opinion No. 12 interpreting the financial disclosure required by amended Rule XLIV and stating, in relevant part:

> With respect to business interests, the reporting individual need only disclose the category of value of his interest in the business and not the assets and holdings of the business itself. Since the value of holdings needs to be disclosed only within certain categories, an appraisal to determine the fair-market value should usually not be necessary. However, in those few instances where it is difficult to estimate even the category of value of an asset, the individual may use any generally recognized indication of value provided that the method of valuation is indicated on the disclosure form.

As previously discussed, on April 17, 1978, Representative St Germain wrote to Mr. Donald Terry. At that time the congressman inquired whether, for the purpose of filing Financial Disclosure Statements under Rule XLIV, he could report the "book value" of specific properties. "Book value" was defined to Mr. Terry as being arrived at by "taking the original cost, less accumulated depreciation, and subtracting that amount from the mortgages outstanding plus total current liabilities."  

---

9 This definition of "book value" is not correct. "Book value" is cost less depreciation. "Net book value" is "book value" less encumberances (including mortgages), which is the method which Representative St Germain apparently did use for his holdings. To literally apply the formula submitted and approved by Mr. Terry, i.e., encumberances less assets would almost always...
The congressman relied upon his correspondence with Mr. Terry when he disclosed his property holdings. Critical to Representative St Germain's use of this approach is, as the Terry letter also pointed out, the situation in which a filer cannot "reasonably ascertain the fair market 'category of value.'"

During the period after 1979, when EIGA was in effect, this Committee issued instructions for filling out the required disclosure forms. The instructions stated, in relevant part, that "the 'methods of valuation' that may be used if the current value of an interest in property is not ascertainable without an appraisal, are as follows:

Real property—
(A) The purchase price and date of purchase; or
(B) The assessed value for tax purposes, adjusted, if necessary, to reflect the fair market value if the assessed value is computed at less than 100 percent of market value.

If either of these two methods is used, exact purchase price or adjusted assessed value must be disclosed in lieu of a category of value.

Personal property—
(A) The book value of a corporation whose stock is not publicly traded;
(B) The net worth of a business partnership;
(C) The equity value of an individually owned business; or
(D) The assessed value for tax purposes, adjusted if necessary, to reflect fair market value if the assessed value is computed at less than 100 percent of market value.

The reporting individual may use any other recognized indication of value, provided that a full and complete description of the method used is included in the Disclosure Statement.

Representative St Germain consistently understated—by more than a million dollars—on his Financial Disclosure Statements the fair market value of his five International House of Pancakes restaurants (IHOPs). Specifically, for calendar years 1983 and 1984, the congressman's disclosure and reporting of his IHOP interests would lead an uninformed reviewer to the conclusion that those holdings, aggregated, had a fair market value of no more than $300,000. This stands in stark contrast to the real state of affairs: the true fair market value in 1983 and 1984 of these properties, aggregated, was between $1,490,861 and $2,091,233.

The "true market value" is calculated as follows. In December 1984, the congressman sold the Providence IHOP for $470,000. He retained four IHOPs. In his 1985 Financial Disclosure Statement, he reflects the fair market value of these four IHOPs by disclosing, as provided by EIGA, (a) their dates of purchase and cost (an aggregate of $1,020,861), and (b) their fair market value based on assessed value (an aggregate of $1,621,233).

Then existing (and present) Committee instructions for reporting real estate holdings of this type require a filer who cannot ascer-
tain, without an appraisal, the current value of an interest in real property, to disclose (a) the purchase price and date of purchase; or (b) the assessed value for tax purposes, adjusted, if necessary, to reflect the fair market value if the assessed value is computed at less than 100 percent of market value. The instructions further require that “[i]f either of these two methods is used, exact purchase price or adjusted assessed value must be disclosed in lieu of a category of value.”

The Committee instructions regarding personal—as opposed to real—property provide that a filer could “use any other recognized indication of value, provided that a full and complete description of the method used is included in the Disclosure Statement.”

The Committee accepts that the congressman simply made a good faith mistake that the Committee’s instructions regarding personal property applied to real property as well. However, while Representative St Germain stated his method of reporting in his Financial Disclosure Statement for calendar years 1978 to 1982, this information was not stated in either his 1983 and 1984 Financial Disclosure Statements. No explanation has been offered for this failure to disclose method of reporting.

There appears to be questionable basis for the congressman’s claim that he relied on advice given to him by the Staff Director of the Select Committee on Ethics in assigning categories of value for the IHOP’s in 1978 through 1984. That advice was: “If you cannot reasonably ascertain the fair market ‘category of value’ of your interest in any property holding, you may use any recognized indicator of value provided that the method of valuation is indicated on the disclosure statement.”

Prior to 1985, the congressman could have reasonably ascertained the fair market “category of value” because he had available to him the very same information regarding the fair market value of his IHOPs during the seven years from 1978 through 1984 that was available to him in 1985: (a) tax assessments reflecting fair market value, and (b) purchase dates and purchase prices. Consequently, in 1985, he possessed no more information than had been available to or known by him in prior years.

Moreover, the congressman’s earlier ability to ascertain fair market “category of value” is evidenced by the fact that, on January 6, 1983, he stated on a mortgage application to Florida Federal Savings & Loan, a federally-insured financial institution, that the aggregate “present market value” of his five IHOPs was $1,815,400. This is $513,368 in excess of the aggregated purchase price. The $1,815,400 aggregate value is far more consistent with his 1985 Financial Disclosure Statement, as well as with the annual tax assessments available to him for the properties, than his disclosure of categories of value aggregating not in excess of $300,000.

Clearly, the Committee instructions and the Terry letter prohibited the congressman from further application of the “net book value” method once he knew the IHOPs’ fair market value. As noted, it is apparent that Representative St Germain continued to use net book value, as erroneously described in the Terry letter, despite his January 6, 1983, loan application to Florida Federal in which he stated the five IHOPs’ “present market value” was $1,815,400. The congressman has explained, “I used net book value for reporting my real estate holdings from 1977 through 1984 in
keeping with the enclosed written opinion of the staff director of the Ethics Committee at that time, Mr. Don Terry."

The Committee believes it is reasonable to conclude that the instances of incorrect valuation of the IHOPs in the post-January 1983 period in Representative St Germain's Financial Disclosure Statements were predicated on his continued use of "net book value" approach after January 6, 1983. The use of the "net book" value approach stemmed from Representative St Germain's position that the figures used in the loan application were based on the congressman's estimates of value and were not based on formal appraisals, nor were they intended to represent "fair market value." (Again, it should be noted that in his 1985 Financial Disclosure Statement, Representative St Germain was able to report the fair market category of value of his property interests without use of the "net book value" approach.) This undervaluation violated House Rule XLIV and the Ethics in Government Act of 1978.

The Committee identified a related problem in connection with Representative St Germain's sale, in December 1984, of the Providence IHOP.

The Wall Street Journal reported that on "December 31, [1984] the congressman sold his Providence, R.I. restaurant for $470,000, a nearly 59½% gain over the purchase price. . . . Land records indicate that Mr. St Germain probably cleared about $400,000 on the sale of the Providence restaurant."

The Congressman did, on or about December 31, 1984, sell the Providence IHOP for $470,000. His obligation to Fleet Bank was $144,898.70. When the obligation plus other closing costs were deducted, the congressman "cleared" $315,995.30.

The 1984 Financial Disclosure Statement reports income from "Real Estate (228 Meeting St., Providence, RI)" as a capital gain in category F ($50,001 to $100,000). The source of the income was not specified on the Financial Disclosure Statement. Apparently, a $5,000 deposit plus $40,995.30 cash was paid to the congressman on or before December 31, 1984. In addition, he received a hand-written, unsecured "Note" of the same date for $270,000 payable January 2, 1985, the next business day. The congressman has explained the basis for this categorization: "The capital gain from this transaction was reported in installments in proportion to the cash proceeds received in 1984 and 1985." On this stated basis, the $45,995.30 cash received in 1984 is incorrectly categorized—it should have been arguably category E ($15,000–$50,000). However, the congressman also received a $270,000 note on December 31, 1984. He did not report this note in his 1984 Financial Disclosure Statement despite its value to him as income, a transaction, or a holding of $270,000 value. Rather, he reported receipt of the money paying off the note in his 1985 Financial Disclosure Statement.

EIGA requires "a brief description, the date, and category of value of any sale during the preceding calendar year which exceeds $1,000 in real property," Sec. 102(a)(5)(A). The Committee's 1980 instructions recite that—

The amount to be reported is the category of value of the total sales price and is not related to any capital gain or loss on the transaction. The description of each transaction should indicate whether the property was
purchased, sold, or exchanged, and include the date of the transaction. For example "30 percent interest in office building, 1100 North Main Street, Springfield, Va., sold on March 15, 1979, sales price Category of Value D."

The 1984 Financial Disclosure Statement shows the value of the sale of this property in category E ($100,001 to $250,000). This is incorrect. The value of the sale was $470,000 and, accordingly, should have been reported in category F (over $250,000). The Committee concludes the sale of the Providence IHOP was incorrectly reported due to the congressman's apparent perception that the sale was an installment transaction as opposed to what it was—his one-time receipt on December 31, 1984, of $470,000 value.

D. Other financial disclosure defect

School Street Associates. As noted earlier, Representative St Germain made $16,000 in loans to the School Street Associates during 1980–83. These loans, as "personal property" held for investment or the production of income, should have been but were not reported in any of his Financial Disclosure Statements as either transactions or holdings.

E. IHOP bank financing

The allegation that the congressman abused his office in obtaining favorable bank financing to acquire his five IHOPs was not proven. This conclusion is based on the Committee's analysis of relevant bank documentation and other comparable transactions and on interviews with persons involved. The IHOPS were sold on a "forced sale" basis at bargain prices; the loans were sound, thoroughly secured, and properly made from a banking point of view.

F. Possible misstatements to Federal or federally insured banks

Five IHOP purchase agreements were transmitted to Security Pacific National Bank, Old Stone Bank, Rhode Island Hospital Trust National Bank, and Industrial National Bank of Rhode Island (Fleet National Bank), all of which were insured by the Federal Deposit Insurance Corporation. Two of these banks also received copies of the release of claim for real estate commission for IHOP transactions.

As noted, the statement contained in each purchase agreement—"It is mutually acknowledged that William Halliwell, real estate broker, was responsible for said sale by the SELLER to the PURCHASER"—was not correct. William Halliwell was not responsible for the sales.

The additional statement in each purchase agreement—"SELLER agrees that the purchase price shall be reduced by the amount of five percent (5%) of the purchase price on the sale of the premises * * * in consideration of the agreement of the PURCHASER, who hereby assumes the obligation to pay said broker directly"—is also at least partially incorrect. III did reduce the purchase price but for no consideration. Conversely, the congressman did not assume any obligation because no such obligation existed.

In addition, the statement contained in each purchase agreement reflecting the purported purchase price for each IHOP was misleading: each price was inflated by a 5-percent real estate broker-
age commission that had been anticipated by III.

Representative St Germain informed the Committee that the naming of a "broker of record, one who would forego commissions" was "discussed," presumably between the congressman and Jerry Fisher, as "[o]ne of the ways of implementing" the congressman's agreement with Fisher to purchase the IHOPs without a 5-percent brokerage commission. The congressman acknowledged, and Mr. Halliwell confirmed, that he asked Halliwell if he "could use his [Halliwell's] name and he consented."

The congressman did not sign the purchase agreements and he claims that he did not "actively participate in their preparation other than as stated above." Representative St Germain opined that it was his now-deceased attorney, Michael Abatuno, who "used a Rube Goldberg approach to implement a very simple understanding," perhaps because Abatuno "was a general practitioner and not a real estate specialist."

In this regard, the congressman claims he was a "neophyte" in real estate. The congressman informed the Committee, "No deception was intended and I am sure that all lenders were either fully aware of the details of the arrangement or not concerned since they were basing the loan more on the lease income rather than the purchase price."

The Committee considered whether the congressman knowingly made false statements for the purpose of influencing in any way the action of any of the involved federally insured banks. See 18 U.S.C. § 1014. In short, the Committee did not obtain any evidence establishing that this was, in fact, the intent when the misleading purchase agreements or broker releases were submitted to the banks, or that the statements were material.

VI. Recommendation

Based on its analysis of the transactions and allegations in question, the Committee concludes, as discussed earlier, that certain allegations were not sustained by clear and convincing evidence. With respect to those other matters in which instances of improper or inappropriate action were identified—specifically, the gift flight in 1980 exceeding the limit in House Rule XLIII, clause 4, and various reporting deficiencies on Financial Disclosure Statements (House Rule XLIV and the Ethics in Government Act of 1978)—the Committee concludes that the identified improprieties do not rise to such level warranting further action by this Committee. Nevertheless, in order to have as complete and accurate a public record as possible, the Committee believes that Representative St Germain should amend his prior Financial Disclosure Statements to correct the reporting deficiencies identified in this report and has directed him to do so pursuant to authority granted in section 105(a) of EIGA.

This report was approved by the Committee on April 9, 1987, by a vote of 12 yeas; 0 nays.

The Committee made no special oversight findings in this report.
WHEREAS The Committee on Standards of Official Conduct has been presented with evidence by its staff reasonably indicating that Representative Fernand St Germain's involvement in various financial transactions and acceptance of gifts (transportation) may have resulted in violation(s) of the Code of Official Conduct, or a law, rule, regulation or other standard of conduct applicable to his conduct in the performance of his duties or in the discharge of his responsibilities; and

WHEREAS, pursuant to Committee Rule 13, the Committee determines that the evidence presented by the staff of such alleged violation(s) merits further inquiry;

NOW THEREFORE BE IT RESOLVED, that this Committee conduct a Preliminary Inquiry in accordance with Rule 11(a) to determine whether such violation(s) occurred; and

BE IT FURTHER RESOLVED, that the Chairman and Ranking Minority Member may authorize and issue subpoenas, either for the taking of depositions or the production of records, and that all testimony taken by deposition or things produced by deposition or otherwise shall be deemed to have been taken, produced, or furnished in Executive Session; and

BE IT FURTHER RESOLVED, that Representative St Germain be immediately notified of this action and informed of his rights pursuant to the Rules of this Committee.

Re: Amendment to 1977 through 1985 Financial Disclosure Statements

Dear Colleagues:

I hereby amend my Financial Disclosure Statements for the years 1977 through 1985 to report the honoraria set forth on the attached list. I did not receive any of the honoraria, but, rather, requested that they be paid directly to worthy charities.

The reason I did not report these on my Financial Disclosure Statements is because Section 102(a)(1)(A) of the Ethics in Government Act of 1978 requires me to disclose:

"...the source, date and amount of honoraria from any source received during the preceding calendar year aggregating $100 or more in value."

Since I did not "receive" the honoraria, there did not appear to be any need to report them. If I was, for example, making a speech before an organization that would normally pay an honorarium of, say, $1,000, I would inform them of my policy of not accepting honoraria, and I would ask them to donate an equivalent amount to a charity or charities. The concept that an honorarium diverted to charity is not an honorarium "received" is also consistent with the statute limiting the amount of honoraria, 2 U.S.C. Section 411, and the regulations of the Federal Elections Commission.

I should also add that I have never made any secret of the honoraria. My policy in this respect has been well publicized.
During the course of my current campaign for reelection, a question was raised whether these charitable donations were required to be reported in the Financial Disclosure Statements. Rather than debate the definition of "received", I prefer to amend my disclosure statements, and I shall include all such matters in my future statements.

Very truly yours,

[Signature]

### Footnote i:

Stock was acquired during the conversion of the association from mutual to stock ownership under statutory rights of existing depositors to exercise options to buy shares in the new stock corporation. The acquisition was intended to be temporary and an entire interest in the association was sold on May 26, 1986. The sale of the stock is not reflected in the disclosure from since it occurred after the end of the calendar year and normally would not be reported until next year.
Honorable Fernand J. St Germain  
U.S. House of Representatives  
2108 Rayburn House Office Building  
Washington, D.C. 20515

Dear Colleague:

This is in reply to your letter of April 30 requesting an extension of time for filing your Financial Disclosure Statement pursuant to the Ethics in Government Act of 1978.

Since House Rules require that the Disclosure Statements filed by Members be compiled and printed as a public document by July 1, 1985, it is essential that the Statements be filed well in advance of that date. Accordingly, based on the reasons expressed in your letter, we hereby grant an extension of the filing due date from May 15 until May 31, 1985.

The Committee staff is available to answer any questions relating to the Financial Disclosure Statements.

Sincerely,

Julian C. Dixon  
Chairman

Congress of the United States
House of Representatives
Washington, D.C. 20515

May 5, 1978
PROVIDENCE, R.I., MAY 1 -- Congressman Fernand J. St Germain (D., R.I.) today released his official financial report filed with the U. S. House of Representatives indicating that approximately 80% of his assets consists of real estate, government bonds and savings accounts.

The report was the first required under new disclosure legislation which Mr. St. Germain supported and voted for in the First Session of the 95th Congress.

In releasing the details of his holdings, Mr. St Germain said that he had "avoided any investments which could, in any way, be affected by my legislative assignments in the Congress."

"I am proud of the fact that this report clearly establishes that I have avoided any conflicts between my personal responsibilities to provide for my family and my public duties as a Congressman for the First District of Rhode Island."

Mr. St Germain said that he had also structured his financial affairs in a manner which would avoid any "day-to-day involvement in the management or decision-making concerning any of the investments."

"It is for this reason," Mr. St Germain stated, "that much of my investment portfolio is in real estate managed by others."

Among these are five commercial properties located in Rhode Island, New York, Maryland and Texas, purchased by Crepe Trust for the benefit of Mr. St Germain. All of these properties are rented to the International House of Pancakes under net net leases. All receipts and disbursements are handled by the trustee, Providence attorney Charles Sokoloff.

The filing showed $41,304.05 in gross rentals for the reporting period --October 1 through December 31, 1977. On an annual basis, the gross rents are $165,000. It is from these rents that payments on the mortgage on the commercial properties are made. The disclosure
On an annual basis the current Congressional salary is $57,300. Other items of income for the reporting period are as follows: Dividends of $268.25; $713.54 from interest; and $2,786.19 from gross legal fees.

Mr. St Germain said that 48% of his holdings were in real estate; 18.5% in savings accounts; 10.5% in government bonds; 20% in stocks; and 3% in miscellaneous investments.

Although below the value required to be reported under House Rules, Mr. St Germain stated he held a 15% interest in each of three limited partnerships involving three apartment developments in Rhode Island -- Parkview Associates; School Street Associates; and Four Seasons East. As a limited partner, Mr. St Germain takes no part in management or decision-making concerning the three projects. Roland O. Ferland of Pawtucket, Rhode Island, is the general partner in each instance. Certificates of limited partnership reflecting these interests have been in the public files of the Rhode Island Secretary of State since the formation of each partnership.

The report listed as liabilities the mortgages on commercial property from Industrial National Bank, Rhode Island Hospital Trust, Old Stone Bank, and Marquette Credit Union. These are the properties rented to the International House of Pancakes.

In addition to the holdings listed in the report, which have a value of $236,080, the Congressman owns a family home in Woonsocket and an apartment in Washington. The aggregate cost of the Rhode Island house, including improvements, is $72,000, with an outstanding mortgage of $20,000. The one-bedroom condominium in Washington, D.C. cost $32,000 with an outstanding mortgage of $8,933.45.

(Attachment -- Two-page Financial Disclosure Statement filed pursuant to House Rule XLIV, filed with the Clerk of the House. Instructions, definitions, and exemptions appear on the reverse side of the statement).
In view of the confusion that has arisen in the minds of some, the Congressman wishes to make the following clarification or addendum on Part III of his report. Under Part III, there are five mortgages listed in excess of $100,000. All are fully secured by real estate, as follows:

- Industrial National Bank, secured by real estate located at 228 Meeting Street, Providence, Rhode Island;
- Industrial National Bank, secured by real estate located at 1045 Reservoir, Cranston, Rhode Island;
- Rhode Island Hospital Trust, secured by real estate located at 4340 Boston Post Road, Bronx, New York;
- Old Stone Bank, secured by real estate located at Spring Valley Road, Richardson, Texas; and
- Marquette Credit Union, secured by real estate located at 2526 University Boulevard, West, Wheaton, Maryland.

FOREWORD

The Committee on Standards of Official Conduct, in developing recommendations which resulted in adoption of House rule XLIV, sought to require financial disclosure of only those interests which might reasonably involve, or appear to involve, a conflict of interest.

Those wishing to go beyond the requirements of the rule in their declaration may append any additional information they desire. However, it should be noted that the filing of additional information, such as a copy of the declarer's Federal income tax return, does not obviate filing this report to meet the full provisions of the rule.

Dear Mr. Chairman:

RECEIVED
MAY 12, 1976
COMMITTEE ON
STANDARDS OF OFFICIALS, CONDUCT
FOR RELEASE: Saturday, A.M., May 8, 1976

STATEMENT BY CONGRESSMAN FERNAND J. ST GERMAIN (D-RI)

PROVIDENCE, R.I., May 8, 1976...Given today's climate generated by Watergate and related disclosures, I have decided to set a personal policy on honoraria, beyond that required by law and the rules of the House of Representatives. Henceforth, I shall issue, in January, a report for the previous year on all speaking engagements, listing the name of the organization, the date of the speech, and the total amount of honorariums received that year.

I consider it to be important, consistent with my legislative duties, to advise all financial institution associations as to the paramount importance of the consumers' needs and to insist that their proposals and presentations before the subcommittee further the public interest, rather than promote the parochial interest of one segment of the financial community. I have in the past and will continue in the future to be critical of the audiences' customs and practices and regulatory agency procedures and practices that are clearly inconsistent with the public interest.

A limited number of invitations are accepted to insure the widest possible dissemination of my views to the industry. An average of one out of every five invitations are accepted. The text of my remarks plus, in most instances, taped recordings will substantiate the fact that these occasions have been and will continue to be used to insure that banking legislation under by subcommittee chairmanship will advance the consumers' interest. My continued appearances before such groups during their legislative policy formulation period will insure that the interests of the consumer receive paramount attention in any presentation made to the Subcommittee on Financial Institutions Supervision, Regulation and Insurance.

Since I consider my continued participation in selected conventions to be an important part of my duties, I have given deep thought as to whether existing law and House rules are adequate on the subject of honoraria. I am gratified by the many expressions of continued trust and confidence by my constituents and have carefully considered their suggestions.
I would point out that honoraria are fully taxable and as such, they have always been reported as part of my income tax returns.

Also, as a result of these honoraria, many charitable organizations in Rhode Island have been assisted anonymously in their wonderful works.

Honorable Fernand J. St. Germain

Re: Honorable Fernand J. St. Germain

Dear Mr. Lotkin:

Enclosed are reports of travel on corporate aircraft we are submitting to you according to our arrangement with you to provide installments of materials in advance of formal presentation. I hope this arrangement will assist you in your inquiry, and help bring it to a conclusion at the earliest feasible date.

These documents, like the ones submitted to you in our earlier submission, are being given with the understanding that they will be treated as confidential and will be fully protected by the Committee's rules and practices concerning confidentiality.

At the Congressman's request, Florida Federal made a search of its records to determine the number of flights taken. It is our understanding that these are the only flights that were taken. Mr. Murphy and I have still not completed our review of this matter.

The following are brief comments for each trip report:

1. March 26, 1979 This trip was not a gift. It was taken in connection with the Congressman's purchase of his Florida condominium from a Florida Federal subsidiary.
2. March 19, 1980  The Congressman took this flight at a time when the plane was already scheduled to go to Florida.

3. May 7, 1980   The Congressman took this trip to make a speech before the National Association of Mutual Savings Banks in Orlando, Florida. Disclosure of the receipt of this travel was made in Part II A of the 1980 EIGA Financial Disclosure Statement filed May, 1981.

4. December 3, 1982   The Congressman took this trip of only 165 miles in connection with the making a speech to the Securities Industry Association in Boca Raton, Florida. Disclosure of the receipt of this travel was made in Part II A of the 1982 EIGA Financial Disclosure Statement filed May, 1983.

5. February 21, 1983   The Congressman took this flight at a time when the plane was already scheduled to go to Florida.

6. March 9, 1984  This trip involved a 434 mile flight in connection with the making a speech before the Florida Council of 10C. This was listed on the Congressman's 1984 work sheets, but was inadvertently omitted in transition to the continuation sheet in the final copy. This error was corrected in the January 21, 1986 amendment to the 1984 Financial Disclosure Report. This amendment was filed prior to the Committee's announcement of the commencement of this proceeding. A copy of the January 1, 1986 amendment is attached.

7. February 22, 1985   This trip was taken in connection with the making a speech to the Florida Council of 10C. This will be disclosed on the 1985 Financial Disclosure Report which is not due to be filed until May, 1986.

Very truly yours,

Milton P. Semer

Dear Mr. Chairman:

It has been brought to my attention that an entry in my 1984 Financial Disclosure Report was lost in transition from page 1 to the continuation page concerning my speech to the Florida Council of 100. The entry should read as follows:

Please consider this letter my amendment to that Report.

Thank you for your consideration.

RE: SH&E Report Dated March 10, 1986 Concerning Commercial Air Travel Fares

Dear Mr. Murphy:

You called to my attention that in Attachment 1 of our report dated March 10, 1986, Trip No. 1 was actually a continuous trip between Washington, DC and Tampa, which operated via Tallahassee and not Washington DC-Tallahassee, as indicated on the Table.

The fare and service information for this corrected city-pair designation, for the date of March 1, 1979 is as follows:

City Pair: Washington, DC Tampa
Y Coach Fare: $98 (Including Tax)
Single Plane Flights: 8 Daily Flights

The Y Coach Fare is the totally unrestricted coach fare. There were other less expensive fares available for travel in the market.

The source of the fare and service information stated above is the Official Airline Guide, March 1, 1979. Attached is a photocopy of the information.

Please let me know if there is any additional information that you need.

Sincerely,

Richard J. Murphy
Senior Associate

Dear Mr. Knowlton:

On April 8, 1986, this Committee received your affidavit dated April 8, 1986. Based upon our analysis of that document and other relevant information, there are several matters that require clarification or amplification.

First, we wish you to state whether all aircraft flight logs or trip reports were reviewed with respect to all aircraft owned and/or leased by Florida Federal Savings & Loan (FFS) from January 1, 1977, through the present date, including those aircraft that are not now in the possession of Florida Federal.

We also have a question regarding aircraft trip reports. Specifically, on some trip reports no name appears on the line under the column "PAY Manifest." Would it be a reasonable factual conclusion that in such cases the passengers would be the same as those identified on the above (prior) line.

Next, you stated in your affidavit that you have "caused a careful search to be made of all of the Association's trip reports from January 1, 1977 to the present time which show Representative Fernand J. St Germain." Were there any trips in which you could not identify the passengers or in which no passengers are named?

Finally, we would like you to explain what precipitated FFS to supply air transportation to Representative St Germain, including the requesting and authorizing individual, for all flights you have previously identified as having been provided to the Congressman. (Please provide this Committee
with any supporting documentation concerning such request and authorization.)

Thank you for your cooperation.

Sincerely,

Ralph L. Lotkin

Dear Mr. Lotkin:

This letter is being written in response to several questions posed in your letter of May 5, 1986.

First you asked if we have reviewed all flight logs from January 1, 1977. Also whether that relates to the jet airplane or any aircraft we leased. The answer to both is yes, we have carefully reviewed each flight log.

The next question asked if a trip has several destinations yet the flight manifest only indicated the passengers by name on the first leg of that trip—could one conclude that the same passengers were aboard for the remaining legs. Answer is yes.

The next question you asked was if a careful search has been made of the trip reports to determine whether Congressman St. Germain was a passenger on a trip where no names are included. My response is that to the best of my knowledge his name was included at some point on all logs where he was in fact a passenger.

Finally, you asked for us to describe how flight authorization is made or documented. All flight request were made through this office which in turn received authorization from the Office of the President and Chairman of the Board. In addition, Florida Federal never supplied air transportation at Congressman St. Germains request. On those few occasions when he did travel on our aircraft it was only if our schedule was convenient to him, he was welcome to catch a ride.

Item 1. **Summary of Proposed Transaction**

Application is hereby made by Florida Federal Savings and Loan Association, St. Petersburg, Florida ("Florida Federal") and its wholly-owned first tier subsidiary, Gulf Coast Services of St. Petersburg, Inc., for permission to acquire control of First Mutual Savings Association of Florida, a Stock Corporation, Pensacola, Florida ("First Mutual"). It is contemplated that such acquisition of control will be effected through one or both of a merger and an option, but may also include open market and/or privately negotiated purchases. The purpose of such purchases would be to acquire shares to vote in favor of the merger. The control position so acquired may relate to any portion, up to 100%, of the stock of First Mutual.

Attached as exhibits hereto are copies of the Agreement and Plan of Merger dated April 16, 1984, and an Option Agreement of even date, both as executed by Florida Federal and First Mutual, which provide, respectively, for the acquisition of all and 455,000 shares of the common stock of First Mutual. The appropriate resolutions of the Boards of Directors of both Associations in support of the Agreement and Plan of Merger, the Option Agreement, and as to Florida Federal, this application, are also attached.

In accordance with the aforementioned Agreement and Plan of Merger dated April 16, 1984 (the "Merger Agreement"), Florida Federal is to acquire indirectly all of the outstanding stock of First Mutual in a reverse merger for $38.00 cash. Florida Federal has established Gulf Coast Services of St. Petersburg, Inc. ("Gulf Coast") for the sole purpose of forming, in accordance with the Merger Agreement, an interim federal association. The interim federal association so formed will merge into First Mutual, with First Mutual as the resulting association, thereby effecting the acquisition. An application for Federal Home Loan Bank Board approval of such merger is being filed concurrent with this application. As a result of the foregoing transactions, First Mutual will become a wholly-owned subsidiary of Gulf Coast which in turn is a wholly-owned service corporation subsidiary of Florida Federal.

The Option Agreement relates to a total of 455,000 authorized but unissued shares of First Mutual, which would represent 29.88% of the outstanding stock.
of First Mutual on a pro-forma basis giving effect to the issuance by First Mutual of the shares upon exercise of the option. The exercise of this option is subject to the condition, as described with particularity in the Option Agreement, that there be a competing takeover proposal for First Mutual. The price per share to be paid to First Mutual under the Option Agreement is $33.00, the opening market price for First Mutual stock on the date of the Option Agreement. The exercise of the option under the Option Agreement would be made by Gulf Coast following an assignment by Florida Federal of its rights thereunder.

Following any acquisition, First Mutual will retain its separate legal existence and identity, including its separate Board of Directors and officers. In addition, First Mutual will continue its organization as a state-chartered capital stock savings association; however, the operations of First Mutual subsequent to the acquisition through the Merger Agreement will be limited to those permissible for federal associations for so long as Florida Federal remains a federally chartered association.

Except as mentioned in the Merger Agreement and exhibits thereto, no promises or commitments, written or verbal, have been made to any officer or member of the Board of Directors of First Mutual.

Application is also hereby made by Gulf Coast pursuant to Section 545.74(c) of the Federal Regulations for approval of the investment in the shares of First Mutual which will result when the acquisition of control of First Mutual is consummated. Gulf Coast is a newly-formed presently inactive Florida corporation and was formed solely for the purposes of the transactions which are the subject of this application. Section 545.74(c) provides that such approval may be granted upon a finding that the ownership and operation of First Mutual is "reasonably related to the activities of federal associations." Florida Federal submits that the ownership, operation and control of First Mutual through Gulf Coast is reasonably related to the activities of federal associations due to the near identity of the activities engaged in by both.

Dear Mr. Zimmerman:

As requested in your letter request of June 8, 1984, for additional information on subject application, the following is forwarded herewith. Item 2(e) is an attachment to this letter.

In connection with the enclosed additional information requested, Florida Federal would appreciate the Bank Board's confidential treatment of the responses to Items 5(a), 5(b) and 12 which are separately bound and labeled confidential. Florida Federal's reasons for requesting such confidential treatment lie in the sensitive nature of this information and in its desire to maintain such information in confidence from its competitors who do not publicly disclose similar information. It has not been the policy of Florida Federal to publicly disclose financial projections and business plans, since they are necessarily subject to change particularly over a three-year period and to do so as to First Mutual would be inconsistent with this policy. The detailed information requested reflects the plans and strategies in managing liabilities, pricing, liquidity and management of operations. Florida Federal desires that the information contained in the responses to such items not be available to its competitors who could utilize same for unfair advantage. There is also the concern that certain of the information contained in the responses to these inquiries might be utilized by third parties out of proper context. We will
appreciate your consideration of our request for confidentiality in this matter. Please advise the undersigned of your decision on this request. Please advise if you need any other information or if we can be of further assistance.

Sincerely,

Raleigh W. Greene, III

Re: Application to Acquire Controlling Interest in First Mutual Savings Association of Florida

Dear Mr. Rundle:

By resolution dated October 12, 1984, as subsequently amended, the Federal Home Loan Bank Board conditionally approved Florida Federal's application to acquire controlling interest in First Mutual Savings Association of Florida pursuant to the April 16, 1984 Agreement and Plan of Merger between the parties.

On November 20, 1984 Florida Federal's Board of Directors, by unanimous vote, decided pursuant to the terms of such merger agreement to terminate said agreement.

By this letter Florida Federal is providing formal notice of this action. I personally offer my sincere thanks to you and your staff for the timely efforts in behalf of this endeavor.

Cordially,

Florida Federal Savings and Loan Association

acquisition of
First Mutual Savings Association
Pensacola, Florida FHLBB No. 2347

In conversations with President Greene at Florida Federal, he indicated that his internal calculation would support the investment in the service corporation needed to purchase First Mutual. In reviewing updated financial information on Florida Federal it appears that Florida Federal has the leeway to accomplish the transaction. Present financial data show an authorized investment level of $237 million pursuant to §545.74(d) with $154 million used up including the minimum funds needed to purchase First Mutual. Regardless, it is our understanding based on General Counsel Raiden's October 5, 1984, (copy attached) memo that there remains an unresolved long standing policy issue of a Federally-chartered institution operating a state-chartered association. This policy issue should be resolved at the Bank Board level.

WHEREAS, the Federal Home Loan Bank Board ("Board") pursuant to Board Resolution No. 84-567 adopted today, has conditionally approved the application for permission to organize and petition for charter for Florida Interim Federal Savings and Loan Association, St. Petersburg, Florida ("Florida Interim"); and

WHEREAS, the Board has considered the application of Florida Federal and Gulf Coast and related material, including a proposed Agreement and Plan of Merger to effect the merger between Florida Interim and First Mutual; and

WHEREAS, the Board, as the operating head of the Corporation, after considering the material in the application and other material available to it, has determined that, provided there is compliance with the conditions hereinafter set forth, the proposed transactions comport with the statutory and regulatory requirements for approval, including the requirements of the Community Reinvestment Act of 1977;

NOW, THEREFORE, IT IS HEREBY RESOLVED, that the merger of Florida Interim and First Mutual, under the name and charter of the latter is approved provided that the following conditions are complied with in a manner satisfactory to the Board's Supervisory Agent at the Federal Home Loan Bank of Atlanta ("Supervisory Agent"):  

1. That the organization of Florida Interim is completed pursuant to Section 543.6 of the Federal Regulations;

2. After the completion of the organization of Florida Interim, the board of directors of Florida Interim and First Mutual ratify the Agreement and Plan of Merger;
3. That the proposed merger is effective within 60 calendar days of the date of this Resolution, unless an extension of time is granted for good cause by the Supervisory Agent;

4. That, not later than thirty days from the date of consummation of the merger, the resulting association shall submit a certification by local counsel stating the effective date of the merger and that the merger has been consummated in accordance with the Agreement and Plan of Merger.

RESOLVED FURTHER, that the acquisition of First Mutual by Florida Federal and Gulf Coast is approved provided the following conditions are complied with in a manner satisfactory to the Supervisory Agent:

1. The proposed acquisition is consummated in accordance with the Agreement and Plan of Merger within 120 days after the date of this Resolution, unless an extension of time is granted for good cause by the Supervisory Agent;

2. No later than thirty days from the date of consummation of the acquisition, Florida Federal and Gulf Coast shall file with the Supervisory Agent a certification by local counsel stating the effective date of the acquisition and that the acquisition has been consummated in accordance with the provisions of all applicable laws and regulations, the subject application, and this Resolution, and specifying the exact number of shares of stock of First Mutual acquired and outstanding;

3. No earlier than ten days prior to the consummation of acquisition, the president of Florida Federal shall certify to the Supervisory Agent that no material adverse change has occurred with respect to the condition of Florida Federal, Gulf Coast and First Mutual, subsequent to the date of this Resolution but prior to the date of consummation of the acquisition;

4. On the date that the proposed acquisition is consummated and at each annual closing date thereafter for as long as Florida Federal and Gulf Coast control First Mutual, the consolidated regulatory net worth of Florida Federal and First Mutual shall be maintained at the greater of:
   (1) three percent of total liabilities (excluding from liabilities subordinated debt which qualifies as regulatory net worth), or
   (2) a level consistent with that required by Section 563.13(b) of the Rules and Regulations for Insurance of Accounts ("Insurance Regulations"), as now or hereafter in effect, for institutions insured for 20 years or longer.
and where necessary, to infuse sufficient additional equity capital, in a form satisfactory to the Supervisory Agent, to effect compliance with such requirement;

5. Florida Federal and Gulf Coast shall stipulate that without the prior written approval of the Corporation, dividends paid to stockholders by First Mutual, Florida Federal and Gulf Coast, in any fiscal year shall be limited to 50 percent of net income as reflected on the quarterly reports to the Board for that fiscal year; provided that, any dividends permitted under this limitation may be deferred and paid in a subsequent year, but in no event may dividends be paid which would reduce the net worth of Florida Federal below the amount required by the Immediately preceding Condition "4" of this Resolution, or which would reduce the net worth of First Mutual below the level required by Insurance Regulation 563.13(b) for institutions insured for 20 years or longer;

6. Florida Federal and Gulf Coast shall furnish analyses, accompanied by a concurring opinion (which indicates that the transaction was consummated in accordance with generally accepted accounting principles) from their independent accountant, satisfactory to the Supervisory Agent, which (a) specifically describe, as of the effective date of the acquisition, any intangible assets, including goodwill, or discount of assets arising from the acquisition to be recorded on their books, and (b) substantiate the reasonableness of amounts attributed to intangible assets, including goodwill, and the discount of assets and the related amortization periods and methods;

7. Florida Federal shall stipulate to the Corporation that as long as Florida Federal controls First Mutual, Florida Federal shall calculate its net worth requirement pursuant to Insurance Regulation 563.13(b) on a consolidated basis using the combined liabilities, including insured savings account balances, and scheduled items of both institutions;

8. Florida Federal and First Mutual shall continue to file separate financial statements with the Board and with the Federal Home Loan Bank of Atlanta, and in addition, Florida Federal shall file consolidated statements as of its annual closing dates;

9. Prior to the acquisition of First Mutual, Florida Federal must complete its conversion to a state-chartered institution;

10. Mr. F. W. Hopkins will not be compensated, either directly or indirectly, for the value of the salary continuation agreement dated December 28, 1982, and amended July 20, 1983;
11. Paragraph 5(b)(iii) of the proposed employment agreement with Mr. E. W. Hopkins shall be deleted and Paragraph 4 shall be amended to eliminate the mandatory 8% increase in compensation;

12. Florida Federal and Gulf Coast shall provide assurances that Mr. E.W. Hopkins or another competent individual will act as full-time managing officer of First Mutual;

13. Prior to consummation of the transaction, First Mutual must submit to the Supervisory Agent for prior approval, amended employment agreements and/or salary continuation agreements for Messrs. Laurence Scott and Oscar Tharp. Mr. Scott's agreement should be revised to delete the provision of the April 16, 1984, amendment which increased the amount of retirement benefits to $350,000. Mr. Tharp's employment contract should be amended to delete the April 16, 1984, amendment which provided that a change in control constituted a "termination other than for cause." The Supervisory Agent would not object to an amendment defining a termination other than for cause as a change in control followed by a significant reduction in duties or termination without cause.

14. Prior to consummation of the transaction, First Mutual must justify, to the satisfaction of the Supervisory Agent, the retirement benefits afforded to Mr. Vernon Hopkins given his short length of employment with United Financial Investments, a wholly-owned subsidiary of First Mutual.

15. Florida Federal shall justify, to the satisfaction of the Supervisory Agent, the establishment of an advisory Board of Directors consisting of former First Mutual directors.

16. Florida Federal shall justify, to the satisfaction of the Supervisory Agent, legal fees to be paid to the law firm of Greene and Mastry in connection with the merger and acquisition. Such justification shall specify, at a minimum, and on a daily basis, the time spent by, work performed, hourly rate, name, and experience of the attorneys performing the work.

17. Florida Federal and Gulf Coast shall furnish a revised tax opinion which will address the effect of the condition that Florida Federal must convert to a State-chartered institution prior to the acquisition;

18. Prior to the acquisition, Florida Federal and Gulf Coast shall execute and deliver to the Supervisory Agent the Stipulation and Undertaking statement in the form prescribed by the Board. (See Exhibit D.)
RESOLVED FURTHER, that it is hereby directed that the cessation of the membership of Florida Interim in the Federal Home Loan Bank of Atlanta be noted by reason of the merger of Florida Interim into First Mutual hereinbefore approved, effective as of the effective date of the merger;

RESOLVED FURTHER, that the charter of Florida Interim is hereby cancelled as of the effective date of the merger of said institution into First Mutual, or as of 60 days from the date of this Resolution if the merger has not been consummated.

Application N-(e)1
Florida Federal Savings and Loan Association
St. Petersburg, Florida FHLBB No. 1943

To control
First Mutual Savings Association
Pensacola, Florida FHLBB No. 2347

The office of the General Counsel has brought to our attention certain objectionable provisions of the employment contracts and salary continuation agreements with several senior officers of First Mutual. Our objections are as follows:

Laurence C. Scott, Executive Vice President

On April 16, 1984, the same day the acquisition by Florida Federal was signed, his salary continuation agreement was amended to increase total benefits from $250,000 over ten years to $350,000 over ten years. This amendment also effectively provides for early retirement by Mr. Scott as of the date of the acquisition. Inasmuch as Mr. Scott has been employed by First Mutual for 21 years, we have no objections to his early retirement but we believe the $100,000 increase in benefits is unreasonable since it is solely a result of the change in control.

Oscar H. Tharp, Executive Vice President

On the day the acquisition by Florida Federal signed, First Mutual amended Mr. Tharp's employment contract to provide that any change of control (including the purchase by Florida Federal) would constitute termination without cause entitling him to a lump sum payment of $170,000. It has come to our attention that Mr. Tharp is in fact looking for employment elsewhere. At a minimum, we believe his contract should be amended to provide that he only receives the lump sum payment in the event of a change of control and a significant reduction in duties or termination without cause. The provisions of the contract should also be amended to provide that a change in control does not constitute termination other than for cause.

Vernon N. Hopkins, President of Service Corporation

Vernon Hopkins, brother of President Hopkins, has been employed by the service corporation for only about one year. However, his employment continuation agreement provides for substantial retirement benefits of $500,000 over ten years. Further, Mr. Hopkins is eligible for retirement in just five years. We believe, at a minimum, that these benefits should be justified to our satisfaction.
In conclusion, it is our position that the benefits discussed above are excessive and unreasonable in violation of §563.17(b) of the Insurance Regulations and constitute golden parachutes because of their relationship to a change in control. Accordingly, we hereby amend our recommendation for approval of the subject acquisition subject to the following additional conditions:

1. Prior to consummation of the transaction, First Mutual must submit to the Supervisory Agent for prior approval, amended employment agreements and/or salary continuation agreements for Messrs. Laurence Scott and Oscar Tharp. In order for the Supervisory Agent to approve the amended agreements, Mr. Scott’s agreement should be revised to delete the provision of the April 16, 1984, amendment which increased the amount of retirement benefits to $350,000. Mr. Tharp’s employment contract should be amended to delete the April 16, 1984, amendment which provided that a change in control constituted a “termination other than for cause.” The Supervisory Agent would not object to an amendment defining a termination other than for cause as a change in control followed by a significant reduction in duties or termination without cause.

2. Prior to consummation of the transaction, First Mutual must justify to the satisfaction of the Supervisory Agent, the retirement benefits afforded to Mr. Vernon Hopkins given his short length of employment with United Financial Investments, Inc.

Holding Company Application

Florida Federal Savings and Loan Association ("Florida Federal")
St. Petersburg, Florida

and

Gulf Coast Services of St. Petersburg, Inc. ("Gulf Coast")
St. Petersburg, Florida

to acquire

First Mutual Savings Association of Florida ("First Mutual")
Pensacola, Florida

Proposal

Florida Federal and its wholly-owned first tier subsidiary, Gulf Coast, have filed an application under Section 403(e)(1) of the National Housing Act and Section 544.4(d) of the Holding Company Regulations to acquire all of the outstanding common stock of First Mutual. The acquisition is to be accomplished through an option, open market purchases, a tender offer and a merger with an interim Federal association. The applicants will acquire all of First Mutual's 1,067,517 shares of stock through a $13 per share tender offer and merger. Further, in the event of a competing takeover proposal for First Mutual, First Mutual has granted an option to the applicants to purchase an additional 355,000 shares of authorized but unissued shares of stock for $13 per share. As previously noted, the option will only be exercised in the event of a competing takeover bid.

Gulf Coast will organize an interim Federal association which will be subsequently merged into First Mutual. First Mutual will retain its separate legal existence and identity including a separate board of directors and officers. Further, First Mutual will continue to operate as a state-chartered institution but the applicants propose to limit the activities of First Mutual to those permitted for Federal associations for so long as Florida Federal remains a Federally-chartered institution. Florida Federal's application to convert to a state-charter was approved on September 5, 1984. The State also approved the acquisition on July 27, 1984.

The application also includes the supporting applications to form the interim institution, a merger application, and an application pursuant to Section 545.711(c) of the Federal regulations for approval for Gulf Coast to own and operate First Mutual.

Background Information

Florida Federal

Florida Federal was chartered as a Federal mutual institution on August 26, 1933, and received insurance of accounts on November 10, 1934. The association
converted to a stock form of ownership on May 26, 1983. During the most recent examination date, October 8, 1982, the association received a composite rating of "B". All factors received "B" ratings with the exception of Operating Results and Wholly-Owned Service Corporations which received "C" ratings. Operations received its adverse rating due to the fact the association had operating losses of $12.7 million for the fiscal year ended June 30, 1982. The primary causes of the losses had been the prevailing high cost of money, a high level of operating expenses and an aggressive merger strategy. From September, 1982, through June, 1983, the association acquired three institutions with total assets of $371 million. The service corporation's "C" rating was primarily attributable to its investment practices. Items subject to consent included the failure to obtain appraisals on development projects and insufficient equity from joint venture partners. These deficiencies were also cited in the previous examination. As of the October 8, 1982, examination, seven new projects were subject to consent for similar deficiencies. Also, 16 projects with a total investment of $43 million were considered unsatisfactory. Losses from all subsidiaries totaled $1.9 million for fiscal 1982 largely due to the various costs of substantial projects and interest expense on loans from the association. Unrelated indicated losses of $7.1 million were disclosed but were subsequently reserved at the direction of this office.

The previous examination of April 10, 1981, assigned Florida Federal a composite rating of "B". All factors received "B" ratings. The major criticism related to different underwriting practices, primarily: the absence of appraisal reports, feasibility studies, or financial data on joint venture partners. The association was also cited for purchasing participation loans based upon a letter appraisal and loan financing. Further, the association was lending 10% of the cost of major projects based on inadequate appraisal reports.

Gulf Coast

Gulf Coast is a wholly-owned, first tier service corporation established for the sole purpose of forming an interim Federal institution. As such, Gulf Coast has no operating history or background.

First Mutual

First Mutual was chartered on June 27, 1953, as a Federal Mutual association and received insurance of accounts on August 29, 1954. The association subsequently converted to a state-charter on June 26, 1980.

On March 3, 1983, the association completed its conversion to stock. Following negotiations with Florida Federal, the two institutions entered into an agreement to merge on September 27, 1983. The merger agreement provided for a cash purchase by Florida Federal of First Mutual's outstanding
Stock at $36.00 per share and an option to purchase an additional 350,000 shares at $36.00 per share. The Office of the General Counsel subsequently ruled that the negotiations and merger agreement violated the regulations governing mutual to stock conversions and the terms of the Bank Board's resolution approving the conversion of First Mutual. The approval prohibited the association for a period of one year following the conversion from taking any action relating to a possible merger, acquisition, or change of control. On October 29, 1963, both institutions agreed to terminate the merger agreement.

Other than the intended merger discussed above, First Mutual has operated relatively free of supervisory concern. During the course of the most recent examination dated July 22, 1963, the association received a composite evaluation of "C". All factors received "4" ratings. The only significant problem noted were appraisal reports which did not meet the requirements of nonaccounting and inadequate verification and/or analysis of borrower financial statements.

The association received a composite rating of "24" during the previous examination of December 13, 1961. There were no factors of significant supervisory concern noted in the examination.

Statutory Standards

Section 5.44 (b) of the Florida Governor's regulations provides, in part, that the Corporation will approve an acquisition of an insured institution unless it finds the financial and managerial resources and future prospects of the company and institution involved to be such that the acquisition would be detrimental to the institution or the insurance risk of the Corporation. These factors are considered below.

Financial Resources

Florida General

The association has suffered from the effects of the rising cost of money built-in with its low-yield loan portfolio. As a result of its numerous purchase accounting mergers, Florida General has been able to artificially bolster its financial position. For example, for the fiscal year ended June 30, 1961, the association booked a loss of $6.4 million, however, losses would have been significantly worse if it had not been for $28.4 million in purchase accounting non-operating income. For most of calendar year 1961, Florida General was in danger of depleting its net worth within 24 months on an operating basis.
In June of 1983, the association converted to stock and raised $176.5 million in additional equity capital. As a result of the purchase accounting income and the benefits of the stock conversion process, the institution has returned to profitability. For the fiscal year ended June 30, 1984, Florida Federal recognized net income of $15.6 million and assets totaled $34.8 billion. Of this net income, $11 million is attributable to non-operating income from purchase accounting. Net worth of $34.2 million represents 6.3% of total assets. Regulatory net worth does not include any appraised equity capital or subordinated debt. Present net worth exceeds the regulatory requirement by $218 million.

First Mutual

First Mutual has remained relatively profitable in the hostile economic environment affecting the industry over the last few years. Unlike Florida Federal, First Mutual's operations have not been supplemented by "paper" profits. While the association recorded a net loss of $219 thousand for the fiscal year ended June 30, 1983, it fared much better than most institutions in its peer group. At that time, total assets were $542.8 million and net worth was $23.3 million (4.5% of total assets). As a result of a general decline in the cost of money, the association had net income of $44.2 million for the fiscal year ended June 30, 1984. Total assets had increased to $445.6 million and net worth of $34.2 million represented 5.3% of total assets. Net worth presently exceeds the regulatory requirements by $218 million.

FINANCIAL RESOURCES

First Mutual will be operated as a separate legal entity and will retain its current officers and directors. We believe that management of First Mutual and Florida Federal are trustworthy and competent. Financial factors have been consistently rated high in the examinations.

FUTURE PROSPECTS

The applicants and the insured subsidiary will use their many years of experience in the savings and loan industry to provide future guidance and expertise. We have no reason to believe that Florida Federal and First Mutual will not operate on a safe and sound basis. The applicants have also provided a report of their projected operations for First Mutual over the next three years. A summary of the business plan is as follows:

Conclusions

Based upon our consideration of the financial and managerial resources, and future prospects of both Florida Federal and First Mutual, we find that all criteria are satisfactory for approval of the application.

REGULATORY APPROVAL

The applicants must obtain approval from the Department of Banking and Finance of the State of Florida for the acquisition of First Mutual. The State of Florida must also approve the merger of First Mutual into the insured association. It is our understanding the State has approved the applications.

ACCOUNTING TREATMENT AND TAX CONSEQUENCES

The acquisition will be accounted for as a purchase of assets. Asset/liability goodwill resulting from the transaction will be approximately $1.6 million. This goodwill is determined by discounting the mortgage portfolio by $31.3 million and adjusting liabilities by $2.3 million and net worth by $32.7 million.

NON-PUBLIC INFORMATION

REPRODUCTION PROHIBITED
J. Dark & Company
June 6

The asset/liability goodwill will be amortized over ten years. Purchase price goodwill will also arise as a result of the acquisition. Purchase price goodwill is the excess of the purchase price over the book value of First Mutual. Purchase price goodwill of $42.6 million will be amortized over 20 years.

The acquisition and merger of First Mutual will be treated as a cash purchase of stock by Gulf Coast. Tax counsel has opined that the acquisition will not be a taxable transaction with respect to Florida Federal, First Mutual or Gulf Coast.

Source of Funds

We funds necessary to purchase the stock, estimated between $40.6 million and $55.6 million depending on whether the options are exercised, will come from the general corporate funds of Florida Federal.

Bankruptcy Conversion Act (BCA)

The records indicate that no significant changes are expected to be made to the C&A statement and policies of either Florida Federal or First Mutual. Both institutions have consistently received satisfactory C&A ratings during their examination. Pursuant to C&A and Part 563 of the insurance regulations, we have evaluated First Mutual's and Florida Federal's records of meeting the current needs of their communities and find them consistent with safe and sound operations. We have also found that such records are consistent with the approval of the subject application.

Qualitative Factors

Attached as exhibit 1 is a copy of economic analyst Mark Vanderlinde's June 1, 1989, memorandum analyzing the competitive factors of the acquisition. Mr. Vanderlinde concludes that the acquisition qualifies under the Danbury Tract's Statement of Policy on mergers.

Employment Agreement

The following seems to enter into a five year employment contract with First Bank, president and chairman of the board of First Mutual.

The agreement calls for annual compensation of $120,000 with a guaranteed salary increase per year. Exhibit 3(a) (ii) on page 1 of the contract provides for employee benefits with minimum annual payments of $20,000 over 15 years. If Mr. Hopkins terminates before reaching the age of 65 (i.e. $10,000 is payable over 15 years at $666.67 per year), the benefits increase to annual payments of $10,000 over 15 years at $666.67 per year, if Mr. Hopkins remains employed until age 65.
Concern to this office is pursuant to Section 5(a)(iii) on page 3 of the agreement, which states that First Mutual will pay Mr. Hopkins $250,000 for the present value of an employment agreement entered into with First Mutual (see response to Item 5(a), amendment dated July 23, 1984). The previous employment agreement basically provided for retirement benefits of $250,000 per year over a ten year period following retirement. Given the fact that the Florida Federal's retirement plan described above is much more lucrative, in that it provides for equivalent retirement payments for five more years than the original agreement and an opportunity for an even higher annual payment, we object to the $250,000 payment as a waste of corporate assets and a violation of Sections 563.17(a) and 563.39(a) of the Insurance Regulations. It is also the continued policy of this office to object to employment agreements with mandatory annual salary increases. It is our position that salary increases should be determined annually by the board of directors based upon the officer's performance. Accordingly, we have conditioned our recommendation of approval upon Mr. Hopkins not receiving any payments for the present value of his existing employment agreement/retirement plan and the removal of mandatory salary increase provision of the employment contract.

For a transaction of this nature and given the previous acquisition attempts, we believe that total fees of approximately $1.447,500 were extremely high. The applicants' responses to our concerns is set forth in the July 23, 1984, amendment to the application in response to Item 5(a). While we feel that the fees paid for this transaction are way out of line, it appears that both associations are legally obligated to pay the fees and to argue that the associations could have worked out a better deal elsewhere would serve no real useful purpose.

NON-PUBLIC INFORMATION DISCLOSURE PROHIBITED
Investment in Service Corporation

The proposed transaction entails the purchase of First Mutual by Gulf Coast, a wholly-owned subsidiary of Florida Federal. As discussed in the issues paper, the additional investment in the service corporation needed to fund the purchase would cause Florida Federal to exceed the regulatory limits on permissible investments in service corporations. Section 545.74(3) of the Federal Regulations authorizes a maximum investment in service corporations to three percent of assets provided that the amount of investment in excess of two percent will serve inner-city or community development purposes. Assuming Florida Federal's present investment in service corporations meets the criteria to allow the maximum investment of three percent of assets, the association's current investment is 2.6% of assets. Current investment in service corporations entail $46.8 million in equity investment and $42.7 million in conforming loans. Income or loss from subsidiaries is not large enough to be a factor. If the minimum of $40.6 million were needed to complete the purchase, investment in service corporations would increase to 3.9% of assets. The exercise of the options would further increase the investment in service corporations to 3.9% of assets. Clearly, the funding of the purchase price would cause Florida Federal to violate the investment limitations in service corporations. To alleviate our concerns in this regard, we have conditioned our recommendation for approval upon Florida Federal's prior conversion to state-charter. Since this condition would be imposed, the issue of approving the service corporation's ownership of First Mutual pursuant to section 545.74 of the Federal Regulations is a moot point.

Other and Discussion to Organize an Interim Institution

These supporting applications are part of the holding company package. We see no reason to disapprove these applications.

Recommendation

The subject application has been considered and found to be satisfactory under the standards set forth in Section 408 of the National Housing Act and section 545.4(c) of the Holding Company Regulations. Based on the findings, we recommend that the application be approved. We have also given consideration to the imposition of the conditions concerning net worth maintenance and dividend restrictions. We believe these conditions should be imposed to protect First Mutual and to ensure its separate corporate existence. Accordingly, we recommend that the following conditions be imposed:

1. The proposed transaction be consummated no later than 120 days after the date of the authorization.
2. The applicants, no earlier than 10 days prior to the consummation of the acquisition, shall certify to the supervisory agent that no material adverse change has occurred with respect to the condition of the applicant or the insured institution to be acquired subsequent to the date of this authorization but prior to the date of consummation of the transaction.

3. The applicants shall file an affidavit with the supervisory agent certifying to the consummation of the acquisition in accordance with the provisions of the subject application and this authorization and specifying the exact number of shares of stock of the insured institution acquired.

4. The applicants shall provide a legal opinion to the supervisory agent that all applicable federal and state securities laws have been complied with.

5. The applicants shall agree in writing that they will not receive dividends from the acquired institution in excess of 50 percent of net income per year on a cumulative basis. Such agreement shall take the following form:

Florida Federal Savings and Loan Association and Gulf Coast Services of St. Petersburg, Inc., hereby certify to the Corporation that unless prior written approval has been obtained from the supervisory agent with the concurrence of the Director of the Office of Examinations and Supervision, dividends paid by First Mutual Savings Association in any fiscal year shall be limited to 50 percent of net income for that fiscal year, as reflected on First Mutual Savings Association’s quarterly report to the bank board, provided that any dividends permitted under this limitation may be declared and paid in a subsequent year, but in no event shall dividends be paid that would reduce the net worth of First Mutual Savings Association below the level required by Section 653.13(11) of the rules and regulations for Insurance of Accounts for institutions insured 20 years or longer.

6. The applicants shall agree in writing to infuse capital if necessary to ensure that the acquired institution meets the net worth requirements for institutions insured for 20 years or more. Such agreement shall take the following form:

Florida Federal Savings and Loan Association and Gulf Coast Services of St. Petersburg, Inc., hereby certify to the Corporation that as long as they control First Mutual Savings Association, Florida Federal Savings and Loan Association and Gulf Coast Services of St. Petersburg, Inc., will cause the net worth of
First Mutual Savings Association to be maintained at a level consistent with that required by Section 503.33(3) of the Rules and Regulations for Insurance of Accounts, as now or hereafter in effect, for institutions insured for 20 years or longer and, as necessary, will infuse sufficient additional equity capital, in a form satisfactory to the Supervisory Agent, to effect compliance with such requirement.

7. The applicants shall furnish analyses, accompanied by a concurring opinion (which indicates that the transaction was consummated in accordance with generally accepted accounting principles), from its independent accountant, satisfactory to the Supervisory Agent, which (a) specifically describe, as of the effective date of the acquisition, any intangible assets, including goodwill, or discount of assets arising from the acquisition to be recorded on its books, and (b) substantiate the reasonableness of amounts attributed to intangible assets, including goodwill, and the discount of assets and the related amortization periods and methods.

9. Prior to the acquisition of First Mutual, Florida Federal must complete its conversion to a State-chartered institution.

11. The applicants shall furnish a revised tax opinion which will address the effect of the condition that Florida Federal must convert to a State-chartered institution prior to the acquisition.

13. Prior to the acquisition, the applicants shall execute and deliver the stipulation and undertaking attached as Exhibit C.

Issues

Should the Bank Board approve the applications filed by the subject applicants pursuant to Section 406(e) of the National Housing Act and Section 5(a) of the Holding Company Regulations to acquire First Mutual Savings Association of Pensacola, Florida. The application entails the policy issue of a federally-chartered institution owning and operating a state-chartered institution. The Bank Board must also determine whether to approve the merger of First Mutual into the interim association and the application to organize the interim association.

Background

Section 406 of the National Housing Act and Section 544.4 of the Holding Company Regulations provide that, in approving any proposed holding company application, the Corporation must take into consideration the financial and managerial resources and future prospects of the company and the institution involved. It must determine that the acquisition would not be detrimental to the institution or the insurance risk of the Corporation. The Bank Board, as acting head of the Corporation, has the option of approving, denying, or approving with specific conditions a holding company application. Based upon our analysis contained in the attached memorandum to Assistant Director Rundle, we believe the statutory standards have been met. However, as discussed below, we are recommending that certain conditions be attached to the Bank Board's approval. This application is being processed to Washington because the acquisition will be accomplished using an interim association.

Structure of Proposal

Florida Federal and its wholly-owned first tier subsidiary, Gulf Coast, have filed an application under Section 406(e) of the National Housing Act and Section 544.4(u) of the Holding Company Regulations to acquire 100%
of the outstanding common stock of First Mutual. The acquisition is to be accomplished through an option, open market purchases, tender offer and a merger with an interins federal association. The applicants will acquire all of First Mutual's 1,667,317 shares of stock through a $33 per share tender offer and merger. Further, in the event of a competing takeover proposal for First Mutual, First Mutual has granted an option to the applicants to purchase an additional 455,000 shares of authorized but unissued shares of stock for $33 per share. As previously noted, the option will only be exercised in the event of a competing takeover bid.

Gulf Coast will organize an interins Federal association which will be subsequently merged into First Mutual. First Mutual will retain its separate legal existence and identity including a separate board of directors and officers. Further, First Mutual will continue to operate as a state-chartered institution but the applicants propose to limit the activities of First Mutual to those permitted for Federal associations for so long as Florida Federal remains a Federally-chartered institution. Florida Federal's application to convert to a state-charter was approved on September 5, 1984. The state also approved the acquisition on July 27, 1984.

History of Florida Federal

The association has suffered from the effects of the rising cost of money coupled with its low yielding loan portfolio. As a result of its numerous purchase accounting entries, Florida Federal has been able to artificially bolster its financial position. For example, for the fiscal year ended June 30, 1983, the association booked a loss of $5.5 million, however, losses would have been significantly worse if it had not been for $23.2 million in purchase accounting non-operating income. For most of calendar 1983, Florida Federal was in danger of depleting its net worth within 24 months on an operating basis.

In June of 1983, the association converted to stock and raised $175.5 million in additional equity capital. As a result of the purchase accounting income and the benefits of the stock conversion proceeds, the institution has returned to profitability. For the fiscal year ended June 30, 1984, Florida Federal recognized net income of $15.6 million and assets totaled $4.6 billion. Of this net income $11 million is attributable to non-operating income from purchase accounting. Net worth of $289 million represents 6.3% of total assets. Regulatory net worth does not include any appraised equity capital or subordinated debentures. Present net worth exceeds the regulatory requirements by $28 million.

Florida Federal has received satisfactory ratings during the previous two examinations. There were no areas of significant supervisory concern.

History of Gulf Coast

Gulf Coast is a wholly-owned, first tier service corporation of Florida Federal established for the sole purpose of forming an interins Federal institution. As such, Gulf Coast has no operating history or background.
History of First Mutual

First Mutual has remained relatively profitable in the hostile economic environment affecting the industry over the last few years. While the association recorded a net loss of $219 thousand for the fiscal year ended June 30, 1983, it fared much better than most institutions in its peer group. At that time, total assets were $542.9 million and net worth was $29.8 million (5.5% of total assets). As a result of a general decline in the cost of money, the association had net income of $4.2 million for the fiscal year ended June 30, 1984. Total assets had increased to $645.5 million and net worth of $34.2 million represented 5.3% of total assets.

The last two examinations of First Mutual have not disclosed any significant supervisory problems.

Ownership of a State-Chartered Institution by a Federally-Chartered Association

Florida Federal proposes to acquire First Mutual through a wholly-owned subsidiary. Aside from the policy issue involved with a federal institution controlling a state-chartered institution given Florida’s liberal charter, the bank board would also have to approve the service corporation acquisition since owning a financial institution is not a preapproved activity under Section 545.74 of the Federal Regulations. However, we believe these issues are moot because the additional investment in the service corporation needed to fund the purchase would cause Florida Federal to exceed the regulatory limits on permissible investments in service corporations.

There is no regulatory provision for a waiver of the investment limitation. Section 545.74(d) of the Federal Regulations authorizes a maximum investment in service corporations to three percent of assets provided that the amount of investment in excess of two percent will serve inner-city or community development purposes. Assuming Florida Federal’s present investment in service corporations meets the criteria to allow the maximum investment of three percent, the association’s current investment is 2.6 percent of assets. Current investment in service corporations includes $45.8 million in equity investment and $62.2 million in conforming loans. Income or loss from subsidiaries is not large enough to be a factor. If the minimum of $40.9 million were needed to complete the purchase, investment in service corporations would increase to 3.6% of assets. The exercise of the options would further increase the investment in service corporations to 3.9% of assets. Clearly, the funding of the purchase price would cause Florida Federal to violate the investment limitations in service corporations.

In order to alleviate our concerns in this regard, we have conditioned our recommendation for approval upon Florida Federal’s prior conversion to state-charter.

Proposed Employment Agreement

The applicants propose to enter into a five-year employment contract with Mr. E. D. Hopkins, president and chairman of the board of First Mutual. The agreement provides for annual compensation of $150,000 with a mandatory

NON-PUBLIC INFORMATION DISCLOSURE PROHIBITED
6% salary increase per year. The contract provides for retirement benefits with minimum annual payments of $50,000 over 15 years if his employment terminates before reaching the age of 60 (Mr. Hopkins is presently 56 years old). The benefits increase to annual payments of $81,219 over 15 years if Mr. Hopkins remains employed until age 65.

Of concern to this office is a provision of the agreement which states that First Mutual will pay Mr. Hopkins $250,000 for the present value of an employment agreement entered into with First Mutual. The previous employment agreement basically provided for retirement benefits of $50,000 per year over a ten year period following retirement. Given the fact that the Florida Federal's retirement plan described above is much more lucrative, inasmuch as it provides for equivalent retirement payments for five more years than the original agreement and an opportunity for an even higher annual payment, we object to the $250,000 payment as a waste of corporate assets and a violation of Sections 563.17(a) and 563.39(a) of the Insurance Regulations. Further, we believe that since this payment is contingent upon a change of control, it is tantamount to a golden parachute and should be discouraged. It is also the continued policy of this office to object to employment agreements with mandatory annual salary increases. It is our position that salary increases should be determined annually by the board of directors based upon the officer's performance. Accordingly, we have conditioned our recommendation of approval upon Mr. Hopkins not receiving any payments for the present value of his existing employment agreement/retirement plan and the removal of mandatory salary increase provision of the employment contract.

Conclusion on Statutory Standards

As discussed more fully in the attached memorandum to Assistant Director Malo, based upon our consideration of the financial and managerial resources, and future prospects of both Florida Federal and First Mutual, we have found that all criteria are satisfactory for approval of the application.

Application to Merge and Permission to Organize an Interim Institution

We see no reason to disapprove these applications.

Conditions

We have given consideration to the imposition of the conditions concerning net worth maintenance and dividend restrictions. We believe these conditions should be imposed to protect First Mutual and to ensure its separate corporate existence.

Options

Option 1. Approve the application subject to the conditions regarding (1) conversion to State-charter, (2) dividend restriction, (3) net worth maintenance, and (4) amendments to the employment agreement of President Hopkins to eliminate both the payment for value of the previous employment contract and the mandatory salary increase.

NON-PUBLIC INFORMATION DISCLOSURE PROHIBITED
Pros

- The prior conversion to a State-charter would eliminate the policy issue of a Federally-chartered institution operating a State-chartered institution with a much more liberal charter.

- The prior conversion to a State-charter would resolve the overinvestment in service corporations violation of Section 545.74 of the Federal Regulations.

First Mutual will be relatively insulated from undue pressure from the parent holding companies since net worth will be guaranteed by the parents and dividends will be restricted. Further, these conditions would ensure First Mutual's separate corporate existence.

- The elimination of the provision requiring the purchase of Mr. Hopkins' previous employment agreement would protect the assets of First Mutual and curtail any potential violations of Sections 563.17(b) and 563.39(a) of the Insurance Regulations.

- The elimination of the mandatory increase of Mr. Hopkins' salary would maintain continuity in the fourth district in regard to bank policies involving employment agreements.

Cons

- None

Option 2: Approve the application without conditions.

Pros

- None

Cons

- Consummation of the acquisition prior to conversion to State-charter would cause Florida Federal to exceed the allowable investment limitations in service corporations.

- To the best of our knowledge, the Bank Board has not approved, on a non-supervisory basis, a Federally-chartered association owning and controlling another independent financial institution.

Without the net worth guarantee and dividend restriction, Florida Federal could pressure the insured subsidiary to upstream unreasonable dividends to bolster Florida Federal's operating results.

- The approval to pay $259,000 to Mr. Hopkins for his previous employment agreement under these conditions would condone unreasonable compensation and a waste of corporate assets.
Option 3: Deny the application.

Pros

- None

Cons

- There does not appear to be grounds for denial under applicable statutes and regulations.

Recommendation

This office recommends that the Board adopt option No. 1 which imposes the following conditions:

1. The proposed transaction be consummated no later than 120 days after the date of the authorization.

2. The applicants, no earlier than 10 days prior to the consummation of the acquisition, shall certify to the Supervisory Agent that no material adverse change has occurred with respect to the condition of the applicant or the insured institution to be acquired subsequent to the date of this authorization but prior to the date of consummation of the transaction.

3. The applicants shall file an affidavit with the Supervisory Agent certifying to the consummation of the acquisition in accordance with the provisions of the subject application and this authorization and specifying the exact manner of shares of stock of the insured institution acquired.

4. The applicants shall provide a legal opinion to the Supervisory Agent that all applicable federal and state securities laws have been complied with.

5. The applicants shall agree in writing that they will not receive dividends from the acquired institution in excess of 50 percent of net income per year on a cumulative basis. Such agreement shall take the following form:

   Florida Federal Savings and Loan Association and Gulf Coast Services of St. Petersburg, Inc., hereby stipulate to the Corporation that, unless prior written approval has been obtained from the Supervisory Agent with the concurrence of the Director of the Office of Examinations and Supervision, dividends paid by First Mutual Savings Association in any fiscal year shall be limited to 50 percent of net income for that fiscal year, as reflected on First Mutual Savings Association's quarterly report to the Bank Board, provided that any dividends permitted under this limitation...
6. The applicants shall cause in writing to infuse capital if necessary to ensure that the acquired institution meets the net worth requirements for institutions insured for 20 years or more. Such agreement shall take the following form:

Florida Federal Savings and Loan Association and Gulf Coast Services of St. Petersburg, Inc. hereby stipulate to the Corporation that as long as they control First Mutual Savings Association, Florida Federal Savings and Loan Association and Gulf Coast Services of St. Petersburg, Inc. will cause the net worth of First Mutual Savings Association to be maintained at a level consistent with that required by Section 63.13(4) of the Rules and Regulations for Insurance of Accounts for institutions insured for 20 years or more, as necessary, will infuse sufficient additional equity capital, in a form satisfactory to the supervisory agent, to effect compliance with such requirement.

7. The applicants shall furnish analyses, accompanied by a concurring opinion which indicates that the transaction has consumed in accordance with generally accepted accounting principles from its independent accountant, satisfactory to the Supervisory Agent, which (a) specifically describe, as of the effective date of the acquisition, any intangible assets, including goodwill, or discount of assets arising from the acquisition to be recorded on its books, and (b) substantiate the reasonableness of amounts attributed to intangible assets, including goodwill, and the discount of assets and the related amortization periods and methods.

8. Prior to the acquisition of First Mutual, Florida Federal must complete its conversion to a State-chartered institution.

9. Florida Federal or First Mutual will not, directly or indirectly, compensate Mr. L. T. Slayton for the value of the salary continuation agreement dated December 28, 1932, and amended July 20, 1933.

10. Paragraph (b)(iii) of the referred employment agreement with Mr. Slayton is deleted, and paragraph 4 will be amended to eliminate the mandatory 6% increase in compensation.

11. The applicants shall furnish a revised tax opinion which will address the effect of the condition that Florida Federal must convert to a State-chartered institution prior to the acquisition.
12. The applicants will provide assurances that Mr. W. W. Hopkins will act as full-time chairman officer of First Mutual even though he will be an employee of Florida Federal.

13. Prior to the application, the applicants shall execute and deliver the Stipulation and Undertaking attached as Exhibit C.

Mr. Raleigh Greene, President
Florida Federal Savings & Loan Association
P. O. Box 1509

Dear Mr. Greene:

We are writing in reference to your June 29, 1984, amendment to the holding company application filed on behalf of Florida Federal’s proposed acquisition of First Mutual Savings Association of Pensacola, Florida.

You had requested confidential treatment of the responses to Items 5(a), 5(b) and 12 on the basis of the “sensitive nature” of the information and your desire to keep this information from your competitors. In reviewing your request, we find we cannot grant confidential treatment to your responses to Item 5(a) and 5(b) given the fact this information was required to be disclosed by the instructions to the holding company application. However, we concur with the need to maintain confidentiality for the business plan. Therefore, your request for confidential treatment of the business plan (Item 12) is hereby granted. We request that you revise the first amendment of the Application so that it contains two volumes; the first of which includes your responses to Items 2(e), 5(a) and 5(b). The second volume should be marked “confidential” and contain the business plan.

Concerning the $250,000 payment for the present value of Mr. Hopkins’ salary continuation agreement, we continue to object to the payment as excessive and unreasonable. It is our position that Mr. Hopkins’ retirement benefits under Florida Federal’s Supplemental Retirement Program and the proposed employment agreement more than adequately reward him for his service to First Mutual. In response to your contention that the payment is no different than if Mr. Hopkins were to leave the association to accept other employment, we point out that Condition 1(c) of the agreement would prohibit this type of arrangement. As stated in our June 6, 1984, letter, since Mr. Hopkins’ employment contract with Florida Federal provides for an even more lucrative compensation and retirement plan, the additional payment of the previous plan is unacceptable. As such, we are not in a position to favorably process the application so long as Mr. Hopkins is to receive any payment for the value of the salary continuation agreement. Please advise us of your actions in this regard.

"First Mutual Savings Association of Florida"
("First Mutual")
Pensacola, Florida FHLBA No. 2347

Dear Mr. Greene:

We have completed our review of the subject application and find that additional information and clarification is needed. Our review disclosed the following:

Item 2(e) - The applicant did not disclose it had filed previous applications to acquire (1) "Verrillades Federal Savings and Loan Association of Belle Glade," (2) Gulf Federal Savings and Loan Association of Fort Myers and (3) "Indian River Federal Savings and Loan Association of Vero Beach."

Item 5(e) - For a transaction of this nature, the total fees in excess of $340,000 appears to be extremely high. Please provide a detailed description and justification of the fees paid and services rendered. Your discussion should include, but not be limited to the following:

1) The fees paid or expected to be paid to each firm or person rendering legal services should be stated, together with a detailed description of the services performed, the hourly rate or other basis used for determining the fees, and any relationship between such person or firm and the parties to the transaction.

2) The advisory fees should be similarly justified.
Item 5(b) – The major provisions of the employment contract with Mr. F. W. Hopkins should be discussed in response to this item. We have concerns over the provisions of Paragraph 5(b)(iii) of the employment contract which requires First Mutual to pay Mr. Hopkins $285,000 for the present value of his July 20, 1983, salary continuation agreement. Since it appears Paragraph 5(b)(ii) provides for an even more lucrative compensation plan, the additional payment for the previous plan is unacceptable. Further, please justify the $50,000 increase in base salary in light of Federal Home Loan Bank Board Memorandum R-42 and Sections 563.17(b) and 571.5(d)(3) of the Insurance Regulations.

It is the continued policy of this office to object to employment agreements with mandatory annual salary increases. It is our position that salary increases should be determined annually by the board of directors based upon the employee’s performance. Please amend this section of the employment contract with Mr. Hopkins.

Please revise Exhibit XIV(c) to include copies of the entire salary continuation agreements for Messrs. Scott, Sarrow, V. Hopkins, and Tharp. Further, please advise us how much, if any, each employee's salary increased as a result of the April 16, 1984, amendments.

Item 12 – The Bank Board is presently requiring the submission of a comprehensive business plan for the institution to be acquired for all holding company acquisitions. Accordingly, we request the Applicant to provide a business plan projecting the association's operations for a three year period. While the R-(e) 1 may contain some of the requested information, we request the business plan be all inclusive to facilitate subsequent status reviews. The first section establishes the basic economic scenario and assumptions on which the business plan is based, as well as the operational goals and objectives of First Mutual Savings as established by the Applicant. The second section of the business plan consists of annual projections of the financial condition, operations, and cash flows, predicated upon the economic scenario and assumptions presented in the first section.

The business plan should include, but not be limited to, the following information:

Section One

Item 1. Lending and Investment Activity

(a) Describe the lending operations of the association for the next three years.

(b) Provide a breakdown on an annual basis of the number, aggregate dollar amount, maturities, and estimated yield by the different types of loans to be granted.

(c) Briefly describe the various methods the association will utilize in generating its loans and other investments, i.e., advertising, loan brokers, leasing agents, etc., and indicate the relative significance of each.
(d) Describe any planned mortgage banking program or secondary market activities, giving descriptions of the primary sources of the funds, as well as the primary purchasers of the loans.

(e) Summarize the association's other planned investments, including composition, expected return, maturity, and purpose.

Item II. Deposit, Savings and Borrowing Activity

(a) Describe the primary sources of savings and deposits and the major methods used in the solicitation.

(b) Provide a breakdown on an annual basis of the aggregate dollar amount, and estimate cost of the different types of savings and deposit accounts to be offered.

(c) Describe any plans to borrow funds from other financial institutions, including the source, amount, composition, interest rate, maturity, and purpose.

(d) Describe any plans to use brokered deposits.

Item III. Asset and Liability Management

(a) Discuss the association's planned asset and liability portfolio in terms of quality and sensitivity to interest rate changes; indicate the methodology used to measure quality and sensitivity.

(b) Describe the strategies and plans the association will adopt to match the maturities of earnings assets and interest-bearing liabilities.

Item IV. Operations

With respect to the operations of the association furnish the following information:

(a) Number of directors, remuneration, if any; indicate any possible changes.

(b) Number of officers and employees and the aggregate remuneration of all officers; indicate any contemplated changes. Further, please provide an organizational chart.

(c) Describe the extent, if any, to which the Applicant will be involved in the day-to-day management of the association.

(d) Describe the extent, if any, to which it is expected that there will be transactions with affiliated entities or individuals.
(c) Describe the activities and amount of planned investments in any service corporation.

(f) Describe any proposed dividend policy.

(h) Describe any management or other fees to be paid to the applicant or affiliates.

(h) Describe growth strategies.

Item V: Monitoring of Business Plan

(a) Describe fully the procedures to be employed by the board of directors to monitor adherence to and assure compliance with the business plan.

Section Two

Financial Statements

Using the economic assumptions and operating scenario presented in Section one, prepare projected financial statements, annually, for the next three years of operations. Attached is a copy of the most recent market rate scenario and assumptions prepared by the Office of Policy and Economic Research of the Federal Home Loan Bank Board. You should utilize these assumptions in preparing the business plan; however, if different assumptions are used due to local market factors, such variances should be fully explained and supported.

Miscellaneous - Please note that because the acquisition involves the use of an interim institution, the application will be processed to the Bank Board in Washington, D.C.

From receipt of the information requested above, we will resume processing the application. We are reserving the right to request additional information pertinent to our review.

Sincerely,

Park T. Zimmerman

Principal and interest shall be payable at P. O. Box 1509, St. Petersburg, Florida 33731, or such other place as the Note holder may designate, in consecutive monthly installments of Seven Hundred Two and 19/100 Dollars (US $ 702.19 ), on the 1st day of each month beginning September 1979. Such monthly installments shall continue until the entire indebtedness evidenced by this Note is fully paid, except that any remaining indebtedness, if not sooner paid, shall be due and payable on August 1, 2008.

If any monthly installment under this Note is not paid when due and remains unpaid after a date specified by a notice to Borrower, the entire principal amount outstanding and accrued interest thereon shall at once become due and payable at the option of the Note holder. The date specified shall not be less than thirty days from the date such notice is mailed. The Note holder may exercise this option to accelerate during any default by Borrower regardless of any prior forbearance. If suit is brought to collect this Note, the Note holder shall be entitled to collect all reasonable costs and expenses of suit, including, but not limited to, reasonable attorney's fees.

Borrower shall pay to the Note holder a late charge of 4 percent of any monthly installment not received by the Note holder within 15 days after the installment is due.

Borrower may repay the principal amount outstanding in whole or in part. The Note holder may require that any partial prepayments (i) be made on the date monthly installments are due and (ii) be in the amount of that part of one or more monthly installments which would be applicable to principal. Any partial prepayment shall be applied against the principal amount outstanding and shall not postpone the due date of any subsequent monthly installments or change the amount of such installments, unless the Note holder shall otherwise agree in writing. If, within five years from the date of this Note, Borrower makes any prepayments in any twelve-month period beginning with the date of this Note or anniversary dates thereof ("loan year") with money lent to Borrower by a lender other than the Note holder, Borrower shall pay the Note holder (a) during each of the first three loan years 4.6250 percent of the amount by which the sum of prepayments made in any such loan year exceeds twenty percent of the original principal amount of this Note and (b) during the fourth and fifth loan years 3.00 percent of the amount by which the sum of prepayments made in any such loan year exceeds twenty percent of the original principal amount of this Note.

Presentment, notice of dishonor, and protest are hereby waived by all makers, sureties, guarantors and endorsers hereof. This Note shall be the joint and several obligation of all makers, sureties, guarantors and endorsers, and shall be binding upon them and their successors and assigns.

Any notice to Borrower provided for in this Note shall be given by mailing such notice by certified mail addressed to Borrower at the Property Address stated below, or to such other address as Borrower may designate by notice to the Note holder. Any notice to the Note holder shall be given by mailing such notice by certified mail, return receipt requested, to the Note holder at the address stated in the first paragraph of this Note, or at such other address as may have been designated by notice to Borrower.

The indebtedness evidenced by this Note is secured by a Mortgage, dated July 16, 1979, and reference is made to the Mortgage for rights as to acceleration of the indebtedness evidenced by this Note. In this and any related instrument made or executed by the undersigned Trustee, any interested person shall look solely to the subject property and shall have no recourse against the Trustee or any beneficiary or any assets of either. *

Dear Congressman:

Following our conversation of the other day, I would like to propose for purchase unit #1505 at Bayfront Tower. Literature is enclosed which will further describe the project and that particular unit.

The sale price would be $106,000. Financing would be an 80% mortgage of $84,800, 20% down would be $21,200. The mortgage would be for a term of 29 years at a rate of 9.2%, no points. The payments would be approximately $703 per month for principal and interest. The maintenance fee for this unit is $207.02 per month. You can see by the enclosed literature what the maintenance fee includes. The taxes are estimated at $1,249 per annum.

The closing would be within 90 days from the date of the contract. The above is contingent upon our securing a $1,000 earnest money deposit with the balance of 10% of the purchase price due within 15 days of the date of the contract. In order to take advantage of this interest rate, we will need an answer prior to or on March 16.

This is one of our better apartments and could certainly be considered an excellent investment. I hope you would have the opportunity to come visit the project. If that is not possible, let me know and we will hold the unit for you.

Warm regards.

Cordially,

Joseph Y. Lettellier

Re: Bayfront Tower Condominium - Apartment 1505

Dear Ms. Lozanoff:

Pursuant to our telephone conversation yesterday, I telephoned Roy G. Harrell, Jr. at Harrison, Greene, Mann, Rowe, Stanton & Mastry (hereinafter referred to as "Harrison, et al."), but I was told that he was on vacation and I was referred to Ernest L. Mascara, Esquire.

Mr. Mascara did not wish to alter the exculpatory language which you had forwarded to me, in any material way; but he did offer to give me the opinion of Harrison, et al. to the effect that I, as Trustee, would have no personal liability under the Note and Mortgage. We agreed that the language which you had forwarded could be changed to add a reference to related instruments, that the pronoun "its", referring to me as Trustee, could be changed to "his", and that similar language could be used on the Mortgage and the Rider.

Mr. Mascara indicated that neither Florida Federal Savings nor Harrison, et al. had any interest in the exculpatory language that I wished to add to the Warranty Deeds.

The newly executed loan and condominium documentation is enclosed and is being delivered to you subject to conditions. First I would ask that you place a dark "X" across the face of each of the documents previously signed and delivered to you and return them either to me or Mr. St. Germain. Secondly, you should hold all of the documents and not record any until such time as I have received the aforementioned opinion letter from Harrison, et al.

Very truly yours,

Charles S. Sokoloff

(b) All references in this Agreement requiring the participation of a certain percentage of the Partners shall not mean that percentage in number of the Partners, but shall refer to that percentage of the voting rights of the Partners, unless specifically noted to the contrary.
416

(c) The voting rights set forth in section 2.01(a) above shall not be altered except as follows:

(2) Upon the withdrawal for any reason from the Partnership by any Partner, that Partner's voting rights shall be forfeited and shall not pass to any other Partner; provided, however, if said withdrawing Partner's interest in the Partnership is purchased by any of the other Partners pursuant to section 6.02, then the withdrawing Partner's voting rights shall be apportioned among those Partners purchasing the withdrawing Partner's interest in proportion to the consideration paid by the Partners.

(d) (1) The representatives to the Management Committee for all Partners other than Ann Kerr shall remain as such until new representatives are selected by the vote of at least fifty-one percent (51%) of all Partners other than Ann Kerr at a meeting called by at least twenty-five percent (25%) of all Partners other than Ann Kerr.

(2) Any representative to the Management Committee for all Partners other than Ann Kerr shall be allowed to resign upon thirty (30) days notice communicated in writing to all Partners. Upon such resignation, a meeting of all Partners other than Ann Kerr shall take place for the purpose of electing a new representative to the Management Committee. The meeting shall take place at the law offices of Greene, Mann, Rowe, Stanton, Mastry & Burton, Tenth Floor, Florida Federal Building, St. Petersburg, Florida, said meeting to be at seven p.m. on the second Tuesday after the notice of resignation has been given.
2.03 Major Events. The following items are not considered to be within the scope of the Management Committee's responsibilities, and the affirmative vote of seventy-five percent (75%) of all Partners is required:

(a) Entering into any contract or other obligation for the sale or other disposition of all or any part of the Property, or for the lease of substantially all of the Property;

(b) Entering into any contract or other obligation to construct any improvement on the Property, or otherwise incident to the Partnership;

(c) Constructing any improvement on the Property;

(f) Acquiring any additional land (or any interest therein) on behalf of the Partnership; and

(g) Admitting any new Partners to the Partnership.

2.04 Express Authority of Management Committee. Notwithstanding the restrictions of section 2.03, the Partners hereby understand and agree that the Management Committee shall have the authority to perform the following acts on behalf of the Partnership without the further consent of any of the Partners:

(b) Contract for market studies regarding the best means of developing and using the Property.

(c) Contract for surveys and architectural plans for the development of the Property.

(f) Negotiate, but not execute or otherwise enter into, any loans on behalf of the Partnership.

(g) Have prepared, but not execute, such other documents necessary for the development of the Project. As an example only, condominium documents.
2.05 Accounting; Books and Records.

(a) The Management Committee shall keep, or cause to be kept, complete books of account and records of all Partnership transactions. It is not required that the Partnership use the same accounting methods for income tax purposes and financial accounting purposes, unless required by federal income tax laws.

(b) Within forty-five (45) days after the end of each calendar quarter, there shall be prepared and delivered to each Partner a statement showing the results of operations during such quarter and for the fiscal period then ended.

(c) The fiscal year of the Partnership shall be the year ending December 31.

2.06 Right to Inspect. Each Partner shall have the right at all reasonable times during usual business hours to examine and make copies of the Partnership’s books and records. Such right may be exercised by any agent or employee of such Partner designated by it or by an independent certified public accountant designated by such Partner. Each Partner shall bear the expenses resulting from any such examination.

2.07 Bank Accounts. Funds of the Partnership shall be deposited in such financial institutions as the Management Committee may mutually agree. Checks and withdrawals from accounts shall be made pursuant to written authorization of the Management Committee.

2.08 Meetings of the Partnership. A meeting may be called by a vote of twenty-five percent (25%) of the Partners to be held at any time after the giving of three (3) days notice to all of the Partners. Any Partner may waive notice of, or attendance at, any meeting and may attend by telephone or any other electronic communication device or may execute a signed written consent.

2.09 Liability. In the event any liability shall not be adequately covered by insurance, the amount of liability not so insured shall first be satisfied out of the assets of the Partnership, and if such assets are not sufficient to fully satisfy the amount of the liability, the Partners shall pay to the Partnership in the proportions set forth in section 2.01 the amount needed to satisfy such liability. Each Partner shall each be indemnified by the other and held harmless against and from all claims, demands, actions and right of action which shall arise by virtue of anything done or omitted to be done by the other (through or by agents, employees, or other representatives) outside the scope of, or in breach of the terms of, this Agreement; provided, the other shall be promptly notified of the existence of the claim, demand, action or right of action and shall be given reasonable opportunity to participate in the defense thereof.

ARTICLE THREE - CONTRIBUTIONS AND DISTRIBUTIONS

3.01 Capital Contributions.

(a) The Partners have made initial contributions to the capital of the Partnership, as set forth in Exhibit "D" attached hereto and by this reference made a part hereof.
(b) The Partners recognize additional funds may be required from time to time to conduct the business of the Partnership. It is the Partners' intent that such funds be obtained from outside financing; but if such is not possible, then the Partners must provide such additional funds in the form of capital contributions as follows:

(1) The additional funds shall be provided by the Partners in the same proportions that the Partners hold voting rights in the Partnership per section 2.01.

(2) In the event that any Partner fails to make the required capital contribution within ten (10) days of written request from the Management Committee, the remaining Partners, or any number thereof, shall have the right to purchase the Partnership interest of the Partner failing to make the required capital contribution, said purchase to be made pursuant to the terms of section 6.02.

3.02 Interest on Capital. No interest shall be payable by the Partnership to any Partner for any capital contributed to the Partnership.

3.03 Capital Accounts.

(a) Each Partner shall have a capital account which shall initially be zero (0) and, thereafter, adjusted as follows:

(1) Each Partner's capital account shall be increased by:

(i) The amount of capital contributions to the Partnership; plus

(ii) The amount of profit or gains allocated to the Partner pursuant to section 3.05.

(2) Each Partner's capital account shall be decreased by:

(i) All amounts distributed to the Partner pursuant to section 3.06; plus

(ii) The amount of any losses allocated to the Partner pursuant to section 3.05.

(b) A Partner shall not be entitled to withdraw any part of its capital account or to receive any distribution from the Partnership except as specifically provided in this Agreement.

(c) No Partner with a negative balance in his capital account shall have any obligation to the Partnership or any other Partner to restore said negative balance, except to the extent such negative balance is the result of cash withdrawals from the Partnership and not solely the result of tax accounting procedures.

3.04 Loans by the Partners. Any Partner may make loans or lend money to the Partnership or advance moneys on its behalf, on terms and conditions previously approved by seventy-five percent (75%) of all Partners.
3.05 **Profits and Losses: Income Tax Allocations.**

(a) The term "profits and losses" shall mean the amount of taxable profits or losses of the Partnership as reported for federal income tax purposes.

(b) In determining a Partner's distributive share of each item of income, gain, loss, or deduction for income tax purposes, such items shall be ascertained through the use of generally accepted accounting principles, as modified for sound income tax reporting purposes, and shall be allocated to the Partners pursuant to this section 3.05.

(c) Profits and losses shall be allocated to the Partners in the proportions set forth in section 2.01.

(d) Distribution of profits will be made pursuant to section 3.06 below.

3.06 **Net Cash Flow.**

(a) The term "net cash flow" as used herein shall mean all gross revenues and receipts earned or received by the Partnership (including capital contributions and loan proceeds) less the following items:

1. The gross cash disbursements of the Partnership; including but not limited to:
   - Any amounts expended to pay indebtedness due; and
   - Any amounts expended in payment of expenses, capital expenditures and inventory and prepaid items, all incurred in the normal operation of the Partnership business; and

2. As the Partners mutually agree, a reasonable reserve to provide funds for working capital, for the acquisition, replacement, or maintenance of Partnership property, and for any other similar contingency of the Partnership, including any contractual obligation of the Partnership.

(b) The net cash flow of the Partnership shall be allocated to all Partners in proportion to their interests in the Partnership as reflected by their voting rights set forth in section 2.01.

(c) The net cash flow of the Partnership, as determined under subsection (a) above and as allocated in accordance with subsection (b) above, shall be distributed to the Partners annually within ninety (90) days after December 31st, unless the Management Committee determines that more frequent distribution is warranted.

(d) The amount of net cash flow shall be computed annually, or for such other time period to facilitate distribution under section 3.06(c) immediately above.

**ARTICLE FOUR - DISPUTES AND DEFAULTS**

4.01 **Disputes.**

(a) A dispute is hereby defined as any matter regarding the Partnership to which at least ten percent (10%) of the Partners are in disagreement, including but not limited to:
The necessity of additional capital contributions pursuant to section 3.01(b); and

Any act, or failure to act, by any Partner.

(b) If any Partner (or Partners) desires to raise a dispute over any matter, said Partner shall notify the Management Committee, in writing, of all details regarding the dispute, set forth a proposed resolution of the dispute, and the Management Committee shall call for a meeting of the Partners to be held not sooner than five (5) days, nor later than thirty (30) days, after the giving of this notice.

(c) If the dispute is not resolved to the satisfaction of forty-five percent (45%) of the Partners within thirty (30) days from the giving of the notice set forth in section 4.01(b) immediately above, then the Partners shall be considered deadlocked, and the Partnership shall be dissolved pursuant to section 5.02.

4.02 Default.

(a) The following events shall be deemed to be events of default by a Partner:

(1) Failure of a Partner to make, when due, any contribution or advance required to be made under the terms of this Agreement, including any contribution required by section 3.01(b).

(2) Violation of any of the other provisions of this Agreement.

(3) The levy or attachment of any interest of a Partner in the Partnership by a creditor or by any person claiming a lien thereon; any assignment by a Partner for the benefit of its creditors; the filing voluntarily by a Partner, or the involuntary filing by another against a Partner, of a petition for adjudication of a Partner as insolvent or bankrupt; the use of any insolvency act under any provision of state or federal bankruptcy laws as then in force and effect; the appointment of any receiver or trustee in any insolvency proceedings for a Partner or any substantial part of a Partner’s property; or the filing of any petition for, or consent to, any of the foregoing by a Partner.

(4) Any voluntary or involuntary assignment by a Partner of any of its rights or interests in the Partnership, the Project or this Agreement contrary to the provisions of this Agreement.

(b) (1) On the occurrence of an event of default by a Partner (hereinafter referred to as the “Defaulting Partner”), the Management Committee shall give the Defaulting Partner a Notice of Default specifically setting forth the nature of the default and stating that the Defaulting Partner shall have thirty (30) days from date of receipt of said notice to cure the default. If the Defaulting Partner does not cure the default within such thirty (30) day period, or, if the default is not capable of being cured within such period, the Defaulting Partner has not commenced in good faith the curing of the default within such thirty (30) day period and does not thereafter prosecute to completion with diligence and continuity the curing thereof, the Management Committee shall have the right to:
(i) bring any proceeding in the nature of specific performance, injunction or other equitable remedy, it being acknowledged by each of the Partners that damages at law may be an inadequate remedy for a default or threatened breach of this Agreement;

(ii) bring any action at law by or on behalf of the Partner, or the other Partners, as may be permitted in order to recover damages; and

(iii) institute the buy-out procedures of section 6.02.

(2) If the purported default detailed in the Notice of Default is one set forth in section 4.02(a)(1) or (2), then upon receipt of the Notice of Default the Defaulting Partner can initiate the dispute procedures of section 4.01 and said procedures shall be followed rather than the procedures of this section 4.02. A default under section 4.02(a)(1) shall be conclusively deemed capable of being cured within said thirty (30) day period.

(c) If any Partner shall default in the performance or observance of any covenant, condition, or other provision of this Agreement to be performed or observed, any other Partner may, without waiving any claim for breach of this Agreement, and after written notice which is reasonable under the circumstances, cure, or attempt to cure, such default for the account of the Defaulting Partner, and the Defaulting Partner shall reimburse or repay any reasonable amount paid and any reasonable expense or contractual liability so incurred, with interest at the highest lawful rate. This obligation to reimburse and repay shall be secured by a lien on the interest of the Defaulting Partner in the Partnership, which lien may be foreclosed at the option of the Partner exercising this option to cure default.

(d) No assignment or transfer of a Defaulting Partner's interest as provided herein shall relieve the Defaulting Partner from any personal liability for outstanding indebtednesses, liabilities, liens, and obligations relating to the Partnership which may exist on the date of the assignment or transfer. The default of any Partner hereunder shall not relieve any other Partner from his or its agreements, liabilities, and obligations hereunder.

ARTICLE FIVE - TERM AND TERMINATION

5.01 Term of Partnership.

(a) The term of the Partnership shall commence upon the date of execution of this Agreement by the last Partner so signing and shall terminate upon the first to occur of the following events:

(1) Upon the default of any Partner under section 4.02(a) and which is not cured pursuant to section 4.02(b), if the Management Committee shall so elect.

(2) Upon the deadlock of the Partners under section 4.01(c).

(3) Upon the sale of all of the Project.

(4) By mutual agreement of the Partners.
(5) Upon the expiration of twenty-five (25) years from the date of the acquisition of real property pursuant to section 1.06.

(6) The earlier termination of this Agreement by operation of law.

(7) The voluntary withdrawal of any Partner from the Partnership; provided, the withdrawing Partner shall give at least ninety (90) days written notice prior to the effective date of the withdrawal. The obligations of the withdrawing Partner under this Agreement shall not be altered in any manner until the effective date of the withdrawal.

(8) The failure to make the acquisition set forth in section 1.06.

(b) Upon the occurrence of any of the above events the Partnership shall be dissolved pursuant to section 5.02; except, in the event of a default under section 4.02 which is not cured or a voluntary withdrawal under section 5.01(a)(7), any or all of NonDefaulting Partners or the "non-withdrawing" Partners, respectively, shall have the right to buy out the Defaulting Partner or withdrawing Partner, respectively, pursuant to section 6.02.

(c) Notwithstanding anything else in this Agreement, if the default, withdrawal or death of any Partner from the Partnership causes the term of the Partnership to come to an end, the Partnership shall not be dissolved except upon the vote of seventy-five percent (75%) of the remaining Partners.

(d) Upon the death of any Partner, and that deceased Partner having previously named a successor in interest to his Partnership interest, and the remaining Partners electing to continue the business of the Partnership pursuant to section 5.01(c), the successor in interest of the deceased Partner shall not have the rights set forth in Florida Statute 620.765.

5.02 Dissolution.

(a) Upon its termination the Partnership shall be expeditiously dissolved and liquidated, except as provided in sections 5.01(b), 5.01(c) and 6.02; provided, however, there shall not be an immediate termination of the Partnership but the Partnership shall be temporarily continued for the purpose of winding up the Partnership's affairs and liquidating the Partnership as herein provided.

(b) (1) The Partnership shall be liquidated by selling the Partnership's assets and distributing the net proceeds therefrom as set forth in subsection (c) below; or, if the Partners mutually agree, by distributing the Partnership's assets in kind to the Partners, each Partner accepting an undivided interest in the Partnership's assets and liabilities in satisfaction of his interest in the Partnership. In the event of a liquidating distribution of the Partnership's assets in kind, the fair market value of said assets shall be determined as follows:

(i) As agreed upon by seventy-five percent (75%) of the Partners, or in the absence of such an agreement within thirty (30) days after the termination of the Partnership, by
(ii) The price determined by appraisal. In the event appraisal is required due to the default or withdrawal of a partner, then the Defaulting or "withdrawing" Partner shall select an appraiser from a list of five (5) appraisers chosen by the Management Committee. In any other event, the Management Committee shall choose the appraiser. Any appraiser must be an MAI and a member of the American Institute of Real Estate Appraisers. One-half (1/2) of the fees and expenses of the appraiser shall be paid by the Defaulting or "withdrawing" Partner, whichever may be applicable; provided, in all other events, all fees and expenses shall be paid by the Partnership. The decision of the appraiser shall govern and shall be conclusive and binding upon the Partners.

(2) Whether in a straight dissolution, or pursuant to section 6.02 Buy-Out, each Partner shall receive an undivided interest in such property equal to the portion of the proceeds to which he would be entitled if said assets were sold for their fair market value and the proceeds therefrom were distributed pursuant to subsection (c) below.

(c) Upon liquidation, the Partnership's assets shall be distributed in the following order:

(1) Payment of the debts and liabilities of the Partnership.

(2) The establishment of any reserves which the Partners deem reasonably necessary for any contingent or unforeseen liabilities or obligations of the Partnership. Said reserves shall be paid over by the Partners to a mutually acceptable bank with trust powers, as escrow agent, to be held for the purpose of disbursing such reserves in payment of any of the aforementioned contingencies; and, at the expiration of such period as the Partners shall deem advisable, to distribute the balance thereof in the manner and in the order specified in this section 5.02(c).

(3) The balance, if any, shall then be divided among the Partners in the proportions set forth in section 2.01.

(d) Pursuant to any dissolution provided herein, each Partner shall be furnished with a statement, prepared by the Partnership's accountants, setting forth the total amount of the assets available for distribution after satisfaction of all liabilities. If the liabilities of the Partnership exceed the assets available for distribution, the Partners shall assume, and pay the excess in the same proportion as they share losses pursuant to section 3.05. If any Partner does not pay his full prorata share of such excess he shall be in default and if any other Partner is required to so pay, then said Partner shall be entitled to contribution from the defaulting Partner to the extent of the defaulting Partner's obligation hereunder.

(e) It is agreed that any Partner may bid at the sale contemplated by section 5.02(b).

ARTICLE SIX - TRANSFERS OF PARTNERSHIP INTERESTS

6.01 Prohibition on Transfer.

(a) None of the Partners voluntarily shall sell, assign, pledge, encumber, or in any other manner transfer
or assign, or use as collateral, his interest in the Partnership without first obtaining the prior written consent of the other Partners thereto, which consent may be either given or withheld at the sole discretion of the other Partners, except as provided in subsections (b) and (c) immediately below.

(b) Any Partner other than Ann Kerr shall have the right to offer their Partnership interest for sale to all other Partners other than Ann Kerr. In that event, all, or any part of, the Partners other than Ann Kerr shall have the right to purchase said Partnership interest pursuant to section 6.02.

(c) Any Partner may encumber their interest in the Partnership, but only in an amount not in excess of the balance in their capital account, computed pursuant to section 3.03.

6.02 Buy-Out.

(a) (1) In the event of a default under section 4.02, or a voluntary withdrawal under section 5.01(a)(7), any or all of the Partners who are not in default or are not withdrawing, respectively, (herein called "Buyer") shall have the right to purchase the entire interest of the Defaulting Partner or "withdrawing" Partner (herein called "Seller") in the Partnership on an all-cash basis and in an amount as determined in accordance with the procedure spelled out herein. It is hereby understood and agreed that this section 6.02 also applies to that Partner withdrawing from the Partnership by operation of sections 5.01(a)(7) and 5.02(b)(2).

(2) Any buy-out rights under this section shall be shared among all remaining Partners in proportion to their voting rights under this Agreement. The Management Committee shall apprise all Partners of the buy-out as soon as the Management Committee is aware such buy-out rights exist. Remaining Partners who desire to participate in a buy-out must advise the Management Committee in writing within ten (10) days of receipt of notice of the availability of the buy-out. Upon the buy-out of any Partner that Partner's voting rights shall be prorated among the purchasing Partners pursuant to section 2.01(c)(2).

(b) (1) In the event that the Buyer elects to exercise its rights under subparagraph (a) next above, it shall give the Seller written notice of such election no later than thirty (30) days after the Buyer received written notice of the availability of the buy-out rights. The amount of the purchase price of the Seller's interest in the Partnership shall be that amount the Seller would have received upon liquidation pursuant to sections 5.02(b) and (c), except no reserves shall be set aside pursuant to section 5.02(c)(2).

(2) The closing of such sale shall take place within sixty (60) days after the date of determination of the purchase price. The time and the place of the closing shall be designated by the Buyer within the first thirty (30) days of this sixty (60) day period.

ARTICLE SEVEN - MISCELLANEOUS

7.01 Modification of Agreement. This Agreement may be amended or modified only by the written concurrence of all Partners.
7.02 Notices. Any notice required or provided for in this Agreement to be given to any Partner shall be directed to the Management Committee set forth in section 2.02. All notices shall be mailed certified mail, return receipt requested, except as specifically provided otherwise in this Agreement.

7.03 Governing Law. All questions with respect to this Agreement and the rights and liabilities of the parties thereunder shall be determined in accordance with the laws of the State of Florida.

7.04 Binding Effect. This Agreement shall be binding upon all of the parties hereto and upon their assigns and successors in interest.

7.05 Interpretation.

(a) When the context in which the words are used in this Agreement indicates that such is the intent, words in the singular shall include the plural and vice versa, and words in the masculine gender shall include the feminine and neuter gender and vice versa.

(b) The table of contents, article or section titles and the captions contained in this Agreement, are for convenience only and shall not be deemed a part of this Agreement.

7.06 Validity. In the event any provision of this Agreement shall be held to be invalid, the same shall not effect, in any respect whatsoever, the validity of the remainder of the Agreement.

7.07 Agreement and Counterpart. This Agreement may be executed in several counterparts, and all so executed shall constitute one Agreement which shall be binding on the parties hereto, notwithstanding that all of the parties are not signatory to the original of the same counterpart.

7.08 Entire Agreement. This Agreement contains the entire understanding between the Partners and supersedes any prior written or oral agreement between them respecting said subject matter. There are no representations, agreements, arrangements, or understandings, oral or written, between the Partners hereto relating to the subject matter of this Agreement, which are not fully expressed herein.

7.09 Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

7.10 Waiver. No consent or waiver, expressed or implied, by any Partner to or of any breach or default by any other in the performance by the other of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such other of the same or any other obligations of such Partner hereunder. Failure on the part of any Partner to complain of any act or failure to act of any other Partner or to declare any other Partner in default, irrespective of how long such failure continues, shall not constitute a waiver of such Partner of its rights hereunder.
7.11 Specific Performance. The rights and remedies of any of the Partners hereunder shall not be mutually exclusive, i.e., the exercise of one or more of the provisions hereof shall not preclude the exercise of any other provisions hereof. Each of the Partners confirms that damages at law may be an inadequate remedy for a breach or threatened breach of this Agreement and agrees that, in the event of a breach or threatened breach of any provision hereof, the respective rights and obligations hereunder shall be enforceable by specific performance, injunction or other equitable remedy, but shall not limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other for breach or threatened breach of any provision hereof, it being the intention by this paragraph to make clear that the respective rights and obligation of the Partners hereunder shall be enforceable in equity as well as at law or otherwise.

IN WITNESS WHEREOF, the parties hereto have caused this Partnership Agreement to be executed in several counterparts.

**Deposits Held in Escrow**

All deposits toward the Purchase Price paid by Buyer under this contract shall be delivered to and held in escrow pursuant to F.S. Chapter 718 by TRUMAN SCARBOROUGH, JR., Attorney at Law, 3435 S. Hopkins Avenue, Titusville, Florida, Escrow Agent, who shall give purchaser a receipt for the deposit and the deposit shall be disbursed in accordance with the contract. The Escrow Agent is empowered to invest the escrowed funds in securities of the United States or any of its agencies or in savings or time deposits in institutions insured by an agent of the United States. Disbursement from escrow shall be as follows:

a. Any payment made to developer under this contract in excess of 10% of the purchase price together with accrued interest shall be disbursed by the Escrow Agent to developer upon commencement of construction of improvements to be used for construction purposes.

b. Provided that the Escrow Agent has not received from Buyer a written notice of dispute between Buyer and Seller, funds constituting the first 10% of the purchase price held in escrow by the Escrow Agent and any accrued interest shall be disbursed to Seller at the closing of the transaction. If Escrow Agent has received written notice from Buyer of a dispute between Buyer and Seller, the Escrow Agent shall not release the escrowed funds to the Seller or Buyer until the dispute has been settled.

c. Notwithstanding the provisions of sub-paragraph a above, all escrowed funds together with interest earned thereon (1) shall be released to
Seller if Buyer defaults in the performance of this contract, or (2) shall be released to Buyer within 45 days from the date Buyer properly terminates this contract pursuant to its terms or pursuant to F.S. Chapter 718 as the case may be.

6. Closing

The closing of this transaction shall take place on or before

The closing shall take place on or before the completion of construction of Buyer's Unit and ten days' notice to Buyer (a certificate of occupancy being conclusive of completion of construction) at the office of TRUMAN SCARBOROUGH. At the closing, the Seller shall convey the Unit to Buyer by a good and sufficient warranty deed, subject only to the condominium declaration, exhibits to it, including the articles of incorporation of the owners' association, bylaws, condominium plat, zoning regulations and any valid easement, restriction and reservation of record that will not materially affect Buyer's use or occupancy of Buyer's Unit. Taxes and condominium charges shall be prorated. Seller shall pay the cost of preparation and recording of the warranty deed and shall pay for the documentary stamps relative to it and recording of the deed. In addition Seller shall pay for the premium cost of the title insurance to be delivered by Seller to Buyer pursuant to Paragraph 7 below. Buyer shall pay to Seller a closing fee equal to 1% of the purchase price and shall further pay for all costs and closing costs, if any, incurred relative to financing procured by Buyer for the purchase of the Unit.

7. Title Insurance

Seller shall deliver to Buyer before closing an owner's binder of title insurance issued on a reputable title insurance company, agreeing to insure title to the condominium unit, subject only to standard printed exceptions, those items mentioned in this contract and any item that may be cured by an application of the purchase price. The binder shall be conclusive of compliance by the Seller relative to the title requirements of this contract.
If Buyer intends to complete this transaction with the assistance of a federally related mortgage loan as defined in the Real Estate Settlement Procedures Act of 1974, as amended, Buyer shall have the right to procure the binder of title insurance by such time and the title insurance policy from any title agent or title insurance company of Buyer's choosing instead of having it delivered by Seller as provided above. The cost of the title insurance shall be borne by the Seller. If Seller fails or refuses to correct any defects of title revealed by the Title Binder, Buyer shall have the right to cancel this contract and receive a return of all money paid under it or to proceed to a closing with no abatement of the purchase price, taking title in its then condition. The foregoing shall be the exclusive rights and remedies of Buyer.

8. Completion of Construction

If Buyer's Unit is one that has not yet been completed, or is in the process of construction, Seller shall use all reasonable diligence to complete construction of it. Delay in completion of construction due to strike, acts of God, national emergency, labor or material shortage, or other cause beyond the control of Seller shall be an excusable delay and shall not give rise to any right of Buyer to cancel or rescind this contract; provided, however, that in all events the latest date for completion of constructing, finishing and equipping Buyer's Unit shall be two years from the complete execution of this contract. Buyer acknowledges that Buyer has reviewed or had an opportunity to review the construction plans and specifications relating to the Buyer's Unit and the condominium improvements at the construction site.

9. Warranty

Seller shall honor all governing valid statutory warranties relative to construction existing as of the time of commencement of construction. No other expressed or implied warranties are extended.
10. Acquisition Financing

If Buyer intends to complete this transaction by the use of acquisition financing, Buyer covenants to apply to the mortgage lender or lenders selected by Buyer within ten days from the execution of this contract and submit to that lender or lenders all documentation, information and materials required by the lender or lenders and shall diligently cooperate with the selected lender or lenders in completing the mortgage loan application and procuring an appropriate mortgage loan commitment that will permit a timely closing of this transaction. Notwithstanding the foregoing, Buyer acknowledges that the procuring of any such acquisition financing is not a condition of this contract.

11. Default

In the event Buyer defaults under this contract, Seller shall have the right to (1) declare all money paid by Buyer under this contract forfeited, and then terminate this contract; (2) extend time for performance by Buyer, including extension of the closing date charging the Buyer interest on payment of delinquent sums in accordance with Paragraph 12 below; or (3) pursue any other remedy provided by law. In the event of default by Seller, Buyer shall have the right to receive an immediate return of all deposit money paid to Seller under this contract, which shall be the exclusive remedy of Buyer, provided, however, that Buyer shall be entitled to specific performance to the extent required for Seller to claim exemption from the Interstate Land Sales Full Disclosure Act, as amended. In the event of a dispute between Seller and Buyer, Buyer shall have the right to notify the Escrow Agent of the dispute and to file a complaint with the Division of Florida Land Sales and Condominiums of the Department of Business Regulation of the State of Florida. "Default" shall include not only the failure to make prompt payment of any sums due under this contract but also the failure to perform any other acts required of Buyer under this contract including but not limited to the diligent application for and processing of acquisition financing in accordance with Paragraph 10 above.
12. Discharge of Lien

Any mortgages and liens now or hereafter encumbering the real estate or unit will be discharged or released at or prior to closing, but until that discharge or release, Buyer acknowledges and agrees that his rights under this contract are subordinate to the lien of any construction loan mortgage that now or hereafter shall encumber the property prior to closing.

13. Delinquent Payment

If Buyer is delinquent in the payment of any sums due under this contract, including the balance of the purchase money which would have been payable at the scheduled closing, and Seller has not elected to cancel this contract and declare a forfeiture of deposits pursuant to Paragraph 11 above, Buyer shall pay to Seller interest on all delinquent sums at a rate equal to .?....% over the then effective prime rate of Rhode Island Federal Savings and Loan Association (the construction lender), adjusted daily, but not to exceed 18% per annum. Furthermore, if Buyer is delinquent in closing the transaction, prorations for taxes and condominium charges shall be calculated based on the closing date set forth in Paragraph 6 above rather than the actual closing date.

14. Acceptance of Deed

Except for completion by Seller of the agreed upon "punch-list" items, the closing of this transaction and acceptance of the deed mentioned in Paragraph 6 above shall be conclusive of the compliance by Seller of Seller's obligations under this contract.

15. Right of Assignment

Buyer shall not have the right to assign this contract, except with the written consent of Seller.
16. Statutory Cancellation

THIS AGREEMENT IS VOIDABLE BY BUYER BY DELIVERING WRITTEN NOTICE OF THE BUYER'S INTENTION TO CANCEL WITHIN 15 DAYS AFTER THE DATE OF EXECUTION OF THIS AGREEMENT BY THE BUYER, AND RECEIPT BY BUYER OF ALL OF THE ITEMS REQUIRED TO BE DELIVERED TO HIM BY THE DEVELOPER UNDER SECTION 718.503, FLORIDA STATUTES. BUYER MAY EXTEND THE TIME FOR CLOSING FOR A PERIOD OF NOT MORE THAN 15 DAYS AFTER THE BUYER HAS RECEIVED ALL OF THE ITEMS REQUIRED. BUYER'S RIGHT TO VOID THIS AGREEMENT SHALL TERMINATE AT CLOSING.

If Buyer does cancel this contract as provided in it, Buyer agrees to return to Seller the prospectus that Buyer has received within ten days after notice of cancellation.

17. Offer

This agreement shall constitute an irrevocable offer by Buyer to Seller to purchase the unit referred to above on the terms and conditions contained in this contract. This offer is to be accepted, if at all, by Seller affixing Seller's signature below and depositing a copy of this contract so executed in the United States mail, addressed to Buyer, postage prepaid, within seven days from the date of this contract.

18. Notices

Any notices permitted or required under this contract shall be deemed delivered when they are deposited in the United States mail, addressed to the appropriate party at the address first shown above, postage prepaid, registered or certified mail, return receipt requested.

19. Construction Loan

All terms and provisions of this agreement are and shall be subject
and subordinate to the en of any construction loan or gage previously or subsequently made, and any advances previously or subsequently made on it, and any payments or expenses already made or incurred, or subsequently made or incurred pursuant to the terms of the mortgage or incidental to it or to protect its security as to the full extent of it, without the execution of any further instrument by the purchaser in order to effectuate this subordination. This subordination shall apply whether the advances are voluntary or involuntary and whether they are made in accordance with the construction loan schedule of payments or accelerated by virtue of the lender's right to make advances before they became due in accordance with the schedule of payments.

20. Right of Amendment

Seller reserves the right to change or amend the condominium documents. If Seller elects to exercise that right, Seller shall furnish to Buyer a copy of the revised proposed documents. Any changes, deviations or omissions required by institutional mortgage lender or governmental agency are hereby approved and authorized by the Buyer. If any amendment materially alters or modifies the documentation in a manner that is adverse to Buyer, Buyer shall have 15 days after receipt within which to approve the proposed documents. If Buyer does not approve the modified documents that materially alter or modify the documentation in a manner adverse to Buyer, Buyer shall have the immediate right of cancellation on notice furnished to Seller within the 15-day period and the right to a return of any deposit money paid to Seller or Escrow Agent under this contract. Failure to so notify of cancellation within time provided shall be deemed a waiver of that right. That right shall be Buyer's exclusive remedy relative to any such amendments.

21. Expenses of Enforcement

If it becomes necessary for Seller to employ the services of an attorney to enforce Seller's rights under the contract, Buyer shall be responsible for all reasonable attorneys' fees incurred by Seller as well as all court costs and fees incurred by Seller in the event of litigation being instituted by Seller relative to enforcement of this contract.
22. Broker

Buyer represents that Buyer has not dealt with a broker relative to this transaction and shall save and hold Seller harmless relative to any brokerage commission claimed by virtue of breach of this representation.

23. Complete Agreement

This agreement constitutes the complete agreement between the parties and no modification of this agreement shall be binding unless in writing and executed by the parties.

24. Governing Law

Buyer certifies that Buyer is executing this purchase contract while in the State of Florida of Buyer's own volition and that this purchase was not solicited either by telephone or mail in another state. The obligation under this contract shall be performed in the State of Florida and governed by Florida law.

25. Recording

Buyer shall not directly or indirectly record this contract in the public records.

IN WITNESS WHEREOF, the Buyer has affixed his signature this

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. $ 43,110.00 (this amount is called "principal"), plus interest, to the order of the Lender. The Lender is...

Rhode Island Federal Savings and Loan Association...

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on that part of principal which has not been paid beginning on the date I receive principal and continuing until the full amount of principal has been paid. Beginning on the date I receive principal, I will pay interest at a yearly rate of 13.375%. The interest rate that I will pay will change in accordance with Section 4 of this Note. The interest rate required by this Section and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making payments every month. I will make my monthly payments on the ...1st day of each month beginning on...

March ...1st... 19.84... I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. My monthly payments will be applied to interest before principal. If on...

February ...1st... 2014... I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "maturity date." I will make my monthly payments at...

110 Westminster Street, Providence, Rhode Island...

or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments

My initial monthly payments will be in the amount of U.S. $489.56. This amount may change to reflect changes in the interest rate that I must pay. The Note Holder will determine my monthly payment in accordance with Section 4 of this Note.

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate I will pay may change on the ...1st day of March...

19.89, and on that day of the month every...

60 months thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an "Index." The Index is the weekly average yield on United States Treasury securities adjusted to a constant maturity of...

5 years. As made available by the Federal Reserve Board. The most recent Index figure available as of...

45 days before each Change Date is called the "Current Index." If the Index is no longer available, the Note Holder will select a new Index which is based upon comparable information. The Note Holder will give me notice of its choice.

RHODE ISLAND—FHLB Uniform Adjustable Rate Loan—(Treasury Index—5 Y)
(C) Calculation of Changes
Before each Change Date the Note Holder will calculate my new interest rate by adding 2.50% to the Current Index. The sum will be my new interest rate.

(D) Effective Date of Changes
My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Notice of Changes
The Note Holder will mail or deliver to me a notice before each Change Date. The notice will advise me of:
(i) the new interest rate on my loan as of the Change Date.
(ii) the amount of my monthly payment following the Change Date.
(iii) any additional matters which the Note Holder is required to disclose.
(iv) the name and telephone number of a person I may have regarding the notice.

5. BORROWER'S RIGHT TO PREPAY
I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Note Holder in writing that I am doing so. I may make a full prepayment or a partial prepayment without paying any penalty.

6. LOAN CHARGES
If law which applies to this loan and which sets maximum loan charges as finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then such loan charges shall be reduced by the amount necessary to reduce the charge to the permitted limit, and such sums already collected from me which exceed permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the principal owed under this Note or by making a direct payment to me. If a refund reduces principal, the reduction will be treated as a partial prepayment.

7. BORROWER'S FAILURE TO PAY AS REQUIRED
(A) Late Charge for Overdue Payments
If the Note Holder has not received the full amount of any of my monthly payments by the end of...Fifteen...calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be...4.000...% of my overdue payment of principal and interest. I will pay this late charge promptly but only once on any late payment.

(B) Default
If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default
If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date the Note Holder may require me to pay immediately the full amount of principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed or delivered to me.

(D) No Waiver by Note Holder
Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses
If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all its reasonable costs and expenses to the extent not prohibited by applicable law. These expenses may include, for example, reasonable attorneys' fees.
9. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by mailing it by first class mail or by delivering it to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety, or endorser of this Note is also obligated to do those things. Any person who takes over these obligations, including the obligations of a guarantor, surety, or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

10. WAIVERS

1 and any other person who has obligations under this Note waive the rights of presentment and notice of dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

11. THIS NOTE SECURED BY A SECURITY INSTRUMENT

In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust or Deed to Secure Debt (the "Security Instrument") with an Adjustable Rate Rider, dated the same day as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument and Rider describe how and under what conditions I may be required to make immediate payment in full of all amounts that I owe under this Note. Some of those conditions are described as follows.

"Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or an interest therein is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at Lender's option, declare all the sums secured by this Security Instrument to be immediately due and payable. However, this option shall not be exercised by Lender if exercise is not authorized by Federal law.

"If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration in accordance with paragraph 14 hereof. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Borrower may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 18 hereof.

"Notwithstanding a sale or transfer, Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has released Borrower in writing.

such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this
Mortgage shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

15. Uniform Mortgage- Governing Law. Severability. This form of mortgage combines uniform covenants for national use with
limitations but the same shall be modified by jurisdiction to constitute a uniform security instrument covering
real property. This Mortgage shall be governed by the law of the jurisdiction in which the Property is located. In the
event that any provision or clause of this Mortgage or the Note conflicts with applicable law, such conflict shall not effect
other provisions of this Mortgage or the Note or the rights and remedies of the parties, which can be given effect without the conflicting provision, and to this
end the provisions of the Mortgage and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be furnished a conforming copy of the Note and of this Mortgage at the time
of execution or after recording hereof.

17. Transfer of the Property. Assumption. If any or all of the Property or an interest therein is sold or transferred by
Borrower without Landlord's prior written consent excluding (a) the creation of a lien or encumbrance subordinate to this
Mortgage, (b) the creation of a mortgage security interest for household appliances, (c) a transfer by devine,
descendant or by operation of law upon the death of a joint tenant or (d) the grant of any leasehold interest of three years or less
not containing an option to purchase. Landlord may, at Lender's option, declare the sums secured by this Mortgage to be
immediately due and payable. Borrower shall have waived such option to accelerate if, prior to the sale or transfer, Land-der
and the person to whom the Property is to be sold or transferred accomplish agreement in writing that the credit of such person

If Lender exercises such option to accelerate Landlord shall mail Borrower notice of acceleration in accordance with
paragraph 14 hereof. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within
which Borrower may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period
Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 16 hereof.

Non-Uniform Covenants: Borrower and Lender further covenant and agree as follows:

18. Acceleration, Remedies. Except as provided in paragraph 17 hereof, upon Borrower's breach of any covenant or
agreement of Borrower in this Mortgage, including the covenants to pay when due any sums secured by this Mortgage, Land-
der prior to acceleration shall give notice to Borrower as provided in paragraph 14 hereof specifying: (1) the breach; (2) the action
necessary to cure such breach; (3) a date by when such breach must be cured, and (4) that failure to cure such breach on or before such
date of acceleration of the sums secured by this Mortgage, foreclosure by judicial proceeding and sale of the Property. The
notice shall further inform Borrower of the right to refrain after acceleration and the right to assert in the foreclosure proceeding
the nonexistence of any defense of Borrower or any other defense of Borrower to acceleration and foreclosure. If Borrower is not
notified on or before the date specified in the notice, Borrower at Lender's option may declare all of the sums secured by this Mortgage
be immediately due and payable without further demand and may foreclose this Mortgage by judicial proceeding. Lender
shall be entitled to proceed to a sale without regard to the order of foreclosure, including, but not limited to, reasonable attorney's fees,
and costs of documentary evidence, alerteris and like material.

19. Borrower's Right to Relocate. Notwithstanding Lender's acceleration of the sums secured by this Mortgage,
Borrower shall have the right to pay all such sums due to Lender by en forces this Mortgage discontinued at any time
prior to entry of a judgment enforcing this Mortgage if: (a) Borrower pays Lender all sums which would be due under this Mortgage, the Note and notes securing Future Advances, if any, had no acceleration occurred, (b) Borrower cures all breaches of any other covenants or agreements of Borrower contained in this Mortgage, (c) Borrower pays all reasonable expenses incurred by Lender in enforcing the covenants and agreements of Borrower contained in this Mortgage and in enforcing Lender's remedies as provided in paragraph 18 hereof, including, but not limited to, reasonable attorney's fees, and (d) Borrower takes such action as Lender may reasonably require to assure that the lien of this Mortgage, Lender's interest in the Property and Borrower's obligation to pay the sums secured by this Mortgage shall continue unmpaired. Upon such payment and cure by Borrower, this Mortgage and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.

20. Assignment of Rents; Appointment of Receiver. As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 18 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable.

Upon acceleration under paragraph 18 hereof or abandonment of the Property, Lender shall be entitled to have a receiver appointed by a court to enter upon, take possession of and manage the Property and to collect the rents of the Property, including those past due. All rents collected by the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Mortgage. The receiver shall be liable to account only for those rents actually received.

21. Future Advances. Upon request by Borrower, Lender, at Lender's option within twenty years from the date of this Mortgage, may make Future Advances to Borrower. Such Future Advances, with interest thereon, shall be secured by this Mortgage when evidenced by promissory notes stating that said notes are secured hereby. At no time shall the principal amount of the indebtedness secured by this Mortgage, not including sums advanced in accordance herewith to protect the security of this Mortgage, exceed the original amount of the Note plus a sum equal to 10% thereof.

22. Balloon. Upon payment of all sums secured by this Mortgage, Lender shall release this Mortgage without charge to Borrower. Borrower shall pay all costs of recording, if any.

23. Attorney's Fees. As used in this Mortgage and in the Note, "attorney's fees" shall include attorney's fees, if any, which may be awarded by an appellate court.

ADJUSTABLE RATE RIDER

THIS ADJUSTABLE RATE RIDER is made this 1st day of February 1984, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note to , ...Rhode Island and Federal Savings and Loan Association (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at

Village Sq., On 106, Lid. 1, Titusville, Florida 32780

(Property Address)

The Note contains provisions allowing for changes in the interest rate. If the interest rate increases, the Borrower's monthly payments will be higher. If the interest rate decreases, the Borrower's monthly payments will be lower.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenants and agree as follows.

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 11.375%. Section 4 of the Note provides for changes in the interest rate and the monthly payments, as follows.

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The interest rate will pay may change on the 1st day of March, and on that day of the month every 60 months thereafter. Each date on which my interest rate could change is called a "Change Date ."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an "Index." The Index is the weekly average yield on United States Treasury securities adjusted to a constant maturity of years, as made available by the Federal Reserve Board. The most recent Index figure available as of 45 days before each Change Date is called the "Current Index ."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of its choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding percentage points (2.500 %) to the Current Index. The sum will be my new interest rate.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay in full the principal I am expected to owe on the Change Date at substantially equal payments by the maturity date at my new interest rate. The result of this calculation will be the new amount of my monthly payment.

(D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Notice of Changes

The Note Holder will mail or deliver to me a notice before each Change Date. The notice will advise me of:

(i) the new interest rate on my loan as of the Change Date,
(ii) the amount of my monthly payment following the Change Date,
(iii) any additional matters which the Note Holder is required to disclose; and
(iv) the title and telephone number of a person who will answer any question I may have regarding the notice.

B. CHARGES, LIENS

Uniform Covenant 4 of the Security Instrument is amended to read as follows:

4. Charges, Liens. Borrower shall pay all taxes, assessments, and other charges, fines and impositions attributable to the Property which may be paid by the Lender in the event Borrower shall make payment directly. Borrower shall promptly pay to Lender all amounts due under this paragraph, and in the event Borrower shall make payment directly. Borrower shall promptly pay to Lender and thereby no lien which has priority over this Security Instrument, however, Borrower shall not be required to discharge any such lien so long as Borrower (a) shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender; (b) shall in good
faith contest such lien by, or defend against enforcement of such lien in judicial proceedings which in the opinion of Lender operate to prevent enforcement of the lien or forfeiture of the property or any part thereof, or (c) shall secure from the holder of such lien an agreement in a form satisfactory to Lender subordinating such lien to this Security Instrument.

If Lender determines that all or any part of the Property is subject to a lien which may attain a priority over this Security Instrument, Lender shall give Borrower a notice identifying such lien. Borrower shall usually such lien or take one or more of the actions set forth above within ten days of the giving of the notice.

C. NOTICE

Uniform Covenant 14 of the Security Instrument is amended to read as follows.

14. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender as provided herein, and (b) any notice to Lender shall be given by first class mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

D. UNIFORM SECURITY INSTRUMENT; GOVERNING LAW; SEVERABILITY

Uniform Covenant 15 of the Security Instrument is amended to read as follows.

15. Uniform Security Instrument; Governing Law; Severability. This form of Security Instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property. This Security Instrument shall be governed by Federal law and the law of the jurisdiction in which the Property is located. In the event that any provision of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision, and to this end the provisions of this Security Instrument and the Note are declared to be severable.

E. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Uniform Covenant 17 of the Security Instrument is amended to read as follows.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or an interest therein is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at Lender's option, declare all the sums secured by the Security Instrument to be immediately due and payable. However, this option shall not be exercised by Lender if exercise is not authorized by Federal law.

If Lender exercises such option to accelerate, Lender shall mail Borrower notice of acceleration in accordance with paragraph 14 hereof. Such notice shall provide a period of not less than 30 days from the date the notice is mailed within which Borrower may pay the sums declared due. If Borrower fails to pay such sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 18 hereof.

Notwithstanding a sale or transfer, Borrower will continue to be obligated under the Note and this Security Instrument unless Lender has released Borrower in writing.

F. LOAN CHARGES

If the loan secured by the Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed permitted limits, then: (1) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (2) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make such refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment under the Note.

In Witness Whereof, Borrower has executed this Adjustable Rate Rider.

Also, unless specifically noted to the contrary, all references herein to "ownership interest", or similar phrases, shall refer to the percentages set forth in this section.

2.02 **Personal Property.**

(a) The interests of the Beneficiaries with respect to the Property and the Trust shall consist solely of the following rights:
(1) The right to direct the Trustee to convey or otherwise deal with the Property, and to manage and control the Property, all pursuant to the terms and conditions of this Agreement.

(a) The Beneficiaries shall direct the Trustee in the investment, holding, management, mortgaging, conveying, or otherwise dealing with the Property. Any such direction of the Beneficiaries to the Trustee shall be sufficient if a majority in percentage of interest, as set forth in section 2.01, agree and give such direction. The failure of any Beneficiary to join in such direction shall not relieve that Beneficiary of any of its obligations hereunder and the rights and obligations of such Beneficiary under this Agreement shall be the same as if such Beneficiary had agreed with the other Beneficiaries in their direction to the Trustee. Unless specifically provided for to the contrary, all provisions herein which require the "mutual agreement" (or similar term) of the Beneficiaries will be satisfied if Beneficiaries owning a majority in percentage of interest, as set forth in section 2.01, so agree.

(b) (1) The Trustee may from time to time request the consent and direction of the Beneficiaries in the following manner: the Trustee shall send such request in writing to each of the Beneficiaries pursuant to the notice provisions of section 8.02. If any Beneficiary does not consent to the Trustee's request it shall so notify the Trustee in writing and this written notice must be sent to the Trustee pursuant to the notice provisions of section 8.02 and must be mailed on or before the expiration of the above-described twenty (20) day period. Upon receipt of any Beneficiary's
denial of consent to the request, the Trustee shall be obligated to provide every other Beneficiary with a copy of the notice received from the Beneficiary who denied consent to the Trustee.

(2) Notwithstanding anything to the contrary in this Agreement, in the event that the Trustee is of the opinion, as determined in his sole discretion, that immediate action is required to preserve and protect any property owned by the Trust, then the Trustee is hereby authorized to take any and all such action as the Trustee determines is reasonable under the circumstances to preserve and protect the Trust's property, without the prior approval of the Beneficiaries; provided, however, the Trustee notifies the Beneficiaries as soon as possible thereafter.

2.05 Right to Inspect. Each Beneficiary shall have the right to examine and make copies of the Trust's books and records. Any such inspection shall be at reasonable times and may be performed by any agent of the Beneficiary. The Beneficiary making such inspection shall bear the expenses resulting from any such examination.

2.06 Meetings. The Trustee, or any two (2) of the Beneficiaries, may call a meeting of the Trustee and the Beneficiaries to be held at any time after the giving of at least seven (7) days written notice to all parties. At such meeting, the parties shall conduct any business and make any decision regarding any matter. For such meeting to be effective there must be a quorum of at least fifty percent (50%) in percentage ownership interest, as set forth in section 2.01, in attendance; and attendance shall include attendance by telephone or other electronic communication device, and attendance shall further include the right of any Beneficiary to give his proxy to any person who shall then be entitled to attend such meeting and vote on behalf of the Beneficiary as if said Beneficiary were in fact present. Any action taken by a properly convened quorum of the Beneficiaries shall bind all Beneficiaries not in attendance. The Trustee shall preside over such meeting, but it shall not be necessary for the Trustee to attend the meeting. It is permissible for any Beneficiary to give his proxy to the Trustee. Any meeting called pursuant to this section shall be held in Pinellas County, Florida, unless mutually agreed by the Trustee and all of the Beneficiaries.

2.07 Liability. The Trust shall be covered by appropriate policies of insurance as set forth in section 3.01(b)(2). In the event any liability of any kind of the Trust (including liabilities owing to creditors) is not covered by insurance, the liability shall first be satisfied out of the assets of the Trust, and if such assets are not sufficient to fully pay the liabilities, then the Beneficiaries shall pay to the Trust in the proportions set forth in section 2.01 the amounts needed to satisfy such liability.

2.08 Indemnification. Each party shall be indemnified by the others and held harmless against and from all claims, demands, actions and rights of action which shall arise by virtue of anything done or omitted to be done by the other (through or by agents, employees, or other representatives) outside the scope of, or in breach of, the terms and conditions of this Agreement; provided, the other shall be promptly notified of the existence of the claim, demand, action or right of action and shall be given reasonable opportunity to participate in the defense thereof.

This budget shall be continually updated by the Trustee so as to keep the Beneficiaries advised as to their obligations to contribute to the Trust.

(6) Reports Regarding the Property. The Trustee shall promptly furnish the Beneficiaries with copies of any written communication from any governmental or quasi-governmental entity regarding the Property. The Trustee shall also promptly advise the Beneficiaries in writing of any similar oral communications. Incident to such management, and consistent with the budget prepared in accordance with section 3.01(b)(5), the Trustee shall be authorized to disburse funds on behalf of the Trust to make the payments described in such budget and to otherwise manage the Property.

3.02 Trustee Not Individually Liable. The Trustee shall not be required, in dealing with the Property or in otherwise acting under this Agreement, to enter into any individual contract or other individual obligation whatsoever nor to make himself individually liable to pay or incur the payment of any damages, attorneys' fees, fines, penalties, forfeitures, costs, charges or other sums of money whatsoever. The Trustee shall have no individual liability or obligation whatsoever arising from his ownership, as Trustee, of the legal title to the Property, or with respect to any act done or contract entered into or indebtedness incurred by him in dealing with the Property or in otherwise acting under this Agreement, except only so far as the Property and any trust funds in the actual possession of the Trustee shall be applicable to the payment and discharge of such liability or obligation.

3.03 Reimbursement and Indemnification of Trustee. If the Trustee shall pay or incur any liability to pay any money on account of this Trust, or incur any liability to pay any money on account of being made a party to any litigation as a result of holding title to the Property or otherwise in connection with this Trust, whether because of breach of contract, injury to person or property, fines or penalties under any law, or otherwise, the Beneficiaries, jointly and severally, agree that on demand they will pay to the Trustee, with interest at the rate of eighteen percent (18%) per annum, all such payments made or liabilities incurred by the Trustee, together with his expenses, including reasonable attorneys' fees, and that they will indemnify and hold the Trustee harmless of and from any and all payments made or liabilities incurred by him for any reason whatsoever as a result of this Agreement, and all such amounts so paid by the Trustee, as well as his compensation under this Agreement, shall constitute a lien on the Property. The Trustee shall not be required to convey or
otherwise deal with the Property so long as any money is due to the Trustee under this Agreement; nor shall the Trustee be required to advance or pay out any money on account of this Trust or to prosecute or defend any legal proceedings involving this Trust or any property of the Trust or interest under this Agreement unless he shall be furnished with sufficient funds or be indemnified to his satisfaction.

3.04 **Resignation of Trustee.**

(a) The Beneficiaries, after agreement of those Beneficiaries who own at least fifty percent (50%) of the interests of the Trust, can terminate the Trustee at any time for any reason; and in such event a majority of the Beneficiaries in ownership interest shall select a new Trustee as soon as possible.

(b) The Trustee may resign at any time by sending a notice of his intention to do so to each of the Beneficiaries. Such resignation shall become effective ten (10) days after the mailing of such notices. In the event of such resignation, a successor shall be appointed by the mutual agreement of the Beneficiaries, and the Trustee shall convey the Property to such successor. If no successor is so named within ten (10) days after the mailing of such notices, then the Trustee may convey the Trust Property to the Beneficiaries in accordance with their respective interests, or the Trustee, at his option, may file a suit for appropriate relief in any court of competent jurisdiction. The Trustee, notwithstanding such resignation, shall continue to have a lien on the Property for his costs, expenses and attorneys' fees and for his reasonable compensation.

(c) The term "Trustee" shall also refer to any successor trustee selected by the Beneficiaries.

3.05 **Compensation of Trustee.** The Trustee shall receive a fee for services rendered as Trustee in such amounts as determined by a majority in interest of the Beneficiaries.

3.06 **Trust Year.** The Trust shall operate on a calendar year ending December 31st.

3.07 **Bank Accounts.** Funds of the Trust shall be deposited in such financial institutions as the Beneficiaries shall mutually agree. The Trustee shall have the authority to disburse funds from any such account; however, no Beneficiary, acting alone, shall have the right to disburse funds from any such account unless agreed upon by all Beneficiaries.

**ARTICLE FOUR - CONTRIBUTIONS AND DISTRIBUTIONS**

4.01 **Initial Contributions.** The Beneficiaries shall make the contributions set forth in Exhibit "B" upon the formation of the Trust.

4.02 **Subsequent Contributions.** The Beneficiaries shall make such subsequent contributions of cash to the Trust as are necessary to provide the funds to make the payments set forth in the budget prepared by the Trustee. Through use of budgets the Trustee shall keep the Beneficiaries advised of the funding requirements of the Trust, and the Beneficiaries shall be obligated to contribute their respective share of the necessary funds within ten (10) days of written request by the Trustee and it is not necessary for such written request be sent pursuant to the notice provisions of section 8.02. All contributions pursuant to this section shall be
made proportionately by the Beneficiaries, as set forth in section 2.01.

4.03 Interest. No interest shall be payable by the Trust to any Beneficiary for funds contributed to the Trust pursuant to sections 4.01 or 4.02.

4.04 Allocation of Profits and Losses.

(a) All profits and losses of the Trust shall be allocated to the Beneficiaries in the proportions set forth in section 2.01.

(b) Accounting for income tax purposes shall be the same as accounting for financial purposes, unless otherwise agreed by the Beneficiaries.

4.05 Distributions of Cash and Other Property. Unless specifically agreed upon by all of the Beneficiaries, any and all distributions of cash or property of any kind from the Trust to the Beneficiaries must be made to all Beneficiaries in the proportions set forth in section 2.01. Distributions of cash or other property shall occur only upon the direction of the Beneficiaries.

4.06 Loans by Beneficiaries. Beneficiaries shall not make loans or lend money to the Trust, or advance moneys on behalf of the Trust. It is the intent of the Beneficiaries that all funds needed by the Trust from the Beneficiaries be obtained through contributions pursuant to sections 4.01 and 4.02.

ARTICLE FIVE - DEFAULT

5.01 Events of Default. The following events shall be deemed to be events of default by a Beneficiary:

(a) Failure of a Beneficiary to make, when due, any contribution or advance required to be made under the terms of this Agreement.

(b) Violation of any of the other provisions of this Agreement.

(c) The levy or attachment of any interest of a Beneficiary in the Trust by a creditor or by any person claiming a lien thereon; any assignment by a Beneficiary for the benefit of its creditors; the filing voluntarily by a Beneficiary, or the involuntary filing by another against a Beneficiary, of a petition for adjudication of a Beneficiary as insolvent or bankrupt; the use of any insolvency act under any provision of state or federal bankruptcy laws as then in force and effect; the appointment of any receiver or trustee in any insolvency proceeding for a Beneficiary; or the filing of any petition for, or consent to, any of the foregoing by a Beneficiary.

(d) Any voluntary or involuntary assignment by a Beneficiary of any of its rights or interests in the Trust or this Agreement contrary to the provisions of this Agreement.

5.02 Result of Default.

(a) On the occurrence of an event of default by a Beneficiary (hereinafter referred to as the "Defaulting Beneficiary"), any other Beneficiary (hereinafter referred to as the "Non-Defaulting Beneficiary") shall give the Defaulting Beneficiary a Notice of Default specifically setting forth the
nature of the default and stating that the Defaulting Beneficiary shall have ten (10) days from date of receipt of said notice to cure the default. If the Defaulting Beneficiary does not cure the default within such ten (10) day period, the Non-Defaulting Beneficiary shall have the right to:

(1) bring any proceeding in the nature of specific performance, injunction or other equitable remedy, by or on behalf of all Beneficiaries, or the Non-Defaulting Beneficiary only, it being acknowledged by each of the Beneficiaries that damages at law may be an inadequate remedy for a default or threatened breach of this Agreement;

(2) bring an action at law by or on behalf of all Beneficiaries, or the Non-Defaulting Beneficiary only, as may be permitted in order to recover damages.

(b) (1) If any Beneficiary shall default in the performance or observance of any covenant, condition, or other provision of this Agreement to be performed or observed, any other Beneficiary may, without waiving any claim for breach of this Agreement, and after written notice which is reasonable under the circumstances, cure such default for the account of the Defaulting Beneficiary or assist the Defaulting Beneficiary, and the Defaulting Beneficiary shall reimburse or repay any reasonable amount paid and any reasonable expense or contractual liability so incurred, with interest at the highest lawful rate; and, said obligation to reimburse and repay, which is deemed a loan to the Defaulting Beneficiary by the Beneficiaries providing the funds, shall be secured by a lien on the interest of the Defaulting Beneficiary in the Trust, which lien may be foreclosed, at the option of the Beneficiary exercising this option to cure default.

(2) In addition, the Beneficiary (or Beneficiaries) curing the default by providing funds on behalf of the Defaulting Beneficiary shall have the option after the loan has been outstanding for more than three (3) months to acquire portions of the ownership interest, as set forth in section 2.01, of the Defaulting Beneficiary as follows: For every FIVE THOUSAND DOLLARS ($5,000.00), or part thereof, excluding interest charged pursuant to this section, not contributed by the Defaulting Beneficiary for each and every thirty (30) day period, or part thereof, in excess of the above-described three (3) months, the Defaulting Beneficiary shall forfeit a portion of his percentage ownership interest set forth in section 2.01, and this amount, per said thirty (30) day period, or part thereof, shall be two percent (2%) of total Trust ownership. That is, not 2% of the Defaulting Beneficiary's percentage interest, but 2% of 100% -- as an example, a Defaulting Beneficiary owning a twenty percent (20%) ownership interest in the Trust would have that interest reduced to 18%, and then to 16%, and so on for each 30 day period described herein. The ownership interest so forfeited shall be allocated to those Beneficiaries who have provided the funds necessary to make up for the deficiency in funding. This forfeiture and shift of ownership interest shall not operate to eliminate or affect the amount of the loan made pursuant to this section 5.02(b).

The Defaulting Beneficiary shall not be considered to have any "vested" interest in the unrealized appreciation in the assets of the Trust at the time of the above-described shift in ownership interest. As an example, assume the following facts: the sole asset of the Trust is a piece of real property purchased for $100,000; the Defaulting Beneficiary had a 20% ownership interest; the real property had increased in value to $400,000 at the time of default but had not yet been sold by

10 009565
the Trust; the default results in a shift in ownership inter-
est reducing the Defaulting Beneficiary's interest to 18%.
and one year later the real estate is sold for $600,000. In
such event the Defaulting Beneficiary's share would be 18% of
$600,000 (or $108,000) and not 20% of $400,000 plus 18% of the
$200,000 in appreciation from $400,000 to $600,000 (or a to-
tal of $116,000).

(c) No assignment or transfer of a Defaulting
Beneficiary's interest, including by operation of section 5.02
(b), shall relieve the Defaulting Beneficiary from any personal
liability for outstanding indebtedness, liabilities, liens, and
obligations relating to the Trust which may exist on the date
of the assignment or transfer.

ARTICLE SIX - THIRD PARTIES

6.01 Protection of Third Parties Dealing With Trustee.
No party dealing with the Trustee in relation to the Property
in any manner whatsoever, and (without limiting the foregoing)
no party to whom the Property or any part thereof or any inter-
est therein shall be conveyed, contracted to be sold, leased
or mortgaged by the Trustee, shall be obliged (a) to see to
the application of any purchase money, rent or money borrowed
or otherwise advanced on the Property, (b) to see that the
terms of this Agreement have been complied with, (c) to inquire
into the authority, necessity or expediency of any act of the
Trustee or (d) be privileged to inquire into any of the terms
of this Agreement. Every deed, mortgage, lease or other in-
strument executed by the Trustee in relation to the Property
shall be conclusive evidence in favor of every person claim-
ing any right, title or interest under the Trust: (a) that
at the time of its delivery the Trust created under this Agree-
ment was in full force and effect; (b) that such instrument
was executed in accordance with the terms and conditions of
this Agreement and all its amendments, if any, and is binding
upon all Beneficiaries; (c) that the Trustee was duly autho-
rized and empowered to execute and deliver every such instru-
ment; and (d) if a conveyance has been made to a successor or
successors in trust, that such successor or successors have
been appointed properly and are vested fully with all the
title, estate, rights, powers, duties and obligations of its,
his or their predecessor in trust.

6.02 Trust Agreement Not to be Recorded. This Agree-
ment shall not be placed on record in the county in which the
Property is situated, or elsewhere, but if it is so recorded
such recording shall not be considered as notice of the rights
of any person under this Agreement derogatory to the title or
powers of the Trustee.

6.03 Outside Offers. Any and all offers or communi-
cations received by the Trustee or by any of the Beneficiaries
regarding the sale of all, or substantially all, of the Prop-
erty must be communicated to all other parties as quickly as
possible.

ARTICLE SEVEN - TERM AND TERMINATION; TRANSFERS

7.01 Term. This Trust shall terminate upon the first
to occur of the following events:

(a) By mutual agreement of Beneficiaries owning
at least seventy-five percent (75%) of the Trust, as set forth
in section 2.01.
Upon the sale of all of the Trust's property.

By operation of law.

As provided for in section 3.01(b)11).

Termination. Upon termination of the trust the Beneficiaries shall have the right to share in the assets of the Trust in the proportions set forth in section 2.01, and shall also have the obligation to share in the debts and liabilities of the Trust in those same proportions.

Method of Assigning Interest of Beneficiary. The interest of a beneficiary under this Trust, or any part of such interest, may be transferred only by a written assignment, executed in duplicate and delivered to the Trustee. The Trustee shall note his acceptance on the original and duplicate original of such assignment, retain the original and deliver the duplicate original to the assignee as and for his evidence of ownership of a beneficial interest under this Agreement. No assignment of any interest under this Agreement (other than by operation of law) that is not so executed, delivered and accepted shall be binding upon the Trustee. No assignment of any interest that includes the power to direct the Trustee to convey or otherwise deal with the Property shall be valid without the written approval of all of the other Beneficiaries who possess such power of direction. No person who is vested with such power of direction, but who is not a Beneficiary under this Agreement, shall assign such power without the written consent of all of the Beneficiaries. Notwithstanding anything contained in the foregoing provisions of this section to the contrary, a Beneficiary under this Trust may only assign his interest to a non-beneficiary in the manner set forth below:

(a) The Beneficiary under this Trust shall notify the Trustee in writing of his intention to sell his interest.

(b) The Trustee shall determine the reasonable market value of such interest and within thirty (30) days after receipt of the writing set forth in (a) next above, notify all other Beneficiaries of such notice, the market value of such interest and the right of each Beneficiary under this Trust (other than the one offering his interest for sale) to purchase a fractional percentage of such interest in accordance with each Beneficiary's interest in the Trust.

(c) Each Beneficiary under this Trust so notified (other than the one offering his interest for sale) shall have thirty (30) days from the date of receipt of the notice under (b) to purchase his fractional share of such interest for sale for the value set forth above (or such additional fractional shares as permitted to the Beneficiary so electing by other Beneficiaries not so electing).

(d) In the event that all of the interest for sale is not purchased within the time specified, then the Beneficiary under this Trust offering such interest for sale may sell such interest (or fraction thereof) to any third party.

(e) In the event any Beneficiary under this Trust elects to purchase the fractional interest as set forth in (c) next above and tenders the proper purchase price in cash, the Beneficiary under this Trust offering his interest for sale shall execute a legally sufficient assignment and/or
bill of sale to transfer his interest (or fraction thereof) to the other Beneficiary.

7.04 Death of Beneficiary. The death of any individual Beneficiary shall not terminate this Trust or in any manner affect the powers of the Trustee. Any Beneficiary may devise his interest in the Trust as personal property and his successors shall become a Beneficiary hereunder.

ARTICLE EIGHT - MISCELLANEOUS

8.01 Modification of Agreement. This Agreement may be amended or modified only by the written concurrence of all Beneficiaries, and also the Trustee regarding those provisions which affect the duties and obligations of the Trustee.

8.02 Notices. Any notice required or provided for in this Agreement shall be directed to the parties at the addresses set forth in the preamble of this Agreement. All notices shall be mailed certified mail, return receipt requested, except as specifically provided otherwise in this Agreement.

8.03 Governing Law. All questions with respect to this Agreement and the rights and liabilities of the parties thereunder shall be determined in accordance with the laws of the State of Florida.

8.04 Binding Effect. This Agreement shall be binding upon all of the parties hereto and upon their assigns and successors in interest.

8.05 Interpretation.

(a) When the context in which the words are used in this Agreement indicates that such is the intent, words in the singular shall include the plural and vice versa, and words in the masculine gender shall include the feminine and neuter gender and vice versa.

(b) The table of contents, article or section titles and the captions contained in this Agreement are for convenience only and shall not be deemed a part of this Agreement.

8.06 Validity. In the event any provision of this Agreement shall be held to be invalid, the same shall not effect, in any respect whatsoever, the validity of the remainder of the Agreement.

8.07 Agreement and Counterpart. This Agreement may be executed in several counterparts, and all so executed shall constitute one Agreement which shall be binding on the parties hereto, notwithstanding that all of the parties are not signatory to the original of the same counterpart.

8.08 Entire Agreement. This Agreement contains the entire understanding between the parties and supersedes any prior written or oral agreement between them respecting said subject matter. There are no representations, agreements, arrangements, or understandings, oral or written, between the parties hereto relating to the subject matter of this Agreement, which are not fully expressed Herein.

8.09 Waiver. No consent or waiver, expressed or implied, by any party to or of any breach or default by any other in the performance by the other of its obligations hereunder shall be deemed or construed to be a consent or waiver to or
of any other breach or default in the performance by such other of the same or any other obligation of such party hereunder. Failure on the part of any party to complain of any act or failure to act of any other party or to declare any other party in default, irrespective of how long such failure continues, shall not constitute a waiver of such party of its rights hereunder.

8.10 Specific Performance. The rights and remedies of any of the parties hereunder shall not be mutually exclusive, i.e., the exercise of one or more of the provisions hereof shall not preclude the exercise of any other provisions hereof. Each of the parties confirms that damages at law may be an inadequate remedy for a breach or threatened breach of this Agreement and agrees that, in the event of a breach or threatened breach of any provision hereof, the respective rights and obligations hereunder shall be enforceable by specific performance, injunction or other equitable remedy, but shall not limit or affect any rights at law or by statute or otherwise of any party aggrieved as against the other for breach or threatened breach of any provision hereof, it being the intention by this paragraph to make clear that the respective rights and obligations of the parties hereunder shall be enforceable in equity as well as at law or otherwise.

8.11 Attorneys' Fees. In the event that any party is required to engage the services of legal counsel to enforce rights under this Agreement, regardless of whether such action results in an actual lawsuit being filed, the prevailing party shall be entitled to reasonable attorneys' fees. In the event of litigation, said attorneys' fees shall include fees and costs, both at trial and on appeal.

IN WITNESS WHEREOF, the parties hereto have caused this Land Trust Agreement to be executed in several counterparts the day, month and year first written above.

(1) On or about June 23, 1982, the Trustee and the Beneficiaries entered into a Land Trust Agreement dated June 23, 1982 (the "Agreement"), the purposes of which are to acquire title to certain real property described therein and to create, maintain, sell, develop or otherwise deal with such real property.

(2) The parties hereto desire to modify and alter the terms of said Agreement to provide for the addition of St. Germain as a beneficiary under the land trust described in the Agreement and the provisions of this Addendum operate to reflect such modifications.

NOW THEREFORE, in consideration of the mutual covenants contained herein, the Trustee, the Beneficiaries, and St. Germain covenant and agree as follows:

(c) Section 4.01 of the Agreement is hereby amended in its entirety.

(d) Section 7.03 of the Agreement is hereby amended in its entirety and the following provision inserted in its place:

7.03 Method of Assigning Interest of Beneficiary. The interest of a beneficiary under this trust, or any part of such interest, may be transferred only after written consent to the transfer is obtained.
from the Trustee. The transfer must be by a written assignment, executed in duplicate and delivered to the Trustee. The Trustee shall note his consent on the original, and duplicate original of such assignment. Return the original and deliver the duplicate original, to the assignee as and for his evidence of ownership of a beneficial interest under this Agreement. An assignment of any interest under this Agreement (other than by operation of law) that is not so consented to, executed, and delivered shall be binding upon the Trustee. Notwithstanding anything contained in the foregoing provisions of this section to the contrary, a Beneficiary under this Trust may only assign his interest to a non-Beneficiary in the manner set forth below:

(a) The Beneficiary under this Trust shall notify the Trustee in writing of his intention to assign his interest, and shall request the consent of the Trustee to the assignment.

(b) The Trustee shall determine the reasonable market value of such interest and within thirty (30) days after receipt of the writing set forth in (a) next above, shall notify all other Beneficiaries of such notice, the market value of such interest, and the right of each Beneficiary under this Trust (other than the one offering his interest) to purchase a fractional percentage of such interest in accordance with each Beneficiary's interest in the Trust disregarding the interest being sold.

(c) Each Beneficiary under this Trust so notified (other than the one offering his interest) shall have thirty (30) days from the date of receipt of the notice under (b) to purchase his fractional share of such interest for the value set forth above (or such additional fractional shares as are permitted to the Beneficiary so electing by other Beneficiaries not so electing).

(d) In the event that all of the interest is not purchased within the time specified, under the Beneficiary under this Trust offering such interest will effect such interest (or fraction thereof) to any third party.

(e) In the event any Beneficiary under this Trust elects to purchase the fractional interest as set forth in (c) above and tenders the proper purchase price in cash, the Beneficiary under this Trust offering his interest shall transfer his interest (or fraction thereof) to the other Beneficiary.

(f) Any transfer pursuant to (c) or (e) hereinabove shall be by written assignment, executed in duplicate and delivered to the Trustee. The Trustee shall note his consent on the original, and duplicate original of such assignment. Return the original, and deliver the duplicate original, to the assignee. Such assignment shall not be binding on the Trustee unless it is so consented to, executed, and delivered.
3. Other Provisions: All of the terms and provisions of the Agreement shall remain in full force and effect except as hereby modified.

4. Severability: Whenever possible each provision of this Addendum shall be interpreted in such manner as to be effective and valid under applicable law. But if any provision hereof shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity only, without invalidating the remainder of such provision or the remaining provisions of the Addendum.

5. Governing Law: All questions with respect to the form and the rights and liabilities of the parties hereto shall be determined in accordance with the laws of the State of Florida.

6. Enforcing Effect: This Addendum shall bind the successors and assigns of the parties hereto. It constitutes the entire understanding of the parties hereto, and it may not be modified except in writing.

7. Counterparts: This Addendum may be executed in several counterparts, and all so executed shall constitute one Addendum which shall be binding on the parties hereto, notwithstanding that all of the parties are not signatory to the same counterpart.

8. Effective Date: This Addendum shall have an effective date of June 25, 1964.

In Witness Whereof, the parties hereto have executed this Addendum and shall be deemed to have executed each of the dates and years first above written.

PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT (the "Agreement") is executed this 10th day of MAY, 1983, by and between E.B. PORTER, AS TRUSTEE (the "Seller") and TOWN 'N COUNTRY PARK, INC., a Florida corporation (the "Purchaser"), and is made in reference to the following facts:

(A) Seller is the owner in fee simple title to that certain real property set forth in Exhibit "A" attached hereto and by this reference made a part hereof (collectively the "Property").

(B) The Property is free and clear of all encumbrances except for those matters set forth in Exhibit "B" attached hereto and by this reference made a part hereof (the "Permitted Title Exceptions").

(C) Purchaser is the developer of the subdivision located adjacent to the Property known as Logan Gate Village Phase I, II and III. Purchaser is desirous of purchasing the Property in phases as set forth below and developing it into a residential subdivision.

(D) The Purchaser presently intends to develop the Property in accordance with the General Site Development Plan for the Property prepared by Heidt & Associates, Inc., a copy of which is attached hereto marked Exhibit "C" and by this reference made a part hereof. The Purchaser presently intends to purchase the Property from Seller and thereafter to develop the purchased land, all in three phases in the order and configuration set forth in Exhibit "C".

(E) This Agreement is intended to set forth the agreement between the parties as to the method by which the Property will be purchased by the Purchaser from the Seller in phases.

NOW THEREFORE, for and in consideration of the premises and for other valuable consideration to each of the parties hereto, the receipt and adequacy of which is hereby acknowledged by each of them, the parties do hereby covenant and agree as follows:

1. Recitals. The parties agree that the statements of fact set forth above (the "Recitals") are true and correct to the best of their respective knowledge and belief, and the Recitals by this reference are made a part of this Agreement.

2. Abbreviations. The following abbreviations and definitions will be used for purposes of this Agreement:

(a) The abbreviations set forth in the Preamble and the Recitals will be used for purposes of this Agreement.

(b) The phrase "Agreement" shall mean the Purchase and Sale Agreement between the parties as set forth below.

(c) The phrase "Closing Place" shall mean the main offices of Seller's Counsel (as defined below) located at the Tenth Floor, Florida Federal Building, Fourth Street and Central Avenue, St. Petersburg, Florida 33701.
(d) The phrase "Construction Approval" shall mean as to each phase of the Property the following: (i) Approval from all applicable governmental authorities to plat and develop a single-family residential subdivision on each phase in accordance with the Site Plan, whether the improvements are to be completed either before or following the recording of such plat as permitted in the Hillsborough County Subdivision Regulations; (ii) Commitments from all applicable governmental authorities or agencies for the extension of water and sewer services to the applicable phase of the Property; and (iii) VA, FHA and FNMA approval of such subdivision. Purchaser shall be solely responsible for obtaining, paying for and paying the cost of such Construction Approval, and taking such action as may be required by the applicable governmental authorities or agencies as a condition precedent to such approval, all of which shall be applied for after obtaining the rezoning set forth below as to each phase of the Property within the periods described below and thereafter continuously and in good faith sought to be obtained by Purchaser.

(e) The phrase "First Deposit" shall mean the amount of TEN THOUSAND AND NO/100 DOLLARS ($10,000.00).

(f) The phrase "Normandy Road" shall mean the existing county road maintained by the County of Hillsborough with its present width, and which is adjacent to the Property and connects with Gunn Highway.

(g) The phrase "Offsite Improvements" shall mean (i) the widening of Normandy Road as a two lane road in accordance with Hillsborough County Regulations to a width required by the County of Hillsborough not to exceed a width of sixty (60) feet, from the entrance road from Normandy Road into the Property set forth on the Site Plan to Gunn Highway; (ii) the improvement of Gunn Highway or Normandy Road at their intersection by deceleration lanes, acceleration lanes, median cuts, changing of utility or drainage lines under such roads or otherwise reasonably incident to the connection of Normandy Road with Gunn Highway as may be required by applicable governmental authorities; and (iii) the providing of a traffic light if required by applicable governmental authorities at the intersection of Gunn Highway and Henderson Road, all of which must be incident to and a condition imposed by the applicable governmental authority as a condition to granting a Construction Approval as to any phase of the Property or the rezoning set forth below.

(h) The phrase "Offsite Costs" shall mean the reasonable costs of making the Offsite Improvements, which costs shall be established by Purchaser obtaining contracts for making the Offsite Improvements between Purchaser and a general contractor or contractors, which contract(s) and which contractor(s) shall be subject to the prior written approval of Seller, which approval shall not be unreasonably withheld.

(i) The phrase "Offsite Costs of Seller" shall mean one-half of the Offsite Costs, not to exceed the sum of SEVENTY-FIVE THOUSAND AND NO/100 DOLLARS ($75,000.00).

(j) The phrase "Phase" shall mean the three phases of the Property (which in combination constitute all of the Property) that will be purchased by the Purchaser from the Seller pursuant to this Agreement. The parties understand and agree that the present configuration for each Phase set forth in Exhibit "C" is only an approximation by Purchaser at present, and may have to be changed by reason of engineering requirements or requirements imposed by applicable governmental authorities as a condition to rezoning of the Property or Con-
struction Approval for such Phase set forth below. Accordingly, the Purchaser shall have the right to change the configuration of each Phase at any time prior to the closing on such Phase set forth below, but subject to the following limitations: (i) the first phase to be purchased (Phase I) shall be at least thirty-seven and one-half (37-1/2) acres and shall be located in the westerly portion of the Property as presently depicted in Exhibit "C"; (ii) the second phase to be purchased (Phase II) shall be at least eighteen and 75/100 (18.75) acres and shall be located in the southeasterly portion of the Property as presently depicted in Exhibit "C"; (iii) the third phase to be purchased (Phase III) shall cover the remaining portions of the Property and shall specifically include the entrance road area from Normandy Road into the Property as presently depicted in Exhibit "C"; (iv) the reconfigurations will not diminish the value of any phase by reason of an unusual configuration which by its nature would make the property in such new Phase configuration less marketable or less valuable; (v) the reconfiguration will not adversely affect or make more expensive the right and ability of Seller to provide ingress, egress, utilities and drainage to either Phase II or Phase III; (vi) the reconfiguration is required for valid engineering reasons or by requirements of the applicable governmental authority by reason of rezoning or Construction Approval set forth below; (vii) the new Phase lines are on the lot lines and do not encroach into any proposed lot set forth in the Site Plan then in effect and approved by Seller; and (viii) the prior written approval of Seller is obtained that the reconfigured Phases do not violate the above limitations, which approval will not be unreasonably withheld. The Purchaser shall furnish to the Seller the legal description of a Phase before Construction Approval is applied for, as well as a graphic description of such Phase on the Site Plan then in effect and approved by Seller. Any changes to such configuration will be similarly furnished. Seller shall have five (5) days from the date of receipt of such information to advise Purchaser whether the configuration or reconfiguration, as the case may be, of such Phase is approved, and, if not, the reason therefore. Failure of Seller to respond within such five (5) day period shall be deemed an approval. At least fifteen (15) days prior to closing on such Parcel, Purchaser shall furnish at its expense to Seller a survey of the Phase to be purchased in accordance with the standards set forth below for such survey and depicting thereon the Site Plan then in effect and approved by Seller, as well as the exact acreage of such Phase.

(k) The phrase "Purchaser's Counsel" shall mean the law firm of Trenam, Simmons, Kemker, Scharf, Barkin, Frye & O'Neill, P.A. with the responsible attorney from such law firm in this transaction being Leslie D. Scharf.

(l) The phrase "Second Deposit" shall mean the amount of NINETY THOUSAND AND NO/100 DOLLARS ($90,000.00).

(m) The phrase "Seller's Counsel" shall mean the law firm of Greene, Mann, Rowe, Stanton, Mastry & Burton with the responsible attorney from such law firm in this transaction being Roy C. Harrell, Jr. and/or S. Helen Moore.

(n) The phrase "Site Plan" shall mean the General Site Development Plan for the Property prepared by Heidt & Associates, Inc. set forth in Exhibit "C" as may be changed from time to time as set forth below. The parties understand and agree that the Site Plan may have to be amended from time to time by reason of engineering requirements or the requirements of the applicable governmental authority as a condition to rezoning or Construction Approval set forth below. In the event that the Site Plan has to be amended, as set forth above,
the Purchaser shall submit the revised Site Plan to Seller for Seller's written approval, which approval shall not be unreasonably withheld. The limitation for configuration of each Phase set forth in subparagraph (j)(iv), (v), (vi), (vii) and (viii) next above shall likewise be applicable to a change in the Site Plan.

(o) The phrase "Survey" shall mean the survey of each Phase to be prepared by the Surveyor at the sole cost of the Purchaser, and which Survey shall meet the minimum requirements of applicable law and regulations, be certified in favor of the Title Company (as defined below), and be sufficient to cause the deletion of the survey and unrecorded easement exceptions in the Title Commitment (as defined below) and Title Policy (as defined below). The Survey shall set forth the acreage of the applicable Phase calculated to the nearest one-one hundredth of an acre. The parties understand and agree that a survey was previously made of the overall Property by the Surveyor, dated January 19, 1983, Order No. TNC-LGV-83-100, and that the matters reflected on that survey are acceptable and shall not constitute a survey defect if reflected on a survey of any Phase, including without limitation the location of the fences depicted thereon.

(p) The phrase "Surveyor" shall mean Heidt & Associates, Inc.

(q) The phrase "Title Agent" shall mean the Seller's Counsel, which is a duly authorized agent for the Title Company (as defined below).

(r) The phrase "Title Commitment" shall mean the commitment issued by the Title Company (through the Title Agent) as to the Property or any Phase. The form of owners insurance shall be marketable (ALTA Form B).

(s) The phrase "Title Company" shall mean Lawyers' Title Insurance Corporation of Richmond.

(t) The phrase "Title Policy" shall mean the policy issued by the Title Company through its Title Agent pursuant to the Title Commitment as to the Property or any Phase. The form of owners insurance shall be marketable (ALTA Form B).

3. Title Insurance - Property. Within thirty (30) days of the date of this Agreement, Seller shall furnish at its sole expense a Title Commitment for the Property in the amount of ONE MILLION TWO HUNDRED SEVENTY-FIVE THOUSAND AND NO/100 DOLLARS ($1,275,000.00) and which shall insure the Purchaser as to the conveyance described below. The insurance amount was arrived at by the assumption that the Property constitutes seventy-five acres, although the actual acreage might be established to be slightly less or more. The Title Commitment shall be issued by the Title Company through its duly authorized agent, the Title Agent. The Title Commitment shall agree to issue to the Purchaser, upon recording the deed described below, a Title Policy in the insurance amount of the purchase price insuring the Purchaser's title to the Property, subject only to the following:

(a) The Permitted Title Exceptions; and

(b) The standard printed title exceptions usually contained in title commitments and policies such as (i) current taxes (and for all subsequent years), (ii) zoning regulations, (iii) survey, (iv) unrecorded easements, (v) rights
of parties other than the owner in possession, and (vi) unfiled mechanic's, materialmen's and laborers' liens.

The parties agree that the Title Commitment as to the overall Property will not be converted into a Title Policy unless the Purchaser elects to purchase the overall Property at one time as set forth below rather than by phases. If Purchaser elects to purchase the Property in phases, then the Title Commitment will be cancelled at time of closing on Phase III. The effective date of the Title Commitment shall be for two and one-half (2-1/2) years rather than for the standard six (6) months as are normally contained in ALTA forms of commitments so as to allow sufficient time hereunder for all three Phases to close. If Purchaser elects to purchase all of the Property at one time pursuant to this commitment, then at the closing the exceptions set forth in subparagraphs (b)(v) and (b)(vi) above, as well as the mortgages that are part of the Permitted Title Exceptions set forth in Exhibit "B", shall be deleted by the Title Company or the Title Agent, and if the Purchaser obtains an update to the existing survey set forth in paragraph 2(o) above to within six (6) weeks of closing without additional disclosures the exceptions set forth in subparagraphs (b)(iii) and (b)(iv) shall likewise be deleted.

4. Title Insurance – Phases. If Purchaser elects to purchase the Property in Phases, then Seller shall furnish to Purchaser on or before the closing of any Phase to be purchased a Title Commitment for such Phase in the amount of the purchase price for such Phase set forth below and which shall insure the Purchaser as to the conveyance described below. The Title Commitment shall be issued by the Title Company through its duly authorized agent, the Title Agent. The Title Commitment shall agree to issue to the Purchaser, upon recording the deed as to such Phase described below, a Title Policy in the amount of the purchase price for such Phase insuring the Purchaser's title to the Phase, subject only to the following:

(a) The Permitted Title Exceptions;

(b) The standard printed title exceptions usually contained in title commitments and policies such as (i) current taxes (and for all subsequent years), (ii) zoning regulations, (iii) survey, (iv) unrecorded easements, (v) rights of parties other than the owner in possession, and (vi) unfiled mechanic's, materialmen's and laborers' liens; and

(c) Any title defect disclosed in the paragraph 3 Title Commitment which was waived by Purchaser pursuant to paragraph 5(a) below.

At the closing on each Phase, the exceptions set forth in subparagraphs (b)(v) and (b)(vi) above shall be deleted by the Title Company or the Title Agent, and if the Purchaser obtains the Survey described below, the exceptions set forth in subparagraphs (b)(iii) and (b)(iv) shall likewise be deleted. Furthermore, at closing the Title Agent or the Title Company shall either delete the exception for the period between the effective date of the Title Commitment and the recording of the warranty deed, or issue the title insurance policy at closing.

5. Title Defects. If the Title Commitments as to the Property set forth in paragraph 3 above or as to any Phase of the Property set forth in paragraph 4 above shall not meet the requirements of such paragraphs, then the following shall occur:
Paragraph 3 Defects. The Purchaser shall notify the Seller in writing of the title defects within five (5) business days following receipt of the Title Commitment in paragraph 3 above. The Seller shall have sixty (60) days after receipt of such notice in which to cure such defects and furnish to the Purchaser evidence that same have been cured. If such defects are cured within that time, then the sale and purchase of the Property or any applicable Phase of the Property shall be closed at the applicable dates set forth below. If the Seller fails or is unable to cure defects within the sixty (60) day period provided above, the Purchaser shall notify the Seller in writing within ten (10) days following the expiration of such sixty (60) day period whether Purchaser elects to purchase the Property or Phases of the Property on the applicable closing dates subject to such title defects and without any abatement or decrease of the purchase price or whether Purchaser elects to terminate this Agreement. If Purchaser fails to notify the Seller within the ten (10) day period that it elects not to complete the purchase, then it shall be conclusively and irrefutably presumed that Purchaser has agreed to purchase the Property or the Phases of the Property subject to such defects and without an adjustment or abatement of the purchase price. In no event shall the Purchaser have the right to purchase less than all three Phases by reason of a title defect covered by this subparagraph 5(a). Purchaser's sole option shall be to purchase all three Phases or to terminate this Agreement. In no event shall a title defect constitute a default by Seller under this subparagraph (a) nor shall Purchaser have any right of action against Seller for damages or for specific performance in the event of a title defect or the failure of Seller to cure same within such sixty (60) day period, the rights of Purchaser under this subparagraph (a) being limited to the return of the earnest money deposit paid hereunder, or purchasing the Property or each Phase of the Property as set forth below without abatement or adjustment of the purchase price.

(b) Paragraph 4 Defects. The Purchaser shall notify the Seller in writing of any title exceptions not permitted under paragraph 4 above within five (5) business days following receipt by Purchaser of the Title Commitment as to the applicable Phase in paragraph 4 above or the date of closing on such Phase, whichever shall sooner occur. A title defect disclosed in the paragraph 4 Title Commitment as to any Phase that was previously disclosed in the paragraph 3 Title Commitment and which was waived by the Purchaser pursuant to paragraph 5(a) above shall not be deemed to be a title defect under paragraph 4 above or under this paragraph 5(b).... Following receipt by Seller of such written notice, the following alternative actions shall occur:

(i) Title Defect Caused By Seller. If the title defect in the paragraph 4 Title Commitment was caused by Seller (i.e. Seller executes easements or restrictions or a mortgage affecting the Property or a judgment is entered against Seller affecting the Property), then the Seller shall have sixty (60) days after receipt of such notice in which to cure such defects and furnish to the Purchaser evidence that same have been cured. If such defects are cured within that time, then the sale and purchase of such Phase shall be closed at the applicable date for closing set forth below as to such Phase or within ten (10) days following the expiration of such sixty (60) day period, whichever shall later occur. If the Seller fails or is unable to cure such defects within the sixty (60) day period provided above, then the Purchaser shall have the option, to be exercised in its sole discretion, to either (1) purchase the Phase without any
abatement or adjustment of the purchase price within such ten (10) day period, or (2) to terminate this Agreement by written notice to Seller within such ten (10) day period.

(ii) Title Defect Not Caused By Seller.
If the title defect in the paragraph 4 Title Commitment was not caused by Seller (i.e. title defect created prior to Seller purchasing the Property or a "wild deed"), then the Seller shall have sixty (60) days after receipt of such notice in which to cure such defects and furnish to Purchaser evidence that same have been cured. If such defects are cured within that period, then the sale and purchase of such Phase shall be closed at the applicable date for closing set forth below or within ten (10) days following the expiration of such sixty (60) day period, whichever shall later occur. If the Seller fails or is unable to cure such defects within the sixty (60) day period provided above, then the Seller shall have the option, to be exercised in its sole discretion, to either notify the Purchaser in writing within such ten (10) day period that the Agreement is terminated, or to notify the Purchaser in writing within such ten (10) day period that Seller will attempt to eliminate the title defect through litigation. In the latter event, the Seller shall use its diligent and continuous efforts at its sole cost to eliminate the title defect through litigation by obtaining a favorable judicial determination that the title defect does not affect the applicable Phase, and which determination has become final through the appellate process. In the event of a judicial or appellate determination (whichever is final) adverse to the Seller that the title defect is valid and not eliminated from the Property or in the event that a final judicial or appellate determination is not reached within two (2) years following written notice to Seller that Seller will attempt to eliminate the title defect through litigation, then the Seller shall promptly notify the Purchaser in writing of such in writing. The Purchaser shall have the option within ten (10) days following receipt of such notice to notify the Seller in writing that Purchaser elects to terminate this Agreement or to purchase the Phase subject to such title defect without any adjustment or abatement of the purchase price. In the event the title defect is eliminated from the Property by such proceedings (which are final) within such two (2) year period, then the closing shall occur within ten (10) days following receipt by Purchaser from Seller of written notice of such favorable determination.

(c) Termination. In the event that either Seller or Purchaser elects to terminate this Agreement under subparagraphs (a), (b), or (c) above, as applicable, then the Purchaser shall be entitled to the immediate refund of the earnest money previously paid hereunder, and Purchaser shall promptly return to the Seller the Title Commitment(s), all title papers and Purchaser's copy of this Agreement. In the event of termination by Purchaser under subparagraph (b)(i) next above, then the Purchaser shall have a right of action for damages against Seller by reason of Seller's failure to cure such title defects, but Purchaser shall not have the right of specific performance against Seller. In the event of termination by either Seller or Purchaser under subparagraph (b)(ii) next above, then the Purchaser shall furnish to Seller within thirty (30) days following such termination with a list with supporting evidence (i.e. invoices, contracts, etc.) of all payments made to third parties (not including the staff, officers, employees or overhead of Purchaser) paid by Purchaser incident to the Property (including contractors, zoning application fees, attorneys, etc.) and Seller shall pay the Purchaser such amount within thirty (30) days following receipt of such list with supporting evidence.
of such list conditional upon all contracts, applications, approvals, surveys, etc., for which payment was made by Purchaser being simultaneously assigned by Purchaser to Seller.

(d) Default. In no event shall a title defect constitute a default by Seller hereunder nor shall Purchaser have any right of action against Seller for damages or for specific performance in the event of a title defect or the failure of Seller to cure same within the applicable periods provided above, except as specifically set forth above in this paragraph 5 and with the remedies of Purchaser being limited as set forth above in this paragraph 5. Provided however, in the event Seller elects under subparagraph (b) above to eliminate the title defect through litigation and thereafter Seller fails to diligently and continuously proceed to cure such title defect in such manner, such shall be deemed a default by Seller under this Agreement subjecting Seller to remedies of Purchaser set forth below in paragraph 21.

6. Survey. Purchaser, at its sole expense, shall obtain a Survey of each Phase comprising the Property from the Surveyor and furnish the applicable Surveys as to a Phase to Seller at least fifteen (15) days prior to closing on such Phase. The Survey shall reflect the correct legal description of the Phase as well as its acreage and furthermore reflect the location of lots pursuant to the Site Plan then in effect and approved by Seller setting forth the outside perimeter does not encroach into any lot. The Survey shall be certified in favor of Seller, Purchaser and the Title Company and shall show all improvements on the Property and the location of all recorded easements affecting the Property. The Survey shall meet the minimum requirements of Florida law regarding surveys and shall be sufficient so as to delete the survey and unrecorded easement exceptions in the Title Commitments. If the Survey shows any violations of restrictions, governmental zoning regulations, or if there are encroachments or other valid objections, then the rights of the parties to notice, cure and terminate shall be the same as for a title defect set forth in paragraph 5 above. If the Survey shows an encroachment of the Phase line into any lot reflected on the then current Site Plan approved by Seller and/or that the Phase does not meet the criteria of paragraph 2(j) above, then, as applicable, the Site Plan shall be adjusted so that encroachment of the Phase line into any lot does not occur and/or, as applicable, the Site Plan shall be adjusted so that the Phase meets the criteria of paragraph 2(j) above.

7. Zoning. The Seller warrants and represents to Purchaser that the Property is presently zoned "AA" under the applicable regulations or ordinances of the County of Hillsborough. The parties agree that a condition precedent to Seller or Purchaser having any obligation hereunder to close on any Phase is the change of such zoning for all the Property to a "CU" classification in accordance with the Site Plan under the applicable regulations or ordinances of the County of Hillsborough within six (6) months of the date of this Agreement. Immediately following the purative period in which there is no right to terminate this Agreement by reason of a title defect under paragraph 5 above, Purchaser will commence and thereafter diligently pursue and use its best efforts at its sole cost and expense incident to the application, hearing, or other procedures necessary to cause such rezoning. The change of such zoning on a portion but not all of the Property to a "CU" classification will not satisfy such condition precedent unless the parties hereto otherwise agree in writing. Seller agrees to cooperate with Purchaser in such rezoning.
efforts as Purchaser shall reasonably request, including execution of the application and other documents as may be reasonably required by the County of Hillsborough in connection therewith. This Agreement shall automatically terminate on the eleventh (11th) day following such six (6) month period if the Property is not completely rezoned to such "CU" classification, unless the Purchaser purchases all of the Property without adjustment or abatement of the purchase price within the ten (10) day period immediately following such six (6) month period. Provided however, if Purchaser obtains an initial favorable written decision as to the requested rezoning from the Board of County Commissioners of Hillsborough County and furnishes same to Seller, all within such six (6) month period, the six (6) month deadline will be automatically extended by one (1) month. If such rezoning is not so obtained within the applicable periods set forth above, and the Agreement is terminated by reason of such condition precedent not being met, then Purchaser shall be entitled to the immediate refund of all earnest money deposits previously paid hereunder, and Purchaser shall return to the Seller the Title Commitments, all title papers and Purchaser's copy of this Agreement, and thereupon all rights and liabilities of the parties each to the other hereunder shall end. The "CU" classification obtained must be sufficient to allow Purchaser to develop each Phase in accordance with the Site Plan. Approval of such rezoning shall mean approval which is final and not subject to appeal or judicial review.

8. Construction Approvals. Purchaser shall be solely responsible at its sole expense to make all applications and to take whatever other actions as are required by the applicable governmental authorities or agencies to obtain Construction Approval for each Phase. Seller agrees to reasonably cooperate, at no expense to Seller, in Purchaser’s attempts to obtain Construction Approval for each Phase, including Seller executing any applications or certifications reasonably required to apply for Construction Approval for each Phase. The Construction Approval for each Phase and the application process for such Construction Approval shall be as to that portion of the Site Plan covered by such Phase. Such process shall be pursuant to the Site Plan unless the parties otherwise agree in writing. In the event that the applicable governmental authorities require a change in the Site Plan or the Easement Area, such change must be first approved by Seller, which approval will not be unreasonably withheld.

9. Construction Approval - Phase I. Purchaser shall promptly initiate the Construction Approval process on Phase I following the obtaining of the rezoning set forth in paragraph 7 above, and thereafter diligently and continuously use its best efforts to obtain such Construction Approval on Phase I. If Purchaser does not obtain Construction Approval for Phase I within one hundred eighty (180) days after the date the rezoning is obtained under paragraph 7, then this Agreement shall automatically terminate five (5) days following such one hundred eighty (180) day period unless Seller shall receive written notice from Purchaser within such five (5) day period waiving the obtaining of the Construction Approval for Phase I. Closing on Phase I shall occur within ten (10) days following obtaining such Construction Approval or if not obtained and Purchaser waives same within such five (5) day period, then closing shall occur within five (5) days following such five (5) day period. To the extent required by the applicable governmental authorities and which are reasonably acceptable to Seller, the Seller shall grant a nonexclusive easement for ingress, egress, utility and drainage from Phase I across the remaining Property to Normandy Road over the area of the entrance road from Normandy Road into the
Property that runs to Phase I as set forth on the Site Plan, or the Seller shall sell to Purchaser the area of the entrance road from Normandy Road into the Property that runs to Phase I as set forth on the Site Plan. In the event that Seller sells said area to Purchaser, then (a) the acreage of said area shall be added to the total acreage of Phase I for purposes of determination of the purchase price of Phase I; (b) Purchaser shall execute a nonexclusive easement for ingress and egress in favor of Seller over the area of the entrance road, which easement shall terminate upon the improvement, dedication, and acceptance of the entrance road by the appropriate governmental authority; and (c) after improvement of the entrance road, Seller shall join in the dedication of the road for public purposes.

10. Construction Approval - Phase II. Purchaser shall promptly initiate the Construction Approval process on Phase II following the closing on Phase I set forth in paragraph 9 above, and thereafter diligently and continuously use its best efforts to obtain such Construction Approval on Phase II. If Purchaser does not obtain Construction Approval for Phase II within one hundred eighty (180) days after the date of closing on Phase I set forth in paragraph 9 above, then this Agreement as to the unexecuted portions thereof (Phase II and Phase III) shall automatically terminate five (5) days following such one hundred eighty (180) day period unless Seller shall receive written notice from Purchaser within such five (5) day period waiving the obtaining of the Construction Approval for Phase II. Closing on Phase II shall occur within ten (10) days following obtaining such Construction Approval or if not obtained and Purchaser waives same within such five (5) day period, then closing shall occur within five (5) days following such five (5) day period. To the extent required by the applicable governmental authorities and which are reasonably acceptable to Seller, the Seller shall grant a nonexclusive easement for ingress, egress, utilities and drainage from Phase II across the remaining Property to Normandy Road over the area of the entrance road from Normandy Road into the property that runs to Phase II as set forth on the Site Plan, or the Seller shall sell to Purchaser the area of the entrance road from Normandy Road into the Property that runs to Phase II as set forth on the Site Plan. In the event that Seller sells said area to Purchaser, then (a) the acreage of said area shall be added to the total acreage of Phase II for purposes of determination of the purchase price of Phase II; (b) Purchaser shall execute a nonexclusive easement for ingress and egress in favor of Seller over the area of the entrance road, which easement shall terminate upon the improvement, dedication, and acceptance of the entrance road by the appropriate governmental authority; and (c) after improvement of the entrance road, Seller shall join in the dedication of the road for public purposes.

11. Construction Approval - Phase III. Purchaser shall promptly initiate the Construction Approval process on Phase III following closing on Phase II set forth in paragraph 10 above, and thereafter diligently and continuously use its best efforts to obtain such Construction Approval on Phase III. If Purchaser does not obtain Construction Approval for Phase III within one hundred eighty (180) days after the date of closing on Phase II set forth in paragraph 10 above, then this Agreement as to the unexecuted portions thereof (Phase III) shall automatically terminate five (5) days following such one hundred eighty (180) day period unless Seller shall receive written notice from Purchaser within such five (5) day period, waiving the obtaining of the Construction Approval for Phase III. Closing on Phase III shall occur within ten (10) days following obtaining such Construction Approval, or if not ob-
12. **Accelerated Construction Approval.** In the event Purchaser obtains Construction Approval for more than one Phase at the same time, then the Purchaser, at its option, may close on the same date on all of such Phases for which Construction Approval was obtained simultaneously, or the Purchaser may close the lowest sequential Phase so approved within ten (10) days following the obtaining of such Construction Approval, and thereafter each other Phase so simultaneously approved shall be closed within one hundred eighty (180) days following the closing on the preceding Phase. In hypothetical example, if the Construction Approval for Phase I, Phase II and Phase III was obtained at the same time and it took ninety (90) days from the date rezoning was obtained under paragraph 7 above, then Purchaser could close on all Phases within ten (10) days following such ninety (90) day period, or it could close on Phase I within such ten (10) day period and thereafter close on Phase II within one hundred eighty (180) days following the date of closing on Phase I and thereafter close on Phase III within one hundred eighty (180) days following the date of closing on Phase II. The date to close within each one hundred eighty (180) day period shall be selected by Purchaser, provided that Purchaser shall give Seller thirty (30) days prior written notice of such closing date.

13. **Offsite Improvements.** In the event that the applicable governmental authority or agency shall require the Offsite Improvements as a condition to either the rezoning under paragraph 7 above or the Construction Approvals under paragraphs 8, 9, 10, 11 and 12 above, then the Purchaser shall immediately notify the Seller of such requirements, and furnish Seller at Purchaser's expense with such surveys of the widened area as Seller may reasonably request. In the event the widening and paving of Normandy Road is required to a width greater than sixty (60) feet or for a length longer than the distance from Gunn Highway to the entrance road from Normandy Road to the Property set forth on the Site Plan, then either party shall have the right to terminate this Agreement by written notice to the other. In the event such widening and paving does not exceed such limitations, then Seller shall make inquiry with owners of fee or leasehold interest or any lienholders or otherwise along Normandy Road and, as applicable, Gunn Highway whether they would be agreeable to taking appropriate action necessary without cost to Seller or Purchaser, provided that the widened area of Normandy Road and, as applicable, Gunn Highway to be conveyed to the County of Hillsborough free and clear of all encumbrances. In the event such conveyance as to all of such lands cannot be accomplished within ninety (90) days following the receipt of the above described notice by Seller, then either party shall have the right to terminate this Agreement by written notice to the other. If termination does occur, then all earnest money deposits previously paid hereunder shall be returned to Purchaser, the Title Commitments, all title papers and Purchaser's copy of this Agreement shall be returned to Seller, and thereupon all rights and obligations of the parties hereunder shall end. If all such entities above-described except Seller shall agree to and do convey or release their interest or liens in such widened areas of Normandy Road and/or Gunn Highway within such ninety (90) day period, then Seller shall convey any of its interest in such widened area to the County of Hillsborough without charge to Purchaser hereunder. In no event shall Seller's failure to obtain such conveyances, releases or otherwise as to the widened area within such ninety (90) day period constitute a default by Seller hereunder nor

shall Purchaser have any right of specific performance or action for damages thereunder against Seller by reason thereof. Purchaser's remedy being limited solely to its right to terminate this Agreement. If Offsite Improvements are required, and this Agreement is not terminated, then Purchaser shall promptly cause such improvements to be made as required by the applicable governmental authorities or agencies. If Offsite Improvements are so required by the applicable governmental authorities, then the time periods otherwise then applicable to Purchaser (whether as to rezoning under paragraph 7 above or as to Construction Approvals under paragraphs 8, 9, 10, 11 and 12 above) will be tolled and not count against Purchaser from the date that Seller receives written notice from Purchaser as to the governmental requirements as to the Offsite Improvements through and including the date that Seller notifies Purchaser that the owners, lessees, lienholders, etc. along the area of the Offsite Improvements to the extent necessary have executed the applicable and required deeds, releases, agreements, etc.

14. Offsite Costs of Seller. Purchaser shall use its best efforts to minimize the Offsite Costs for such Offsite Improvements as much as is reasonably possible. The contractor as selected by Purchaser and the construction contract for such improvements shall be subject to the approval of the Seller, which shall not be unreasonably withheld. Seller shall not be obligated for the Offsite Costs of Seller until it shall have received satisfactory evidence that the Offsite Improvements are completed and have been accepted by the applicable governmental authorities or agencies and that all costs for such Offsite Improvements have been paid. In such event, the Offsite Costs of Seller shall be deducted from the purchase price payable to Seller by Purchaser at the closing of the next Phase.

15. Purchase Price. The purchase price for each acre of the first one-half of all acreage of the Property shall be an SIXTEEN THOUSAND AND NO/100 DOLLARS ($16,000.00) for each acre. The purchase price for each acre of the remaining one-half of all acreage of the Property shall be EIGHTEEN THOUSAND AND 10/100 DOLLARS ($18,000.00) for each acre. The purchase price for each Phase shall be due and payable and shall be paid by the Purchaser to the Seller as follows:

(a) The First Deposit, in cash, shall be paid by Purchaser to Seller upon the execution of this Agreement by Purchaser as an earnest money deposit, which deposit shall be held in escrow by Seller and one-half applied to the purchase price of Phase I at the closing and one-fourth each applied to the purchase price of Phase II and Phase III at the respective closings for such Phases.

(b) The Second Deposit, in cash, shall be paid by Purchaser to Seller within five (5) days following the change in zoning set forth in paragraph 7 above as an additional earnest money deposit, which deposit shall be held in escrow by Seller and one-half applied to the purchase price of Phase I at the closing and one-fourth each applied to the purchase price of Phase II and Phase III at the respective closings for such Phases.

(c) The remainder of the purchase price for each Phase shall be paid by the Purchaser to the Seller in cash at the closing.

The monies referred to above or otherwise in this Agreement are in United States currency, and all payments to be made...
hereunder shall be in such lawful form in the form of cash or by cashier's check or certified funds from either a bank or savings and loan association located in either Pinellas County or Hillsborough County, Florida.

16. Closing. The closings on Phases I, II and III shall occur on the dates set forth in paragraphs 9, 10 and 11 above. In the alternative, Purchaser shall have the option to accelerate the closing dates on such Phases or any of them upon thirty (30) days prior written notice to Seller. At the closing on each Phase, the transaction shall be closed and the Seller and Purchaser shall perform their respective agreements hereunder. The closing on each Phase shall take place at the Closing Place, and shall commence at 10:00 A.M. and continue thereafter until completed. At closing on each Phase, the Purchaser shall pay to the Seller all sums due by the Purchaser to the Seller as to such Phase and shall execute and deliver all instruments required to be executed by Purchaser hereunder. Thereupon, at such closing, the Seller shall execute and deliver all instruments required to be executed by the Seller hereunder.

17. Sale Documents. At the closing on each Phase, the Seller and as applicable the Purchaser, shall execute the following documents:

(a) Warranty Deed from Seller to Purchaser conveying the Phase free and clear of all encumbrances except for the permitted matters described in paragraphs 3, 4, 5 and 6 of this Agreement.

(b) A perpetual and nonexclusive easement for ingress, egress and underground utilities by Seller in favor of Purchaser at time of closing on Phase I or Phase II, if so required by the governmental authorities;

(c) A nonexclusive easement for ingress and egress by Purchaser in favor of Seller at the time of closing on Phase I or Phase II, if sale of the roadway area is required by governmental authorities;

(d) Mechanic's Lien Affidavit by Seller; and

(e) Sale Settlement Statement by Seller and Purchaser.

Seller or its counsel shall be responsible for the preparation of such documents for closing.

18. Sale Closing Costs and Prorations. Except as otherwise set forth in this Agreement, all taxes, insurance, assessments, rents and other expenses or revenues for the Property for the current year shall be prorated as of the date of closing. Taxes shall be prorated based upon the current year's tax without regard to discount. If the closing takes place and the current year's taxes are not fixed, and the current year's assessment is available, then taxes shall be prorated based upon such assessment and the prior year's millage. If the current year's assessment is not available, then taxes shall be prorated on the prior year's tax. There shall be no proration of taxes subsequent to closing. The Seller shall pay for the documentary stamps to be affixed to the deed, and the owner's title insurance. Purchaser shall pay the recording fee for the deed and, if applicable, the easement referred to in subparagraph 17(b) or (c) hereinabove. Each party shall bear the cost of its own attorneys.

19. Condition of Premises. Except as specifically set forth in this Agreement, the Seller and the Purchaser
agree that no warranties, whether express or implied, are made or will be made as to the merchantability, fitness, condition or use of the Property, but rather Purchaser is purchasing such "as is" following the full opportunity to inspect the Property, and the only warranties to be made as to such are that Seller has title thereto and the right to convey same to Purchaser.

20. Default by Purchaser. If, under the provisions hereunder, the Purchaser shall be obligated to complete the purchase on any Phase, but fails to do so within the applicable period provided for closing, then, upon the expiration of such period, the Seller shall have the right to retain as liquidated damages all sums which have theretofore been paid to Seller by Purchaser. Retention of such funds shall not be deemed a penalty, but rather a liquidation of the damages sustained by the Seller because of such default by Purchaser, (the parties hereto recognizing the impossibility of precisely ascertaining the amount of damages to the Seller because of such default and hereby declaring and agreeing that the sum so retained is and represents the reasonable damages of Seller). Retention of such sum by Seller shall be in consideration for the release of Purchaser by Seller of any and all further obligations under this Agreement, all rights of the Purchaser hereunder shall end, and the Purchaser shall forthwith return to Seller all title papers and any other documents relating to the Property including Purchaser's copy of this Agreement. Seller shall not have a right of action for damages or for specific performance against Purchaser by reason of a default by Purchaser hereunder.

21. Default by Seller. If, under the provisions hereunder, Seller shall be obligated to complete the sale on any Phase, but fails to do so within the applicable period provided for closing, then upon the expiration of such period, the Purchaser shall have the right to terminate this Agreement and to demand that Seller return all monies paid by Purchaser to Seller hereunder, or to sue the Seller for specific performance. In the event Purchaser demands the return of the earnest monies, Seller shall pay such monies to Purchaser within ten (10) days following receipt of such demand, and upon payment of such monies, Purchaser shall return forthwith the title binder, all title documents and its copy of this Agreement to Seller, and thereupon all rights of the parties hereto hereunder shall end. Purchaser shall not have the right of action for damages against Purchaser by reason of a default by Seller hereunder, except as specifically provided for in paragraph 5 of a default by Seller hereunder.

22. Sales Commission. Each of the parties hereto warrant and represent to the other that they have no knowledge of any real estate broker or agent involved in this transaction nor of any commission due or to become due as a result thereof, except for a commission to be paid Great American Realty by Seller pursuant to a separate agreement. Each party hereby agrees to indemnify, defend and hold harmless the other party hereto from any and all loss, damage, cost or expense, including reasonable attorneys' fees, which the other party may sustain or incur by reason of a breach of the warranty or representation by the other under the preceding sentence of this paragraph 22.

23. Risk of Loss. Seller shall have the risk of loss until closing of each Phase.

24. Condemnation. In the event of the condemnation of all or a substantial part of the Property prior to the closing hereunder, this Agreement shall terminate, Seller
shall refund the earnest monies paid hereunder to Purchaser, and upon payment of the earnest monies, all rights of the parties hereto to the other shall end.

25. Indemnification. As to each and all indemnifications set forth in this Agreement, whether from Purchaser to Seller or from Seller to Purchaser, the parties agree that the party in whose favor indemnification is to be made shall notify the indemnifying party within ten (10) days following notice of the matter covered by the indemnification, which notice shall be given in writing. Thereafter, the indemnifying party shall have a reasonable time in which to cure and correct a matter covered by the indemnification, but which action must commence within five (5) days of receipt of such notice and the indemnifying party shall continuously proceed to cure or correct such in a diligent manner thereafter. Provided however, that the matter covered by the indemnification must be cured or corrected no later than thirty (30) days following receipt of such notice, or otherwise the party in whose favor the indemnification provision is in shall have full right and authority to cure or correct such matter and thereafter seek recourse against the indemnifying party under the applicable provision.

26. Notices. Any notice required under this Agreement shall be in writing and shall be either hand delivered or transmitted by certified or registered mail, postage prepaid with return receipt requested, and with such writing to be addressed to the parties as follows:

Notice to either party shall be with an open copy to such party's counsel, as applicable, set forth in paragraphs 2(k) and (m) above. The above addresses may be changed by the applicable party to this Agreement as to such party by providing the other party with notice of any such address change in the same manner provided above, and which change shall be effective fifteen (15) days following the receipt of such written notice by the other party. In the event that written notice, demand or request is made as provided in this paragraph 26, then in the event that such notice is returned to the sender by the U.S. Postal System because of insufficient address, or the party moved or otherwise, such writing shall be deemed to have been received by the party to whom it was addressed on the date that such was initially placed in the U.S. Postal System by the sender.

27. Assignment. This Agreement may not be assigned by either party hereto without the prior written consent of the other party hereto.

28. Possession and Disbursement. Following the compliance with the requirements set forth above as to each Phase, occupancy will be given and proceeds will be disbursed, unless prior to closing Seller and Purchaser agree on an alternate arrangement.

29. Recordation. This Agreement and any memorandum thereof shall not be filed or recorded in any public records without the prior written consent of the other party hereto.
30. **Disclaimer.** The parties hereto acknowledge and agree that the Seller has made no written or verbal representations, warranties, or promises as to the Property, including without limitation, the amount of acreage, soil drainage, grades, topography, other physical aspects of the property or otherwise, except as specifically set forth in this Agreement.

31. **Modification.** There are no other agreements, promises or undertakings between the parties except as specifically set forth herein. No alterations, changes, modifications or amendments shall be made to this Agreement, except in writing and signed or initialed by the parties hereto.

32. **Binding Effect.** Except as limited by the paragraph dealing with assignment as set forth herein, this Agreement shall be binding upon and inure to the benefit of the respective successors and assigns and as applicable, the heirs and legal representatives of the parties hereto.

33. **Florida Contract.** This Agreement shall be deemed a Florida contract and construed according to the laws of such state, regardless whether this Agreement is being executed by any of the parties hereto in other states or otherwise. This Agreement shall only be enforceable in a court of competent jurisdiction in the State of Florida and not in any other state or otherwise.

34. **Counterparts.** This Agreement is being executed in several counterparts, each of which shall be deemed an original.

35. **Effective Date.** This Agreement shall have an effective date on the date this Agreement is executed by all parties hereto.

36. **Execution.** This Agreement shall have no force and effect whatsoever unless all of the parties execute this Agreement on or before April 1983.

37. **Survival.** All warranties, representations and agreements contained herein shall survive the closing of each Phase of the transaction contemplated by this Agreement.

38. **Attorneys' Fees and Costs.** In connection with any litigation arising out of this Agreement, the prevailing party shall be entitled to recover all costs incurred, including reasonable attorneys' fees.

39. **Time.** Time is of the essence in this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement, and shall be deemed to have executed such, on the day, month and year first above written.

ADJUSTABLE RATE RIDER

1. THIS ADJUSTABLE RATE RIDER was made on January 24, 1986 and is made a part of and shall be deemed to amend and supplement the Mortgage Deed of Trust or Deed to secure Mortgage, dated January 24, 1986, made by the Borrower to the Lender, hereinafter referred to as the "Security Instrument," and is filed in the offices of the Clerk of the Circuit Court of the County in which the property described in the Security Instrument is located.

2. The Note Contains Provisions Allowing for Changes in the Interest Rate. Increases in the Interest Rate will Result in Higher Payments. Decreases in the Interest Rate will Result in Lower Payments.

3. ADDITIONAL COV cnants. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an Initial Rate of Interest of 12.50% Section 4 of the Note provides for changes in the interest rate and the monthly payments as follows:

(A) Change Dates:
Beginning on 1/28, the rate of interest will be changed on the 15th day of the month of February and on that day every 6th, 12th, 28th, 30th, 60th. Each date on which the rate of interest could change is called a "Change Date."

(B) The Index:

Any change in the rate of interest will be based on changes in the Index. The "Index" is the weekly average rate on United States Treasury bills with a maturity of 6 months or more available in the Federal Reserve Board's weekly average yield on United States Treasury securities adjusted to a constant maturity of 3 years. 3 years is as determined by the Federal Reserve Board of the "Contract Interest Rate." Purchase of Federal Reserve Guremption, Average for All Most Types of Lenders as available in the Federal Reserve Board Report.

If the Index is no longer available, the Note Holder will choose a new Index which is based upon comparable securities. The Note Holder will give notice of this choice.

The Index for this Note is 10.250. It is called the "Original Index."

The most recent available Index figure as of the date: 45 days before each Change Date is called the "Current Index."

(C) Calculation of Changes:

Before each Change Date, the Note Holder will determine the change in the rate of interest. The Note Holder will calculate the amount of the difference between the Current Index and the Original Index. If the Current Index is higher than the Original Index, the Note Holder will add the difference to the Loan Rate of Interest. If the Current Index is lower than the Original Index, the Note Holder will subtract the difference from the Loan Rate of Interest. The Note Holder will then round the result of this addition or subtraction to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be the new rate of interest I am required to pay.

The Note Holder will then determine the new amount of my monthly payment that would be sufficient to repay outstanding principal balance in full on the maturity date at my new rate of interest in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

(D) Effective Date of Changes:

The new rate of interest will become effective on each Change Date. I will pay the new amount of my monthly payment each month beginning on the first month's payment date after the Change Date until the amount of my monthly payment is again changed. I have full notice of the change.

(E) Notice of Changes:

The Note Holder will mail or deliver to me a notice of all changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and will state the number of persons who will share any interest that I may have in the property.
C NOTICE

Uniform Covenant 14 of the Security Instrument is amended to read as follows:

14. Notice. Except for any notice required under applicable law to be given in another manner as are notice to Borrower provided for in the Security Instrument shall be given by delivering it or by mailing it in a first-class mail addressed to Borrower at the Property Address or at such other address as Borrower may designate by notice to Lender provided herein, and any notice to Lender shall be given by first-class mail to Lender's address stated herein or to such other address as Lender may designate its notice to Borrower as provided herein. Any notice provided for in the Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated.

D UNIFORM MORTGAGE: GOVERNING LAW, SEVERABILITY

Uniform Covenant 15 is amended to read as follows:

15. Uniform Mortgage, Governing Law, Severability. This form of Security Instrument combines uniform covenants for national use and non-uniform covenants with limited variations in subsection to constitute a uniform security instrument covering real property. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can have effect without the conflicting provision, and to that end the provisions of this Security Instrument and the Note are declared to be severable.

E NO FUTURE ADVANCES

Non-Uniform Covenant 21 of the Security Instrument ("Future Advances") is deleted.

F LOAN CHARGES

If the interest secured by the Security Instrument exceeded the maximum loan charges and the law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed permitted limits then: (i) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit, and (ii) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If such refund reduces principal the reduction will be treated as a partial prepayment under the Note.

G LEGISLATION

If after the date hereof enactment or extension of applicable law limits the effectiveness of the provisions of any Note, the Security Instrument or this Adjustable Rate Rider (other than this paragraph G) unenforceable according to their terms, or all or any part of the sums secured herein uncollectible as otherwise provided in the Security Instrument and this Adjustable Rate Rider, or of diminishing the value of Lender's security, then Lender, at Lender's option, may declare all sums secured by the Security Instrument to be immediately due and payable. In such event, Borrower shall not have the right to remain otherwise provided in being invalid or unenforceable of any of the Security Instruments.

IN WITNESS WHEREOF Borrower has executed this Adjustable Rate Rider

CONDOMINIUM COVENANTS. In addition to the covenants and agreements made in the security instrument, Borrower and Lender further covenant and agree as follows:

A. Assessments. Borrower shall promptly pay when due, all amounts imposed by the Owners' Association or other governing bodies of the Condominium Project (herein "Owners' Association") pursuant to the provisions of the declaration, by-laws, code of regulations or other constituent document of the Condominium Project.

B. Hazard Insurance. So long as the Owners' Association maintains a "master" or "blanket" policy on the Condominium Project which provides insurance coverage against fire, hazards included within the term "extended coverage" and such other hazards as Lender may require and in such amounts and for such periods of time as Lender may require.

Lender waives the provision in Uniform Covenant 2 for the monthly payment to Lender of one-twelfth of the premium initially paid for hazard insurance on the Property.

C. Borrower's obligation under Uniform Covenant 5 to maintain hazard insurance coverage on the Property is deemed satisfied and

furnished in Uniform Covenant 5: provided application of hazard insurance proceeds shall be superseded by any provisions of the declaration, by-laws, code of regulations or other constituent document of the Condominium Project or of applicable law to the extent necessary to avoid a conflict between such provisions and the provisions of Uniform Covenant 5. For any period of time during which such hazard insurance coverage is not maintained, the immediate preceding sentence shall be deemed to have no force or effect. Borrower shall give Lender prompt notice of any lapse in such hazard insurance coverage.

In the event of a distribution of hazard insurance proceeds in lieu of resignation or repair following a loss to the Property whether to the unit of the Condominium or for such proceeds payable to Borrower are hereby assigned and shall be paid to Lender for application to the sums secured by the security instrument with the excess, if any, paid to Borrower.

D. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, partition or subdivide the Property or consent to:

(1) the abandonment or termination of the Condominium Project; except for abandonment or termination provided by law in the case of substantial obstruction by fire or other casualty or in the case of a taking by condemnation or eminent domain.

(2) any material amendment to the declaration, by-laws, or code of regulations of the Owners' Association or equivalent constituent document of the Condominium Project.

(3) the effectiveness of any document by the Owners' Association terminating professional management and assume self-management of the Condominium Project.

(4) remedies. In the event of Borrower's default in Borrower's covenants and agreements hereunder, including the covenant to pay when due condominium assessments, then Lender may invoke any remedies provided under the security instrument, including, but not limited to, those provided under Uniform Covenant 7.

IN WITNESS WHEREOF, Borrower has executed this Condominium Ride.

General Description of Adjustable Mortgage Loan

The five-year adjustable mortgage loan is a flexible loan instrument. Its interest rate may be adjusted by the lender every five (5) years. Adjustments to the interest rate must reflect the movement of a single, specified index. Also, the regular payment amount may be increased or decreased by the lender every five (5) years to reflect changes in the interest rate. This assures that the loan will be paid off over the original loan term, which cannot exceed thirty (30) years. The principal balance will continuously decline over the term of the loan.

Index

Adjustments to the interest rate of a "5-year AM" must correspond directly to the movement of an index, subject to such rate adjustment limitations as are contained in the loan contract. If the index has moved over, the lender must reduce the interest rate by at least the decrease in the index subject to any limitations on your specific plan. If the index has moved up, the lender will increase the interest rate by that amount subject to any limitations on your specific plan.

The index rate on the five-year adjustable mortgage loan is the weekly average yield on United States Treasury Securities adjusted to a constant maturity of five (5) years. The borrower may obtain information regarding the five-year United States Treasury Securities index values by inquiring at a local Federal Savings and Loan Association, a local National Bank or Federal Reserve Bank.

A secondary index will be used only if the Primary Index becomes unavailable. This secondary index must be based on comparable information and would be disclosed to you prior to implementation.

How Your Five-Year Adjustable Mortgage Loan Would Work

Initial Interest Rate

The "Initial Rate of Interest" will be determined by reference to current market conditions and disclosed to you by Florida Federal Savings and Loan Association in the loan approval letter. The "Initial Rate of Interest" will change every five (5) years, during the term of the loan, commencing on a date exactly five (5) years from the first (1st) day of the month following the date of the note. Interest rate adjustments will reflect the net difference between the "Original Index" and the "Current Index." The net difference will be either added or subtracted, as the case may be, to or from the "Initial Rate of Interest."

The "Index" for a "5-year AM" loan is the weekly average yield on United States Treasury Securities adjusted to a constant maturity of five (5) years. The "Original Index" will be one of the results of such "Index" in effect or made available between the loan approval letter date and the loan closing date. The "Current Index" will be one of the results of such "Index" in effect or made available ninety (90) to forty-five (45) days immediately preceding each interest change date. Florida Federal Savings and Loan Association rounds the adjusted interest rate to the nearest one-eighth of one percentage point. The specific method for calculating the Adjusted Interest Rate on your "5-year AM" plan is disclosed in the Key Terms section of this disclosure.

Payment Adjustments and Notice

The monthly payment amount on your 5-year AM will change periodically to reflect changes in the interest rate. Florida Federal Savings and Loan Association will send you notice of an adjustment to the payment amount forty-five (45) days before it becomes effective.

The notice will provide you with the following information, as applicable:

1. Effective date and amount of new payment.
2. New balance as of that date (assuming that all payments will be made as due).
3. Amount of payment to be paid in continuing.
559

6. Date of the next payment adjustment.
7. Dates of adjustment and net change of outstanding loan balance since
   the last payment adjustment.
8. Rate adjustment dates between the upcoming and next following payment
   adjustment dates.
9. The fact that the borrower may pay off the entire loan balance or a
   part of it at any time without penalty.
10. The name and phone number of the Florida Federal employee to contact
    if you have questions about your loan.

Key Terms of Five-Year Adjustable Mortgage Loan

Prepayment Penalty

You may prepay a "5-year ARM" in whole or in part without penalty at any
time during the term of the loan.

Fees

You will be charged fees by Florida Federal Savings and Loan Association
and by other persons in connection with the origination of your "5-year ARM".
The Association will give you an estimate of these fees after receiving your
loan application. However, you will not be charged any costs or fees in
connection with any regularly-scheduled adjustment to the interest rate, the
payment, the outstanding principal loan balance, or the loan term initiated by
the lender.

The following is a summary of the basic terms of the "5 year ARM" to be
offered to you. This summary is intended for reference purposes only.Important information relating specifically to your loan will be contained in
the loan agreement.

Note: Change in Index Rate and the effect on the loan balance and adjusted payment.
The "5-year AM" is designed to adjust the interest rate and payment while allowing the principal balance of the loan to continually decrease over the loan term. In other words, the adjustments to the interest rate and payment will not cause the loan balance to increase nor will they affect the term of the loan. Florida Federal Savings and Loan Association will amortize the "5-year AM" based on the applicable interest rate, the corresponding remaining balance, and remaining term or each interest and payment change date. Because of the size of the principal balance and length of the term, a greater portion of each payment is credited to interest during the first several years of the loan. However, in the latter years of the loan, a greater portion of each payment is credited to principal because the interest rate is applied to a decreasing principal balance. The example below will demonstrate the amortization of a "5-year AM" loan:

The above amortization schedule shows the first monthly payment due at the beginning of each five year period. The unpaid balance shown is the principal amount remaining immediately preceding each new payment change. For illustration purposes, the first payment at the beginning of each of the above periods is divided into amounts representing principal and interest.

Escrow Requirements

An escrow account will be required on your "5-year AM." The escrow account is established for the purpose of collecting money monthly, in conjunction with your regular payment, for a reserve from which annual payment is made for real estate taxes, hazard insurance premiums and other applicable charges. The following example will demonstrate how monthly escrow amounts are established and how much money must be prepaid at closing.

First year premiums for hazard, flood and mortgage risk insurance must be prepaid by you by closing. Real estate taxes will be estimated for the next bill due in November, unless a tax bill has been received. A lump sum amount will be collected at closing calculated by multiplying the number of the months from the previous November up to and including the month preceding the first mortgage payment due date times 1/12 of the current or estimated tax bill.

Example of Escrow:

Assume the following:

Mortgage Amount (90% Loan-to-value) $50,000.00
Closing Date January 20, 1983
First Payment Due Date March 1, 1983
First year hazard insurance premium $200.00
First year flood insurance premium $150.00
First year mortgage risk insurance premium $350.00
Real estate tax for current year $600.00
Mortgage risk insurance renewal premium $167.50

Paid at closing:

Hazard insurance (1st year plus 2/12) $233.34
Flood insurance (1st year plus 2/12) 175.00
Mortgage risk insurance (1st year plus 2/12) 361.26
Real estate taxes (4/12 of tax bill) 200.00
Total prepaid $995.66
The above escrow payment is provided as an example. Your escrow payment may differ substantially from the above amount. Escrow payments may be adjusted during the year to reflect changes in the cost of any of the above items.

**The Mortgage Loan Contract**

Both the Association and the borrower will be contractually bound by the terms of the loan contract upon signing it. Neither party is legally obligated to alter, change or modify the original contract terms. However, modification of the loan contract is not precluded if both the Association and the borrower mutually agree to a modification and it is otherwise permissible under all applicable rules, regulations and laws. The borrower should thoroughly familiarize himself or herself with the terms of the loan contract.

**Important Loan Contract Provisions**

**Contingencies under which the loan may become due before maturity or result in a forced sale:**

1. Transfer of the property: If all or any part of the property or an interest therein is sold or transferred by Borrower without Lender's prior written consent, the Lender may, at Lender's option, declare all sums secured by the Mortgage to be immediately due and payable.

   Exceptions to (1) above:
   
   a. Creation of a lien subordinate to Lender's mortgage.
   b. Creation of a purchase money security interest for household appliances.
   c. A transfer by devise, descent or by operation of law upon the death of a joint tenant.
   d. Grant of a leasehold interest of three years or less not containing an option to purchase.

2. Borrower's breach of any covenant or agreement in the mortgage, including, but not limited to:

   a. Promise to pay sums due at time and place agreed.
   b. Promise to keep the security insured against fire and other hazards specified in the mortgage.
   c. Promise to pay all taxes, assessments and other charges attributable to the property which may attain priority over the Lender's mortgage.
   d. Promise to keep the property in good repair and not commit waste or permit impairment or deterioration.

Subject: Mr. J. St. Germain

Unit 205, Eldpo. II, Sandtine, Key.

The above applicant was referred to this department by Mr. Joseph T. Lettermir.

It is our understanding that closing is to take place around the 17th of January. With this in mind, it would seem unlikely that we could obtain approval of a Risk Insurance Co. with the amount of financial information that we have available to us. Therefore, consideration is requested without RISK Ins. or Escrow. The request is for a 90% LTV.

Mr. St. Germain is a married man but will be taking title in his name alone. We will need a non-joinder of spouse affidavit and the disclaimer wording in the mortgage.

The applicant has a loan with Florida Federal or a Bayfront Tower unit that shows satisfactory payment record.

Annual statements showing the partnership profits and losses for the fiscal year and indicating the share of profit or loss of each partner for income tax purposes shall be prepared by the accountants for the partnership and distributed to all the partners within a reasonable time after the close of each fiscal year.
It, Transfer of General and Limited Partnership Interest

No partner may sell all or any part of his interest in the partnership whether voluntarily, involuntarily or by operation of law, or by judicial sale or otherwise, without first offering the same to the other partners, acting or on behalf of themselves, at a price and upon terms no less favorable than those which such partner would receive from such transfer. Such price and terms and the name of the proposed transferee shall be set forth in a written offer signed by such partner and delivered to each other partner. Within thirty (30) days after receipt of such written offer, any one or more of the other partners may in writing reject or accept such offer, and if more than one of the other partners so accepts, the interest of the partner to be sold shall be apportioned in equal shares between or among such other partners or as such other partners may otherwise agree between or among themselves. The partner or partners so accepting such offer shall promptly thereafter enter into an agreement with such partner for the purchase and sale of such interest at the price and on the terms of said offer and shall consummate such purchase and sale in accordance with such agreement within thirty (30) days thereafter. If such offer is not accepted by one or more other partners within the required thirty (30) day period, or if the partner or partners accepting such offer shall fail to tender the purchase price within the second thirty (30) day period such partner may at any time within ninety (90) days from the expiration of the appropriate thirty (30) day period transfer such interest to such proposed transferee at a price and on terms not less favorable than those set forth in such offer, and if such interest is not so transferred within such period, it shall again become subject to the provisions of this paragraph.
Each of the Limited Partners shall have the right to substitute an assignee as a Substitute Limited Partner in his place, with the prior written consent of the General Partner, which shall not be unreasonably withheld, and after such assignee shall have executed such instruments as shall be required by the General Partner to signify said assignee's agreement to be bound by all of the provisions of the Limited Partnership Agreement, and subject to the provisions of the prior paragraph hereto.

c) The General Partner is hereby constituted the attorney-in-fact of all Limited Partners to execute, acknowledge and deliver such instruments as may be necessary and appropriate to carry out the provisions of this paragraph including amendments to the Schedules in paragraphs 8 and 9, amendments to the Limited Partnership Certificate required by statute, business Certificates and the like.

d) An assignee of the interest of a Limited Partner who does not become a Substitute Limited Partner as provided aforesaid and who desires to make a further assignment of his interest shall be subject to all the provisions of the paragraph herein to the same extent and in the same manner as any Limited Partner desiring to make an assignment of his interest.

e) Any assignment or transfer of the interest of the General Partner shall be treated in accordance with paragraph 17 as a withdrawal of the assigning or transferring General Partner.

17 Withdrawal of General Partner. In the event of the death, retirement, resignation, bankruptcy, expulsion, assignment or transfer of interest, or adjudication of insanity or incompetency (hereinafter collectively referred to as "withdrawal") of the General Partner, the partnership shall be dissolved and terminated, provided, however, that the partnership

0093...
573

shall determine to continue the partnership, the withdrawing General Partner or his assignee or personal representative shall become a Limited Partner in the partnership with the same relative percentage interest, as set forth in paragraph 4 hereof, in partnership profits, losses, and distributions of all kinds, including (but not limited to) liquidating distributions and distributions of proceeds from the sale or condemnation of partnership property and proceeds resulting from any mortgage or refinancing, as previously possessed by such General Partner in this partnership, subject, however, to the limitation of liability, for liabilities incurred subsequent to said withdrawal, to an amount equal to the share of such partner in the total net assets of the partnership at the date that such partner became a Limited Partner hereunder.

The percentage share of such partner in the total assets of the partnership shall be the same as his percentage share of partnership profits and losses as set forth in paragraph 4 hereof. The other surviving or remaining competent partners shall determine whether to continue the partnership no later than thirty (30) days following the withdrawal of the General Partner, and in any event shall within such thirty (30) days provide for a new General Partner from amongst their numbers or otherwise if the withdrawal of such General Partner would otherwise leave no remaining General Partner.

18 Death of a Limited Partner. The death of a Limited Partner shall not dissolve the partnership nor terminate the partnership. In the event of such death, the personal representative of the deceased Limited Partner shall have all the rights of a Limited Partner in the partnership to the extent of the deceased’s interest therein, subject to the terms and conditions of this agreement.
Partners are to cease to function at the end of their term after at least thirty (30) days prior written notice to each of the Limited Partners.

20. **Distributions on termination.** In the event of the dissolution and termination of the partnership whether at the end of the term hereof or prior thereto, the General Partner shall proceed to the liquidation of the partnership and the proceeds of such liquidation shall be applied and distributed in the following order of priority:

   a) To the payment of the debts and liabilities of the partnership, other than any loans or advances that may have been made by the partners to the partnership and the expenses of liquidation.

   b) To the setting up of any reserves which the General Partner may deem reasonably necessary for any contingent or unforeseen liabilities or obligations of the partnership or of the General Partner arising out of or in connection with the partnership. Such reserves shall be paid over by the General Partner to an attorney-at-law of the State of Rhode Island as may be held by him, for the purpose of disbursing such reserves in payment of any of the aforesaid contingencies, and at the expiration of such period as the General Partner shall deem advisable, to distribute the balance thereafter remaining in the manner hereinafter provided.

   c) After setting up the aforementioned reserves, the General Partner shall distribute the balance thereafter remaining as follows:

      i) To the repayment of any loans or advances that may have been made by any of the partners to the partnership, but if the amount available for such repayment shall be insufficient, then pro rata on account thereof.

      d) Any balance remaining shall be distributed among all partners General and Limited as follows.
In the event that the partnership assets shall have been sold, the net proceeds shall be distributed to each partner in satisfaction of his interest in the partnership in the manner provided in paragraph 9 hereof.

In lieu of sale, the partnership assets may be distributed in kind, each partner accepting an undivided interest in the partnership's assets subject to its liabilities in satisfaction of his interest in the partnership. In the event of a liquidating distribution of the partnership's property in kind, the fair market value of such property shall be determined by averaging the appraisals of two appraisers selected by the Real Estate Board of the City of Pawtucket, Rhode Island, or any other comparable body, and each partner shall receive an undivided interest in such property equal to the portion of the proceeds to which he would be entitled under paragraph 9 hereof if such property were sold.

Provisions on termination. A reasonable time shall be allowed for the orderly liquidation of the assets of the partnership and the discharge of liabilities to creditors so as to enable the General Partner to minimize the normal losses attendant upon a liquidation. Each of the partners shall be furnished with a statement prepared by the partnership's then Certified Public Accountants, which shall set forth the assets and liabilities of the partnership as of the date of complete liquidation. Upon the General Partner's complying with the distribution plan set forth in paragraph 26 hereof (including payment over to the Attorney-Escrowee if there are sufficient funds therefore), the Limited Partners shall cease to be such, and the General Partner, as the sole remaining partner of the partnership, shall execute, acknowledge, and cause to be filed a Certificate of Cancellation of the Partnership.

Limit on General Partner's liability. Anything in this agreement to the contrary notwithstanding, the General Partner shall not be personally liable for the return of the capital contributions of Limited Partners, or any portion thereof, it being expressly understood that any such return shall be made solely from partnership assets.
23. Indemnification. Neither the Partnership nor any partner shall have any claim against the General Partner and the Partnership shall indemnify the General Partner against any liability incurred by him, provided that the acts or omissions giving rise to such claims or liabilities were performed by him for and on behalf of the Partnership and in furtherance of its interests and were performed in good faith in the belief that he was acting within the scope of his authority under this Agreement. The foregoing shall not relieve the General Partner of liability for gross negligence or willful malfeasance.

24. Notices. All notices provided for in this agreement shall be directed to the parties at the addresses herein set forth and to the Partnership at its principal office by Registered or Certified Mail.

25. This agreement may be modified or amended at any time by all the partners.

26. Binding effect. This agreement shall be binding upon all the parties and their estates, heirs, legatees, transferees and assigns.

27. Agreement in counterparts. This agreement may be executed in several counterparts, and all so executed shall constitute one agreement, binding on all the parties hereto, notwithstanding that all the parties are not signatory to the original or the same counterpart.

28. Applicable law. This agreement and the rights of the parties hereunder shall be interpreted in accordance with the laws of the State of Rhode Island.

IN WITNESS WHEREOF, the parties hereto have executed this agreement as of the day and year first above written.

Dear Fred:

Today I closed School Street Associates. The net proceeds of the sale is $214,505.75.

I am holding in reserve ........  $ 34,505.74
Paying off loans ................ 80,000.00
Distribution to Partners ...... 100,000.00

Enclosed please find two checks, one to repay the loan you made to School Street Associates and the other being a partial distribution. After all the bills have been received and paid, including the cash that Ferland Management has been holding in the School Street account, I will make a further distribution. I have also enclosed a copy of the closing statement.

This finally concludes one of our less profitable partnerships. I guess we can't have all winners.

If you have any questions, please contact me, or in my absence, Rosalie Radigan, who, in turn, will get back to me.

Sincerely,

SCHOOL STREET ASSOCIATES

Re: School Street Associates

Dear Honorable Fernand St. Germain:

School Street, has experienced abnormal vacancy, turnover, and operating expense since acquisition. At this juncture, it would appear that the "acquisition and repair cycle" is subsiding, and increased rental levels are being achieved.

Nonetheless, prior past due obligations exist which must be addressed at this time.

The partnership is in need of $60,000.00 additional capital to meet it's obligations in a timely manner. Due to the unavailability of favorable outside financing at this time, the partnership must look to it's investors for the required funds.

Based on your 20 % interest in School Street Associates, a loan of $12,000.00 is required until such time as outside financing becomes more alterative.

Very truly yours,

Roland O. Ferland,  
General Partner

10. **Losses of Limited Partners** Notwithstanding anything to the contrary herein contained, the liability of any Limited Partner for payment of any losses of the partnership shall in no event exceed his contribution to the capital of the partnership. For purposes of partnership accounting, however, all partnership losses shall be charged against the capital accounts of the General and Limited Partners in the ratios set forth in paragraph 9, and should a negative balance appear in the capital account of any Limited Partner, such negative balance shall be offset by any future net profits of the partnership.

(b) No Limited Partner shall participate in the management of the partnership business. agents, accountants, and attorneys as the General Partner may
from time to time determine. The fact that a partner, General
or Limited, or a member of his family is employed by, or directly
or indirectly interested in or connected with, any person, firm,
or corporation employed by the partnership to render or perform
a service, or from which the partnership may purchase any prop-
erty, shall not prohibit the General Partner from employing such
person, firm, or corporation, or from otherwise dealing with him
or it, and neither the partnership nor any of the partners herein
shall have any rights in or to any income or profits derived
therefrom as a consequence of the partnership relationship herein
created.

(d) Any of the partners, General or Limited, may engag
in or possess an interest in other business ventures of every
nature and description, independently or with others, including
but not limited to the ownership, financing, leasing, operation,
management, or development of real property and neither the
partnership nor any of the partners thereof shall have any rights by virtue of this agreement in and to such independent ventures or the income or profits derived therefrom.

12. Banking. Withdrawals from any partnership bank account or accounts shall be made upon such signature or signatures as the General Partner may designate.

13. Conveyances. Any deed, bill of sale, mortgage, lease, contract of sale, or other commitment purporting to convey or encumber the interest of the partnership in all or any portion of any real or personal property at any time held in its name shall be signed by the General Partner. Notwithstanding anything contained herein, occupancy leases for individual apartments may be signed by the General Partner or by a Managing Agent appointed for the purpose by the General Partner. No person shall be required to inquire into the authority of any individual to sign any document pursuant to the provisions of this paragraph.

14. Books. The partnership shall maintain full and accurate books in its principal office or such office as shall be designated for such purpose by the General Partner, and all partners shall have the right to inspect and examine such books at reasonable times. The books shall be closed and balanced at the end of each calendar year. Annual statements showing the partnership profits and losses for the fiscal year and indicating the share of profit or loss of each partner for income tax purposes shall be prepared by the accountants for the partnership and distributed to all the partners within a reasonable time afte
Transferability of General and Limited Partnership Interests

No partner may sell all or any part of his interest in the Partnership, whether voluntarily, involuntarily or by operation of law, or at judicial sale or otherwise, without first offering the same to the other partners, acting on behalf of themselves, at a price and upon terms no less favorable than those which such partner would receive from such transfer. Such price and terms and the name of the proposed transferee shall be set forth in a written offer signed by such partner and delivered to each other partner. Within thirty (30) days after the receipt of such written offer, any one or more of the other partners may in writing reject or accept such offer, and if more than one of the other partners so accepts, the interest of the partner to be sold shall be apportioned in equal shares between or among such other partners or as such other partners may otherwise agree between or among themselves. The partner of partners so accepting such offer shall promptly thereafter enter into an agreement with such partner for the purchase and sale of such interest at the price and on the terms of said offer and shall consummate such purchase and sale in accordance with such agreement within thirty (30) days thereafter. If such offer is not accepted by one or more other partners within the required thirty (30) day period, or if the partner or partners accepting such offer shall fail to tender the purchase price within the second thirty (30) day period, such partner may at any time within ninety (90) days from the expiration of the appropriate thirty (30) day period transfer such interest to such proposed transferee at a price and on terms not less favorable than those set forth in such offer, and if such interest is not so transferred within such period, it shall again become subject to the provisions of this paragraph.
Each or any limited partner shall have the right to substitute an assignee as a Substituted Limited Partner in his place, with the prior consent of the General Partner, which shall not be unreasonably withheld, and after such assignee shall have executed such instruments as shall be required by the General Partner to signify said assignee's agreement to be bound by all of the provisions of the Limited Partnership Agreement, and subject to the provisions of the prior paragraph hereof.

The General Partner is hereby constituted the attorney-in-fact of all Limited Partners to execute, acknowledge and deliver such instruments as may be necessary appropriate to carry out the provisions of this paragraph 15, including amendments to the schedules in paragraphs 6 and 9, amendments to the Limited Partnership Certificate required by statute, business certificates and the like.

An assignee of the interest of a Limited Partner who does not become a Substitute Limited Partner as provided aforesaid and who desires to make a further assignment of his interest shall be subject to all the provisions of this paragraph 15 to the same extent and in the same manner as an Limited Partner desiring to make an assignment of his interest.

Any assignment or transfer of the interest of the General Partner shall be treated in accordance with paragraph 16 as a withdrawal of the assigning or transferring General Partner.

16. Withdrawal of General Partner. In the event of the death, retirement, resignation, bankruptcy, expulsion, assignment or transfer of interest, or adjudication of insanity or incompetency (hereinafter collectively referred to as "withdrawal") of the General Partner, the partnership shall be dissolved and terminated, provided, however, that the partners...
may be continued if all of the other surviving or remaining competent partners shall determine to continue the partnership, the withdrawing General Partner, or his assignee or personal representative shall become a Limited Partner in the partnership with the same relative percentage interest, as set forth in paragraph 4 herein, in partnership profits, losses, and distributions of all kinds, including (but not limited to) liquidating distributions and distribution of proceeds from the sale or condemnation of partnership property and proceeds resulting from any mortgage or refinancing, as previously possessed by such General Partner in this partnership, subject, however, to the limitation of liability, for liabilities incurred subsequent to said withdrawal, to an amount equal to the share of such partner in the total net assets of the partnership at the date that such partner became a Limited Partner hereunder. The percentage share of such partner in the total assets of the partnership shall be the same as his percentage share of partnership profits and losses as set forth in paragraph 4 hereof. The other surviving or remaining competent partners shall determine whether to continue the partnership no later than thirty (30) days following the withdrawal of the General Partner, and in any event shall, within such thirty (30) days provide for a new General Partner from amongst their number or otherwise if the withdrawal of such General Partner would otherwise leave no remaining General Partner.

17. Death of a Limited Partner. The death of a Limited Partner shall not dissolve the partnership nor terminate the partnership. In the event of such death, the personal representative of the deceased Limited Partner shall have all the rights of a Limited Partner in the partnership to the extent of the deceased’s interest therein, subject to the terms and conditions of this agreement.

16. Termination prior to end of term. The partnership may be
Partners prior to the end of its term after at least thirty (30) days' prior written notice to each of the Limited Partners.

19. **Distributions on termination.** In the event of the dissolution and termination of the partnership whether at the end of the term hereof or prior thereto, the then General Partner shall proceed to the liquidation of the partnership and the proceeds of such liquidation shall be applied and distributed in the following order of priority:

(a) To the payment of the debts and liabilities of the partnership (other than any loans or advances that may have been made by the partners to the partnership) and the expenses of liquidation.

(b) To the setting up of any reserves which the General Partner may deem reasonably necessary for any contingency or unforeseen liabilities or obligations of the partnership or of the General Partner arising out of or in connection with the partnership. Such reserves shall be paid over by the General Partner to an attorney-at-law of the State of Rhode Island, as Escrowee, to be held by him for the purpose of disbursing such reserves in payment of any of the aforementioned contingencies, and at the expiration of such period as the General Partner shall deem advisable, to distribute the balance thereafter remaining in the manner hereinafter provided.

(c) After setting up the beforementioned reserves, the General Partner shall distribute the balance thereafter remaining as follows:

(i) To the repayment of any loans or advances that may have been made by any of the partners to the partnership, but if the amount available for such repayment shall be insufficient, then pro rata on account thereof.

(d) Any balance remaining shall be distributed among all partners, General and Limited, as follows.
604

(i) In the event that the partnership assets shall have been
sold, the net proceeds shall be distributed to each partner in satisfaction
of his interest in the partnership in the manner provided in paragraph 9 hereof.

(ii) In lieu of sale, the partnership assets may be distributed in
kind, each partner accepting an undivided interest in the partnership's assets
subject to its liabilities in satisfaction of his interest in the partnership.

In the event of a liquidating distribution of the
partnership's property in kind, the fair market value of such
property shall be determined by averaging the appraisals of two
appraisers selected by the Real Estate Board of the City of
Providence, Rhode Island, or any other comparable body, and each
partner shall receive an undivided interest in such property
equal to the portion of the proceeds to which he would be entitled
under paragraph 9 hereof if such property were sold.

20. Procedure on termination. A reasonable time shall
be allowed for the orderly liquidation of the assets of the
partnership and the discharge of liabilities to creditors so as
to enable the General Partner to minimize the normal losses
attendant upon a liquidation. Each of the partners shall be fur-
nished with a statement prepared by the partnership's then Cer-
tified Public Accountants, which shall set forth the assets and
liabilities of the partnership as of the date of complete liqui-
dation. Upon the General Partner's complying with the distribu-
tion plan set forth in paragraph 19 hereof (including payment
over to the Attorney-Escrowee if there are sufficient funds
therefor), the Limited Partners shall cease to be such, and the
General Partner, as the sole remaining partner of the partnership, shall execute, acknowledge, and cause to be filed a Certificate of Cancellation of the Partnership.

21. Limit on General Partner's Liability. Anything in this agreement to the contrary notwithstanding, the General Partner shall not be personally liable for the return of the capital contributions of Limited Partners, or any portion thereof, it being expressly understood that any such return shall be made solely from partnership assets.

22. Indemnification. Neither the Partnership nor any partner shall have any claim against the General Partner and the Partnership shall indemnify the General Partner against any liability incurred by him, provided that the acts or omissions giving rise to such claims or liabilities were performed by him for and on behalf of the Partnership and in furtherance of its interests and were performed in good faith in the belief that he was acting within the scope of his authority under this Agreement. The foregoing shall not relieve the General Partner of liability for gross negligence or wilful malfeasance.

23. Notices. All notices provided for in this agreement shall be directed to the parties at the addresses herein set forth and to the partnership at its principal office by Registered or Certified Mail.

24. This agreement may be modified or amended at any time by all the partners.
25. **Binding effect.** This agreement shall be binding upon all the parties and their estates, heirs, legatees, and transferees and assigns.

26. **Agreement in counterparts.** This agreement may be executed in several counterparts, and all so executed shall constitute one agreement, binding on all the parties hereto, notwithstanding that all the parties are not signatory to the original or the same counterpart.

27. **Applicable law.** This agreement and the rights of the parties hereunder shall be interpreted in accordance with the laws of the State of Rhode Island.

IN WITNESS WHEREOF, the parties hereto have executed this agreement as of the day and year first above written.

NOW, THEREFORE, the Partners agree that paragraph 6 of the Amendment be amended in its entirety as follows:

6. Net Income and Losses from Operations and Disposition

6.1 All net taxable income and losses of the Partnership from operations (as distinguished from transactions described in paragraph 6.2) for any year or part thereof shall, except as otherwise provided herein, be allocated to the Partners in proportion to their Percentages.

6.2 All net gains and losses of the Partnership as determined for federal income tax purposes in connection with a refinancing of any mortgage on or the sale, exchange, condemnation (or similar eminent domain taking), casualty or other disposition of all or any part of the assets of the Partnership or any interest therein or following the dissolution and termination of the Partnership, shall, except as otherwise provided herein, be allocated among the Partners in the following order of priority, prior to the distribution of any amounts pursuant to paragraph 4.3 resulting from such event:

a. If all of the Partners have negative balances in their capital accounts, any net losses shall first be allocated to the Partners with the lower negative balances until the negative balances of all of the Partners are equalized on a proportionate basis and thereafter the balance of any net losses shall be allocated to the Partners in proportion to their Percentages.

Re: Four Seasons East Distribution

Dear Mr. St. Germain:

A review of the 1983 distribution calculation for Four Seasons East revealed that the distribution should have been $1,247 instead of $207.

The distribution made on January 31, 1984 was calculated based on the net cash flow for the fourth quarter. The partnership agreement calls for a distribution of annual net cash flow in excess of current obligations and the preferred return.

Enclosed is a check in the amount of $1,040 which represents 2 percent of the remaining net cash flow after the January distribution. Also enclosed is a recap of the annual net cash flow and distribution calculation.

If you have any questions, please contact me.

Very truly yours,

William P. Thornley

Four Seasons East, Limited Partnership  
170 Armistice Boulevard  
Pawtucket, R. I.

Gentlemen,

As requested, I have made a careful inspection of the Four Seasons East for the purpose of estimating the Fair Market Value as of December 31, 1974.

The value range has been derived through the application of the Summation Approach and the Capitalization of Income Approach to value. The Market Approach has not been applied due to the lack of suitable sales of similar properties by which the direct process of comparison can be utilized with any degree of accuracy. Nonetheless, the Market Data is indirectly influential in both the Summation and the Income Approaches. The latter approaches are more pertinent to value where construction is new or properties are under lease or rental agreement.

It is our considered opinion that the subject property, Four Seasons East, had a Fair Market Value on December 31st, 1974 in the amount of:

THREE MILLION, SEVEN HUNDRED SIXTY TWO THOUSAND EIGHT HUNDRED DOLLARS

($3,762,800)

To the Partners of

Four Seasons East Group:

We have examined the statement of assets, liabilities and partners' capital of FOUR SEASONS EAST GROUP (a Rhode Island limited partnership) as of December 31, 1984 and the related statements of revenues and expenses, partners' capital and changes in cash position for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As indicated in Note 2, the Partnership prepares its financial statements on a basis of accounting used for federal income tax reporting purposes. Accordingly, the accompanying financial statements are not intended to present the Partnership's financial position, results of operations, partners' capital accounts and changes in cash position in conformity with generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly the assets, liabilities and partners' capital of Four Seasons East Group as of December 31, 1984 and its revenues and expenses, partners' capital and changes in cash position for the year then ended on the basis of accounting described in Note 2, which basis has been applied in a manner consistent with that of the preceding year.

PART OF SIGNIFICANT ACCOUNTING POLICIES

Depreciation has been provided on the double-declining balance method based on the following lives:

- Buildings: 33 1/3 to 50 years
- Depreciation on office equipment has been provided on the straight-line method based on a five-year life.

The same depreciation methods and lives of properties and equipment have been used for both financial statement and income tax purposes.

(1) Accounts Payable Affiliates

All income and expenses for the partnership are processed and accounted for through an intercompany account. As a result, there are neither trade receivables nor payables on the balance sheet.

(2) Mortgage Notes Payable

The permanent mortgages bear annual interest rates of 7 1/2 and 8 percent and are payable in monthly installments of $22,006 through the year 199. Land and buildings are pledged as collateral on the loan.

(3) Federal Income Tax

No provision has been made in the foregoing statements for Federal income taxes because the partners include all income and expenses in their individual tax returns.

(5) Property and Equipment

Subsequent to December 31, 1972, the Internal Revenue Service (IRS) made certain adjustments reducing the 1972 taxable loss by $40,593. This adjustment was due to the Internal Revenue Service capitalizing certain items expensed in 1972 and extending the lives of certain assets. These adjustments have been retroactively reflected in building and accumulated depreciation accounts in 1972 as an adjustment of a prior period error.

Income taxes assessed by Internal Revenue have been paid personally by the partners and therefore have not been reflected in the financial statements. The 1972 financial statements have been restated to reflect this adjustment.

Provided, however, that such transfer of a partner's interest shall become effective upon such time as the transferee shall agree in writing, to the satisfaction of the general partner, to be bound by the provisions of this paragraph.
The General Partner, whenever it is in the reasonable judgment of the Limited Partners to make such a determination, shall have the power and authority, or power of attorney, to execute and deliver, to the Limited Partners, in the name of and on behalf of the Limited Partners, such instruments as may be necessary and appropriate to carry out the provisions of this paragraph 16, including amendments to the schedules in paragraphs A, B, and C, amendments to the Limited Partnership Certificate required by statute, business certificates and the like.

23 Indemnification. Neither the Partnership nor any partner shall have any claim against the General Partner and the Partnership shall indemnify the General Partner against any liability incurred by him, provided that the acts or omissions giving rise to such claims or liabilities were performed by him for and on behalf of the Partnership and in furtherance of its interests and were performed in good faith in the belief that he was acting within the scope of his authority under this Agreement. The foregoing shall not relieve the General Partner of liability for gross negligence or willful malfeasance.

24 Notices. All notices provided for in this agreement shall be directed to the parties at the addresses herein set forth and to the partnership at its principal office by Registered or Certified Mail.

25 This agreement may be modified or amended at any time by all the partners.

26 Binding effect. This agreement shall be binding upon all the parties and their estates, heirs, legatees, transferees and assigns.

Dear Vendor:

In accordance with Federal Tax Laws, we must file forms 1099 for payments we've made to vendors other than corporations, of at least $600.00. On the form 1099, we must furnish to the IRS the vendor's Federal Identification Number.

Taxpayer Identification Numbers are used to associate and verify amounts reported to the IRS with corresponding amounts on tax returns. Therefore, it is important that you furnish the correct Federal Identification Number (if incorporated) or Social Security Number (most individuals) to us as soon as possible. Please fill in the appropriate box below, sign this letter, and return it to my attention.

Failure to furnish the correct ID number to us may be subject to backup withholding at a 20% rate and a $50.00 penalty to the IRS.

Thank you for your cooperation.

Sincerely,

RE: Parkview Associates

Dear Fred:

I have just completed the additional secondary financing on Parkview and have enclosed a check which represents the proceeds of the new financing. Obviously with this distribution, next year will probably be a little thin but we hope to have a distribution twice in 1986.

I am working on a pro forma for 1986 and when I have finished it I will send one out to all of the partners.

It is always a pleasure to send out a check.

Sincerely,

Roland O. Ferland

Dear Fred:

I am calling a meeting of the Parkview Associates to bring the Limited Partners up-to-date on what my thoughts are. Although it is not mandatory, I feel it is good practice that the Limited Partners know the status of all the projects.

The meeting will be held in the Ferland Corporation Board Room on Tuesday, August 6, 1985 at 11:30 A.M.

Please plan to attend.

Thanking you in advance, I remain,

Dear Congressman St. Germain:

As you know, Parkview Associates had a second mortgage with Ferland Corporation. I have secured outside financing to replace this mortgage. The approximate amount due Ferland Corporation is $239,000. I have secured a mortgage of $250,000 at very favorable rates, and have an $11,000 surplus, the difference between the amount received and the amount due.

I have authorized and am making a cash, tax-free distribution of $10,000 to the partners. The attached check represents your percentage of ownership in this distribution.

Hoping that you have a very Happy Holiday, and your family also, I remain,

Sincerely,

entitled to the same compensation to which the sole testamentary
Trustee would be entitled under the laws of the State of Rhode
Island, without judicial authorization.

7. This Trust has been accepted by the TRUSTEE in the
State of Rhode Island and all questions pertaining to its
validity, construction, and administration shall be determined
in accordance with the laws of said State.

IV. LOCATION

This store is located on the leading street in Providence, in a small shopping area
which services, almost exclusively, Brown University and two other leading
educational institutions. This area will not change significantly, in the foreseeable
future, except to increase in value.

V. USE OF SUBJECT PROPERTY

The property is developed as a prime full service family restaurant for one of
International Industries, Inc. subsidiary companies, the International House of
Pancakes, featuring a highly diversified menu to please every taste, at moderate
prices, and served in a warm and comfortable atmosphere. The restaurant has
only recently opened and volume figures indicate this will be a highly successful
location.

Fiscal 1971 ended August 30, 1971 was the company's most difficult and challenging year since its formation in 1918. Our rapid growth and expansion over the past several years, external economic conditions, a new industry environment and the severe liquidity crisis experienced by the company created conditions demanding change. Your management had to face the necessity of reassessing and revising many long-held business and operational philosophies to be responsive to these changed conditions.

Plagued by prolonged liquidity difficulties and a tight real estate financing market, expansion programs were sharply curtailed. A re-evaluation of the company's posture led to a decision to cease franchising and to convert from franchise to company operations in most of the non-food operations. Businesses and assets no longer suited to our new operating posture were eliminated or marked for divestiture. A significant reorganization of
the company's restructuring was im-
portant. Many operating compa-
nies were combined and many
staff and support functions were
consolidated. Interest and cost con-
tainment and restructuring programs
were implemented.

The fiscal year 1985 was a
year of success and growth.
Although the expenses of con-
structing the new plant were recog-
nized in the related statement of
operations, the company's operations were
burdened by substantial losses in
manufacturing charges.

During this critical period, the
company continued to receive the
support of its many institutional
lenders. As a result of the restruc-
turing and the financial recov-
eries of the past year, the
company was able to reduce the
amount of its debt to approximately $12 million from
$27 million in prior years.

The disposal of one of the
company's most significant
assets, the new plant, resulted
in a significant one-time loss of
approximately $12 million.

Consolidation of division opera-
tions, wherever feasible, was
achieved during the past fiscal year,
resulting in a reduction of
the number of operating divisions.

The company continued to
realize cost savings through the
sale of non-core assets, includ-
ing real estate, in the restaurant
businesses.

The company's restructuring
program has greatly improved the
financial position of the company
and has resulted in a significant
increase in the company's
capital structure.

The company has designed its
business plan and its organiza-
tion for an early return to profit
ability based on clearly identified
opportunities measured by a
stronger set of operating and finan-
cial criteria.

As a result of the application of
these management standards, the
company has achieved significant
differences in operations that
did not meet its criteria. Accordingly,
the company's restructuring
program has greatly improved the
financial position of the company
and has resulted in a significant
increase in the company's
capital structure.

Sawyer Business Colleges and The
Bryman Schools, were also com-
bined into one operating entity in

programs instituted in the past year
will be reflected in fiscal 1972 results.

company-owned operation offers full luncheon menus in most of its units. During the current year, additional cooking capacity was installed, and breakfast selections have been incorporated in some units. The result of these operational changes has caused a sales increase and a repositioning of the Original House of Pies from a specialty bakery-coffee house to a formidable entry in the restaurant marketplace. Fifty-nine Original House of Pies units are now operating in California, Illinois, Oregon, Washington, Nebraska, Iowa, Texas, Colorado, and Arizona, with new openings scheduled for Illinois in the 1972 fiscal year.

The franchise mode was continued for the growing Love's Wood-Fired Barbecue Restaurants in fiscal 1971. This long-standing restaurant group, which was acquired by International Industries in 1970, continues to produce one of the highest average unit volume and profit levels in the restaurant business. Love’s opened
new units in 1971 in California, Washington, Arizona and Nevada and encompassed a total of 37 restaurants at the end of last year. Additional Love's outlets are scheduled for construction in fiscal 1972 in Washington, Oregon, Nebraska and Texas, with future expansion slated into New Mexico, Utah, Colorado and Illinois. Love's features cocktail service and a full luncheon and dinner menu oriented to the middle income family.

Orange Julius of America, with its marketing focus in regional shopping center malls, had 222 outlets at the end of fiscal 1971 in the United States, Mexico, the United Kingdom and Europe and plans to expand to the Far East and into South America. Orange Julius affords International Industries its initial vehicle for growth into foreign markets. Orange Julius' marketing approach was modified to a royalty licensing arrangement in fiscal 1971. Also during fiscal 1971 the company embarked on a test program of full-service snack bars featuring Orange Julius. Called "Gazebo," the new units resemble European sidewalk cafes and are located in areas of heavy pedestrian traffic.

The company-owned Wil Wright's Ice Cream Shoppes serve as a focal point for expanding Wil Wright's ice creams and European ices into new markets. In fiscal 1972, using a licensing method of distribution, the company has selected specialty stores and supermarkets as the primary business targets for Wil Wright's products.

Following the close of fiscal 1971, the Master Hosts membership system and the company-owned Jack Spence Master Hosts Inn in Nashville, Tenn. were sold. Now operating under the Master Hosts International aegis are the Copper Penny...

In fiscal 1971 International Industries' Retail and Education Services underwent a major change in its operating method of distribution.

The Bryman Schools for medical and dental assistants and the Sawyer Business Colleges began their transition during fiscal 1971 from franchised to company-owned operations. With the increase in company operations, the schools have been repositioned for growth and expansion of enrollments in fiscal 1972.

United Rent-All reported an increase in its Military Rent-All operations and an expansion of merchandise at its civilian outlets. A truck rental program was instituted in cooperation with Hertz Corporation.
The strength of our food services companies is especially gratifying. Much has been done in the past year to posture your company for a resumption of profitable operations. Management believes that the internal factors responsible for the loss during fiscal 1971 are not present in the current year thus greatly enhancing the company's profit potential for 1972 and the years ahead.

As International Industries moves into the 1972 fiscal year operating results are validating the actions taken by your management. With the continued loyal support of our employees, retail operators and shareholders, we are confident of success.

Respectfully submitted,

AL LAPIN, JR.
Chairman of the Board

May of 1971 the Company entered into a Loan Agreement with six commercial banks providing for revolving lines of credit. On December 3, 1971, the banks and certain other lenders agreed to amend the Loan Agreement and restructure the unsecured indebtedness of the Company. The financial statements as of August 30, 1971, gave effect to such debt restructuring.

On March 24, 1974, the Company entered into a Credit Agreement with certain lenders, under which it was authorized by the terms and conditions of the agreement to accept note advances, up to certain limits, in an aggregate amount of $30,000,000. Reimbursement of such advances under the terms of the Credit Agreement is made on demand; all advances under the Credit Agreement are due on demand. The Credit Agreement provides for the payment in cash of annual interest at the prime rate or above, at the election of the Company, or the payment in cash of interest at the prime rate plus one percentage point.

Under the terms of the March 24, 1974 Credit Agreement, the Company issued its promissory notes in series with annual interest rates substantially at the prime rate or above. Such series notes aggregated $28,500,000 at August 31, 1974, of which $10,000,000 was due either on demand or on dates between February 28, 1975, and August 31, 1977. $8,500,000 was due on February 28, 1975, and $10,000,000 was due on August 31, 1974.

A First Supplement to Credit Agreement dated November 19, 1971 became effective as of August 31, 1971, pursuant to which the previously issued promissory notes in the aggregate amount of $30,000,000 were exchanged for the following:

- $32,724,000 of Series Promissory Notes with interest at the prime rate or above at which $2,000,000 is due on demand and the balance matures on August 31, 1975.
- $5,021,000 of Convertible Notes due August 31, 1986 with interest at 5½% or at the prime rate until August 31, 1975, 7½% until August 31, 1977 and 8½% thereafter. Interest accrued from August 31, 1973 is payable on October 31, 1975 and semiannually thereafter.
- $19,370,000 of Subordinated Notes of which $7,650,000 represents accrued interest with interest rates and payment provisions the same as for Convertible Notes and $11,720,000 of which is payable on demand and $16,259,000 is due on August 31, 1986.
- $31,081,000 of Series B Preference Stock, $14 stated value, authorized 2,284,353 shares, 2,284,353 shares to be issued of Common Stock, $1 par value, 250,000 shares to be issued in payment of $7,500,000 of accrued interest.

Such debt and equity is classified in the balance sheet as of August 31, 1971 in accordance with the terms of the First Supplement to Credit Agreement.
Notes to Consolidated Financial Statements

Any events of default which may have occurred prior to November 19, 1971 have been waived by the noteholders.

Under the terms of the Series Preferred Notes, Convertible Notes and Sinking Fund Notes, the provisions of the March 24, 1971 Credit Agreement and Security Agreement continue in force. Such notes and the Series B Preference Stock may be redeemed in whole or in part at any time prior to maturity. The notes and the Series B Preference Stock are entitled to the benefits of a contingent sinking fund which provides that proceeds from the sale of certain assets, the sale of securities and certain excess cash flow shall be used to redeem the Series Promissory Notes, the Series B Preference Stock (to the extent permitted by the provisions of the Company's 6% subordinated debentures and Series A Preference Stock) the Sinking Fund Notes and finally the Convertible Notes, in that order.

The Convertible Notes are convertible at any time prior to maturity or redemption into an aggregate of 10.25%, or the sum of common shares outstanding and common shares reserved for issuance at the time of such conversion. At the present time the conversion price is $7 per share which would result in the issuance of 503,015 shares of all of the notes were converted. Further, a maximum of $1,789,790 of the Sinking Fund Notes may become convertible into a maximum of 541,856 shares of common stock in the event that the Series B Preference Stock has not been redeemed on or before March 31, 1976, with a prorata reduction on such convertibility in the extent there has been partial redemption of the Series B Preference Stock on or before March 31, 1976.

The Convertible Notes and the Sinking Fund Notes impose certain restrictions which include the following the Company cannot without prior consent, issue any common stock or securities convertible into common stock except for those common, are outstanding at August 20, 1971, excluding common shares reserved for issuance under the First Supplement to Credit Agreement (see Note 8) to any declare or pay any dividends or make any distributions on any of its capital stock except for dividends on the Series A and B Preference Stock and stock dividends, nor can it acquire any capital stock except the Series B Preference Stock.

See Note 8 of notes to financial statements for a description of the Series B Preference Stock.

2 Discontinued Operations and Basis of Presentation

During the year ended August 29, 1971, the Company discontinued the franchise method of operation in a number of its companies and repurchased certain franchises in such companies with the intention of either operating them as Company units or closing them. The cost of repurchasing such franchises in excess of the fair value of the tangible assets acquired ($2,811,000) has been included under the caption "Excess of cost over net assets of businesses purchased" in the income statement and is being amortized over the
The accompanying consolidated statement of operations reflects the operations of the discontinued franchise, activities, and the operations of the Company's discontinued and/or divested businesses in both discontinued and ongoing operations. Revenue from such discontinued operations amounted to $25,324,000 in 1971 and $22,510,000 in 1970.

On the balance sheet, $365,000 is not shown amortized since, in the opinion of the Company, there is no evidence of limited life of this asset.

Extraordinary items incurred during the year ended August 30, 1970 are comprised of a net gain on sale of two companies ($1,050,000), losses incurred in connection with the abandonment of six businesses ($1,787,000), the sale of certain marketable securities ($427,000) in each case net of applicable federal income taxes of $241,000, and Federal income tax benefit of $366,000 relative to available operating loss carry forwards.

The financial statements for the year ended August 30, 1970 have been reclassified to conform to the current year's presentation.
3 Accounting for Franchise Fees and Equipment

Upon the signing of a franchise agreement, the Company records the cash and note received in payment of the franchise fee as deferred income. Deferred costs and expenses, not in excess of the franchise fee, are deferred and recorded as a reduction of deferred income until the franchised unit is opened at which time the Company recognizes franchise fee income and related costs and expenses in its consolidated statement of operations. The franchise notes are substantially due in installments over ten years.

Equipment is leased to franchisees for the life of the franchise agreement, generally 15 to 20 years. Such lease contracts are accounted for under the "finance method." The portion of the total lease payment which represents profit on the sale of equipment is reported as income in the year in which the franchised unit is opened. The portion which represents imputed interest is deferred and reported as income over the term of the lease.

4 Real Estate Held for Sale

Real estate held for sale is composed of retail operating units. Historically, the Company has financed the acquisition of such units through build-to-suit and sale and leaseback transactions with investors and has subleased the properties to franchisees at aggregate rentals in excess of those paid by the Company.

Real estate taxes and interest incurred during construction are capitalized. After construction is complete, rents received from franchisees in connection with operating units are recorded as income, depreciation and real estate carrying costs are charged against income until such time as a sale and leaseback agreement is consummated.

The Company intends to sell such real estate substantially at cost under sale and leaseback agreements. In the opinion of management, the economic and market conditions which in fiscal 1971 seriously affected the Company's ability to dispose of such real estate within the year may continue. For this reason only that portion of the real estate held for sale which the Company believes can be disposed of during fiscal 1972 has been classified as a current asset.

5 Inventories

Inventories which consist of reacquired franchises related to continuing franchise operations, equipment held for resale ($3,446,000, 1971 and $0,776,000, 1970) and merchandise and supplies ($3,079,000, 1971 and $4,258,000, 1970) are stated at the lower of cost or market, on a first-in, first-out basis. The carrying value of reacquired franchises and equipment held for resale represents the uncollected balances of franchise receivables and costs of reacquisitions, which amounts do not exceed estimated resale value.
Long Term and Subordinated Debt

Long-term debt is summarized as follows:

- Notes payable to lenders under First Supplement to Credit Agreement (see Note 1):
  - To 7% notes payable principally to banks with latest maturity in 1970
  - 5% to 10% unsecured notes payable due in various installments through 1985
  - 4% to 14% mortgage loans payable, due in various installments through 1972

- Other notes and contracts payable at various interest rates due in installments through 1970

Subordinated debt is summarized as follows:

- Subordinated Debentures due January 1, 1987 with annual sinking fund requirements from 1970 to 1997
- Subordinated notes due 1984, convertible into 24.43 common shares

Income Taxes:

The Company has provided deferred Federal and state income taxes, to the extent tax benefits were available, in recognition of timing differences in reporting certain items of income and expense (principally lease fees, equipment lease contracts and deferred costs) in the tax returns from amounts reported in the financial statements.

Previously provided net deferred income tax credits have been applied as a reduction of the tax reported in the accompanying financial statements.

The net operating loss carry forward for Federal income tax purposes estimated at approximately $37,000,000, expires in varying amounts during the ensuing five year period ending in 1976.

8 Preference Stock:

The preference stock is issuable in series with such conversion, liquidation, redemption, voting and dividend rights as may be fixed by the Board of Directors in providing for the issuance thereof. Each share of the first series, designated Series A 5 1/2 Cumulative Convertible Preference Stock, is voting and is convertible into 1.31 shares of common stock or is redeemable at $100 per share from March 26, 1972 through March 26, 1973 at $50 per share from March 27, 1973 through March
26, 1974 and at $65 per share thereafter, plus accrued dividends in each case. In the event of involuntary liquidation each share would receive $38.88 plus accrued dividends. At August 30, 1971, the Company has reserved 1,422,367 shares of its common stock for conversion.

In the event that six or more quarters dividends on the Series A Preference Stock are in arrears, in whole or in part, then the holders of all series of preference stock, as to which there is then such an arrearage shall, by written notice as a separate class, elect three members of the Board of Directors in addition to those then in office. Such right to elect three directors may be exercised until the dividends in arrears have either been paid in full or funds sufficient therefor set aside. At November 22, 1971, three quarterly dividends ($1.384,000) on the Series A Preference Stock are in arrears.

While any of the Series A Preference Stock shall be outstanding no dividend shall be paid or declared, nor shall any distribution be made on any junior stock of the Company (except in shares of the same class or series of junior stock of the Company), nor shall any shares of such stock be acquired by the Company or any of its subsidiaries (except shares acquired in settlement of a bona fide dispute with a shareholder at, after giving effect to such dividend, distribution or acquisition, the aggregate payments for all such purposes would exceed the sum of $737,000).

The Series B Preference Stock is junior only to the Company's Series A Preference Stock. The Series B Preference Stock was entitled to receive $1.40 per share divide and accrued dividends until October 1, 1976 at which time dividends accrue and are cumulative at the rate of 5% per annum ($1.50 per share) and are non-convertible until March 31, 1976. At which time unless it has been previously redeemed it becomes convertible into a maximum of 34.75% of the sum of common shares outstanding and common shares reserved for issuance as of March 31, 1976. There are certain restrictions on the transferability of such preference stock until it becomes convertible.

In the event that six or more quarters dividends on any series of preference stock are in arrears, then the holders of Series B Preference Stock are entitled to elect two members of the Board of Directors in addition to the then number of Directors until payment of arrearages is made or funds are set aside for payment.

In addition the Company cannot without prior consent, increase the authorized Preference Stock at par value issuable in series beyond the present authorized 3,000,000 shares nor can it authorize or issue shares of any class or capital stock which would rank on a parity with or above the Series B Preference Stock.

Commencing September 1, 1976, the Company is required to establish a mandatory sinking fund for the retirement of the Series B Preference Stock by annual payments sufficient in total over 25 years to retire 28.345 of such preference shares each year to and including September 1, 1931.

In the event of involuntary liquidation each share is entitled to receive $1.40 per share divide and accrued dividends until September 1, 1976, and $1.40 per share thereafter.
The series designated Series L Junior Convertible Preference Stock was issued in August 1970. Each share has one vote and is convertible at any time into one share of common stock. On September 1, 1973, the Company is required to purchase all or the outstanding Series L Preference Stock not previously sold or converted at a price of $34.55 per share.

The Company is required to make semiannual deposits to a sinking fund from February 28, 1971 to August 31, 1975 at the respective amounts of $22,610.00 payable in the manner previously sold or converted. Prior to September 1, 1975, the Company may require the preferred shareholders to sell all or a part of the Series L Preference Stock or convert some shares and sell the common stock into which such shares are convertible. The Company must pay to the selling shareholders the difference, if any, between the selling price and the greater of $34.55 per share or $2.00 less than the market value of the Company's common stock at that time, payable in cash if consummated prior to September 1, 1973 or in convertible promissory notes at $34.55 if consummated after September 1, 1973. The Series L shareholders are entitled to a non-cumulative dividend of $1.00 per share before any cash dividends may be paid on common stock. If the Company has paid or set aside in any fiscal year a cash dividend of $1.00 per share on each of such shares, the Series L and common shareholders thereafter share additional dividends proportionately. In the event of involuntary bankruptcy, each share would receive $1.55.

During the fiscal year 1971, the Company approved a Non-Statutory Stock Option Plan under the terms of which options may only be exercised in lieu of an identical previously existing qualified option. Options are granted at not less than market value on the date of grant and expire five years after grant. No option may be granted to any person who owns stock on the Company possessing more than 5% of the combined voting power of all classes of issued voting stock.

10 Income (Loss) Per Share

Loss per share for the year ended August 29, 1971 is based on the weighted average number of common shares outstanding during the year (5,287,000 common shares). Common equivalent shares have not been included in the computation of loss per share since such inclusion would be antidilutive. Income per share for the year ended August 30, 1970 is based on the weighted average number of common shares outstanding increased by the equivalent number of shares issuable upon conversion of preference stock and exercise of outstanding options and warrants (6,894,020 common and common equivalent shares).

11 Commitments and Contingent Liabilities

The Company is a defendant in a number of actions brought under Federal antitrust laws by franchisees arising out of the routine operations of International House of Pancakes franchise restaurants. The court has recently declared such actions to be maintainable as class actions on behalf of all International House of Pancakes franchisees who elect to join therein. Such order does not constitute any expression of opinion by the court as to the merits of the actions, which in the opinion of counsel to the Company are without merit. At this date, it is not known how many additional franchisees, if any, will participate as plaintiffs in such actions.
Minimum annual rentals under leases in effect at August 29, 1971 approximate $13,500,000. Many of the leases require the Company to pay additional amounts based upon a percentage of the sales at the location as well as property taxes, insurance and other charges. Such leases expire at various dates through 2018. Substantially all properties covered by such leases are subleased to franchisees for the term of the Company's lease, at rental rates generally in excess of that paid by the Company.

At August 29, 1971, the Company has entered into contracts relating to the construction of restaurant or store sites aggregating approximately $400,000. In addition, the Company is committed to purchase approximately $500,000 of restaurant and store equipment. The Company is contingently liable for discounted notes and other obligations of approximately $4,500,000 at August 29, 1971.

Each of the premises described in EXHIBIT A and EXHIBIT B shall be considered separately in determining the additional rental provided for by this Paragraph 4.

5. THE BUSINESS. LANDLORD hereby acknowledges that INTERNATIONAL INDUSTRIES, INC., its divisions, affiliates and subsidiaries, hereinafter referred to collectively as INTERNATIONAL, are engaged in the business of franchising, licensing and operating pancake houses, hereinafter called the BUSINESS. TENANT agrees that the premises shall be used solely as a pancake house or restaurant and for no other purpose; LANDLORD further acknowledges that the buildings in which the BUSINESS are operated are painted with a unique combination of colors, namely, blue, white and persimmon, and have unique logos and drawings, and turnposts of novel design. LANDLORD further acknowledges that said distinctive features, through extensive advertising, promotion and use,
as well as uniformity of service, products and business methods, have become identified by the public throughout the nation with INTERNATIONAL's operations and have acquired a secondary meaning, indicating said INTERNATIONAL's operations. INTERNATIONAL has thereby acquired property rights of great value in the distinctive features and all trademarks, trade names, trade secrets, signs and symbols relating thereto which can be protected only by confining the use thereof to buildings housing the business operated by INTERNATIONAL or its franchisees or licensees. It is, therefore, agreed that the use of said distinctive features in a building housing any business other than the business operated by INTERNATIONAL, its franchisees or licensees will cause irreparable injury to INTERNATIONAL, its franchisees and licensees for which there is no adequate remedy at law.

LANDLORD further agrees for the benefit of TENANT and INTERNATIONAL that if, for any reason other than TENANT'S default this lease be terminated by lapse of time or otherwise, TENANT may at its own expense, remove the distinctive features hereinabove enumerated from said building, substituting colors selected by the LANDLORD in place thereof. In the event of a breach of this agreement by LANDLORD, LANDLORD agrees that TENANT or INTERNATIONAL will be entitled to an immediate injunction from a court of equity to compel LANDLORD to comply with this agreement and to prevent LANDLORD from making or permitting any use of the demised premises until LANDLORD has so complied.

All of the rights of the tenant under the provisions of Section 5 set forth above shall be conditioned upon, and subject to, the TENANT complying with its obligations under this lease and not committing any breach of, or default under, the provisions.
of this lease. Further, the LANDLORD shall have no responsibility for any violation of the provisions of this section by any person other than himself.

6. **USE OF PREMISES.** TENANT shall use the premises for the purpose of conducting thereon the business or incidental purposes related thereto, or for any other legally permissible restaurant business; provided, however, that TENANT shall not use the premises in such a manner as to violate any applicable law, rule, ordinance or regulation of any governmental body.

7. **LIABILITY FOR DAMAGES:** TENANT, as a material part of the consideration to be rendered to the LANDLORD, hereby waives all claims against the LANDLORD for damage to goods, wares and merchandise, in, upon, or about the premises, and for injuries to persons in or about the premises from any cause arising at any time. The TENANT further agrees on the commencement of the term of this lease to take out public liability insurance covering the premises. Said policy or policies shall be for an amount of at least three hundred thousand dollars ($300,000.00) for death or injury to one person, and five hundred thousand ($500,000.00) for death or injury to two or more persons, plus fifty thousand dollars ($50,000.00) property damage, which said policy or said policies of insurance shall name the LANDLORD as an additional assured thereunder, and TENANT agrees to maintain same at TENANT's sole cost and expense in full force and effect during the entire term of this lease. TENANT shall furnish the LANDLORD with a copy of such insurance coverage, or with a certificate of the company issuing such insurance, certifying that the same is in full force and effect. The TENANT may, at its option, bring
its obligations to insure hereunder under any so-called blanket policy or policies of insurance; provided, however, that the interests of the LANDLORD shall be as fully protected thereby as if TENANT obtained individual policies of insurance. Each policy or certificate of insurance which shall be issued pursuant to the provisions of this section shall be issued by an insurance company that shall be licensed to do business in the state where the premises are located, and shall be a company that shall be acceptable to LANDLORD. The LANDLORD shall be reasonable in the exercise of his discretion in giving or withholding approval of any such insurance company.

6. COVENANTS AGAINST LIENS; INSPECTION. TENANT shall indemnify and save LANDLORD harmless from and against any lien or claim of lien attached to or upon the premises or any part thereof by reason of any act or omission on the part of the TENANT.

LANDLORD, or LANDLORD's agent, shall at all reasonable times have the right to enter upon the demised premises for the purpose of inspecting the same, and for the purpose of posting or keeping posted notices of non-responsibility or any or all forms of notice reasonably necessary or proper to protect LANDLORD or the premises against mechanics' or materialmen's liens, or charges, or other liens or charges which might or could arise out of the use of the premises by TENANT, or the construction of the improvements or the making of alterations or repairs to the premises.

9. BANKRUPTCY OR INSOLVENCY. If at any time during the term hereof proceedings in bankruptcy shall be instituted by or against the TENANT, and result in an adjudication or bankruptcy, or if the TENANT shall file, or any creditor of the TENANT shall file any petition under Chapter X or Chapter XI of the Bankruptcy
Act of the United States of America, as the same are now in force or may hereafter be amended, and TENANT be adjudicated bankrupt, or if a receiver or trustee of the business or assets of TENANT be appointed and such appointment be not vacated within thirty (30) days after notice thereof to TENANT, or if the TENANT makes an assignment for the benefit of creditors, or if any sheriff, marshal, constable, or keeper takes possession of the premises or assets located thereon by virtue of any attachment or execution proceedings and offer same for sale publicly, then LANDLORD may, at its option, in either or any of such events, terminate this lease. Upon such termination all installments of rent earned to the date of termination and unpaid shall at once become due and payable, and in addition thereto LANDLORD shall have all rights provided by the bankruptcy laws relative to the proof of claim on an anticipatory breach of an executory contract.

10. ASSIGNMENT. TENANT may not assign this lease in whole or in part without first obtaining the prior written consent of LANDLORD, which consent shall not be unreasonably withheld; provided, however, the giving of consent by the LANDLORD shall not release the TENANT from its primary liability for the full and complete performance of the TENANT's obligations under this lease; and, provided further, that TENANT may, without such consent, assign this lease in whole or in part as security or otherwise to any corporation controlled by, controlling or under common control with TENANT (it being understood that TENANT shall remain liable hereunder) or to any surviving corporation
resulting from a merger or consolidation of the TENANT with any other corporation or to any corporation which purchases or otherwise acquires all or substantially all of the assets of the TENANT. Any consent to an assignment shall not be deemed to be a consent to any subsequent assignment. Any assignment by TENANT other than in accordance with this Section 10 shall be voidable by LANDLORD for a period of sixty days after acquiring knowledge by written notice of such assignment; provided, however, failure on the part of the LANDLORD to take any action within said sixty-day period shall not be deemed to release the TENANT from primary liability under the terms of this lease.

TENANT or its assignees shall have and is hereby given, the unqualified right and privilege at its option of subletting the demised premises, in whole or in part, subject to all of the rents, terms and conditions of this lease. It is specifically understood and agreed by and between LANDLORD and TENANT that any subletting which TENANT or its assignees make, as permitted herein, shall in no event relieve TENANT of the obligations of TENANT hereunder, and that the right of subletting shall be that of TENANT or its assignees only, and shall not extend to any subtenant.

11. **TAXES.** TENANT shall pay or cause to be paid before delinquency all taxes, assessments, or charges and in such event shall indemnify and hold LANDLORD harmless from any cost, expense or penalties in connection therewith. LANDLORD shall authorize and instruct the assessing and taxing authorities to forward all such tax bills to TENANT. TENANT shall furnish LANDLORD with proof of payment of taxes within thirty (30) days after the taxes...
are paid.

12. **DEFAULT.** If TENANT shall fail to make any payment of rent, or of taxes, interest on taxes, or insurance premiums, within ten (10) days after same shall be due under the provisions of this lease, the TENANT shall be considered in default. In such an event, the payment of rent shall be subject to a five per cent (5%) late charge, which sum shall be considered as additional rent due for the month during which said default occurred. In the event of the TENANT's failure to pay the rent (including the late charge), or the taxes, the interest on taxes, or insurance premiums required of it, for a period of thirty (30) days, the LANDLORD may, at his option, accelerate and declare immediately due and owing the entire balance of the rent to be paid under this lease for the remainder of the twenty year term. With regard to any default other than arising from the failure of tenant to pay rent, taxes, interest on taxes, or insurance premiums, the TENANT shall have thirty (30) days after receipt of written notice from LANDLORD to cure said default, or a reasonable time after receipt of such notice if such default could not be cured within thirty (30) days by TENANT's diligent efforts. In the event of TENANT's failure to cure said default within the time provided, LANDLORD may, at his option, accelerate and declare immediately due and owing the entire balance of the rent to be paid under this lease for the remainder of the twenty year term. Also, in the event of the TENANT's failure to cure any of the defaults hereinbefore provided, within the time hereinbefore provided, LANDLORD may, at its option, at any time thereafter during the continuance of such default, declare this lease terminated, re-enter and take possession of the premises pursuant to applicable provisions of
law.

Should LANDLORD be required to enforce the provisions of this lease against TENANT in any judicial proceedings, or to retain the services of an attorney in connection with the enforcement of LANDLORD's rights hereunder, or in the event LANDLORD shall terminate this lease for any breach, in addition to any other remedies LANDLORD may have, LANDLORD may recover from TENANT all the damages LANDLORD may incur by reason of such breach, including reasonable attorney's fees and cost of recovering the premises, and including the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this lease for the remainder of the stated term over the then reasonable rental value of the premises for the remainder of the stated term.

LANDLORD agrees that if LANDLORD fails to pay any installment of taxes, or assessments (other than provided for herein to be paid by TENANT) or any interest, principal, costs or other charges upon any mortgage or mortgages or other liens and encumbrances affecting the premises and to which this lease may be subordinate when any of the same become due, or in any other respect fails to perform any covenant or agreements in this lease contained on the part of LANDLORD to be performed, then and in any such event or events, TENANT, after the continuance of any such failure or default for thirty (30) days after notice in writing thereof is given by TENANT to LANDLORD, may pay said interest, principal, costs, and other charges and cure such defaults all on behalf of and at the expense of
and make all necessary payments in connection therewith including but not limiting the same to payment of any reasonable counsel fees, costs and charges of or in connection with any legal action which may have been brought, the LANDLORD agrees to pay to TENANT forthwith the amount so paid by TENANT, together with interest thereon at a rate which is one-half of one per cent per annum above the prime rate but in no event higher than the maximum rate allowed by applicable law, and agrees that tenant may withhold any and all rental payments and other payments thereafter becoming due to LANDLORD pursuant to the provisions of this lease or any extension thereof, and may apply the same to payment of such indebtedness of LANDLORD to TENANT until such indebtedness is fully paid with interest thereon as herein provided. Nothing herein contained shall preclude TENANT from proceeding to collect the amount so paid by it as aforesaid without waiting for rental offsets to accrue, and if at the expiration of this lease or any extension thereof, there shall be any sums owing by LANDLORD to TENANT, this lease may at the election of TENANT be extended and continued in full force and effect until March 31st of the year following the date when the indebtedness of LANDLORD to TENANT shall have been fully paid.

The TENANT agrees that if TENANT fails to pay any taxes or assessments required to be paid by the TENANT under any provisions of this lease, or the TENANT shall fail to maintain the interior or exterior of the premises as required by this lease, LANDLORD may pay such tax or assessment, and pay for the proper maintenance and repair of the premises, and make all necessary
payments in connection therewith including but not limiting the
same to payment of any reasonable counsel fees, costs and charges
of or in connection with any legal action which may have to be
brought, and TENANT agrees to pay to LANDLORD, as additional rent,
all such amounts so paid by LANDLORD, together with interest
thereon at a rate which is one-half of one per cent per annum
above the prime rate but in no event higher than the maximum rate
allowed by applicable law; provided, however, that with regard
to the maintenance and repair of the building, LANDLORD shall not
make any payments in connection therewith until after the contin-
uation of TENANT's failure or default for thirty (30) days after
notice in writing thereof is given by LANDLORD to TENANT, except
in the case of emergency repairs which may be necessary to
temporarily preserve the premises after any serious casualty or
act of God.
13. NON-DEFAULT OF TENANT. It is understood and agreed that
LANDLORD may transfer title to either of the premises described
in EXHIBIT A and/or EXHIBIT B, subject to the terms and conditions
provided herein; provided, that in the event of any change in or
transfer of title of LANDLORD in or to the demised premises, or
any part thereof, whether voluntary or involuntary, or by the
act of LANDLORD or by operation of law, TENANT shall be under no
obligation to pay rents thereafter accruing until notified in
writing by LANDLORD, his heirs, executors, administrators or
successors or assigns, of such change in title and being given
satisfactory proof thereof, and that the withholding of such
rents in the meantime shall not be in any sense a default upon
14. **UTILITIES.** TENANT shall pay directly to the applicable company the cost of all utilities consumed on the premises, including but not limited to power, electricity, gas, water, and telephone. In the event the TENANT shall request the LANDLORD to convey any utility easements reasonably required in connection with TENANT's operation of the BUSINESS from the premises, LANDLORD shall notify TENANT of his decision concerning said request within thirty (30) days after LANDLORD shall receive such request, in writing, from TENANT, and LANDLORD will not unreasonably withhold his consent to any such request. In the event LANDLORD shall fail to notify TENANT within thirty (30) days of his answer to said request, and only in that event, LANDLORD hereby appoints TENANT his attorney in fact to execute any and all documents required to convey required utility easements in, on, under and over the premises in all manners permitted by this lease and further agrees to cooperate with TENANT and execute those documents required to be executed by LANDLORD to obtain such utility easements.

15. **INSURANCE WAIVER.** LANDLORD hereby expressly waives any and all claims against TENANT for loss and/or damage arising or resulting from the occupancy of the demised premises and/or from any operation conducted therein or thereabouts caused by fire and/or other perils insured under standard form fire insurance policies with extended coverage endorsements regardless of the cause of such damage, including damage resulting from the negligence of TENANT or its agents, servants, employees or invitees;
provided, however, the aforesaid waiver by the LANDLORD shall
occur only to the extent that any such damage and loss shall be
paid by the insurance company that shall have issued said insur-
ance policies.

16. INSURANCE. TENANT will, at TENANT's own cost and expense,
carry and maintain fire insurance with extended coverage endorse-
ment and flood insurance, if available, for the benefit of LAND-
LORD and TENANT on all buildings erected upon the premises in an
amount equal to one hundred per cent (100%) of the full insurable
value thereof, excluding foundation and excavation costs. As
often as any such policy or policies shall expire or terminate,
renewal or additional policies shall be procured by TENANT in like
manner and to like extent. Proceeds of any such policies, in the
event of fire or other casualty, shall be payable to LANDLORD and
TENANT as their respective interest may appear. The initial
policies or certificates evidencing said insurance shall be
delivered to the LANDLORD within thirty (30) days of the signing
of the lease, and any replacements therefor shall be delivered at
least ten (10) days prior to expiration of termination of any
coverage then in force. In the event such insurance shall not be
provided LANDLORD as hereinbefore provided, the LANDLORD shall
have the option of purchasing same and the cost, plus interest
at the maximum legal rate, shall be due from TENANT as additional
rent on the first day of the month next following such purchase.

TENANT may, at its option, bring its obligations to insure
this section within the coverage of any so-called blanket policy
or policies of insurance which TENANT may now or hereafter carry,
by appropriate amendment, rider endorsement, or otherwise, provided, however, that the interest of LANDLORD shall thereby be as fully protected as they would be otherwise if this option to TENANT to use blanket policies were not permitted. Copies of certificates of any such policies shall be delivered to LANDLORD within thirty (30) days after the commencement of this lease. All such policies shall contain a clause or endorsement to the effect that it may not be terminated or materially amended except by compliance with Rhode Island law, after written notice to the LANDLORD.

All such policies and certificates shall be issued by insurance companies that shall be acceptable to both LANDLORD and to any lending institution that shall hold or accept a mortgage on the premises; provided, however, LANDLORD agrees that he will not unreasonably withhold his approval of any insurance company designated by TENANT. All such policies and certificates shall be issued by insurance companies that shall either be licensed to do business in the state where the premises are located, or that shall provide the LANDLORD with a legally binding undertaking granting the LANDLORD the option of filing any suit under the policy in the State of Rhode Island.

17. DESTRUCTION OF BUILDING. If the building on said premises shall be damaged or rendered untenantable by fire or other casualty or as a result of any act of God, TENANT shall repair or replace said building so that TENANT may continue in occupancy. There shall be no abatement in rent, nor any reduction in rent, during the period of time that the premises shall be damaged or rendered untenantable. TENANT shall have the access to any
insurance proceeds available by reason of such damage or destruction to the building. It is further understood and agreed that in case of any damage or destruction occurring during the last five (5) years of the original term of this lease, or during any extension of the term, to the extent of fifty per cent (50%) or more of the insurable value of the building, TENANT may at TENANT's option, to be evidenced by notice in writing given to LANDLORD within thirty (30) days after the occurrence of such damage or destruction, in lieu of repairing or replacing said building, elect to terminate this lease as of the date of the damage or destruction, in which event LANDLORD shall be entitled to receive the proceeds of any insurance representing the insured value of the building exclusive of any such proceeds which are attributable to the furniture, fixtures and equipment of TENANT referred to in section 22 below, which such latter proceeds shall belong to TENANT. In the event the TENANT shall elect to terminate the lease during the last five (5) years as a result of damage or destruction as hereinabove provided, and in the further event that the insurance proceeds shall be insufficient to fully repair said damage or to replace said building, then TENANT shall, as an additional condition to its right to terminate the lease, pay to LANDLORD the difference between the insurance proceeds and said cost of repairing or replacing the building.

18. CONDEMNATION. If all of the premises shall be taken or condemned for a public or quasi-public use, this lease shall terminate as of the date that possession shall vest in the
condemnor. In the event of such termination, both parties shall be released from any and all further obligation hereunder, and all of the proceeds paid by the condemning authority for the taking shall be the property of the LANDLORD.

If any part of the premises, but less than all, shall be taken or condemned for a public or quasi-public use, and a part thereof remains which is reasonably suitable for the use of the premises made by TENANT immediately prior to such condemnation, this lease shall continue in full force and effect for the balance of the term thereof; provided, however, that the annual rental paid by the TENANT shall be reduced by an amount equal to twelve (12%) per cent of the net proceeds received by the LANDLORD from the condemning authority for the taking, said net proceeds to be the amount paid by the condemning authority less attorney's fees, costs and expenses incurred by LANDLORD in connection therewith.

In the event so much of the premises is taken or condemned that, in the reasonable judgment of TENANT, the aforesaid use by TENANT shall be substantially impaired, then the TENANT shall have the option of either:

a. Continuing the lease upon the reduced rental formula provided for above; or
b. Terminating the lease by purchasing in fee simple title to the premises from the LANDLORD for the sum of Two Hundred Sixty-three Thousand Three Hundred Twenty Dollars ($263,320.00) for the premises at 1045 Reservoir Avenue, Cranston, Rhode Island, or Three Hundred Eleven Thousand Four Hundred Forty Dollars.
($311,440.00) for the premises at 228 Meeting Street, Providence, Rhode Island.

The TENANT shall have thirty (30) days from the date that possession shall vest in the condemnor within which to exercise the above options. In the event that TENANT shall fail to give LANDLORD written notice of its intentions within said thirty (30) day period, then the TENANT shall be conclusively presumed to have designated the option contained in subparagraph a. above, it shall accompany said notice with a deposit equal to ten percent (10%) of the purchase price, and shall within thirty (30) days thereafter pay the balance of the purchase price, less any mortgage which may then encumber the premises, to the LANDLORD in cash. The LANDLORD shall convey good and marketable title to the TENANT subject only to:

(1) The unpaid principal balance of any mortgage for which the TENANT shall receive credit against the purchase price; and

(2) Any other conditions of title which existed at the time LANDLORD acquired title, or were subsequently caused by or consented to by the TENANT.

19. **SHORT FORM LEASE.** Simultaneously with the execution and acknowledgment of this lease, the parties shall execute a "short form" lease for recording purposes. In no event shall such "short form" set forth the rental or other charges payable by the TENANT under this lease, and such "short form" shall expressly state that it is executed pursuant to the provisions contained in this lease and is not intended to vary the terms
and conditions of this lease. In the event that LANDLORD or TENANT shall terminate and cancel this lease pursuant to the provisions contained herein for any cause other than LANDLORD's breach thereof, TENANT shall prepare, execute, and deliver to LANDLORD a release and cancellation of this lease.

20. **SUBORDINATION.** TENANT agrees upon request of LANDLORD to subordinate this lease and its rights hereunder to the lien of any mortgage, deed of trust or other voluntary hypothecation charged against the premises or any land, building or improvements included therein, or of which the premises are a part, or any portion or portions thereof, which mortgage, deed of trust or other voluntary hypothecation is to be recorded. TENANT further agrees to execute at any time and from time to time such documents as may be required to effectuate such subordination; provided, however, that TENANT shall not be required to effectuate such subordination or other documents hypothecating any interest in the premises unless the mortgagee, or hypothecary creditor named in such mortgage shall first agree in writing that so long as TENANT is not in default of any of the terms, covenants or conditions of this lease, neither this lease nor any of the rights of TENANT hereunder shall be terminated or modified or be subject to termination or modification by virtue of any provision of such mortgage, or other hypothecation, or any sale of the premises upon foreclosure or other exercise of remedies by such mortgagee, beneficiary or hypothecary creditor.

21. **ALTERATIONS AND IMPROVEMENTS.** TENANT may, provided the value of the premises is not thereby impaired, at its option, make improvements of the premises or may install or replace
equipment, lighting, partitioning or furnishings within the premises at its sole cost and expense as may be required by the business conducted therein. All furniture and equipment other than air conditioning, heating and lighting systems so installed shall remain the property of TENANT and may be removed from the premises at any time during the term or at the termination of TENANT's occupancy hereunder, provided that the lease shall not be in default, and provided that any damage caused by such removal shall be repaired by TENANT. TENANT may elect not to remove any or all of such equipment and furnishings in which case the same shall become the property of LANDLORD upon TENANT's surrender of the premises. TENANT agrees that any and all alterations or additions shall be made in compliance with the building codes and ordinances, laws and regulations applicable to the premises; provided, however, there shall be no structural changes to the building without the LANDLORD's consent, which consent will not be unreasonably withheld. Should a building permit or other permit be required by TENANT to accomplish said improvements, LANDLORD will not unreasonably refuse to execute all documents required to obtain said permits including dedication documents if such are required to obtain said permits.

22. PERSONAL PROPERTY. It is agreed that all furniture, fixtures and equipment installed by TENANT in the premises shall at all times be and remain personal property, regardless of the method in which the same is affixed to the premises and may be removed by TENANT at the expiration or sooner termination of this
lease; provided this lease shall not then be in default. TENANT shall, at its expense, repair any damage to the building caused by such removal. It is agreed that the air conditioning, heating and lighting systems contained in the building may not be removed unless they are replaced with better systems, and all such systems when installed in the building shall, upon the termination of this lease, become the property of the LANDLORD.

The LANDLORD is hereby granted a lien on all of the personal property of the TENANT in the building, which lien is given to secure the performance by the TENANT of all of its obligations hereunder. The LANDLORD agrees to subordinate his lien once on each item of furniture, fixtures and equipment installed on the premises by the TENANT, said subordination to be given at the time of the initial purchase of any item of furniture, fixtures and equipment, or subsequent to its initial purchase, but in any event such subordination shall be given only once on any individual item of personal property. Further, no such subordination shall be given with regard to the air conditioning, heating and lighting systems installed in the building. Further, any such subordination shall be conditioned upon the party to whom said subordination is given agreeing to repair any damage which may be caused to the premises upon the removal of said personal property by said third party. LANDLORD shall execute any waivers, consents, or other documents reasonably required by TENANT or any third party to effectuate the terms of this section.

-23-
23. COVENANT OF QUIET ENJOYMENT. LANDLORD covenants and agrees to and with TENANT that at all times when TENANT is not in default under this lease and during the term of this lease, TENANT's quiet and peaceable enjoyment of the premises shall not be disturbed or interfered with by LANDLORD or any person claiming by, through or under LANDLORD.

24. SIGNS. TENANT may affix, erect and maintain on the premises such signs or advertisements as TENANT shall deem reasonably necessary to the conduct of its business; provided, however, that the cost of erection and maintenance of any such sign or advertisement shall be the responsibility of TENANT.

At the expiration or termination of this lease, and provided this lease shall not then be in default, TENANT may, at its option, remove all signs and other identifying logos from the premises and repaint the building with colors selected by the LANDLORD so as to eliminate TENANT's distinctive color combinations. Provided the lease shall not be in default, LANDLORD shall not thereafter permit such distinctive colors or color combinations, signs or other identifying marks, to be used on the premises. Any such removal of signs and other identifying marks from the premises and repainting of the building shall be done within ten (10) days after the termination of the lease.

25. HOLDING OVER. Any holding over by TENANT after expiration of the term hereof or any extension thereof shall be construed as a tenancy from month to month, subject to all the conditions of this lease and at the rental rate effective as of the last month.
of the term expired. Either party may terminate such month to
month tenancy by giving to the other thirty (30) days written
notice of its intent to terminate.

26. **SURRENDER.** In the event of the return of the premises to
the LANDLORD in a damaged condition as a result of a casualty or
act of God, the damage shall be repaired by the TENANT or the
cost thereof paid by the TENANT and its insurer as provided in
Section 17 hereof.

27. **RIGHTS OF PARTIES.** Either LANDLORD or TENANT may from
time to time at its option exercise all rights or remedies which
either may have at law or in equity and nothing herein contained
shall be construed as in any way abridging or waiving such rights
or remedies; and any consent, waiver, compromise or indulgence
by one party hereto of or under any of the provisions of this
lease, or as to any breach or default hereunder by the other
party hereof, shall not constitute or be construed as a waiver
of the former party's right to enforce performance of the condi-
tions and terms hereof at all other times.

28. **NOTICES.** Any written notice provided to be given under
this lease to LANDLORD shall be given to LANDLORD at the above
address and any notice given to TENANT shall be addressed to
TENANT at TENANT's office and principal place of business. Such
notice shall be given by United States mail, certified or regis-
tered return receipt requested, properly addressed and postage
prepaid. The address of either party may be changed by written
notice to the other.

29. **CONTEST OF LIENS AND ENCUMBRANCES BY TENANT.** TENANT shall
have the right to contest, in good faith and by appropriate legal proceedings, the validity or amount of any mechanic's, laborer's, or materialmen's lien or other claimed lien or encumbrance. Such contest shall be made in the manner and subject to all the terms and conditions set forth in Section 11 (Taxes) as though such contest were a contest of the validity or amount of a payment of additional rent.

30. **BINDING FUTURE PARTIES.** Each and all of the terms and agreements herein contained shall be binding upon and inure to the benefit of the parties hereto, their heirs, personal and legal representatives, successors and assigns.

31. **CONSTRUCTION OF WORDS.** Wherever the singular number is used herein, the same may include the plural if the contest so requires, and any gender used herein may likewise include any other gender.

32. **SECTION HEADINGS.** Section headings contained herein shall in no way limit or restrict the interpretation to be placed upon any word or phrase following each heading.

33. **NO ORAL MODIFICATION.** This instrument contains the entire agreement made between the parties and may not be modified orally or in any manner other than by an agreement in writing signed by all the parties hereto or their respective successors in interest.

34. **MAINTENANCE.** TENANT shall keep the interior and exterior of the buildings and appurtenances, along with the parking lot and grounds, which are a part of the demised premises, in good repair and condition, clear of ice and snow or any other slippery substances, at TENANT's sole cost and expense throughout the term of this lease.

Re: Appraisal of International House of Pancakes  

1045 Reservoir Ave., Cranston  
A. P. 9/2, Lot 2407 - 100' frontage on Reservoir by 200' or 20,000 sq. ft.; 100' frontage on Knollwood in rear. Zoned Commercial.

The land is improved by a 1-story masonry restaurant building containing approximately 3000 sq. ft. High-pitched gable roof with aluminum simulated shakes.

*Exterior appraisal* Individualistic design, chalet style, approximately two years old. Asphalt parking for 30 to 40 cars.

**Cost Approach to Value** Restaurant, Class C, Excellent Quality:

- **Building** 3000 sq. ft. @ $42.27 $126,700.  
- **Depreciation** 2%, 35-yr. life, 2 yrs. old  $3,550.  
  
  $126,700 + $3,550 = $123,150.

- **Land Improvements** 7,500.  
- **Land** 20,000 sq. ft. @ $3.00 60,000.  

**Total Land and Buildings** $190,650. say $190,000.

**Remarks**  
Improving commercial and professional location approximately 1/2 mile north of Garden City. Heavy traffic flow. Appraisal based on use as a restaurant (cost approach to value). Value as an office building or retail sales establishment would be less because of the cost of modification and renovation.

Fiscal 1971, ended August 29, 1971, was the company's most difficult and challenging year since its formation in 1958. Our rapid growth and expansion over the past several years, external economic conditions, a new industry environment and the severe liquidity crisis experienced by the company created conditions demanding change. Your management had to face the necessity of reassessing and revising many long-held business and operational philosophies to be responsive to these changed conditions.

Plagued by prolonged liquidity difficulties and a tight real estate financing market, expansion programs were sharply curtailed. A re-evaluation of the company's posture led to a decision to cease franchising and to convert from franchise to company operations in most of the non-food operations. Businesses and assets no longer suited to our new operating posture were eliminated or marked for divestiture. A significant reorganization of
During this critical period your company continued to receive the support of its major institutional lenders. As a result, a restructuring of $30 million in indebtedness was recently completed. Key elements of the agreement with the company's lender group of 21 domestic and foreign institutions were an extension in the maturity dates of approximately $31 million in notes to August 31, 1983, $2 million in notes to 1986 and the conversion of approximately $11 million of debt to equity.

The debt restructuring has greatly strengthened the financial position of International Industries and is anticipated to have a significant positive effect on the company's goal of returning profitability during fiscal 1982.

The details of the restructuring were reported in a special letter to shareholders in late October. This report gives further detail concerning the restructuring program.

The company has designed its ongoing business plan and its organization for an early return to profitability, based on clearly identified profit opportunities measured by a stringent set of operating and financial criteria.

As a result of the application of these management standards, the company in the past fiscal year determined to divest operations that did not meet its criteria. Accordingly, the disposition of its interest in five companies has been completed. Several other companies are scheduled for divestiture at the earliest possible date commensurate with sound business practices.

Consolidation of division operations, wherever feasible, was achieved during the past fiscal year. In the Food Services Group, Love's Wood Pit Barbecue Restaurants, the Original House of Pies, Orange Julius of America and Wil Wright's Ice Cream Shoppes were consolidated into a new division, Unworld Foods, Inc. Many functions common to all, including marketing, real estate acquisition and field services, were combined and resultant savings in reduced personnel requirements and operating expenses were accomplished. In a related administrative move, all food service division accounting departments were consolidated to effect better financial control and reporting procedures, while at the same time producing cost savings. The company's
two Education Service divisions: Sawyer Business Colleges and The Bryman Schools, were also combined into one operating entity in fiscal 1971. The full impact of the programs instituted in the past year will be reflected in fiscal 1972 results.

The company gained additional strength in management in 1971. Joe E. Davis joined International Industries as Vice President Finance and a member of the Board of Directors. The new corporate management team complements a reorganization in the operating divisions, where new executive strength was also infused.

The flagship of International Industries' companies, the International House of Pancakes, continued its sound growth in 1971, opening 17 new units and moving into two new states, Arkansas and Mississippi. The popular orange and blue family restaurant is now seen in 36 states and in Canada. At the end of fiscal 1971, there were 337 International House of Pancakes in operat-
ion with 30 more scheduled to open during the 1972 fiscal year.

For the first time, International House of Pancakes appeared in markets with less than 100,000 population. Volume exceeded expectations in the "new" cities of Asheville, North Carolina; Gulfport, Mississippi; Athens and Augusta, Georgia; Terra Haute, Indiana; Eugene, Oregon; Spokane, Washington; and Tuscaloosa, Alabama. These smaller markets offer a bright opportunity which International House of Pancakes is pursuing vigorously. Several new locations have been opened along major highways to attract travelers with equally promising results.

An emphasis on moderately priced dinner items brought new customers to International House of Pancakes in fiscal 1971. Volume moved upward across the country. International House of Pancakes now serves more than 60 million meals a year to its guests. From a marketing and merchandising standpoint, a highly successful promotion program with the National Football League was launched at the International House of Pancakes to distribute miniature helmets of all 26 NFL teams to young customers.

A larger prototype building—seating 100 instead of the present 84 and including a semi-private meeting room—was designed in 1971 and will be tested in selected new restaurant sites during the current year.

The new Uniworld Foods organization has enhanced the growth and profit potential of its component operations. The Original House of Pies was transformed in 1971 from a franchised chain of pie and coffee specialty restaurants to a
company-owned operation offering full luncheon menus in most of its units. During the current year additional cooking capacity was installed, and breakfast selection have been incorporated in some units. The result of these operational changes has caused a sales increase and a repositioning of the Original House of Pies from a specialty bakery-coffee house to a formidable entry in the restaurant marketplace. Fifty-nine Original House of Pies units are now operating in California, Illinois, Oregon, Washington, Nebraska, Iowa, Texas, Colorado and Arizona, with new openings scheduled for Illinois in the 1972 fiscal year.

The franchise mode was continued for the growing Love's Wood-Pit Barbecue Restaurants in fiscal 1971. This long standing restaurant group which was acquired by International Industries in 1970, continues to produce one of the highest average unit volume and profit levels in the restaurant business. Love's opened
new units in 1971 in California, Washington, Arizona and Nevada and encompassed a total of 37 restaurants at the end of last year. Additional Love's outlets are scheduled for construction in fiscal 1972 in Washington, Oregon, Nebraska and Texas with future expansion slated into New Mexico, Utah, Colorado and Illinois. Love's features cocktail service and a full luncheon and dinner menu oriented to the middle income family.

Orange Julius of America, with its marketing focus in regional shopping center malls, had 222 outlets at the end of fiscal 1971 in the United States, Mexico, the United Kingdom and Europe and plans to expand to the Far East and into South America. Orange Julius affords International Industries its initial vehicle for growth into foreign markets. Orange Julius' marketing approach was modified to a royalty licensing arrangement in fiscal 1971.

Also during fiscal 1971 the company embarked on a test program of full-service snack bars featuring Orange Julius. Called "Gazebos," the new units resemble European sidewalk cafes and are located in areas of heavy pedestrian traffic.

The company-owned Wil Wright's Ice Cream Shoppes serve as a focal point for expanding Wil Wright's ice creams and European ices into new markets. In fiscal 1972, using a licensing method of distribution, the company has selected specialty stores and supermarkets as the primary business targets for Wil Wright's products.

Following the close of fiscal 1971, the Master Hosts membership system and the company-owned Jack Spence Master Hosts Inn in Nashville, Tenn. were sold. Now operating under the Master Hosts International aegis are the Copper Penny...

In fiscal 1971 International Industries' Retail and Education Services underwent a major change in its operating method of distribution. The Bryman Schools for medical and dental assistants and the Sawyer Business Colleges began their transition during fiscal 1971 from franchised to company-owned operations. With the increase in company operations, the schools have been repositioned for growth and expansion of enrollments in fiscal 1972.

United Rent-All reported an increase in its Military Rent-All operation and an expansion of merchandise at its civilian outlets. A truck rental program was instituted in cooperation with Hertz Corporation.
The strength of our food services companies is especially gratifying. Much has been done in the past year to posture your company for a resumption of profitable operations. Management believes that the internal factors responsible for the loss during fiscal 1971 are not present in the current year thus greatly enhancing the company’s profit potential for 1972 and the years ahead.

As International Industries moves into the 1972 fiscal year, operating results are validating the actions taken by your management. With the continued loyal support of our employees, retail operators and shareholders, we are confident of success.

Respectfully submitted,

Such debt and equity is classified in the balance sheet as of August 29, 1971 in accordance with the terms of the First Supplement to Credit Agreement.
Any events of default which may have occurred prior to November 19, 1971 have been waived by the lenders.

Under the terms of the Series Promissory Notes, Convertible Notes and Sinking Fund Notes, the provisions of the March 24, 1971 Credit Agreement and Security Agreement continue in full. Such notes and the Series B Preference Stock may be redeemed in whole or in part at any time prior to maturity. The notes and the Series B Preference Stock are entitled to the benefits of a contingent sinking fund which provides that proceeds from the sale of certain assets, the sale of securities and certain excess cash flows shall be used to redeem the Series Promissory Notes, the Series B Preference Stock, to the extent permitted by the provisions of the Company's 6th subordinated debentures and Series A Preference Stock, the Sinking Fund Notes and finally the Convertible Notes, in that order.

The Convertible Notes are convertible at any time prior to maturity or redemption into an aggregate of 10.25% of the sum of common shares outstanding and common shares reserved for issuance at the time of such conversion. At the present time the conversion price is $7 per share which would result in the issuance of 503,000 shares of all of the notes were converted. Further, a maximum of $1,789,700 of the Sinking Fund Notes may become convertible into a maximum of 441,868 shares of common stock in the event that the Series B Preference Stock has not been redeemed on or before March 31, 1976, with a corresponding reduction in such convertibility to the extent there has been partial redemption of the Series B Preference Stock on or before March 31, 1976.

The Convertible Notes and the Sinking Fund Notes impose certain restrictions which include the following: the Company cannot without prior consent issue any common stock or securities convertible into common stock except for those commitments outstanding as of August 29, 1971, include any common stock reserved for issuance under the Credit Agreement see Note 11, notes to financial statements. No dividends or any other distributions on any of its capital stock, except for dividends on Series A and B Preference Stock, and stock dividends that can be acquired are preferred stock, except the Series B Preference Stock.

See Note 8 of notes to financial statements for a description of the Series B Preference Stock.

2 Discontinued Operations and Losses of Presentation

During the year ended August 29, 1971, the Company discontinued the franchise method of operation in a number of its companies and repurchased certain franchise with the intention of either operating them as Company units or closing them. The cost of repurchasing such franching in excess of the cost of the tangible assets acquired $9,811,000 has been included under the caption "excess of cost over net assets of businesses purchased", as the case may be, amortized over the
remaining life of the property lease, and has been charged to operations in the case of unprofitable units. In addition, the Company has provided for estimated losses to be incurred in acquiring those unprofitable units not yet repurchased as of August 29, 1971. The aggregate loss on the discontinuance of the franchise method of operation was $21,114,000.

During the fiscal year the Company decided to sell or abandon its investments in a number of unprofitable companies. In connection therewith the Company has implemented a program of evaluation of the operations of certain of its businesses with the intention of disposing of those businesses which do not indicate a reasonable return on investment. As a result of this program, it disposed of its investments in five companies at an aggregate loss of $10,726,000 and established estimated provisions for losses to be incurred in connection with the proposed divestiture of certain additional operations.

The combined loss on the discontinuance of franchise operations and the divestiture of certain companies aggregated $36,247,000, net of deferred tax credits of $6,593,000, and has been reflected as an extraordinary loss in the accompanying statement of operations.

The accompanying financial statements include on a consolidated basis the accounts of the Company and its subsidiaries except for those companies which have been or will be sold or abandoned. The accompanying balance sheet reflects the Company's investment in such companies at its equity in their undepreciated net assets reduced by the estimated provisions for losses to be incurred in connection with such divestiture.

The accompanying consolidated statement of operations reflects the operations of the discontinued franchise activities and the operations of disposed of and to be disposed of companies as "income (loss) from discontinued operations" for the periods prior to the dates of the Company's decision to discontinue and to divest such businesses, and there after as "extraordinary losses." Revenues from such discontinued operations amounted to $2,255,000 in 1971 and $42,000 in 1970.

Of the amount included in excess of cost over net assets of businesses purchased in the accompanying balance sheet, $7,291,000 is not being amortized since in the opinion of the Company there is no evidence of limited life of this asset.

Extraordinary items incurred during the year ended August 30, 1970 are comprised of a net gain on sale of two companies ($1,050,000), losses incurred in connection with the abandonment of six businesses ($3,787,000), the sale of certain marketable securities ($427,000) (in each case net of applicable Federal income taxes aggregating $4,504,000) and Federal income tax benefits of $66,100 relating to available operating loss carry forwards.

The financial statements for the year ended August 30, 1970 have been reclassified to conform to the current year's presentation.
2. Accounting for Franchise Fees and Equipment
   Lease Contracts

Upon the signing of a franchise agreement, the Company records the cash and note received in payment of the franchise fee as deferred income. Related costs and expenses, not in excess of the franchise fee, are deferred and recorded as the reduction of deferred income until the franchised unit is opened, at which time the Company recognizes income and related costs and expenses in its consolidated statements of operations. The franchise notes are substantially due in installments over ten years.

Equipment is leased to franchisors for the life of the franchise agreement, generally 15 to 30 years. Such lease contracts are accounted for under the "finance method." The portion of the total lease payment which represents profit on the sale of equipment is reported as income in the year in which the franchised unit is opened. The portion which represents imputed interest is deferred and reported as income over the life of the lease.

a. Real Estate Held for Sale

Real estate held for sale is comprised of retail operating units. Historically, the Company has financed the acquisition of such units through build-to-suit and sale and leaseback transactions with investors and has subleased the properties to franchisors at aggregate rentals in excess of those paid by the Company.

Real estate taxes and interest incurred during construction are capitalized. After construction is complete, rentals received from franchisees in connection with operating units are recorded as income, depreciation and real estate carrying costs are charged against income until such time as a sale and leaseback agreement is consummated.

The Company intends to sell such real estate substantially at cost under sale and leaseback agreements. In the opinion of management, the economic and money market conditions which in fiscal 1971 seriously affected the Company's ability to dispose of such real estate within the year may continue for this reason only that portion of the real estate held for sale which the Company believes can be disposed during fiscal 1972 has been classified as a current asset.

b. Inventories

Inventories which consist of reacquired franchises related to continuing franchise operations, equipment held for resale ($3,446,000, 1971 and $6,776,000, 1970) and merchandise and supplies ($3,079,000, 1971 and $4,388,000, 1970) are stated at the lower of cost or market, on a first in, first out basis. The carrying value of reacquired franchises and equipment held for resale represents the uncollected balances of franchise receivables and costs of reacquisition, which amounts do not exceed estimated resale value.

International Indusries, inc. and Subsidiaries
Notes to Consolidated Financial Statements
Long-Term and Subordinated Debt

Long-term debt is summarized as follows:

Notes payable to lenders under first Supplement to Credit Agreement (See Note 11):
5% to 10% unsecured notes payable principally to banks with latest maturity in 1979
7% notes payable related to acquisitions due in various installments through 1985
4% to 12% mortgage loans payable due in various installments through 1992
7% notes and contracts payable at various interest rates due in installments through 1980

Subordinated debt is summarized as follows:
10% Subordinated Debentures due January 1, 1987 with annual sinking fund requirements from 1977 to 1987
7% Subordinated notes due 1984, convertible into 34,815 common shares

Income Taxes

The Company has provided deferred Federal and state income taxes, to the extent tax benefits were available, in recognition of timing differences in reporting certain items of income and expense (principally franchise fees, equipment lease contracts and deferred costs) in the tax returns from amounts reported in the financial statements.

Previously provided net deferred income tax credits have been applied as a reduction of the loss reported in the accompanying financial statements.

The net operating loss carryforward for federal income tax purposes estimated at approximately $37,000,000, expires in varying amounts during the ensuing five year period ending in 1996.

Preference Stock

The preference stock is issuable in series with such conversion, liquidation, redemption, voting and dividend rights as may be fixed by the Board of Directors in providing for the issuance thereof.

Each share of the first series, designated Series A 7% Cumulative Convertible, Preference Stock, is voting and is convertible into 3.31 shares of common stock at redemption at $100 per share from March 26, 1972 through March 26, 1973, at $75 per share from March 27, 1973 through March
International Industries Inc. and Subsidiaries
Notes to Consolidated Financial Statements

26, 1974 and at $65 per share thereafter, plus accrued dividends in each case. In the event of involuntary liquidation, each share would receive $38.88 plus accrued dividends. At August 29, 1971, the Company has reserved 1,322,367 shares of its common stock for conversion.

In the event that six or more quarterly dividends on the Series A Preference Stock are in arrears, in whole or in part, then the holders of all series of preference stock, as to which there is then such an arrearage, shall be entitled, voting as a separate class, to elect three members of the Board of Directors in addition to those then in office. Such right to elect three directors may only be exercised until the dividends in arrears have either been paid in full or funds sufficient therefor set aside. At November 22, 1971, three quarterly dividends ($1,684,000) on the Series A Preference Stock are in arrears.

While any of the Series A Preference Stock shall be outstanding no dividend shall be paid or declared, nor shall any distribution be made on any junior stock of the Company except in shares of the same class or series of junior stock of the Company, nor shall any shares of such stock be acquired by the Company or any of its subsidiaries (except shares acquired in settlement of a bona fide dispute with a shareholder), after giving effect to such dividend, distribution or acquisition, the aggregate payments for all such purposes would exceed the sum of $727,000.

The Series B Preference Stock is senior only to the Company's Series A Preference Stock. It is non-voting and non-dividend bearing until October 1, 1976 at which time dividends accrue and are cumulative at the rate of 5% per annum ($70 per share) and is non-convertible until March 31, 1976. At which time unless it has been previously redeemed, it becomes convertible into a maximum of 34% of the sum of common shares outstanding and common shares reserved for issuance as of March 31, 1976. There are certain restrictions on the transferability of such preference stock until it becomes convertible.

In the event that six quarterly dividends on any series of preference stock are in arrears, the holders of Series B Preference Stock shall be entitled to elect two members of the Board of Directors in addition to the then number of Directors. Payment of arrearages is made or funds are set aside for payment.

In addition, the Company cannot, without prior consent, increase the authorized Preference Stock, $.1 par value, issuable in series beyond the presently authorized 5,000,000 shares, nor can it authorize or issue shares of any class of capital stock which would rank on a parity with or above the Series B Preference Stock.

Commencing September 1, 1976, the Company is required to establish a mandatory sinking fund for the retirement of the Series B Preference Stock by annual payments sufficient to retire 285,545 of such preference shares each year to and including September 1, 1983.

In the event of involuntary liquidation each share is entitled to receive $14.70 until September 1, 1976 and $14.00 plus accrued dividends there after.
During the fiscal year 19??, the Company approved a Non-Statutory Stock Option Plan under the terms of which options may only be exercised in lieu of an identical, previously existing qualified option. Options are granted at not less than market value on the date of grant and expire five years after grant. No option may be granted to any person who owns stock of the Company possessing more than 5% of the combined voting power of all classes of issued stock.
stock. Generally, options granted become exercisable cumulatively to the extent of 40% of such options during the third year after grant, 20% in the fourth year, and 40% in the fifth year.

Following is a summary of the activity with respect to options during the years ended August 30, 1970 and August 29, 1971.

10 Income (Loss) Per Share

Loss per share for the year ended August 29, 1971 is based on the weighted average number of common shares outstanding during the year (5,287,000 common shares). Common equivalent shares have not been included in the computation of loss per share since such inclusion would be antidilutive. Income per share for the year ended August 30, 1970 is based on the weighted average number of common shares outstanding increased by the equivalent number of shares issuable upon conversion of preference stock and exercise of outstanding options and warrants (6,894,000 common and common equivalent shares).

11 Commitments and Contingent Liabilities

The Company is a defendant in a number of actions brought under Federal anti-trust laws by franchisees arising out of the routine operations of International House of Pancakes franchise restaurants. The court has recently declared such actions to be maintainable as class actions on behalf of all International House of Pancakes franchisees who elect to join therein. Such order does not constitute any expression of opinion by the court as to the merits of the actions, which in the opinion of counsel to the Company are without merit. At this date, it is not known how many additional franchisees, if any, will participate as plaintiffs in such actions.
Minimum annual rentals under leases in effect at August 29, 1971, approximate $43,800,000. Many of the leases require the Company to pay additional amounts based upon a percentage of the sales at the location as well as property taxes, insurance and other charges. Such leases expire at various dates through 2048. Substantially all properties covered by such leases are subleased to tenants for the full term of the Company's lease at rental generally in excess of that paid by the Company.

At August 29, 1971, the Company has entered into contracts relating to the construction of restaurant or store sites aggregating approximately $40 million. In addition, the Company is committed to purchase approximately $30 million of restaurant and store equipment. The Company is contingently liable for discounted notes and other obligations of approximately $4 million at August 29, 1971.

EXCLUSIONS FROM COVERAGE

The following matters are expressly excluded from the coverage of this policy:

1. Law ordinance or governmental regulation (including but not limited to building and zoning ordinances) restricting or regulating or prohibiting the occupancy, use or enjoyment of the land, or regulating the character, dimensions or location of any improvement now or hereafter erected on the land, or prohibiting a separation in ownership or a reduction in the dimensions or area of such land, or the effect of any violation of any such law, ordinance or governmental regulation.

2. Rights of eminent domain or governmental rights of police power unless notice of the exercise of such rights appears in the public records at Date of Policy.

3. Liens, encumbrances, adverse claims, or other matters (a) created, suffered, assumed, or held by the insured claimant, (b) not known to the Company and not shown by the records but known to the injured claimant either at Date of Policy or at the date such claimant acquired an estate or interest insured by this policy or acquired the insured mortgage, or (c) resulting in no loss or damage to the insured.

4. END (Continued on page below Insert)
2. (a) Continuation of Insurance or Acquisition of Title

This policy shall continue in force as of Date of Policy in favor of the insured so long as such insured retains an estate or interest in the land, or holds the indebtedness secured by a purchase money mortgage given by a purchaser from such insured, or so long as such insured shall have liability by reason of covenants of warranty made by such insured in any transfer or conveyance of such estate or interest, provided however that this policy shall not continue in force in favor of any purchaser from such insured of either said estate or interest or the indebtedness secured by a purchase money mortgage given to such insured.

(b) Continuance of Insurance or Conveyance of Title

The coverage of this policy shall continue in force as of Date of Policy in favor of an insured so long as such insured retains an estate or interest in the land, or holds an indebtedness secured by a purchase money mortgage given by a purchaser from such insured, or so long as such insured shall have liability by reason of covenants of warranty made by such insured in any transfer or conveyance of such estate or interest, provided however that this policy shall not continue in force in favor of any purchaser from such insured of either said estate or interest or the indebtedness secured by a purchase money mortgage given to such insured.

3. Defense and Prosecution of Actions—Notice of Claim to be given by an Insured Claimant

(a) The Company, at its own cost and without undue delay, shall defend the defense of an insured in all lawsuits consisting of actions or proceedings commenced against such insured, or defenses restraining orders or injunctions interposed against a foreclosure of the insured mortgage or a defense interposed against an insured in an action to enforce a contract for a sale of the indebtedness secured by the insured mortgage, or a suit to the estate or interest in said land, to the extent that such litigation is founded upon an alleged defect, lien, encumbrance, or other matter insured against by this policy.

(b) The insured shall notify the Company promptly in writing (i) in case any action or proceeding is begun or defense or restraining order or injunction is interposed as set forth in (a) above, or (ii) in case knowledge shall come to an insured hereunder of any claim of title or interest which is adverse to the title to the estate or interest or the lien of the insured mortgage, as insured, is rejected as unmarketable. If such prompt notice shall not be given to the Company, then as to such insured all liability of the Company shall cease and terminate, in regard to the matter or matters for which such prompt notice is required, provided however, that failure to notify shall in no case prejudice the rights of any such insured because the Company may be prejudiced thereby and then only to the extent of such prejudice.

(c) The Company shall have the right at its own cost to control and without undue delay prosecute any action or proceeding or to do any other act which in its opinion may be necessary or desirable to establish the title to the estate or interest or the lien of the insured mortgage, as insured, and the Company may take any appropriate action under the terms of this policy, whether or not it shall be liable thereunder, and shall not thereby concede liability or waive any provision of this policy.

(d) Whenever the Company shall have brought any action or proceeding to enforce a defense of any action or proceeding, the Company may pursue any such litigation to final determination by a court of competent jurisdiction and expressly reserves the right, in its sole discretion, to appeal from any adverse judgment or order.

(e) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding, the insured hereunder shall secure to the Company the right to so prosecute or provide for such defense in such action or proceeding, and all permits the Company to use, at its option, the name of such insured for such purpose. Whenever requested by the Company, such insured shall give the Company all reasonable aid in such action or proceeding, in effecting settlement, securing evidence, obtaining witnesses, or prosecuting or defending such action or proceeding, and the Company shall reimburse such insured for any expense so incurred.

4. Notice of Loss—Limitation of Action

In addition to the notices required under paragraph (b)(ii) of these Conditions and Stipulations, a statement in writing of any loss or damage for which it is claimed the Company is liable under this policy shall be furnished to the Company within 90 days after such loss or damage shall have been determined and no right of action shall accrue to the insured claimant until 30 days after such statement shall have been furnished. Failure to furnish such statement of loss or damage shall terminate any liability of the Company under this policy as to such loss or damage.

5. Option to Pay or Otherwise Settle Claims

The Company shall have the option to pay or otherwise settle for or on the name of an insured claimant any claim proceeding or to terminate all liability and obligations of the Company hereunder by paying or tendering payment of the amount of insurance under this policy together with all costs, attorneys’ fees and expenses incurred up to the time of such payment or tender of payment, by the insured claimant and authorized by the Company. In case loss or damage is claimed under this policy by an insured, the Company shall have the further option to purchase such indebtedness for the amount owing thereon together with all costs, attorneys’ fees and expenses which the Company is obligated hereunder to pay. If the Company offers to purchase said indebtedness as herein provided, the owner of such indebtedness shall transfer and assign said indebtedness and the mortgage and any collateral securing the same to the Company upon payment therefor as herein provided.

6. Determination and Payment of Loss

(a) The liability of the Company under this policy shall in no case exceed the limit of

(b) the actual loss of the insured claimant, or

c) the amount of insurance as stated in Schedule A, or, if applicable, the amount of insurance as defined in paragraph (b)(ii) hereof, or

(d) the amount of the indebtedness secured by the insured mortgage as determined under paragraph (b)(ii) hereof, at the same time the loss or damage of insured hereunder occurs, together with interest thereon.

(b) The Company will pay, in addition to any loss insured against by this policy, all costs imposed upon an insured in litigation carried on by the Company for such insured, and all costs, attorneys’ fees and expenses in litigation carried on by such insured with the written authorization of the Company.

(c) When liability has been definitely fixed in accordance with the conditions of this policy, the loss or damage shall be payable within 30 days thereafter.

7. Limitation of Liability

The claim shall not be maintainable under this policy (a) if the Company, after having received notice of an alleged defect, lien or encumbrance insured against hereunder, by litigation or otherwise, removes such defect, lien or encumbrance or establishes the title, or the lien of the insured mortgage as insured, within a reasonable time.

**CREDIT MEMORANDA**

**International Industries, Inc.**

**Mr. Leary - Assistant V. I. to a Loan Officer (213)-961-2828**

Mr. Leary who handles the International Industries account stated that the debtor is facing accounting problems and write downs unavoidable situations. Why is the best because of "impending" at the moment. Mr. Leary suffering somewhat from "impending" due to their recent going concerns. Accountant...

In response to my question concerning the prospects for future recovery, i.e. Leary stated that the first quarter of fiscal 1972 which ended in November reflects the beginning of what he believes will be a major turnaround with a profit shown of $287,000. He added that management expects to maintain profitability throughout fiscal 1972, at least possible by closer written-off of $2,000,000 for fiscal 1971.

They still have some unprofitable facilities, written down in 1971, which are expected to be sold in the current year.

In regard to International House of Pancakes, Mr. Leary was quite favorable, since it is a strong contributor to the International Industries set-up and well managed.

In concluding, I was informed that Security Pacific is the lead bank in a group of 30 banks which successfully restructured, in March 1971, of the $26,000,000 in loans. The maturity schedule was stated as follows: an August 1975 $10 million, January 1978 $10 million, and $3 million for various maturities thereafter.

Account balances are maintained at substantial proportions. An annual report will be forwarded to you by Mr. Leary.

The writer again called Security Pacific National Bank and was advised for Russell Floyd, Senior Vice President, was referred to you through to Mr. Leary, Vice President, who has the main responsibility for the account.

I related the specifics of the deal and Mr. Leary agreed to send the writer all the details. He stated that the writer is to contact Mr. Floyd for a follow-up of the deal. He agreed to send copies of the letter of credit to you in the near future.

In response to a question, Mr. Leary indicated that the debtor's credit is being considered for a new line of credit for $10 million, to be managed by Mr. Floyd. This will provide short-term additional working capital for the company.

The writer is awaiting further information on this matter and will keep you posted on any developments.

5. THE BUSINESS. LANDLORD hereby acknowledges that INTERNATIONAL INDUSTRIES, INC., its divisions, affiliates and subsidiaries, hereinafter referred to collectively as INTERNATIONAL, are engaged in the business of franchising, licensing and operating pancake houses, hereinafter called the BUSINESS. TENANT agrees that the premises shall be used solely as a pancake house or restaurant and for no other purpose; LANDLORD further acknowledges that the buildings in which the BUSINESS are operated are painted with a unique combination of colors, namely, blue, white and persimmon, and have unique logos and drawings, and turnposts of novel design. LANDLORD further acknowledges that said distinctive features, through extensive advertising, promotion and use,
as well as uniformity of service, products and business methods, have become identified by the public throughout the nation with INTERNATIONAL's operations and have acquired a secondary meaning, indicating said INTERNATIONAL's operations. INTERNATIONAL has thereby acquired property rights of great value in the distinctive features and all trademarks, trade names, trade secrets, signs and symbols relating thereto which can be protected only by confining the use thereof to buildings housing the business operated by INTERNATIONAL or its franchisees or licensees. It is, therefore, agreed that the use of said distinctive features in a building housing any business other than the business operated by INTERNATIONAL, its franchisees or licensees will cause irreparable injury to INTERNATIONAL, its franchisees and licensees for which there is no adequate remedy at law.

LANDLORD further agrees for the benefit of TENANT and INTERNATIONAL that if, for any reason other than TENANT'S default this lease be terminated by lapse of time or otherwise, TENANT may at its own expense, remove the distinctive features hereinabove enumerated from said building, substituting colors selected by the LANDLORD in place thereof. In the event of a breach of this agreement by LANDLORD, LANDLORD agrees that TENANT or INTERNATIONAL will be entitled to an immediate injunction from a court of equity to compel LANDLORD to comply with this agreement and to prevent LANDLORD from making or permitting any use of the demised premises until LANDLORD has so complied.

All of the rights of the tenant under the provisions of Section 5 set forth above shall be conditioned upon, and subject to, the TENANT complying with its obligations under this lease and not committing any breach of, or default under, the provisions
of this lease. Further, the LANDLORD shall have no responsibility for any violation of the provisions of this section by any person other than himself.

6. USE OF PREMISES. TENANT shall use the premises for the purpose of conducting thereon the business or incidental purposes related thereto, or for any other legally permissible restaurant business; provided, however, that TENANT shall not use the premises in such a manner as to violate any applicable law, rule, ordinance or regulation of any governmental body.

7. LIABILITY FOR DAMAGES: TENANT, as a material part of the consideration to be rendered to the LANDLORD, hereby waive all claims against the LANDLORD for damage to goods, wares and merchandise, in, upon, or about the premises, and for injuries to persons in or about the premises from any cause arising at any time. The TENANT further agrees on the commencement of the term of this lease to take out public liability insurance over the premises. Said policy or policies shall be for an amount of at least three hundred thousand dollars ($300,000.00) for death or injury to one person, and five hundred thousand ($500,000.00) for death or injury to two or more persons, plus fifty thousand dollars ($50,000.00) property damage, which said policy or said policies of insurance shall name the LANDLORD as an additional assured thereunder, and TENANT agrees to maintain same at TENANT's sole cost and expense in full force and effect during the entire term of this lease. TENANT shall furnish the LANDLORD with a copy of such insurance coverage, or with a certificate of the company issuing such insurance, certifying that the same is in full force and effect. The TENANT may, at its option, bring
its obligations to insure hereunder under any so-called blanket policy or policies of insurance; provided, however, that the interests of the LANDLORD shall be as fully protected thereby as if TENANT obtained individual policies of insurance. Each policy or certificate of insurance which shall be issued pursuant to the provisions of this section shall be issued by an insurance company that shall be licensed to do business in the state where the premises are located, and shall be a company that shall be acceptable to LANDLORD. The LANDLORD shall be reasonable in the exercise of his discretion in giving or withholding approval of any such insurance company.

8. COVENANTS AGAINST LIENS; INSPECTION. TENANT shall indemnify and save LANDLORD harmless from and against any lien or claim of lien attached to or upon the premises or any part thereof by reason of any act or omission on the part of the TENANT.

LANDLORD, or LANDLORD’s agent, shall at all reasonable times have the right to enter upon the demised premises for the purpose of inspecting the same, and for the purpose of posting or keeping posted notices of non-responsibility or any or all forms of notice reasonably necessary or proper to protect LANDLORD or the premises against mechanics’ or materialmen’s liens, or charges, or other liens or charges which might or could arise out of the use of the premises by TENANT, or the construction of the improvements or the making of alterations or repairs to the premises.

9. BANKRUPTCY OR INSOLVENCY. If at any time during the term hereof proceedings in bankruptcy shall be instituted by or against the TENANT, and result in an adjudication or bankruptcy, or if the TENANT shall file, or any creditor of the TENANT shall file any petition under Chapter X or Chapter XI of the Bankruptcy Act.
Act of the United States of America, as the same are now in force or may hereafter be amended, and TENANT be adjudicated bankrupt, or if a receiver or trustee of the business or assets of TENANT be appointed and such appointment be not vacated within thirty (30) days after notice thereof to TENANT, or if the TENANT makes an assignment for the benefit of creditors, or if any sheriff, marshal, constable, or keeper takes possession of the premises or assets located thereon by virtue of any attachment or execution proceedings and offer same for sale publicly, the LANDLORD may, at its option, in either or any of such events, terminate this lease. Upon such termination all installments of rent earned to the date of termination and unpaid shall at once become due and payable, and in addition thereto LANDLORD shall have all rights provided by the bankruptcy laws relative to the proof of claim on an anticipatory breach of an executory contract.

10. **ASSIGNMENT.** TENANT may not assign this lease in whole or in part without first obtaining the prior written consent of LANDLORD, which consent shall not be unreasonable; witheld provided, however, the giving of consent by the LANDLORD shall not release the TENANT from its primary liability for the full and complete performance of the TENANT’s obligations under this lease; and, provided further, that TENANT without such consent, assign this lease in whole or in part in security or otherwise to any corporation controlled by, controlling or under common control with TENANT (it being understood that TENANT shall remain liable hereunder) or to any surviving corporation.
resulting from a merger or consolidation of the TENANT with any other corporation or to any corporation which purchases or otherwise acquires all or substantially all of the assets of the TENANT. Any consent to an assignment shall not be deemed to be a consent to any subsequent assignment. Any assignment by TENANT other than in accordance with this Section 10 shall be voidable by LANDLORD for a period of sixty days after acquiring knowledge by written notice of such assignment; provided, however, failure on the part of the LANDLORD to take any action within said sixty-day period shall not be deemed to release the TENANT from primary liability under the terms of this lease.

TENANT or its assignees shall have and is hereby given, the unqualified right and privilege at its option of subletting the demise premises, in whole or in part, subject to all of the rents, terms and conditions of this lease. It is specifically understood and agreed by and between LANDLORD and TENANT that any subletting which TENANT or its assignees make, as permitted herein, shall in no event relieve TENANT of the obligations of TENANT hereunder, and that the right of subletting shall be that of TENANT or its assignees only, and shall not extend to any subtenant.

11. TAXES. TENANT shall pay or cause to be paid before delinquency all taxes, assessments, or charges and in such event shall indemnify and hold LANDLORD harmless from any cost, expense or penalties in connection therewith. LANDLORD shall authorize and instruct the assessing and taxing authorities to forward all such tax bills to TENANT. TENANT shall furnish LANDLORD with proof of payment of taxes within thirty (30) days after the taxes.
12. **DEFAULT.** If TENANT shall fail to make any payment of rent, or of taxes, interest on taxes, or insurance premiums, within ten (10) days after same shall be due under the provisions of this lease, the TENANT shall be considered in default. In such an event, the payment of rent shall be subject to a five per cent (5%) late charge, which sum shall be considered as additional rent due for the month during which said default occurred. In the event of the TENANT's failure to pay the rent (including the late charge), or the taxes, the interest on taxes, or insurance premiums required of it, for a period of thirty (30) days, the LANDLORD may, at his option, accelerate and declare immediately due and owing the entire balance of the rent to be paid under this lease for the remainder of the twenty year term. With regard to any default other than arising from the failure of tenant to pay rent, taxes, interest on taxes, or insurance premiums, the TENANT shall have thirty (30) days after receipt of written notice from LANDLORD to cure said default, or a reasonable time after receipt of such notice if such default could not be cured within thirty (30) days by TENANT's diligent efforts. In the event of TENANT's failure to cure said default within the time provided, LANDLORD may, at his option, accelerate and declare immediately due and owing the entire balance of the rent to be paid under this lease for the remainder of the twenty year term. Also, in the event of the TENANT's failure to cure any of the defaults hereinbefore provided, within the time hereinbefore provided, LANDLORD may, at its option, at any time thereafter during the continuance of such default, declare this lease terminated, re-enter and take possession of the premises pursuant to applicable provisions.
Should LANDLORD be required to enforce the provisions of this lease against TENANT in any judicial proceedings, or to retain the services of an attorney in connection with the enforcement of LANDLORD's rights hereunder, or in the event LANDLORD shall terminate this lease for any breach, in addition to any other remedies LANDLORD may have, LANDLORD may recover from TENANT all the damages LANDLORD may incur by reason of such breach, including reasonable attorney's fees and cost of recovering the premises, and including the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this lease for the remainder of the stated term over the then reasonable rental value of the premises for the remainder of the stated term.

LANDLORD agrees that if LANDLORD fails to pay any installment of taxes, or assessments (other than provided for herein to be paid by TENANT) or any interest, principal, costs or other charges upon any mortgage or mortgages or other liens and encumbrances affecting the premises and to which this lease may be subordinate when any of the same become due, or in any other respect fails to perform any covenant or agreements in this lease contained on the part of LANDLORD to be performed, then and in any such event or events, TENANT, after the continuance of any such failure or default for thirty (30) days after notice in writing thereof is given by TENANT to LANDLORD, may pay said interest, principal, costs, and other charges and cure such defaults all on behalf of and at the expense of
LANDLORD and make all necessary payments in connection therewith including but not limiting the same to payment of any reasonable counsel fees, costs and charges of or in connection with any legal action which may have been brought, the LANDLORD agrees to pay to TENANT forthwith the amount so paid by TENANT, together with interest thereon at a rate which is one-half of one per cent per annum above the prime rate but in no event higher than the maximum rate allowed by applicable law, and agrees that tenant may withhold any and all rental payments and other payments thereafter becoming due to LANDLORD pursuant to the provisions of this lease or any extension thereof, and may apply the same to payment of such indebtedness of LANDLORD to TENANT until such indebtedness is fully paid with interest thereon as herein provided. Nothing herein contained shall preclude TENANT from proceeding to collect the amount so paid by it as aforesaid without waiting for rental offsets to accrue, and if at the expiration of this lease or any extension thereof, there shall be any sums owing by LANDLORD to TENANT, this lease may at the election of TENANT be extended and continued in full force and effect until March 31st of the year following the date when the indebtedness of LANDLORD to TENANT shall have been fully paid.

The TENANT agrees that if TENANT fails to pay any taxes or assessments required to be paid by the TENANT under any provisions of this lease, or the TENANT shall fail to maintain the interior or exterior of the premises as required by this lease, LANDLORD may pay such tax or assessment, and pay for the proper maintenance and repair of the premises, and make all necessary
payments in connection therewith including but not limiting the
same to payment of any reasonable counsel fees, costs and charges
of or in connection with any legal action which may have to be
brought, and TENANT agrees to pay to LANDLORD, as additional rent,
all such amounts so paid by LANDLORD, together with interest
thereon at a rate which is one-half of one per cent per annum
above the prime rate but in no event higher than the maximum rate
allowed by applicable law; provided, however, that with regard
to the maintenance and repair of the building, LANDLORD shall not
make any payments in connection therewith until after the continu-
ation of TENANT's failure or default for thirty (30) days after
notice in writing thereof is given by LANDLORD to TENANT, except
in the case of emergency repairs which may be necessary to
temporarily preserve the premises after any serious casualty or
act of God.

13. NON-DEFAULT OF TENANT. It is understood and agreed that
LANDLORD may transfer title to the premises described in
EXHIBIT A, subject to the terms and conditions provided herein;
provided, that in the event of any change in or transfer
of title of LANDLORD in or to the demised premises, or any
part thereof, whether voluntary or involuntary, or by the
act of LANDLORD or by operation of law, TENANT shall be under
no obligation to pay rents thereafter accruing until notified
in writing by LANDLORD, his heirs, executors, administrators or
successors or assigns, of such change in title and being given
satisfactory proof thereof, and that the withholding of such
rents in the meantime shall not be in any sense a default upon

-14-
14. **Utilities.** TENANT shall pay directly to the applicable company the cost of all utilities consumed on the premises, including but not limited to power, electricity, gas, water, and telephone. In the event the TENANT shall request the LANDLORD to convey any utility easements reasonably required in connection with TENANT's operation of the BUSINESS from the premises, LANDLORD shall notify TENANT of his decision concerning said request within thirty (30) days after LANDLORD shall receive such request, in writing, from TENANT, and LANDLORD will not unreasonably withhold his consent to any such request. In the event LANDLORD shall fail to notify TENANT within thirty (30) days of his answer to said request, and only in that event, LANDLORD hereby appoints TENANT his attorney in fact to execute any and all documents required to convey required utility easements in, on, under and over the premises in all manners permitted by this lease and further agrees to cooperate with TENANT and execute those documents required to be executed by LANDLORD to obtain such utility easements.

15. **Insurance Waiver.** LANDLORD hereby expressly waives any and all claims against TENANT for loss and/or damage arising or resulting from the occupancy of the demised premises and/or from any operation conducted therein or thereabouts caused by fire and/or other perils insured under standard form fire insurance policies with extended coverage endorsements regardless of the cause of such damage, including damage resulting from the negligence of TENANT or its agents, servants, employees or invitees;
provided, however, the aforedescribed waiver by the LANDLORD shall occur only to the extent that any such damage and loss shall be paid by the insurance company that shall have issued said insurance policies.

16. **INSURANCE.** TENANT will, at TENANT's own cost and expense, carry and maintain fire insurance with extended coverage endorsement and flood insurance, if available, for the benefit of LANDLORD and TENANT on all buildings erected upon the premises in an amount equal to one hundred per cent (100%) of the full insurable value thereof, excluding foundation and excavation costs. As often as any such policy or policies shall expire or terminate, renewal or additional policies shall be procured by TENANT in like manner and to like extent. Proceeds of any such policies, in the event of fire or other casualty, shall be payable to LANDLORD and TENANT as their respective interest may appear. The initial policies or certificates evidencing said insurance shall be delivered to the LANDLORD within thirty (30) days of the signing of the lease, and any replacements therefor shall be delivered at least ten (10) days prior to expiration of termination of any coverage then in force. In the event such insurance shall not be provided LANDLORD as hereinbefore provided, the LANDLORD shall have the option of purchasing same and the cost, plus interest at the maximum legal rate, shall be due from TENANT as additional rent on the first day of the month next following such purchase.

TENANT may, at its option, bring its obligations to insure this section within the coverage of any so-called blanket policy or policies of insurance which TENANT may now or hereafter carry,
by appropriate amendment, rider endorsement, or otherwise, provided, however, that the interest of LANDLORD shall thereby be as fully protected as they would be otherwise if this option to TENANT to use blanket policies were not permitted. Copies of certificates of any such policies shall be delivered to LANDLORD within thirty (30) days after the commencement of this lease. All such policies shall contain a clause or endorsement to the effect that it may not be terminated or materially amended except by compliance with Rhode-Island law, after written notice to the LANDLORD.

All such policies and certificates shall be issued by insurance companies that shall be acceptable to both LANDLORD and to any lending institution that shall hold or accept a mortgage on the premises; provided, however, LANDLORD agrees that he will not unreasonably withhold his approval of any insurance company designated by TENANT. All such policies and certificates shall be issued by insurance companies that shall either be licensed to do business in the state where the premises are located, or that shall provide the LANDLORD with a legally binding undertaking granting the LANDLORD the option of filing any suit under the policy in the State of Rhode-Island.

17. DESTRUCTION OF BUILDING. If the building on said premises shall be damaged or rendered untenantable by fire or other casualty or as a result of any act of God, TENANT shall repair or replace said building so that TENANT may continue in occupancy. There shall be no abatement in rent, nor any reduction in rent, during the period of time that the premises shall be damaged or rendered untenantable. TENANT shall have the access to any
insurance proceeds available by reason of such damage or destruction to the building. It is further understood and agreed that in case of any damage or destruction occurring during the last five (5) years of the original term of this lease, or during any extension of the term, to the extent of fifty per cent (50%) or more of the insurable value of the building, TENANT may, at TENANT's option, to be evidenced by notice in writing given to LANDLORD within thirty (30) days after the occurrence of such damage or destruction, in lieu of repairing or replacing said building, elect to terminate this lease as of the date of the damage or destruction, in which event LANDLORD shall be entitled to receive the proceeds of any insurance representing the insured value of the building exclusive of any such proceeds which are attributable to the furniture, fixtures and equipment of TENANT referred to in section 22 below, which such latter proceeds shall belong to TENANT. In the event the TENANT shall elect to terminate the lease during the last five (5) years as a result of damage or destruction as hereinabove provided, and in the further event that the insurance proceeds shall be insufficient to fully repair said damage or to replace said building, then TENANT shall, as an additional condition to its right to terminate the lease, pay to LANDLORD the difference between the insurance proceeds and said cost of repairing or replacing the building.

18. CONDEMNATION. If all of the premises shall be taken or condemned for a public or quasi-public use, this lease shall terminate as of the date that possession shall vest in the
condemnor. In the event of such termination, both parties shall be released from any and all further obligation hereunder, and all of the proceeds paid by the condemning authority for the taking shall be the property of the LANDLORD.

If any part of the premises, but less than all, shall be taken or condemned for a public or quasi-public use, and a part thereof remains which is reasonably suitable for the use of the premises made by TENANT immediately prior to such condemnation, this lease shall continue in full force and effect for the balance of the term thereof; provided, however, that the annual rental paid by TENANT shall be reduced by an amount equal to twelve (12%) of the net proceeds received by the LANDLORD from the condemning authority for the taking, said net proceeds to be the amount paid by the condemning authority less attorney's fees, costs and expenses incurred by LANDLORD in connection therewith.

In the event so much of the premises is taken or condemned that, in the reasonable judgment of TENANT, the aforesaid use by TENANT shall be substantially impaired, then the TENANT shall have the option of either:

a. Continuing the lease upon the reduced rental formula provided for above; or

b. Terminating the lease by purchasing in fee simple title to the premises from the LANDLORD for the sum of Two Hundred Fifty Thousand Dollars ($250,000), for the premises at 1010 South Central Expressway, Richardson, Texas, described in Exhibit A attached hereto.
The TENANT shall have thirty (30) days from the date that possession shall vest in the condemnor within which to exercise the above options. In the event that TENANT shall fail to give LANDLORD written notice of its intention within said thirty (30) day period, then the TENANT shall be conclusively presumed to have designated the option contained in subparagraph a. above, it shall accompany said notice with a deposit equal to ten percent (10%) of the purchase price, and shall within thirty (30) days thereafter pay the balance of the purchase price, less any mortgage which may then encumber the premises, to the LANDLORD in cash. The LANDLORD shall convey good and marketable title to the TENANT subject only to:

1. The unpaid principal balance of any mortgage for which the TENANT shall receive credit against the purchase price; and
2. Any other conditions of title which existed at the time LANDLORD acquired title, or were subsequently caused by or consented to by the TENANT.

19. SHORT FORM LEASE. Simultaneously with the execution and acknowledgment of this lease, the parties shall execute a "short form" lease for recording purposes. In no event shall such "short form" set forth the rental or other charges payable by the TENANT under this lease, and such "short form" shall expressly state that it is executed pursuant to the provisions contained in this lease and is not intended to vary the terms...
and conditions of this lease. In the event that LANDLORD or TENANT shall terminate and cancel this lease pursuant to the provisions contained herein for any cause other than LANDLORD's breach thereof, TENANT shall prepare, execute, and deliver to LANDLORD a release and cancellation of this lease.

20. **SUBORDINATION.** TENANT agrees upon request of LANDLORD to subordinate this lease and its rights hereunder to the lien of any mortgage, deed of trust or other voluntary hypothecation charged against the premises or any land, building or improvements included therein, or of which the premises are a part, or any portion or portions thereof, which mortgage, deed of trust or other voluntary hypothecation is to be re-ordened. TENANT further agrees to execute at any time and from time to time such documents as may be required to effectuate such subordination; provided, however, that TENANT shall not be required to effectuate such subordination or other documents hypothecating any interest in the premises unless the mortgagee, or hypothecary creditor named in such mortgage shall first agree in writing that so long as TENANT is not in default of any of the terms, covenants or conditions of this lease, neither this lease nor any of the rights of TENANT hereunder shall be terminated or modified or be subject to termination or modification by virtue of any provision of such mortgage, or other hypothecation, or any sale of the premises upon foreclosure or other exercise of remedies by such mortgagee, beneficiary or hypothecary creditor.

21. **ALTERATIONS AND IMPROVEMENTS.** TENANT may, provided the value of the premises is not thereby impaired, at its option, make improvements of the premises or may install or replace
equipment, lighting, partitioning or furnishings within the
premises at its sole cost and expense as may be required by the
business conducted therein. All furniture and equipment other
than air conditioning, heating and lighting systems so installed
shall remain the property of TENANT and may be removed from the
premises at any time during the term or at the termination of
TENANT’s occupancy hereunder, provided that the lease shall not
be in default, and provided that any damage caused by such re-
moval shall be repaired by TENANT. TENANT may elect not to
remove any or all of such equipment and furnishings in which case
the same shall become the property of LANDLORD upon TENANT’-
s surrender of the premises. TENANT agrees that any and all
alterations or additions shall be made in compliance with the
building codes and ordinances, laws and regulations applicable
to the premises; provided, however, there shall be no structural
changes to the building without the LANDLORD's consent, which
consent will not be unreasonably withheld. Should a building
permit or other permit be required by TENANT to accomplish said
improvements, LANDLORD will not unreasonably refuse to execute
all documents required to obtain said permits, including dedic-
ation documents if such are required to obtain said permits.
22. PERSONAL PROPERTY. It is agreed that all furniture,
fixtures and equipment installed by TENANT in the premises shall
at all times be and remain personal property, regardless of the
method in which the same is affixed to the premises and may be
removed by TENANT at the expiration or sooner termination of this
lease; provided this lease shall not then be in default. TENANT shall, at its expense, repair any damage to the building caused by such removal. It is agreed that the air conditioning, heating and lighting systems contained in the building may not be removed unless they are replaced with better systems, and all such systems when installed in the building shall, upon the termination of this lease, become the property of the LANDLORD.

The LANDLORD is hereby granted a lien on all of the personal property of the TENANT in the building, which lien is given to secure the performance by the TENANT of all of its obligations hereunder. The LANDLORD agrees to subordinating his lien once on each item of furniture, fixtures, and equipment installed on the premises by the TENANT, said subordination to be given at the time of the initial purchase of any item of furniture, fixtures and equipment, or subsequent to such initial purchase, but in any event such subordination shall be given only once on any individual item of personal property. Further, no such subordination shall be given with regard to the air conditioning, heating and lighting systems installed in the building. Further, any such subordination shall be conditioned upon the party to whom said subordination is given agreeing to repair any damage which may be caused to the premises upon the removal of said personal property by said third party. LANDLORD shall execute any waivers, consents, or other documents reasonably required by TENANT or any third party to effectuate the terms of this section.
23. **COVENANT OF QUIET ENJOYMENT.** LANDLORD covenants and agrees to and with TENANT that at all times when TENANT is not in default under this lease and during the term of this lease, TENANT's quiet and peaceable enjoyment of the premises shall not be disturbed or interfered with by LANDLORD or any person claiming by, through or under LANDLORD.

24. **SIGNS.** TENANT may affix, erect and maintain on the premises such signs or advertisements as TENANT shall deem reasonably necessary to the conduct of its business; provided, however, that the cost of erection and maintenance of any such sign or advertisement shall be the responsibility of TENANT.

At the expiration or termination of this lease, and provided this lease shall not then be in default, TENANT may, at its option, remove all signs and other identifying logos from the premises and repaint the building with colors selected by the LANDLORD so as to eliminate TENANT's distinctive color combinations. Provided the lease shall not be in default, LANDLORD shall not thereafter permit such distinctive colors or color combinations, signs or other identifying marks, to be used on the premises. Any such removal of signs and other identifying marks from the premises and repainting of the building shall be done within ten (10) days after the termination of the lease.

25. **HOLDING OVER.** Any holding over by TENANT after expiration of the term hereof or any extension thereof shall be construed as a tenancy from month to month, subject to all the conditions of this lease and at the rental rate effective as of the last month.
of the term expired. Either party may terminate such month to
month tenancy by giving to the other thirty (30) days written
notice of its intent to terminate.

26. **SURRENDER.** In the event of the return of the premises to
the LANDLORD in a damaged condition as a result of a casualty or
act of God, the damage shall be repaired by the TENANT or the
cost thereof paid by the TENANT and its insurer as provided in
Section 17 hereof.

27. **RIGHTS OF PARTIES.** Either LANDLORD or TENANT may from
time to time at its option exercise all rights or remedies which
either may have at law or in equity and nothing herein contained
shall be construed as in any way abridging or waiving such rights
or remedies: and any consent, waive: compromise or indulgence
by one party hereof or under any of the provisions of this
lease, or as to any breach or default hereunder by the other
party hereof, shall not constitute or be construed as a waiver
of the former party's right to enforce performance of the condi-
tions and terms hereof at all other time.

28. **NOTICES.** Any written notice provided to be given under
this lease to LANDLORD shall be given to LANDLORD at the above
address and any notice given to TENANT shall be addressed to
TENANT at TENANT's office and principal place of business. Such
notice shall be given by United States mail, certified or regis-
tered return receipt requested, properly addressed and postage
prepaid. The address of either party may be changed by written
notice to the other.

29. **CONTEST OF LIENS AND ENCUMBRANCES BY TENANT.** TENANT shall
have the right to contest, in good faith and by appropriate legal proceedings, the validity or amount of any mechanic's laborer's, or materialmen's lien or other claimed lien or encumbrance. Such contest shall be made in the manner and subject to all the terms and conditions set forth in Section 11 (Taxes) as though such contest were a contest of the validity or amount of a payment of additional rent.

30. **BINDING FUTURE PARTIES.** Each and all of the terms and agreements herein contained shall be binding upon and inure to the benefit of the parties hereto, their heirs, personal and legal representatives, successors and assigns.

31. **CONSTRUCTION OF WORDS.** Wherever the singular number is used herein, the same may include the plural if the context so requires, and any gender used herein, male, likewise include any other gender.

32. **SECTION HEADINGS.** Section headings contained herein shall in no way limit or restrict the interpretation to be placed upon any word or phrase following each heading.

33. **NO ORAL MODIFICATION.** This instrument contains the entire agreement made between the parties and may not be modified orally or in any manner other than by an agreement in writing signed by all the parties hereto or their respective successors in interest.

34. **MAINTENANCE.** TENANT shall keep the interior and exterior of the buildings and appurtenances, along with the parking lot and grounds, which are a part of the demised premises, in good repair and condition, clear of ice and snow or any other slippery substances, at TENANT's sole cost and expense throughout the term of this lease.
35. **CONDITIONAL LIMITATIONS.** Each covenant of LANDLORD shall be a condition to the performance of TENANT’s obligations hereunder. Each covenant of TENANT shall be a condition to the performance of LANDLORD’s obligations hereunder.

36. **NET LEASE.** It is the intention of the parties that this lease shall be a “net lease” to the LANDLORD, and that any and all expenses incurred in the maintenance, repair and operation of the premises as a pancake house or restaurant or for any other purpose, shall be paid by TENANT.

**IN WITNESS WHEREOF,** the parties have duly executed this lease the day and year first above written. Individuals signing on behalf of a principal warrant that they have the authority to bind their principals.

RICHARDSON, TEXAS & BRONX, NY

BORROWER:
Fernand J. St Germain and/or nominee.

Mr. St Germain is one of the state's two members of the U.S. House of Representatives and as such is known to the bank. It is our understanding that Mr. St Germain already owns two properties of this type.

PURPOSE OF LOAN:
To provide permanent long term mortgage financing for two existing restaurant buildings to be purchased.

AMOUNTS:
$236,550 and $251,850 ($488,400 Total)

RATE:
8% Approved by Board of Investment on MAR 21 1972

TERM:
15 years

REPAYMENT:
$2,261.02 and $2,407.26 monthly to interest and principal.

APPROVAL TO EXPIRE:

LOCATIONS:
(1) 1010 South Central Expressway
  Richardson, Texas

(2) 4340 Boston Post Road
  Bronx, New York

We have not seen either of these locations but we have been advised that both properties are located in areas developed with commercial and apartment type buildings and that the subject properties conform with the area development.

It should be noted that Richardson, Texas has a population in excess of 30,000 and is a suburb located on the north side of Dallas.

Any commitment that might be issued will be conditioned upon a satisfactory inspection of the properties by a representative of the bank.

SECURITY:
(1) Richardson, Texas

Land on an irregular shaped parcel containing approximately 23,133 square feet.

Improvements consist of a standard International House of Pancakes restaurant building. We are advised that the building is about one year old and contains about 3,000 square feet. In addition, the rest of the site is hard surfaced for parking.

000711
SECURITY: (2) Bronx, New York

Continued

Land - a rectangular parcel containing approximately 15,000 square feet.

Improvements - consist of a standard International House of Pancakes restaurant building. We have been told that the building is about one year old and contains about 3,000 square feet of space. In addition, the rest of the site is hard surfaced for parking.

VALUATIONS:

Although we have a good idea of what the improvements look like and the type of construction utilized we do not feel we should attempt a physical valuation of the properties until they have been seen. We can say, however, that the purchase price for each of these properties is in line with submissions on other similar properties which have been offered to the bank in the past.

We do feel we are in a position to place an economic value on the securities because of the leasing arrangements which have been made and the credit behind the leases.

Both properties are to be purchased by Mr. St Germain and then leased back, on a fully net basis, to International Industries, Inc. The leases will have a 20 year term and will provide for an annual net rental as follows:

<table>
<thead>
<tr>
<th>Property</th>
<th>Annual Net Rental</th>

</tr>
<tr>
<td>Bronx, New York</td>
<td>30,223</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>$58,609</strong></td>
</tr>
</tbody>
</table>

ECONOMIC VALUATIONS:

Net income of $58,609 capitalized at 9% gives a value of $651,200.

LESSOR:

As mentioned above, the properties are to be leased to International Industries, Inc. This is a diversified consumer services company with operations centered in food, retail, service, education and lodging fields. International was initially incorporated in California in 1959 with a restaurant and now operate 20 divisions made up of about 1,200 units located in 47 states. The company provides its products and services primarily through the franchise method of distribution. Pertinent financial information is shown below.

</tbody>
</table>
It has been explained that the large drop in revenues and the loss in net income is the result of the discontinuance of franchise operations and the divestiture of certain companies in 1971 and primarily from losses incurred from the abandonment of six businesses in 1970. We have been advised by a press release from International Industries, Inc. that the first quarter of its 1972 year was profitable, reporting net income of $877,500 on revenues of $20,333,000 compared to a loss of $962,000 on revenues of $14,173,800 for the same quarter the previous year.

In addition, and just as important, is the fact that we have been supplied one year’s operating figures for each of the subject properties. These statements show the following:

<table>
<thead>
<tr>
<th></th>
<th>SALES</th>
<th>NET BEFORE TAXES</th>
</tr>
</thead>
<tbody>
<tr>
<td>Richardson, Texas</td>
<td>$305,512</td>
<td>$55,311</td>
</tr>
<tr>
<td>Bronx, New York</td>
<td>414,923</td>
<td>58,387</td>
</tr>
</tbody>
</table>

It should be noted that these net income figures are after rentals paid of $38,141 and $27,636 for the Texas and New York facilities respectively. It would therefore seem that these are two extremely profitable operations and in the event of problems collecting rentals from International Industries, the owner should be able to negotiate very favorable leases with the present operators.

Dear Mr. Bessette:

We have not received the financial statements on this project in Richardson, Texas. We have directed correspondence to Mr. Michael A. Abatuno on several occasions, but he chooses to ignore our requests. As I recall, he is a friend of an officer of your bank. Is it possible that he may be able to persuade Mr. Abatuno to furnish this information?

It is my feeling that if we continue to press him for his statements, he may become upset about it. Do you have any suggestions?

Very truly yours,

Dear Dave:

This man, I understand, is a very good friend of your President. He is interested in the property at Richardson, Texas, known as the International House of Pancakes. We are not collecting reserves for taxes and insurance. We have attempted to verify the payment of taxes, but so far have had no response from Mr. Abatuno. We have asked for photocopies of the Tax Receipts. The Manager of the project in Richardson advises us the taxes are paid from the Crepe Trust in Providence, Rhode Island.

If they are unwilling to furnish us photocopies, perhaps a letter certifying that taxes have been paid will be sufficient.

I am not passing the buck; I just cannot get replies to my letters requesting this information.

RICHARDSON, TEXAS

LOAN NUMBER: GCT 9713-C
BORROWER: Crepe Trust. The principal of this trust is Mr. Fernand J. St. Germain, Woonsocket, Rhode Island.

ORIGINAL LOAN: $236,550 at 8%, 15-years full amortization
SERVICING: 1/4 of 1% by Gulf Coast Mortgage

PRESENT BALANCE: $210,543 after May payment

SECURITY: First mortgage on land and building (a typical House of Pancakes restaurant). As additional security, we have the collateral assignment of a net lease to International Industries, Incorporated for a 20-year term commencing July 10, 1972.

LOCATION: Richardson, Texas, an attractive suburb of Dallas

INCOME: $30,000 net per annum

DEBT SERVICE: $27,132 per annum

NET CASH FLOW: $2,868

REQUEST: Mr. St. Germain has requested that we extend the loan amortization term to coincide with the expiration of the original term of the lease to International Industries, Incorporated, or in effect, make our loan a 20-year loan instead of the present 15-year term.

COMMENTS: The previously mentioned lease provides for minimum rental payments of $30,000 per annum, fully net to the borrower. In addition, it provides for additional rent of 5% of sales in excess of $600,000 per annum. We have a monthly report of sales which indicates at the present time the restaurant is generating about $400,000 of sales per year. This appears to be a fairly substantial volume for an operation of this type, but is a long way from reaching the excess rental provision.

The lessee, International Industries, Incorporated, had as its original business International House of Pancakes, which is now a wholly owned subsidiary of International Industries, Incorporated. The lessee has had serious financial problems in the past two or three years and the outlook for continued successful operation is in doubt. However, the annual report for fiscal 1974 does state that the International House of Pancakes division is the largest and most profitable of all of its activities.
This is a low rate loan, and if we refuse to extend the amortization period to permit greater cash flow, we are faced with staying with this loan at its present rate for another 12 years. It is, therefore, proposed that Old Stone Bank agree to recast the loan and increase the interest rate.

RECOMMENDATION: That Old Stone Bank agree to recast loan No. CIT 9713-C so that the balance after the May, 1975, payment ($210,543) be amortized over 182 months (equivalent to 18 years total term) at 8 1/2 percent interest with a balloon payment due at the end of the original 15-year term, subject to Mr. St. Germain's retaining his interest in Crepe Trust and Crepe Trust's continued ownership of subject property. In the event Mr. St. Germain terminates or alters his present interest in the trust, or the trust divests itself of all or any part of its ownership of subject property, the amortization of subject loan shall revert to its original terms. Then, also, subject to the revised loan papers being satisfactory to Old Stone's counsel.

Dear Bob:

Enclosed are the descriptions and locations of the two properties in Richardson, Texas and Bronx, New York.

Of significance, naturally, will be the value you place on the lease with International Industries. Under 1-A the agreement is for 12%-net. In addition there is a 5% clause, when 5% of the gross exceeds the net annual rate.

As I mentioned, I am asking 100% financing for fifteen years.

The contact for International Industries is Jerry Fisher—he has a private number which will not be answered unless he is there—Area Code 212, 272-6531.

Sincerely,

EXHIBIT A
REAL ESTATE MASTER LEASE

THIS LEASE, made this 11th day of April, 1972, by and between MICHAEL A. ABATUNO, Trustee under an Indenture of Trust dated February 28, 1972, known as the CREPE TRUST, or his successor(s) and assigns, hereinafter referred to as LANDLORD and INTERNATIONAL INDUSTRIES, INC., a Delaware corporation, with its office and principal place of business at 9808 Wilshire Boulevard, Beverly Hills, California 90212, hereinafter referred to as TENANT.

W I T N E S S E T H:

1. DESCRIPTION OF PREMISES. LANDLORD hereby leases to TENANT and TENANT hires from LANDLORD for the term and according to the covenants and conditions contained herein all that certain land together with the improvements thereon at 1010 South Central Expressway, Richardson, Texas,

and more particularly described in EXHIBIT A, which description is attached to and made a part of this lease (all of the foregoing hereinafter referred to as the PREMISES).

2. ASSIGNMENT OF SUBLEASES: LANDLORD hereby assigns to TENANT all of LANDLORD's right, title and interest in and to the sublease affecting the premises now in existence for the remainder of the terms thereof, which is attached to this lease and more
particularly described in EXHIBIT B. In regard to such sublease, TENANT shall have all the rights of a sublessor including the right to terminate, the right to receive the rent, and the right to extend any such sublease for a term not exceeding twenty (20) years from the date of this lease. TENANT agrees to indemnify and hold LANDLORD harmless for any claim, loss or liability that may arise out of any such lease and TENANT assumes any duty or liability to any of its franchisees, licensees, tenants or subtenants created by any such lease.

3. **TERM.** The term of this lease shall commence on **July 10, 1971** and shall end twenty (20) years after the date of first payment of rent, as specified in Section 4.

4. **RENT.** The fixed minimum annual rental for the premises situated at 1010 South Central Expressway, Richardson, Texas (described in EXHIBIT A) shall be Thirty Thousand Dollars ($30,000.00) payable by TENANT to LANDLORD during the full term of two hundred forty (240) equal monthly installments of Two Thousand Five Hundred Dollars ($2,500.00) payable on the first day of each calendar month.

If the first day upon which rent becomes payable is other than the first day of any calendar month, the rent for the balance of said month shall be prorated and paid by TENANT on a
daily rate based upon a thirty (30) day month.

The fixed minimum annual rental shall not be subject to reduction during the term of this lease; however, in addition to the monthly rental agreed to be paid by TENANT, TENANT shall and will pay to LANDLORD, at the time and in the manner specified in this lease, an additional rental in an amount equal to five percent (5%) of the amount of TENANT's or subtenant's gross sales made in, upon or from each of the buildings on the PREMISE, during each calendar year of the term hereof, less the aggregate amount of the monthly rental previously paid by the TENANT for said calendar year.

Within thirty (30) days after the end of each semi-annual period of the term hereof, commencing with the 30th day following the first June 30 or December 31 of the term hereof, and ending with the 30th day of the month next succeeding the last month of the lease term, TENANT shall furnish to LANDLORD a statement in writing, certified by TENANT to be correct, showing the total gross sales made in, upon or from said building during the preceding semi-annual period, and shall accompany each such statement with a payment to LANDLORD equal to five percent (5%) of the total quarterly gross sales made in, upon or from the said building during each such semi-annual period, less the rent previously paid for such semi-annual period, and less the deductions and credits hereinafter provided for. Said payments of percentage 

-3- 000842
rental shall be adjusted annually as of December 31 of each year
and at the end of the term of this lease, so that the total
rent payable during such calendar year shall be the greater of
either (a) the minimum annual rent for said year, or (b) five
per cent (5%) of gross sales during said year.

The term "gross sales" as used herein shall include the
entire gross receipts of each kind and nature from sales and
services made in, upon or from the said building, whether upon
credit or for cash, whether operated by the TENANT or by a sub-
tenant, or subtenants, or by a concessionaire or concessionaires,
excepting therefrom any rebates and/or refunds to customers, and
the amount of all State of Rhode Island sales tax which have to
be accounted for by Lessee or by any subtenant or concessionaire
to the State of Rhode Island. Sales upon credit shall be deemed
cash sales and shall be included in the gross sales for the
period during which the merchandise is delivered to the customer,
whether or not title to the merchandise passes with delivery.
The term "gross sales" shall not include sales from coin-operated
vending machines.

The TENANT shall keep full, complete and proper books,
records and accounts of its daily gross sales, both for cash and
on credit of each separate department and concession at any time
operated in the said premises. The LANDLORD and his agents and
employees, upon reasonable notice, shall have the right at any
time and all times, during regular business hours, to examine
and inspect all of the books and records of the TENANT (including
any sales tax reports) pertaining to the business of the TENANT
conducted in, upon or from the said premises which TENANT shall produce upon demand by LANDLORD or LANDLORD's agents for the purpose of investigating and verifying the accuracy of any statement of gross sales. The LANDLORD may once in any lease year cause an audit of the gross sales of TENANT to be made by an independent certified accountant of LANDLORD's selection, and if the statement of gross sales previously made to LANDLORD by TENANT shall be found to be understated by more than two percent (2%), TENANT shall immediately pay to LANDLORD the cost of such audit not to exceed Seven Hundred Fifty Dollars ($750.00) as well as the additional rental shown to be payable by TENANT to LANDLORD; otherwise, the cost of such audit shall be paid by LANDLORD.

5. **THE BUSINESS.** LANDLORD hereby acknowledges that INTERNATIONAL INDUSTRIES, INC., its divisions, affiliates and subsidiaries, hereinafter referred to collectively as INTERNATIONAL, are engaged in the business of franchising, licensing and operating pancake houses, hereinafter called the BUSINESS. TENANT agrees that the premises shall be used solely as a pancake house or restaurant and for no other purpose; LANDLORD further acknowledges that the buildings in which the BUSINESS are operated are painted with a unique combination of colors, namely, blue, white and persimmon, and have unique logos and drawings, and turnposts of novel design. LANDLORD further acknowledges that said distinctive features, through extensive advertising, promotion and use,
as well as uniformity of service, products and business methods, have become identified by the public throughout the nation with INTERNATIONAL's operations and have acquired a secondary meaning, indicating said INTERNATIONAL's operations. INTERNATIONAL has thereby acquired property rights of great value in the distinctive features and all trademarks, trade names, trade secrets, signs and symbols relating thereto which can be protected only by confining the use thereof to buildings housing the business operated by INTERNATIONAL or its franchisees or licensees. It is, therefore, agreed that the use of said distinctive features in a building housing any business other than the business operated by INTERNATIONAL, its franchisees or licensees will cause irreparable injury to INTERNATIONAL, its franchisees and licensees for which there is no adequate remedy at law.

LANDLORD further agrees for the benefit of TENANT and INTERNATIONAL that if, for any reason other than TENANT'S default this lease be terminated by lapse of time or otherwise, TENANT may at its own expense, remove the distinctive features hereinabove enumerated from said building, substituting colors selected by the LANDLORD in place thereof. In the event of a breach of this agreement by LANDLORD, LANDLORD agrees that TENANT or INTERNATIONAL will be entitled to an immediate injunction from a court of equity to compel LANDLORD to comply with this agreement and to prevent LANDLORD from making or permitting any use of the demised premises until LANDLORD has so complied.

All of the rights of the tenant under the provisions of Section 5 set forth above shall be conditioned upon, and subject to, the TENANT complying with its obligations under this lease and not committing any breach of, or default under, the provision
of this lease. Further, the LANDLORD shall have no responsibility for any violation of the provisions of this section by any person other than himself.

6. USE OF PREMISES. TENANT shall use the premises for the purpose of conducting thereon the business or incidental purposes related thereto, or for any other legally permissible restaurant business; provided, however, that TENANT shall not use the premises in such a manner as to violate any applicable law, rule, ordinance or regulation of any governmental body.

7. LIABILITY FOR DAMAGES: TENANT, as a material part of the consideration to be rendered to the LANDLORD, hereby waives all claims against the LANDLORD for damage to goods, wares and merchandise, in, upon, or about the premises, and for injuries to persons in or about the premises from any cause arising at any time. The TENANT further agrees on the commencement of the term of this lease to take out public liability insurance covering the premises. Said policy or policies shall be for an amount of at least three hundred thousand dollars ($300,000.00) for death or injury to one person, and five hundred thousand ($500,000.00) for death or injury to two or more persons, plus fifty thousand dollars ($50,000.00) property damage, which said policy or said policies of insurance shall name the LANDLORD as an additional assured thereunder, and TENANT agrees to maintain same at TENANT's sole cost and expense in full force and effect during the entire term of this lease. TENANT shall furnish the LANDLORD with a copy of such insurance coverage, or with a certificate of the company issuing such insurance, certifying that the same is in full force and effect. The TENANT may, at its option, bring
its obligations to insure hereunder under any so-called blanket policy or policies of insurance; provided, however, that the interests of the LANDLORD shall be as fully protected thereby as if TENANT obtained individual policies of insurance. Each policy or certificate of insurance which shall be issued pursuant to the provisions of this section shall be issued by an insurance company that shall be licensed to do business in the state where the premises are located, and shall be a company that shall be acceptable to LANDLORD. The LANDLORD shall be reasonable in the exercise of his discretion in giving or withholding approval of any such insurance company.

8. **COVENANTS AGAINST LIENS; INSPECTION.** TENANT shall indemnify and save LANDLORD harmless from and against any lien or claim of lien attached to or upon the premises or any part thereof by reason of any act or omission on the part of the TENANT.

LANDLORD, or LANDLORD's agent, shall at all reasonable times have the right to enter upon the demised premises for the purpose of inspecting the same, and for the purpose of posting or keeping posted notices of non-responsibility or any or all forms of notice reasonably necessary or proper to protect LANDLORD or the premises against mechanics' or materialmen's liens, or charges, or other liens or charges which might or could arise out of the use of the premises by TENANT, or the construction of the improvements or the making of alterations or repairs to the premises.

9. **BANKRUPTCY OR INSOLVENCY.** If at any time during the term hereof proceedings in bankruptcy shall be instituted by or against the TENANT, and result in an adjudication or bankruptcy, or if the TENANT shall file, or any creditor of the TENANT shall file any petition under Chapter X or Chapter XI of the Bankruptcy
Act of the United States of America, as the same are now in force or may hereafter be amended, and TENANT be adjudicated bankrupt, or if a receiver or trustee of the business or assets of TENANT be appointed and such appointment be not vacated within thirty (30) days after notice thereof to TENANT, or if the TENANT makes an assignment for the benefit of creditors, or if any sheriff, marshal, constable, or keeper takes possession of the premises or assets located thereon by virtue of any attachment or execution proceedings and offer same for sale publicly, then LANDLORD may, at its option, in either or any of such events, terminate this lease. Upon such termination all installments of rent earned to the date of termination and unpaid shall at once become due and payable, and in addition thereto LANDLORD shall have all rights provided by the bankruptcy laws relative to the proof of claim on an anticipatory breach of an executory contract.

10. ASSIGNMENT. TENANT may not assign this lease in whole or in part without first obtaining the prior written consent of LANDLORD, which consent shall not be unreasonably withheld; provided, however, the giving of consent by the LANDLORD shall not release the TENANT from its primary liability for the full and complete performance of the TENANT's obligations under this lease; and, provided further, that TENANT may, without such consent, assign this lease in whole or in part as security or otherwise to any corporation controlled by, controlling or under common control with TENANT (it being understood that TENANT shall remain liable hereunder) or to any surviving corporation.
resulting from a merger or consolidation of the TENANT with any other corporation or to any corporation which purchases or otherwise acquires all or substantially all of the assets of the TENANT. Any consent to an assignment shall not be deemed to be a consent to any subsequent assignment. Any assignment by TENANT other than in accordance with this Section 10 shall be voidable by LANDLORD for a period of sixty days after acquiring knowledge by written notice of such assignment; provided, however, failure on the part of the LANDLORD to take any action within said sixty-day period shall not be deemed to release the TENANT from primary liability under the terms of this lease.

TENANT or its assignees shall have and is hereby given, the unqualified right and privilege at its option of subletting the demised premises, in whole or in part, subject to all of the rents, terms and conditions of this lease. It is specifically understood and agreed by and between LANDLORD and TENANT that any subletting which TENANT or its assignees make, as permitted herein, shall in no event relieve TENANT of the obligations of TENANT hereunder, and that the right of subletting shall be that of TENANT or its assignees only, and shall not extend to any subtenant.

11. TAXES. TENANT shall pay or cause to be paid before delinquency all taxes, assessments, or charges and in such event shall indemnify and hold LANDLORD harmless from any cost, expense, or penalties in connection therewith. LANDLORD shall authorize and instruct the assessing and taxing authorities to forward all such tax bills to TENANT. TENANT shall furnish LANDLORD with proof of payment of taxes within thirty (30) days after the taxes
12. **DEFAULT.** If TENANT shall fail to make any payment of rent, or of taxes, interest on taxes, or insurance premiums, within ten (10) days after same shall be due under the provisions of this lease, the TENANT shall be considered in default. In such an event, the payment of rent shall be subject to a five per cent (5%) late charge, which sum shall be considered as additional rent due for the month during which said default occurred. In the event of the TENANT's failure to pay the rent (including the late charge), or the taxes, the interest on taxes, or insurance premiums required of it, for a period of thirty (30) days, the LANDLORD may, at his option, accelerate and declare immediately due and owing the entire balance of the rent to be paid under this lease for the remainder of the twenty year term. With regard to any default other than arising from the failure of tenant to pay rent, taxes, interest on taxes, or insurance premiums, the TENANT shall have thirty (30) days after receipt of written notice from LANDLORD to cure said default, or a reasonable time after receipt of such notice if such default could not be cured within thirty (30) days by TENANT's diligent efforts. In the event of TENANT's failure to cure said default within the time provided, LANDLORD may, at his option, accelerate and declare immediately due and owing the entire balance of the rent to be paid under this lease for the remainder of the twenty year term. Also, in the event of the TENANT's failure to cure any of the defaults hereinbefore provided, within the time hereinbefore provided, LANDLORD may, at its option, at any time thereafter during the continuance of such default, declare this lease terminated, re-enter and take possession of the premises pursuant to applicable provisions of
Should LANDLORD be required to enforce the provisions of this lease against TENANT in any judicial proceedings, or to retain the services of an attorney in connection with the enforcement of LANDLORD's rights hereunder, or in the event LANDLORD shall terminate this lease for any breach, in addition to any other remedies LANDLORD may have, LANDLORD may recover from TENANT all the damages LANDLORD may incur by reason of such breach, including reasonable attorney's fees and cost of recovering the premises, and including the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this lease for the remainder of the stated term over the then reasonable rental value of the premises for the remainder of the stated term.

LANDLORD agrees that if LANDLORD fails to pay any installment of taxes, or assessments (other than provided for herein to be paid by TENANT) or any interest, principal, costs or other charges upon any mortgage or mortgages or other liens and encumbrances affecting the premises and to which this lease may be subordinate when any of the same become due, or in any other respect fails to perform any covenant or agreements in this lease contained on the part of LANDLORD to be performed, then and in any such event or events, TENANT, after the continuance of any such failure or default for thirty (30) days after notice in writing thereof is given by TENANT to LANDLORD, may pay said interest, principal, costs, and other charges and cure such defaults all on behalf of and at the expense of
LANDLORD and make all necessary payments in connection therewith including but not limiting the same to payment of any reasonable counsel fees, costs and charges of or in connection with any legal action which may have been brought, the LANDLORD agrees to pay to TENANT forthwith the amount so paid by TENANT, together with interest thereon at a rate which is one-half of one per cent per annum above the prime rate but in no event higher than the maximum rate allowed by applicable law, and agrees that tenant may withhold any and all rental payments and other payments thereafter becoming due to LANDLORD pursuant to the provisions of this lease or any extension thereof, and may apply the same to payment of such indebtedness of LANDLORD to TENANT until such indebtedness is fully paid with interest thereon as herein provided. Nothing herein contained shall preclude TENANT from proceeding to collect the amount so paid by it as aforesaid without waiting for rental offsets to accrue, and if at the expiration of this lease or any extension thereof, there shall be any sums owing by LANDLORD to TENANT, this lease may at the election of TENANT be extended and continued in full force and effect until March 31st of the year following the date when the indebtedness of LANDLORD to TENANT shall have been fully paid.

The TENANT agrees that if TENANT fails to pay any taxes or assessments required to be paid by the TENANT under any provisions of this lease, or the TENANT shall fail to maintain the interior or exterior of the premises as required by this lease, LANDLORD may pay such tax or assessment, and pay for the proper maintenance and repair of the premises, and make all necessary
payments in connection therewith including but not limiting the same to payment of any reasonable counsel fees, costs and charges of or in connection with any legal action which may have to be brought, and TENANT agrees to pay to LANDLORD, as additional rent, all such amounts so paid by LANDLORD, together with interest thereon at a rate which is one-half of one per cent per annum above the prime rate but in no event higher than the maximum rate allowed by applicable law; provided, however, that with regard to the maintenance and repair of the building, LANDLORD shall not make any payments in connection therewith until after the continuation of TENANT's failure or default for thirty (30) days after notice in writing thereof is given by LANDLORD to TENANT, except in the case of emergency repairs which may be necessary to temporarily preserve the premises after any serious casualty or act of God.

13. NON-DEFAULT OF TENANT. It is understood and agreed that LANDLORD may transfer title to the premises described in EXHIBIT A, subject to the terms and conditions provided herein; provided, that in the event of any change in or transfer of title of LANDLORD in or to the demised premises, or any part thereof, whether voluntary or involuntary, or by the act of LANDLORD or by operation of law, TENANT shall be under no obligation to pay rents thereafter accruing until notified in writing by LANDLORD, his heirs, executors, administrators or successors or assigns, of such change in title and being given satisfactory proof thereof, and that the withholding of such rents in the meantime shall not be in any sense a default upon
the part of TENANT.

14. **UTILITIES.** TENANT shall pay directly to the applicable company the cost of all utilities consumed on the premises, including but not limited to power, electricity, gas, water, and telephone. In the event the TENANT shall request the LANDLORD to convey any utility easements reasonably required in connection with TENANT's operation of the BUSINESS from the premises, LANDLORD shall notify TENANT of his decision concerning said request within thirty (30) days after LANDLORD shall receive such request, in writing, from TENANT, and LANDLORD will not unreasonably withhold his consent to any such request. In the event LANDLORD shall fail to notify TENANT within thirty (30) days of his answer to said request, and only in that event, LANDLORD hereby appoints TENANT his attorney in fact to execute any and all documents required to convey required utility easements in, on, under and over the premises in all manners permitted by this lease and further agrees to cooperate with TENANT and execute those documents required to be executed by LANDLORD to obtain such utility easements.

15. **INSURANCE WAIVER.** LANDLORD hereby expressly waives any and all claims against TENANT for loss and/or damage arising or resulting from the occupancy of the demised premises and/or from any operation conducted therein or thereabouts caused by fire and/or other perils insured under standard form fire insurance policies with extended coverage endorsements regardless of the cause of such damage, including damage resulting from the negligence of TENANT or its agents, servants, employees or invitees;
provided, however, the aforesaid waiver by the LANDLORD shall
occur only to the extent that any such damage and loss shall be
paid by the insurance company that shall have issued said insur-
ance policies.

16. **INSURANCE.** TENANT will, at TENANT's own cost and expense,
carry and maintain fire insurance with extended coverage endorse-
ment and flood insurance, if available, for the benefit of LAND-
LORD and TENANT on all buildings erected upon the premises in an
amount equal to one hundred per cent (100%) of the full insurable
value thereof, excluding foundation and excavation costs. As
often as any such policy or policies shall expire or terminate,
renewal or additional policies shall be procured by TENANT in like
manner and to like extent. Proceeds of any such policies, in the
event of fire or other casualty, shall be payable to LANDLORD and
TENANT as their respective interest may appear. The initial
policies or certificates evidencing said insurance shall be
delivered to the LANDLORD within thirty (30) days of the signing
of the lease, and any replacements therefor shall be delivered at
least ten (10) days prior to expiration or termination of any
coverage then in force. In the event such insurance shall not be
provided LANDLORD as hereinbefore provided, the LANDLORD shall
have the option of purchasing same and the cost, plus interest
at the maximum legal rate, shall be due from TENANT as additional
rent on the first day of the month next following such purchase.

TENANT may, at its option, bring its obligations to insure
this section within the coverage of any so-called blanket policy
or policies of insurance which TENANT may now or hereafter carry,
by appropriate amendment, rider endorsement, or otherwise, provided, however, that the interest of LANDLORD shall thereby be as fully protected as they would be otherwise if this option to TENANT to use blanket policies were not permitted. Copies of certificates of any such policies shall be delivered to LANDLORD within thirty (30) days after the commencement of this lease. All such policies shall contain a clause or endorsement to the effect that it may not be terminated or materially amended except by compliance with Rhode Island law, after written notice to the LANDLORD.

All such policies and certificates shall be issued by insurance companies that shall be acceptable to both LANDLORD and to any lending institution that shall hold or accept a mortgage on the premises; provided, however, LANDLORD agrees that he will not unreasonably withhold his approval of any insurance company designated by TENANT. All such policies and certificates shall be issued by insurance companies that shall either be licensed to do business in the state where the premises are located, or that shall provide the LANDLORD with a legally binding undertaking granting the LANDLORD the option of filing any suit under the policy in the State of Rhode Island.

17. DESTRUCTION OF BUILDING. If the building on said premises shall be damaged or rendered untenable by fire or other casualty or as a result of any act of God, TENANT shall repair or replace said building so that TENANT may continue in occupancy. There shall be no abatement in rent, nor any reduction in rent, during the period of time that the premises shall be damaged or rendered untenable. TENANT shall have the access to any
insurance proceeds available by reason of such damage or destruction to the building. It is further understood and agreed that in case of any damage or destruction occurring during the last five (5) years of the original term of this lease, or during any extension of the term, to the extent of fifty per cent (50%) or more of the insurable value of the building, TENANT may at TENANT's option, to be evidenced by notice in writing given to LANDLORD within thirty (30) days after the occurrence of such damage or destruction, in lieu of repairing or replacing said building, elect to terminate this lease as of the date of the damage or destruction, in which event LANDLORD shall be entitled to receive the proceeds of any insurance representing the insured value of the building exclusive of any such proceeds which are attributable to the furniture, fixtures and equipment of TENANT referred to in section 22 below, which such latter proceeds shall belong to TENANT. In the event the TENANT shall elect to terminate the lease during the last five (5) years as a result of damage or destruction as hereinabove provided, and in the further event that the insurance proceeds shall be insufficient to fully repair said damage or to replace said building, then TENANT shall, as an additional condition to its right to terminate the lease, pay to LANDLORD the difference between the insurance proceeds and said cost of repairing or replacing the building.

18. CONDEMNATION. If all of the premises shall be taken or condemned for a public or quasi-public use, this lease shall terminate as of the date that possession shall vest in the
condemnor. In the event of such termination, both parties shall be released from any and all further obligation hereunder, and all of the proceeds paid by the condemning authority for the taking shall be the property of the LANDLORD.

If any part of the premises, but less than all, shall be taken or condemned for a public or quasi-public use, and a part thereof remains which is reasonably suitable for the use of the premises made by TENANT immediately prior to such condemnation, this lease shall continue in full force and effect for the balance of the term thereof; provided, however, that the annual rental paid by TENANT shall be reduced by an amount equal to twelve (12%) of the net proceeds received by the LANDLORD from the condemning authority for the taking, said net proceeds to be the amount paid by the condemning authority less attorney's fees, costs and expenses incurred by LANDLORD in connection therewith.

In the event so much of the premises is taken or condemned that, in the reasonable judgment of TENANT, the aforesaid use by TENANT shall be substantially impaired, then the TENANT shall have the option of either:

a. Continuing the lease upon the reduced rental formula provided for above; or

b. Terminating the lease by purchasing in fee simple title to the premises from the LANDLORD for the sum of Two Hundred Fifty Thousand Dollars ($250,000), for the premises at 1010 South Central Expressway, Richardson, Texas, described in Exhibit A attached hereto.
The TENANT shall have thirty (30) days from the date that possession shall vest in the condemnor within which to exercise the above options. In the event that TENANT shall fail to give LANDLORD written notice of its intention within said thirty (30) day period, then the TENANT shall be conclusively presumed to have designated the option contained in subparagraph a., above, it shall accompany said notice with a deposit equal to ten percent (10%) of the purchase price, and shall within thirty (30) days thereafter pay the balance of the purchase price, less any mortgage which may then encumber the premises, to the LANDLORD in cash. The LANDLORD shall convey good and marketable title to the TENANT subject only to:

(1) The unpaid principal balance of any mortgage for which the TENANT shall receive credit against the purchase price; and

(2) Any other conditions of title which existed at the time LANDLORD acquired title, or were subsequently caused by or consented to by the TENANT.

19. SHORT FORM LEASE. Simultaneously with the execution and acknowledgment of this lease, the parties shall execute a "short form" lease for recording purposes. In no event shall such "short form" set forth the rental or other charges payable by the TENANT under this lease, and such "short form" shall expressly state that it is executed pursuant to the provisions contained in this lease and is not intended to vary the terms
and conditions of this lease. In the event that LANDLORD or TENANT shall terminate and cancel this lease pursuant to the provisions contained herein for any cause other than LANDLORD's breach thereof, TENANT shall prepare, execute, and deliver to LANDLORD a release and cancellation of this lease.

20. **SUBORDINATION.** TENANT agrees upon request of LANDLORD to subordinate this lease and its rights hereunder to the lien of any mortgage, deed of trust or other voluntary hypothecation charged against the premises or any land, building or improvements included therein, or of which the premises are a part, or any portion or portions thereof, which mortgage, deed of trust or other voluntary hypothecation is to be recorded. TENANT further agrees to execute at any time and from time to time such documents as may be required to effectuate such subordination; provided, however, that TENANT shall not be required to effectuate such subordination or other documents hypothecating any interest in the premises unless the mortgagee, or hypothecary creditor named in such mortgage shall first agree in writing that so long as TENANT is not in default of any of the terms, covenants or conditions of this lease, neither this lease nor any of the rights of TENANT hereunder shall be terminated or modified or be subject to termination or modification by virtue of any provision of such mortgage, or other hypothecation, or any sale of the premises upon foreclosure or other exercise of remedies by such mortgagee, beneficiaries or hypothecary creditor.

21. **ALTERATIONS AND IMPROVEMENTS.** TENANT may, provided the value of the premises is not thereby impaired, at its option, make improvements of the premises or may install or replace
equipment, lighting, partitioning or furnishings within the premises at its sole cost and expense as may be required by the business conducted therein. All furniture and equipment other than air conditioning, heating and lighting systems so installed shall remain the property of TENANT and may be removed from the premises at any time during the term or at the termination of TENANT's occupancy hereunder, provided that the lease shall not be in default, and provided that any damage caused by such removal shall be repaired by TENANT. TENANT may elect not to remove any or all of such equipment and furnishings in which case the same shall become the property of LANDLORD upon TENANT's surrender of the premises. TENANT agrees that any and all alterations or additions shall be made in compliance with the building codes and ordinances, laws and regulations applicable to the premises; provided, however, there shall be no structural changes to the building without the LANDLORD's consent, which consent will not be unreasonably withheld. Should a building permit or other permit be required by TENANT to accomplish said improvements, LANDLORD will not unreasonably refuse to execute all documents required to obtain said permits including dedication documents if such are required to obtain said permits.

22. PERSONAL PROPERTY. It is agreed that all furniture, fixtures and equipment installed by TENANT in the premises shall at all times be and remain personal property, regardless of the method in which the same is affixed to the premises and may be removed by TENANT at the expiration or sooner termination of this
lease, provided this lease shall not then be in default. TENANT shall, at its expense, repair any damage to the building caused by such removal. It is agreed that the air conditioning, heating and lighting systems contained in the building may not be removed unless they are replaced with better systems, and all such systems when installed in the building shall, upon the termination of this lease, become the property of the LANDLORD.

The LANDLORD is hereby granted a lien on all of the personal property of the TENANT in the building, which lien is given to secure the performance by the TENANT of all of its obligations hereunder. The LANDLORD agrees to subordinate his lien once on each item of furniture, fixtures and equipment installed on the premises by the TENANT, said subordination to be given at the time of the initial purchase of any item of furniture, fixtures and equipment, or subsequent to it, but in any event such subordination shall be given only once on any individual item of personal property. Further, no such subordination shall be given with regard to the air conditioning, heating and lighting systems installed in the building. Further, any such subordination shall be conditioned upon the party to whom said subordination is given agreeing to repair any damage which may be caused to the premises upon the removal of said personal property by said third party. LANDLORD shall execute any waivers, consents, or other documents reasonably required by TENANT or any third party to effectuate the terms of this section.
23. COVENANT OF QUIET ENJOYMENT. LANDLORD covenants and agrees, to and with TENANT that at all times when TENANT is not in default under this lease and during the term of this lease, TENANT's quiet and peaceable enjoyment of the premises shall not be disturbed or interfered with by LANDLORD or any person claiming by, through or under LANDLORD.

24. SIGNS. TENANT may affix, erect and maintain on the premises such signs or advertisements as TENANT shall deem reasonably necessary to the conduct of its business; provided, however, that the cost of erection and maintenance of such sign or advertisement shall be the responsibility of TENANT.

At the expiration or termination of this lease, and provided this lease shall not then be in default, TENANT may, at its option, remove all signs and other identifying logos from the premises and repaint the building with colors selected by the LANDLORD so as to eliminate TENANT's distinctive color combinations. Provided the lease shall not be in default, LANDLORD shall not thereafter permit such distinctive colors or color combinations, signs or other identifying marks, to be used on the premises. Any such removal of signs and other identifying marks from the premises and repainting of the building shall be done within ten (10) days after the termination of the lease.

25. HOLDING OVER. Any holding over by TENANT after expiration of the term hereof or any extension thereof shall be construed as a tenancy from month to month, subject to all the conditions of this lease and at the rental rate effective as of the last month.
of the term expired. Either party may terminate such month to
month tenancy by giving to the other thirty (30) days written
notice of its intent to terminate.
26. SURRENDER. In the event of the return of the premises to
the LANDLORD in a damaged condition as a result of a casualty or
act of God, the damage shall be repaired by the TENANT or the
cost thereof paid by the TENANT and its insurer as provided in
Section 17 hereof.
27. RIGHTS OF PARTIES. Either LANDLORD or TENANT may from
time to time at its option exercise all rights or remedies which
either may have at law or in equity and nothing herein contained
shall be construed as in any way abridging or waiving such rights
or remedies; and any consent, waiver, compromise or indulgence
by one party hereto of or under any of the provisions of this
lease, or as to any breach or default hereunder by the other
party hereof, shall not constitute or be construed as a waiver
of the former party's right to enforce performance of the condi-
tions and terms hereof at all other times.
28. NOTICES. Any written notice provided to be given under
this lease to LANDLORD shall be given to LANDLORD at the above
address and any notice given to TENANT shall be addressed to
TENANT at TENANT's office and principal place of business. Such
notice shall be given by United States mail, certified or regis-
tered return receipt requested, properly addressed and postage
prepaid. The address of either party may be changed by written
notice to the other.
29. CONTEST OF LIENS AND ENCUMBRANCES BY TENANT. TENANT shall
have the right to contest, in good faith and by appropriate legal proceedings, the validity or amount of any mechanic's, laborer's, or materialmen's lien or other claimed lien or encumbrance. Such contest shall be made in the manner and subject to all the terms and conditions set forth in Section 11 (Taxes) as though such contest were a contest of the validity or amount of a payment of additional rent.

30. **BINDING FUTURE PARTIES.** Each and all of the terms and agreements herein contained shall be binding upon and inure to the benefit of the parties hereto, their heirs, personal and legal representatives, successors and assigns.

31. **CONSTRUCTION OF WORDS.** Wherever the singular number is used herein, the same may include the plural if the context so requires, and any gender used herein may likewise include any other gender.

32. **SECTION HEADINGS.** Section headings contained herein shall in no way limit or restrict the interpretation to be placed upon any word or phrase following each heading.

33. **NO ORAL MODIFICATION.** This instrument contains the entire agreement made between the parties and may not be modified orally or in any manner other than by an agreement in writing signed by all the parties hereto or their respective successors in interest.

34. **MAINTENANCE.** TENANT shall keep the interior and exterior of the buildings and appurtenances, along with the parking lot and grounds, which are a part of the demised premises, in good repair and condition, clear of ice and snow or any other slippery substances, at TENANT's sole cost and expense throughout the term of this lease.
35. **CONDITIONAL LIMITATIONS.** Each covenant of LANDLORD shall be a condition to the performance of TENANT's obligations hereunder. Each covenant of TENANT shall be a condition to the performance of LANDLORD's obligations hereunder.

36. **NET LEASE.** It is the intention of the parties that this lease shall be a "net lease" to the LANDLORD, and that any and all expenses incurred in the maintenance, repair and operation of the premises as a pancake house or restaurant or for any other purpose, shall be paid by TENANT.

IN WITNESS WHEREOF, the parties have duly executed this lease the day and year first above written. Individuals signing on behalf of a principal warrant that they have the authority to bind their principals.

ATTENTION: Mr. Gerald Fisher,
Director of Real Estate

Dear Gerald:

In accordance with your instructions, I am enclosing herewith a purchase agreement and real estate master lease, both of which have been duly executed by me.

The warranty deed and the mortgage will be prepared by Lawyers Title Insurance Corporation, and I would appreciate it if you could direct them to Mr. Gerry Congleton at the Gulf Coast Investment Corporation, Houston, Texas. At the same time that mortgage is prepared, an assignment of the mortgage should also be prepared transferring and assigning said mortgage to the Old Stone Savings Bank, a mutual savings bank organized under the laws of the State of Rhode Island with a principal place of business in the City of Providence, State of Rhode Island.

Inasmuch as you have not sent me the franchise sublease, I was unable to prepare the short form lease or the subordination agreement. Under the circumstances, I would appreciate it if you could do so. It is understood that you will annex copies of the sub-lease to the purchase agreements and label it Exhibit E. Attachment of Exhibit E to the yellowback cover will be satisfactory. Please request the Lawyers Title Insurance Corporation to furnish a copy of the mortgage and cease agreement together with copies of the various powers of attorney authorizing discharge, duly signed and acknowledged by each of the lenders.

I am enclosing check number 90720500 drawn on the Industrial National Bank of Rhode Island in the sum of $1,000 payable to Lawyers Title Insurance Corporation.

Thank you for your cooperation in this matter.

Very truly yours,

MICHAEL A. ABATUNO

OFFICE MEMORANDUM

DATE         September 23, 1985

TO:          D. L. Savoie

FROM:        W. D. Taylor

SUBJECT:     Crepe Trust - Loan #GCT 9713-C; Beneficiaries Fernand St Germain, Mr. DeBernardo; Present Balance $123,000

In March of 1972, Mr. St Germain contacted Robert Stevens to request that OSB consider lending him or his nominee his cost to purchase two House of Pancakes located in Richardson, Texas, and the Bronx, N.Y.C.

House of Pancakes was a well-known, successful restaurant chain at that time with a large number of franchisees. Both were existing units, and one year's operating statements were furnished indicating successful operating results.

It was Mr. St Germain's intent to purchase these units from International Industries, Inc., a conglomerate, one of whose subsidiaries was International House of Pancakes, and lease them back to II on a twenty-year triple net lease.

Old Stone's appraisal was based primarily on the income flow. The income to the owner (St Germain) on the Texas property was going to be $28,386, and this was capitalized at 9% to indicate an economic value of $315,000 against a cost of $236,500 and a loan amount of $236,500. The capitalization rate of 9% was not inconsistent with cap rates being used in the 1st quarter of 1972. The interest rate of 8%, while on the lower edge, was in the range of 8 to 9 being secured on other loans at that time. Our commitment required satisfactory physical inspection of the properties by OSB.

Mr. Bessette inspected the Texas property and found it satisfactory in all respects.

Mr. Stevens and Mr. Lind inspected the Bronx property and were not satisfied with the location, and the commitment was withdrawn.

We brought Gulf Coast Mortgage Company into the Texas deal to do the closing and servicing and purchased the loan from them in July of 1972 by assignment, our usual procedure.

It should be noted that this loan was made for a term of 15 years with full amortization over that period, very conservative in that respect.

Subsequent Events

In May of 1975, Mr. St Germain requested that we extend the loan amortization to 20 years, rather than the present 15 years, to improve his cash flow. This was considered by the Executive Committee and approved subject to the interest rate

Your Loan No. 4-00431
Our Loan No. GCT 9713-C

Dear Dick:

As you will recall, earlier this week we discussed the modification of the above-captioned loan. I am enclosing a copy of Mr. William Taylor's letter of April 6, 1977, outlining the terms of the modification that Old Stone is willing to make. You will note they have been accepted by the borrower. The new monthly payment will be $7,749.22 and please note that this will create a balloon payment due on July 1, 1987. I ask that you have local counsel draw the modification agreement. When received, you should direct it to Mr. Charles Sokoloff at 162 Main Street, Woonsocket, Rhode Island who will see to the execution by the Trust. Please specify that he include with the agreement evidence of authority to execute for the party who does so. Also instruct him to forward the modification to me at Old Stone Bank for signing, and I will return then to you for recording.

Also enclosed is Mr. St. Germain's check in the amount of $150.00 which I have endorsed over to Gulf Coast Investment Corporation to cover the attorney's and recording fees in connection with this transaction. If there is anything left over after these expenses, it is to be split equally between Old Stone Bank and Gulf Coast Investment Group.

If you have any questions concerning the transaction, please give me a call.

Very truly yours,

SUBJECT: Crepe Trust-Loan No. GCT 9713-C

You asked for a synopsis on the above styled matter. It is as follows:

On April 5, 1977, Mr. Taylor submitted a recommendation to the Executive Committee whereby the loan was modified by increasing the interest rate to 8 1/2 percent and extending the present loan amortization schedule by six years to sixteen years and four months. The term remained at ten years and four months, thereby creating a final balloon payment in ten years and four months' time. A copy of that recommendation is attached.

Subsequently Mr. Barnes, on May 23, 1977, obtained approval from the Credit Policy Committee to extend the term an additional six years to match the amortization schedule, thereby eliminating the balloon payment.

Please see me if any questions remain unanswered.

Re: Crepe Trust
Our Loan No. OCT 9713-C
Gulf Coast Investment Group No. 4-431

Dear Mr. Sokoloff:

On May 11, 1977, Burdett Millwanger of Gulf Coast Investment Corporation directed to your attention a modification agreement for the above-captioned loan. That modification agreement increased the interest rate to 8 1/2 percent, lowered the monthly debt service, but left the existing term the same, thereby creating a balloon payment on July 1, 1987. It was Congressman St. Germain's understanding that the term of the loan would be extended to match the revised amortization schedule. He discussed this with Mr. Barnes of Old Stone Bank this week and we have agreed to extend the term an additional six years, thereby eliminating the balloon payment. I have revised the modification agreement referred to herein to reflect that change and ask you have same executed on behalf of the Trust. It should then be directed to my attention together with the authority to execute.

As the April payment was made in the old amount during the period in which we were arranging to finalize this agreement, we are making the modification effective with the May 1, 1977 payment. Accordingly, you will notice a slight difference in the loan amount and payment in the modification agreement. Beginning May 1, 1977, the new principal and interest payment is $1,793.86. We are ordering an amortization schedule as requested by Congressman St. Germain's office and will be forwarding same there when received.

Please let me know if you have any questions. Otherwise, I would appreciate your promptly seeing to the disposition of this matter as I would like to finalize same.

Very truly yours,

Annual Report 1976

July 26, 1976

Texas

IHOP CORP
To Our Shareholders

The financial restructuring, which was approved just after the end of fiscal 1976, ushered in a new era for the Company. We have a new name — IHOP Corp. — in effect replacing the original "International Industries, Inc." — a new stockholder structure and a new operating direction.

For fiscal 1976, the Company reported a loss from continuing operations of $573,000. The loss, however, was offset by the extraordinary gain of $16,590,000 arising from the extinguishment of debt as part of the financial restructuring, which resulted in a reported net income of $15,667,000 for fiscal 1976.

Had the financial restructuring been completed in February, 1975, as originally contemplated, the resulting reduction in interest cost, management time and other costs would have materially reduced the loss from continuing operations. Fortunately, these costs are nonrecurring and are now behind us.

We are pleased that the majority of the Shareholders at the Annual Shareholder Meeting held on September 16, 1976 recognized the need to reestablish the capital and debt structure of the Company and, by their vote, provided management with a better financial base from which to move forward.

The period of purging is behind us. We are no longer a small conglomerate, but instead a solidly based food service company with three well-established and recognized restaurant chains — International House of Pancakes, Love's Restaurants, and Copper Penny Coffee Shops. The purging and ultimate disposal of the Education Group, House of Nine, The Original House of Pies, Michael's Artists and Engineering Company, and other unwanted operations have left the Company with about 200 leases as a long-term property management requirement. This is one of the few remaining ties to the difficult aspects of our past — a past which we can now set aside in favor of dealing with the future.

The task of operating the Company with extremely limited funds and under enormous financial pressure is never easy. Add to this the impact of a Class Action suit and the need to strengthen and renew franchisee relationships damaged by the suit and the task becomes extremely difficult. The Class Action suit has been settled and our relationship with franchisees has been materially improved. Many changes have been made in order to improve franchisee relations and I believe we are now poised to move forward in a mutually beneficial manner. You should not, however, expect material improvement in the near future. We are still undercapitalized and working with a tight cash position. You should, however, expect good steady progress, and management plans to provide that progress.

Our growth is being programmed from two sources. First, we expect to achieve an increase in retail sales by enhancing our dinner menu and generally working hard to attract our fair share of the increased sales expected in restaurant dining. During the past year we have been testing several delightful additions to our menu and have conducted national research as to their acceptability to consumers. We feel we now have these items perfected to the level that we will begin test-marketing them in selected areas by the end of our first quarter. Our second source of programmed growth is the opening of new restaurants.

New restaurants are dependent upon our ability to attract third-party investors needed to build and lease these units either to us or to franchisees with adequate financial capability. We expect the improvement in our financial condition resulting from the financial restructuring to help in this regard. It will, however, take some time for this activity to gain momentum since, once an investor is attracted, there follows the normal cycle of: site selection, lease negotiations, building permits, construction, installation of fixtures and finally the training of crews and the opening of the restaurant. This process takes from 12 to 18 months. We will not compromise our standards, franchise registration in states where required, lease negotiations, building permits, construction, installation of fixtures and finally the training of crews and the opening of the restaurant. This process takes from 12 to 18 months. We will not compromise our standards in order to accelerate this process.

This means that there will be very few new units opened this year and that our real growth this year can come only from increased retail sales.

We have an inherently profitable base from which to work. There are 450 IHOP restaurants, 51 Love's and 23 Copper Penny restaurants now in operation. Our management team is most pleased to be out of the "financial restructuring" business and will now be able to devote its full energies to restaurant management.

Respectfully submitted,

WALTER McBEE
President and Chief Executive Officer

Management Discussion

Operating Revenues and Expenses

IHUP Corp. revenues and expenses are generated from two basic activities: (1) the franchising of International House of Pancakes and Love's restaurants and the resulting income produced from this relationship; and (2) the direct operations of International House of Pancakes and Love's restaurants as Company-operated locations. Under the present management policy, the Company is primarily in the business of franchising restaurants, therefore, revenue from franchise operations best measures the trend of the Company's revenues.

The change in total operating revenues can increase or decrease by a decrease of $7.9 million or 12% in 1976 is affected by the mix of franchised versus Company-operated restaurants. Franchise revenue represents only fees received from franchisees (a small percentage of a restaurant's total retail revenue) while revenue from Company operations represents total retail revenue. Thus, as the Company experienced an increase in the number of restaurants acquired from franchisees in 1975 and increased franchising of Company-operated stores in 1976, revenues from Company operations increased by $9.6 million and decreased by $9.9 million in the respective years, while franchise revenue maintained a growth trend in direct operating revenues (increase of $13.5 million and $17 million in 1975 and 1976).

While the increased operating cost in 1975 included a $2 million provision for closing and revaluation of certain Company-operated stores, aggregate costs, operating expenses and depreciation expenses for Company and franchise operations generally followed the trends established in the related revenue categories, except franchise operating expenses which declined in FY 1976 due to a change in the method of distribution of products to franchisees.

In fiscal 1975, selling, general and administrative expenses increased by $1.4 million or 15%, however, decreased slightly as a percentage of total revenue. During fiscal 1976, selling, general and administrative expenses decreased by $1.9 million, or 17%, due to cost reduction programs.

The fiscal 1975 $4.5 million "provision for write-down of investment in land to a net realizable value" relates to an approximate 800 acre parcel of undeveloped land in Sayreville, New Jersey. The property has been for sale for several years and although a few small parcels have been sold, a buyer has not yet been found for the remaining parcel. The land was originally pledged as security by Sayre-Fisher, Inc., the purchaser of a subsidiary of the Company and was acquired when the purchaser defaulted on his obligation.

The interest expense decline of 16% in 1976 resulted from a combination of reduced debt and reduced prime rate, compared to a 1% increase in fiscal 1975.

The discontinued operations loss and the extraordinary gain on extinguishment of debt are discussed in Notes to Consolidated Financial Statements.

1. Reorganization

On September 16, 1976 the Shareholders of International Industries, Inc. (I.I.I.) approved a reorganization in which I.I.I. became a wholly-owned subsidiary of IHOP Corp., a Delaware Corporation (the Company) which was formed to participate in the reorganization. Concurrent with the reorganization and merger, I.I.I. changed its name to International House of Pancakes, Inc. In the reorganization, shares of the common stock of the Company were exchanged for all of the issued and outstanding shares of I.I.I.'s Series A preference stock (including dividend arrearages of $10,611,000 at the date of approval), Series B, C and L preference stock and common stock. Pursuant to the Second Supplement to Credit Agreement dated June 10, 1976, I.I.I.'s secured lenders agreed that, concurrently with consummation of the reorganization, they would exchange $22,000,000 in debt and $4,078,000 in accrued but unpaid interest for shares of common stock of the Company. The exchanges were made in the following ratios:

- nine dollars in debt and interest for one share of the Company's common stock
- one share of Series A preference stock for one share of the Company's common stock
- three shares of Series B, C or L preference stock for one share of the Company's common stock
- fifteen shares of I.I.I.'s common stock for one share of the Company's common stock

The accounting for the exchange of lender debt for the Company's common stock is as follows:

<table>

<tr>
<td>Long-term portion</td>

</tbody>
</table>

Issuance of 2,897,556 shares of the Company's common stock par value $1.00, quoted market value $3.00 per share: $8,693,000

Expenses of reorganization: $575,000

Gain on extinguishment of debt: $16,590,000

All references to common stock have been adjusted to give effect to the reorganization.

A working capital deficit of $7,290,000 exists as of August 29, 1976 after giving effect to the reorganization. It is anticipated that the working capital deficiency will continue for a considerable period of time. However, management believes that the cash flow generated from continuing operations will be sufficient to meet the Company's obligations as they come due.

The effect of the reorganization has been recorded in the financial statements as of August 29, 1976. Had the reorganization been consummated at the beginning of fiscal 1975 and effect been given to the reductions in interest expense, amortization of debt expense and Series C premium, pro forma income (loss) from continuing operations before extraordinary item would have been $851,000 and $10,556,000, $16 and $12 per share, for the years ended August 29, 1976 and August 31, 1975, respectively.

2. Summary of Significant Accounting Policies

PRINCIPLES OF CONSOLIDATION—The accompanying financial statements include, on a consolidated basis, the accounts of the Company and its subsidiaries. The accompanying Consolidated Balance Sheet reflects the Company's investment in companies which are subject to a plan of divestiture at its equity in their underlying net assets reduced by a provision for estimated losses expected to be incurred during the estimated period required to complete the divestiture. The accompanying Consolidated Statement of Operations reflects the operations of companies subject to a plan of divestiture as loss from discontinued operations for the periods prior to the date of the decision to divest. All material intercompany accounts and transactions have been eliminated.

EXCESS OF COST OVER NET ASSETS PURCHASED—Excess of cost over net assets of businesses purchased of $1,399,000 and $1,885,000 at August 29, 1976 and August 31, 1975 relates to franchises reacquired and is being amortized over the remaining life of the applicable property leases.

ACCOUNTING FOR FRANCHISE FEES AND EQUIPMENT LEASE CONTRACTS—Upon the signing of a franchise agreement, the Company records the cash and note received in payment of the franchise fee as deferred income. Related costs and expenses, not in excess of the franchise fee, are deferred and recorded as a reduction of deferred income until the franchised unit is opened, at which time the Company reports franchise fee income and related costs and expenses in its Consolidated Statement of Operations. The franchise notes are substantially due in installments over six years.
REAL ESTATE ACTIVITY — The Company has financed the acquisition of units through build-to-suit and sale and leaseback transactions with investors and has subleased the properties to franchisees at aggregate rentals in excess of those paid by the Company. Gains and losses on sale and leaseback transactions are deferred at the time of sale and included in leasehold improvements. Such amounts are amortized over the related lease term.

Rentals received from franchisees in connection with operating units are recorded as income, depreciation and real estate carrying costs are charged against income until such time as a sale and leaseback agreement is consummated.

INCOME TAXES AND INVESTMENT CREDITS — The Company files a consolidated Federal income tax return. Certain timing differences exist between financial and tax basis reporting. These consist primarily of franchise fees, equipment lease contracts, deferred costs, and provisions for loss on discontinuance and divestiture. Deferred income taxes have not been provided due to operating losses.

CHANGE IN ACCOUNTING METHOD — FOREIGN CURRENCY FLUCTUATIONS — A portion of the Company's obligations to its major lenders is payable in German marks. Prior to the fiscal year ended August 31, 1975, the Company had deferred the impact of fluctuations between the dollar and the German mark and amortized such deferred amounts over the life of the debt obligation as an increase or reduction of interest expense. During the year ended August 31, 1975, the Company retroactively changed its method of accounting for foreign currency fluctuations in accordance with a pronouncement of the Financial Accounting Standards Board which requires that foreign currency fluctuations be charged or credited against earnings in the year of the fluctuation. The change had the effect of increasing the loss in the year ended August 31, 1975 by $247,000 ($0.50 per share) and increasing the accumulated deficit at September 2, 1974 by $502,000. As restated, the gain from foreign currency fluctuations amounted to $120,000 in 1975. Foreign currency fluctuations during the year ended August 29, 1976 resulted in a loss of $81,000 which is included in selling, general and administrative expenses in the accompanying statement of operations.

3. Real Estate Held for Sale and Held for Investment — Real estate held for sale is comprised of retail operating units and former operating units. Included therein is $3,312,000 and $3,516,000 at August 29, 1976 and August 31, 1975 applicable to discontinued operations.

REAL ESTATE ACTIVITY — The Company has financed the acquisition of units through build-to-suit and sale and leaseback transactions with investors and has subleased the properties to franchisees at aggregate rentals in excess of those paid by the Company. Gains and losses on sale and leaseback transactions are deferred at the time of sale and included in leasehold improvements. Such amounts are amortized over the related lease term.

Rentals received from franchisees in connection with operating units are recorded as income, depreciation and real estate carrying costs are charged against income until such time as a sale and leaseback agreement is consummated.

INCOME TAXES AND INVESTMENT CREDITS — The Company files a consolidated Federal income tax return. Certain timing differences exist between financial and tax basis reporting. These consist primarily of franchise fees, equipment lease contracts, deferred costs, and provisions for loss on discontinuance and divestiture. Deferred income taxes have not been provided due to operating losses.

The Company reevaluated such real estate and reduced the carrying value by a charge to operations of $216,000 in 1975, applicable to discontinued operations, to an amount which is expected to be realized. Economic and money market conditions affect the Company's ability to dispose of such real estate within a given year.

The proceeds from the sale of real estate held for sale must be applied to the reduction of debt due to the secured lenders or to a loan from a commercial lender. For this reason only that portion of the real estate held for sale which will apply to the reduction of current debt obligations has been classified as a current asset.

When real estate held for sale is leased to third parties at significantly favorable terms and the Company no longer intends to sell the units, they are classified as other assets ($703,000 and $817,000 as of August 29, 1976 and August 31, 1975 applicable to discontinued operations).

In 1971 the Company acquired a parcel of land to be held for investment purposes. During fiscal 1975 the Company reduced the carrying value of such land by $4,500,000 to estimated realizable value. Such land is included in other assets.

In February 1969, a consolidated class action was filed against the Company under the Federal antitrust laws on behalf of present and former franchisees of the Company's International House of Pancakes Division. A settlement agreement was approved by the U.S. District Court on November 29, 1973 and was affirmed by the U.S. Supreme Court in 1975.

The major provisions of the settlement included requiring the Company to pay plaintiffs' attorney fees (not to exceed $1,325,000) and the sub-class of former franchisees $500,000. Additionally, the settlement provided for reductions in payments from franchisees under equipment lease contracts, and extensions thereof. The allowance for settlement of class action in the above tables relates to rental reductions to be given to class members.

During fiscal 1975, the Company retroactively established a provision for estimated losses of $13,097,000 to be incurred to complete the divestiture of the entities discontinued on November 1, 1975 and increased the provision for losses, originally established in previous fiscal years, by $650,000 in connection with the divestiture of the Original House of Pies, Inc. (discontinued during fiscal 1973) and other operations.

On November 20, 1975, the Company sold Orange Iulus of America, in January 1976, the Company sold the Brman and Sawyer Schools and liquidated the assets of the Los Angeles Trimming Company, Inc. For Copper Penny Corporation the estimated recoverable value of its properties at the end of fiscal 1975 was $2,082,000. Additionally the Company added a net charge in the statement of operations due to estimated divestiture, or $350,000 was recorded in fiscal 1976. As of August 29, 1975 the Company had not yet completed its divestiture of the Copper Penny Corporation (including the remaining hotel) and the Original House of Pies' Commissary.

Revenues from discontinued operations amounted to $29,077,000 for the year ended August 31, 1975. The Company retained certain obligations of Orange Julius of America, The Bryman Schools, Inc., The Sawyer Schools of Business, Inc., and United Rent-All, Inc (discontinued during fiscal 1973) relating primarily to leased property commitments for closed locations. (See Note 13 relative to the Company's remaining commitments and contingencies with respect to these entities.)

The new lender agreement (Second Supplement to Credit Agreement) (Note 1) contains the following provisions:

1. Fiscal 1976 interest of approximately $3,683,000 which would have been due August 29, 1976 was converted to Series A notes.

2. All obligations of the Company held by the secured lenders which were not exchanged for the Company's common stock and which previously were convertible into shares of I.I.'s common stock or which had the benefit of a sinking fund were converted into series CN notes of the Company without conversion privileges.

3. Beginning in the Company's fiscal year 1977, interest on the secured debt remaining after the reorganization will be payable on March 1, June 1, and September 1; principal is payable on an annual basis commencing in fiscal 1977 as follows: $983,000 in 1977, $2,282,000 in 1978, $4,474,000 in 1979, $5,710,000 in 1980, $5,000,000 per year commencing in 1981 until paid. In addition to the fixed payment schedule, the Company will be obligated once each year to reduce the principal amount due to the secured lenders by the amount by which 60% of the "cash profits", as defined in the agreement, of the Company for such year exceeds the principal payments required by the fixed payment schedule for such year. The demand portion of the debt was reduced to $500,000 and such demand portion shall relate to the series CN notes.

4. The provisions of the Security Agreement, under which the obligations of the Company to the secured lenders are secured by virtually all the assets of the Company are fully applicable to the remaining debt.

5. The secured lenders waived all events of default which occurred prior to consummation of the reorganization.

6. The Company is required to observe numerous financial covenants under the new lender agreement, including the following: (i) to maintain the ratio of consolidated current assets to consolidated current liabilities (as such terms are defined in the new lender agreement) at not less than 15.7% for the fiscal year ending August 31, 1976, and at 75 to 1 at all times thereafter, (ii) from and after August 30, 1976, not to permit consolidated current liabilities to exceed consolidated current assets (as such terms are defined in the new lender agreement) by more than $5,000,000, (iii) to keep consolidated tangible net worth (as defined in the new lender agreement) at not less than $1,000 after September 2, 1977, (iv) to restrict the size of long term lease payments made by the Company and its subsidiaries; (v) to limit the amount and kind of new debt the Company and its subsidiaries may incur; (vi) to limit the dividends the Company may pay; and (vii) in general, to limit the financial commitments which may be made by the Company or its subsidiaries whether such commitments are made by investment, guaranty, loan or otherwise. The Company obtained waivers from the requisite number of lenders with respect to the technical defaults under covenants (i) and (ii) above through the end of February 1977.

Aggregate maturities for the succeeding five years are as follows:

On August 29, 1974, the Company entered into a loan agreement with a commercial lender. Amounts outstanding under this agreement, $792,000 and $1,260,000 at August 29, 1976 and August 31, 1975, respectively, are included in "Other Notes" in the above table. The borrowing is secured by various types of collateral, consisting primarily of equipment, equipment leases, and real estate. The note bears interest at the prime rate plus 6.5% per annum. The maximum balance outstanding at the end of any fiscal month during fiscal 1976 was $1,260,000 and the weighted average interest rate during fiscal 1976 approximated 15.7%. The Company had no other short-term borrowing arrangements during the year, and maintains no compensating balance arrangements.

In order to satisfy current sinking fund requirements, the Company repurchased $165,000 of the 6% subordinated debentures for $92,000 and
10. Income (Loss) Per Common Share

Income (loss) per common share is based upon the weighted average number of shares (5,263,257) that would have been outstanding had the reorganization (Note 1) been consumated September 2, 1974.

Since, pursuant to the reorganization (Note 1), the Series A preference stock of I I I was eliminated, the income (loss) per share amounts for 1976 and 1975 do not give effect to the dividend requirement which existed prior to the reorganization.

11. Litigation, Commitments and Contingent Liabilities

The Company is defendant in numerous lawsuits arising in the ordinary course of business. All litigation is being pursued by the Company and outside counsel. Provision has been made in the accompanying financial statements for the estimated amount which will be payable in those cases where settlements and/or awards are expected. The Company believes that such amounts are adequate.

In connection with the sale of the Education Division in January, 1976 (Note 5) the Company has indemnified the buyers against litigation losses in excess of $35,000 to a maximum of the total of the unpaid balance on the note taken on the purchase and the unpaid balance on a group of notes retained by the Company. At August 29, 1976, the unpaid balances aggregate approximately $2,566,000. Outstanding litigation which would be subject to this indemnification includes a suit which was filed in Federal Court in Chicago, Illinois by two students against The Bryman Schools, Inc. alleging violation of the Federal Truth in Lending Act and the Illinois Retail Installment Sales Act. The complaint was later amended to seek formation of a class. Financial statements previously published by the Company indicated that uncertainty existed as to the ultimate liability with respect to this matter. Subsequently, additional information was obtained and provision has been made in the accompanying financial statements for the estimated liability.

The Company occupies premises under various leases which require the Company to pay additional amounts based upon a percentage of the sales at the location as well as property taxes, insurance, and other charges. Such leases expire at various dates through 2014. A substantial number of the properties covered by such leases are subleased to franchisees for the full term of the Company's leases at aggregate rentals in excess of aggregate rentals paid by the Company.

Rentals for years ended August 29, 1976 and August 31, 1975 are as follows:

Company has entered into the acquisition of a restaurant purchase contract for a total consideration of $820,000 at the date of purchase. The Company was the acquiring entity in the connection with certain loans, contracts and agreements (including leases and mortgages) entered into prior to the sale. The Company is obligated only if the acquiring entity defaults, and then only for the amount that cannot be offset by either a sublease or other remedies available. The primary obligations relate to leases on operating units. The contingent liability for such items aggregated approximately $24,727,000 at August 29, 1976 ($36,744,000 at August 31, 1975).

The balance sheet of IHOP Corp and Subsidiaries as of August 29, 1976 included consolidated statements of operations, accumulated deficit, capital stock, and financial position for the years then ended. Our examinations were in accordance with generally accepted auditing standards, and accordingly, included such tests of the internal controls as we considered necessary in the circumstances. In regard to consolidated financial statements, the Company is contesting a claim involving a former subsidiary. Uncertainty exists as to the outcome of this matter.

Notes to Consolidated Financial Statements, the Company has revised its estimates of the amounts realizable from discontinued operations. The ultimate amount realizable from such discontinued operations is dependent upon future events occurring in the ordinary course of business. Accordingly, in the financial statements of the final determination of the amounts realizable, the financial statements present fairly the financial position of the Company as of August 29, 1976 and August 31, 1975 and the results of their financial position for the years then ended in conformity with generally accepted accounting principles applied on a consistent basis.

Dear Mr. Laliberte:

Pursuant to your request to provide copies of two loan files in connection with real estate loans in Florida and Texas. The loans are in the name of Cong---germain. The files are complete with one exception. We have not provided copies of the personal credit reports for the Cong---germain from the R.I. Credit Bureau at the time application was made for the loans. We have provided those reports because of party technical issues which might arise under the Fair Credit Reporting Act vis-a-vis whether or not Old Stone would be deemed a credit bureau by passing on third party credit information. The Cong---germain could certainly obtain his own file from the R.I. Credit Bureau by applying directly to the Bureau.

Please sign one copy of this letter where indicated below to acknowledge receipt of the two files and return the letter to me.

Should you have any questions, please contact me.

Sincerely,

Antonio Afonso, Jr.
Vice President and
Associate Counsel

I, the undersigned, hereby acknowledge receipt of the two files mentioned above.

Here is information on other properties. Here are the following:
On Richardson, there was some vacant land. If you are to buy only the improved area - there is one piece and legal description. If you want to buy all, you can get it for about 369,000.

Please let me know how you want to go. I suggest going for all either way - time influential. Best regards.

Michael A. Abatuno, Trustee
PURCHASE AGREEMENT

THIS AGREEMENT by and between INTERNATIONAL INDUSTRIES, INC., a Delaware corporation, hereinafter called SELLER, and MICHAEL A. ABATUNO, Trustee under an Indenture of Trust dated February 28, 1972, known as the CREPE TRUST HEREINAFTER called PURCHASER, is made with reference to the following facts:

1. SELLER now owns that certain tract of land, together with the buildings and improvements erected thereon, as follows:

Situated at the northeasterly corner of St. Paul Drive and Central Expressway in the City of Richardson, County of Dallas, and State of Texas, and more particularly described in Exhibit A annexed hereto.

Said premises and improvements are commonly known as THE INTERNATIONAL HOUSE OF PANCAKES, and such premises and improvements, including the heating, ventilation and air conditioning systems are hereinafter called PREMISES.

The parties hereto are desirous that SELLER shall convey the PREMISES TO PURCHASER and that thereupon the PURCHASER shall lease the PREMISES back to SELLER, all in accordance with the terms and conditions hereinbelow set forth.

I. SALE OF PREMISES

A. SELLER agrees to sell and convey by warranty deed, free of all encumbrances, and PURCHASER agrees to purchase the PREMISES. In the event SELLER shall be unable to convey a marketable title in accordance with this Agreement, then the deposit hereinafter provided for shall be returned to PURCHASER.
B. SELLER shall deliver to PURCHASER within ten (10) days after the execution of this Agreement by both parties a full set of the plans and specifications for the buildings constructed upon the PREMISES, PURCHASER acknowledges that the building is painted with a unique combination of colors, namely, blue, white and persimmon, and has unique logos and drawings and turnposts of novel design, all of which PURCHASER agrees are distinctive features and the sole property of SELLER: provided, however, that PURCHASER shall have the right to submit all plans, specifications, contracts and other information to various lending institutions for the purpose of obtaining the mortgage financing.

II. PURCHASE PRICE

The purchase price of the PREMISES situated at 1010 South Central Expressway, Richardson, Texas (described in Exhibit A) shall be Two Hundred Fifty Thousand Dollars ($250,000.00), of which a deposit of One Thousand Dollars ($1,000.00) has been paid simultaneously with the execution of this Agreement to the escrowee, as hereinafter provided.

The balance shall be paid in cash on the delivery of the deed, as hereinafter provided.

III. REPRESENTATIONS OF SELLER

A. The PREMISES are to be sold and conveyed, subject to the following:

1. Zoning and building regulations, ordinances and requirements adopted by any government or municipal authority having jurisdiction thereof, and amendments and additions thereto now in force and effect, which relate to the premises. SELLER represents that the building constructed on the Premises and the business do not violate
any of the regulations, ordinances and requirements of said government and municipal authorities.

2. Any state of facts as shown on an accurate survey of the PREMISES, provided same does not render title unmarketable. SELLER shall promptly provide PURCHASER with current surveys of the premises, including all of the improvements thereon, and SELLER represents that each such survey shall reflect no encroachment by any of the said improvements upon any adjacent property nor any encroachments by any improvements on any adjacent property upon the premises.

3. Rights of tenants under and subject to existing leases in existence at the time of closing of title are to be subordinated to the warranty deed, the Master Lease, so called, together with the first mortgage to PURCHASER's mortgagee. (Exhibit B annexed hereto)

4. Conditions, restrictions and limitations of record, none of which prohibit the use of the PREMISES for the operation of the business or contain any reverter or forfeiture provisions. SELLER represents that none of the conditions, restrictions or limitations render SELLER's title unmarketable.

B. SELLER shall, at least ten (10) days prior to closing deliver to PURCHASER owner's marketability title insurance binders issued by LAWYERS TITLE INSURANCE CORPORATION, which binder shall reflect the SELLER as having good and marketable title in the PREMISES, subject only to current real estate taxes and those matters permitted in Paragraph A
above. SELLER shall deliver to PURCHASER at the closing, at SELLER's expense, an owner's marketability policy for the full purchase prices of the PREMISES, which policy shall insure the PURCHASER's good and marketable fee simple title to the PREMISES, subject only to the exceptions herein specified.

IV. OUTSTANDING ASSESSMENTS, TAXES, ETC.

In view of the leaseback hereinbelow mentioned:

A. If the PREMISES, at the date of the delivery of the deed by SELLER to PURCHASER are affected by assessments, PURCHASER shall accept title subject to such assessments, and PURCHASER shall be entitled to a reduction of the cash to be paid on the closing by reason of the existence of such assessments.

B. SELLER shall pay all delinquent real estate taxes, water, utility charges or light charges on or before the date of closing.

C. No other closing adjustments shall be made between SELLER and PURCHASER at the closing; provided, however, SELLER shall pay a prorated rent due for the balance of the month of closing pursuant to the leaseback hereinafter provided for.

V. DEED

The deed shall be a full warranty deed containing such covenants as are provided by the laws of the State of Texas. The deed shall be in proper form for recording and shall be duly executed, acknowledged, and have appropriate revenue stamps affixed thereto by SELLER, at SELLER's expense, so as to convey to PURCHASER good and marketable fee simple title to the PREMISES, free of all encumbrances except as herein provided.
VI. DESTRUCTION OF PREMISES

Between the date hereof and the date of closing hereunder, the SELLER assumes the full risk for any damage or destruction by fire or the elements to the PREMISES, including without limitation the buildings, structures, and other improvements comprising the BUSINESS, and the cost of the work of restoration, rebuilding, repairing and replacement shall be borne by SELLER, at its sole cost and expense, before the closing date. Such risk of loss or damage assumed by SELLER shall continue until the actual delivery of the deed in accordance with the terms of this Agreement. In the event of any such damage or destruction prior to the date of closing hereunder, SELLER shall promptly notify PURCHASER of such fact. The closing shall then be postponed until the work shall have been completed and paid for by SELLER; provided, however, that SELLER agrees to promptly commence said work and to diligently pursue same to completion.

VII. CLOSING

The closing shall be held at the offices of SECURITY TITLE INSURANCE AGENCY, INC., within ten (10) days of the furnishing of an executed copy of this Agreement to the PURCHASER, or at such other time and place as shall have been agreed to in writing by SELLER and PURCHASER. It is understood and agreed that SELLER will reasonably cooperate with PURCHASER in complying with the closing requirements of PURCHASER's lending institution providing the mortgage financing referred to in Paragraph IX herein. The closing shall be held in compliance with the terms and conditions required by said lending institution making a mortgage loan to the PURCHASER, it being understood
that time is of the essence in the completion of the closing herein provided for.

VIII. LEASEBACK

A. At the closing, and simultaneously with the delivery of the deed to the PREMISES from SELLER to PURCHASER, the parties shall enter into a NET LEASE of the PREMISES in the form of that annexed hereto.

B. The form of lease attached hereto shall be completed at the closing as follows: the date of the lease and the commencement date of the term of the lease shall be the date of the closing.

C. At the closing, SELLER shall assign to PURCHASER all of its right, title and interest in and to the leases affecting the PREMISES then in existence; and, in turn, the PURCHASER shall reassign such leases to SELLER as lessee under the foregoing leaseback. In regard to any such leases, SELLER shall retain all its rights as lessor, including the right to terminate any such leases and the right to receive all rentals provided for therein during the term of the leaseback. The said assignment shall not be deemed to create any duty or liability on the part of the PURCHASER to any franchisee, licensee, tenant or subtenant to SELLER.

D. The term of the leases shall be twenty (20) years.

E. Senior Vice President

Gentlemen:

Your consent, as Agent for the Lenders who are parties to the above-referenced Security Agreement, is respectfully requested to the sale and leaseback of the above-referenced real property.

The gross purchase price for the property is $250,000.00 before the deduction of closing items. The book value of the subject property is $221,200.00. The Balance Sheet and Profit and Loss effect of the transaction will be to reduce Real Estate Held for Sale by the amount of the book value, increase cash by the net proceeds, with the recognition to a gain or loss equal to the difference between book value and the net proceeds.

This transaction is a standard type of sale and leaseback in the ordinary course of business. The yearly rental during the twenty-year term of the lease will be $3,000.00 net, net, net. Management believes that this transaction is in the best interests of the company.

Attached, as Exhibit A, on your counsel's copy, are copies of the documents relating to this transaction.

Net sales of this unit for 1971 amounted to $291,981.00.
For the reasons stated above, we respectfully request your consent to the transaction described herein. If you have any questions, please feel free to call upon me. Upon your determination concerning this matter, I would appreciate your advising me in writing in the usual manner so that we may make the necessary arrangements for effectuating a release of the lien which you presently hold.

Very truly yours,

Dear Mr. Lappin:

In follow up to our telephone conversation, I tried to reach Mr. Joe Davis but was unable to do so. As discussed with Sheldon Litkin and you, my people refuse to go the real estate route, they would prefer a corporate note.

The investors have studied your financial statement and have come back with the following proposal. This group has requested the following telex as sent to them 'request $12,000,000. loan for a term of ten years, 2% discount, interest only at a rate not to exceed 6 1/2 per annum on full amount of loan, 2% finders fee payable to Ben Slobodin, Esq., and Mr. Norman Shepard on closing of loan'.

I would also have to charge a fee for services rendered as the lender will not compensate me for my services. The terms which are offered are so good that your fears of the loan application being peddled are not justified. No normal lender would even consider terms as economical as these.

I shall give you the telex number and the and where to send it once we have agreed on my fee.

There is absolutely no exposure on your part unless and until the loan is closed. Please feel free to call me at either of office of at my home (201-226-5526) if further information is required. Kindest personal regards.

Very truly yours,

ALLIED REALTY

Notary Public

My Commission Expires:
PURCHASE AGREEMENT

THIS AGREEMENT by and between INTERNATIONAL INDUSTRIES, INC., a Delaware corporation, hereinafter called SELLER, and MICHAEL A. ABATUNO, Trustee under an Indenture of Trust dated February 28, 1972, known as the CREPE TRUST HEREINAFTER called PURCHASER, is made with reference to the following facts:

1. SELLER now owns that certain tract of land, together with the buildings and improvements erected thereon, as follows:

All that land partly in the Borough and County of the Bronx, City and State of New York, and partly in the Village of Pelham Manor, Town of Pelham, County of Westchester, and State of New York, and more particularly described in Exhibit A annexed hereto.

Said premises and improvements are commonly known as THE INTERNATIONAL HOUSE OF PANCAKES, and such premises and improvements, including the heating, ventilation and air conditioning systems are hereinafter called PREMISES.

The parties hereto are desirous that SELLER shall convey the PREMISES TO PURCHASER and that thereupon the PURCHASER shall lease the PREMISES back to SELLER, all in accordance with the terms and conditions hereinafter set forth.

I. SALE OF PREMISES

A. SELLER agrees to sell and convey by warranty deed, free of all encumbrances, and PURCHASER agrees to purchase the PREMISES. In the event SELLER shall be unable to convey a marketable title in accordance with this Agreement, then the deposit hereinafter provided for shall be returned to PURCHASER.
B. SELLER shall deliver to PURCHASER within ten (10) days after the execution of this Agreement by both parties a full set of the plans and specifications for the buildings constructed upon the PREMISES. PURCHASER acknowledges that the building is painted with a unique combination of colors, namely, blue, white and persimmon, and has unique logos and drawings and turnposts of novel design, all of which PURCHASER agrees are distinctive features and the sole property of SELLER; provided, however, that PURCHASER shall have the right to submit all plans, specifications, contracts and other information to various lending institutions for the purpose of obtaining the mortgage financing.

II. PURCHASE PRICE

The purchase price of the PREMISES situated at 4340 Boston Post Road, Bronx, New York (described in Exhibit A) Two Hundred Fifty One Thousand Eight Hundred Sixty ($251,860.00) Dollars, of which a deposit of One Thousand ($1,000.00) Dollars has been paid simultaneously with the execution of this Agreement to the escrowee, as hereinafter provided.

The balance shall be paid in cash on the delivery of the deed, as hereinafter provided.

III. REPRESENTATIONS OF SELLER

A. The PREMISES are to be sold and conveyed, subject to the following:

1. Zoning and building regulations, ordinances and requirements adopted by any government or municipal authority having jurisdiction thereof, and amendments and additions thereto now in force and effect, which relate to the premises. SELLER represents that the building constructed on the Premises and the business do not violate
any of the regulations, ordinances and requirements of said government and municipal authorities.

2. Any state of facts as shown on an accurate survey of the PREMISES, provided same does not render title unmarketable. SELLER shall promptly provide PURCHASER with current surveys of the premises, including all of the improvements thereon, and SELLER represents that each such survey shall reflect no encroachment by any of the said improvements upon any adjacent property nor any encroachments by any improvements on any adjacent property upon the premises.

3. Rights of tenants under and subject to existing leases in existence at the time of closing of title are to be subordinated to the warranty deed, the Master Lease, so called, together with the first mortgage to PURCHASER's mortgagee. (Exhibit B annexed hereto)

4. Conditions, restrictions and limitations of record, none of which prohibit the use of the PREMISES for the operation of the business or contain any reverter or forfeiture provisions. SELLER represents that none of the conditions, restrictions or limitations render SELLER's title unmarketable.

B. SELLER shall, at least ten (10) days prior to closing deliver to PURCHASER owner's marketability title insurance binders issued by SECURITY TITLE AND GUARANTY COMPANY OF NEW YORK, which binder shall reflect the SELLER as having good and marketable title in the PREMISES, subject only to current real estate taxes and those matters permitted in Paragraph A.
above. SELLER shall deliver to PURCHASER at the closing, at SELLER's expense, an owner's marketability policy for the full purchase prices of the PREMISES, which policy shall insure the PURCHASER's good and marketable fee simple title to the PREMISES, subject only to the exceptions herein specified.

IV. OUTSTANDING ASSESSMENTS, TAXES, ETC.

In view of the leaseback hereinbelow mentioned:

A. If the PREMISES, at the date of the delivery of the deed by SELLER to PURCHASER are affected by assessments, PURCHASER shall accept title subject to such assessments, and PURCHASER shall be entitled to a reduction of the cash to be paid on the closing by reason of the existence of such assessments.

B. SELLER shall pay all delinquent real estate taxes, water, utility charges or light charges on or before the date of closing.

C. No other closing adjustments shall be made between SELLER and PURCHASER at the closing; provided, however, SELLER shall pay a prorated rent due for the balance of the month of closing pursuant to the leaseback hereinafter provided for, together with the following month's rent in advance.

V. DEED

The deed shall be a full warranty deed containing such covenants as are provided by the laws of the State of New York. The deed shall be in proper form for recording and shall be duly executed, acknowledged, and have appropriate revenue stamps affixed thereto by SELLER, at SELLER's expense, so as to convey to PURCHASER good and marketable fee simple title to the PREMISES, free of all encumbrances except as herein provided.
VI. DESTRUCTION OF PREMISES

Between the date hereof and the date of closing hereunder, the SELLER assumes the full risk for any damage or destruction by fire or the elements to the PREMISES, including without limitation the buildings, structures, and other improvements comprising the BUSINESS, and the cost of the work of restoration, rebuilding, repairing and replacement shall be borne by SELLER, at its sole cost and expense, before the closing date. Such risk of loss or damage assumed by SELLER shall continue until the actual delivery of the deed in accordance with the terms of this Agreement. In the event of any such damage or destruction prior to the date of closing hereunder, SELLER shall promptly notify PURCHASER of such fact. The closing shall then be postponed until the work shall have been completed and paid for by SELLER; provided, however, that SELLER agrees to promptly commence said work and to diligently pursue same to completion.

VII. CLOSING

The closing shall be held at the offices of Security Title Insurance Agency, Inc., 506 Industrial Bank Building, Providence, Rhode Island, within ten (10) days of the furnishing of an executed copy of this Agreement to the PURCHASER, or at such other time and place as shall have been agreed to in writing by SELLER and PURCHASER. It is understood and agreed that SELLER will reasonably cooperate with PURCHASER in complying with the closing requirements of PURCHASER's lending institution providing the mortgage financing referred to in Paragraph IX herein. The closing shall be held in compliance with the terms and conditions required by said lending institution making a mortgage loan to the PURCHASER, it being understood
that time is of the essence in the completion of the closing herein provided for.

VIII. LEASEBACK

A. At the closing, and simultaneously with the delivery of the deed to the PREMISES from SELLER to PURCHASER, the parties shall enter into a NET LEASE of the PREMISES in the form of that annexed hereto.

B. The form of lease attached hereto shall be completed at the closing as follows: the date of the lease and the commencement date of the term of the lease shall be the date of the closing.

C. At the closing, SELLER shall assign to PURCHASER all of its right, title and interest in and to the leases affecting the PREMISES then in existence; and, in turn, the PURCHASER shall reassign such leases to SELLER as lessee under the foregoing leaseback. In regard to any such leases, SELLER shall retain all its rights as lessor, including the right to terminate any such leases and the right to receive all rentals provided for therein during the term of the leaseback. The said assignment shall not be deemed to create any duty or liability on the part of the PURCHASER to any franchisee, licensee, tenant or subtenant to SELLER.

D. The term of the leases shall be twenty (20) years.

E. The fixed minimum annual rental for the PREMISES situated at 4340 Boston Post Road, Bronx, New York (described in EXHIBIT A) shall be Thirty Thousand Two Hundred Twenty Three and 20/100 ($30,223.20) Dollars payable by TENANT to LANDLORD during the full term in two hundred forty (240) equal monthly installments of Two Thousand Five Hundred Eighteen and 60/100 ($2,518.60) Dollars payable on the first day of each calendar month.
F. Said lease shall be a NET LEASE and the Lessor shall not be required to provide any services or do any act in connection with the PREMISES.

G. An additional annual rental in an amount equal to five per cent (5%) of the amount of tenant's or subtenant's gross sales made in, upon or from each of the buildings on the PREMISES during each calendar year of the term of the lease, less the aggregate amount of the monthly rental previously paid by the tenant (SELLER) for each such calendar year.

IX. ESCROW OF DEPOSIT MONEY

The PURCHASER shall pay the deposit as per Paragraph II simultaneously with PURCHASER's execution of this Agreement, which sum has been paid to SECURITY TITLE INSURANCE AGENCY, INC. 506 Industrial Bank Building, Providence, Rhode Island, to be held in escrow by it upon the following conditions:

A. If PURCHASER shall fail, neglect, or refuse to consummate this Agreement in accordance with the terms and conditions herein set forth, through no fault of SELLER, SELLER shall retain such down payment as its liquidated damages and parties hereto shall be released from any and all further obligation hereunder.

B. If the SELLER shall default under this Agreement, PURCHASER shall have all of his rights under the law pertaining to such default, including but not limited to the right to specific performance of this Agreement, and the recovery of reasonable attorney's fees and court costs expended by PURCHASER in connection with the enforcement of his rights hereunder. If SELLER shall be unable to convey title to PURCHASER in accordance with this Agreement, after making
bona fide diligent efforts to clear any clouds which may exist upon its title or objections to title by PURCHASER shall have the option of either accepting title in its existing condition or of obtaining the return of his deposit along with payment by the SELLER to PURCHASER of all expenses reasonably incurred by PURCHASER in connection with this transaction, including but not limited to, mortgage procurement costs, title insurance expenses, attorney's fees, travel expenses and long distance telephone charges.

C. SELLER hereby authorizes and directs the escrowee, Security Title Insurance Agency, Inc. and said escrowee hereby agrees to abide by the instruction contained in EXHIBIT C.

D. Upon the receipt of consent from Security Pacific National Bank, as Agent for the lenders of the SELLER, the escrowee shall record the instruments held in escrow relating to the respective locations, namely, the warranty deed, the subordination agreement(s), the first mortgage to PURCHASER's lender, FIRST NATIONAL CITY BANK, a national banking association existing under the laws of the United States of America, and its assignee, RHODE ISLAND HOSPITAL TRUST NATIONAL BANK, a national banking association existing under the laws of the United States of America.

X. BROKER'S COMMISSION

It is mutually acknowledged that William Halliwell, real estate broker, was responsible for said sale by the SELLER to the PURCHASER. SELLER agrees that the purchase price shall be reduced by the amount of five per cent (5%) of the purchase price on the sale of the premises described in Exhibit A in consideration of the agreement of the PURCHASER, who hereby assumes the obligation to pay said broker directly.
XI. NOTICES

Any notices to be given by either party hereto shall be sent by registered mail or certified mail, postage prepaid:

XII. INTEGRATION OF AGREEMENT

This Agreement and the documents referred to herein shall be construed together and constitute the entire Agreement between the parties and supersede all prior negotiations, understandings, and agreements, if any.

daily rate based upon a thirty (30) day month.

The fixed minimum annual rental shall not be subject to reduction during the term of this lease; however, in addition to the monthly rental agreed to be paid by TENANT, TENANT shall and will pay to LANDLORD, at the time and in the manner specified in this lease, an additional rental in an amount equal to five percent (5%) of the amount of TENANT's or subtenant's gross sales made in, upon or from each of the buildings on the PREMISES during each calendar year of the term hereof, less the aggregate amount of the monthly rental previously paid by the TENANT for said calendar year.

Within thirty (30) days after the end of each semi-annual period of the term hereof, commencing with the 30th day following the first June 30 or December 31 of the term hereof, and ending with the 30th day of the month next succeeding the last month of the lease term, TENANT shall furnish to LANDLORD a statement in writing, certified by TENANT to be correct, showing the total gross sales made in, upon or from said building during the preceding semi-annual period, and shall accompany each such statement with a payment to LANDLORD equal to five per cent (5%) of the total quarterly gross sales made in, upon or from the said building during each such semi-annual period, less the rent previously paid for such semi-annual period, and less the deductions and credits hereinafter provided for. Said payments of percentage
rental shall be adjusted annually as of December 31 of each year and at the end of the term of this lease, so that the total rent payable during such calendar year shall be the greater of either (a) the minimum annual rent for said year, or (b) five per cent (5%) of gross sales during said year.

The term "gross sales" as used herein shall include the entire gross receipts of each kind and nature from sales and services made in, upon or from the said building, whether upon credit or for cash, whether operated by the TENANT or by a subtenant, or subtenants, or by a concessionaire or concessionaires, excepting therefrom any rebates and/or refunds to customers, and the amount of all State of New York sales tax which have to be accounted for by Lessee or by any subtenant or concessionaire to the State of New York. Sales upon credit shall be deemed cash sales and shall be included in the gross sales for the period during which the merchandise is delivered to the customer, whether or not title to the merchandise passes with delivery.

The term "gross sales" shall not include sales from coin-operated vending machines.

The TENANT shall keep full, complete and proper books, records and accounts of its daily gross sales, both for cash and on credit of each separate department and concession at any time operated in the said premises. The LANDLORD and his agents and employees, upon reasonable notice, shall have the right at any time and all times, during regular business hours, to examine and inspect all of the books and records of the TENANT (including any sales tax reports) pertaining to the business of the TENANT.
conducted in, upon or from the said premises which TENANT shall produce upon demand by LANDLORD or LANDLORD’s agents for the purpose of investigating and verifying the accuracy of any statement of gross sales. The LANDLORD may once in any lease year cause an audit of the gross sales of TENANT to be made by an independent certified accountant of LANDLORD’s selection, and if the statement of gross sales previously made to LANDLORD by TENANT shall be found to be understated by more than two per cent (2%), TENANT shall immediately pay to LANDLORD the cost of such audit not to exceed Seven Hundred Fifty Dollars ($750.00) as well as the additional rental shown to be payable by TENANT to LANDLORD; otherwise, the cost of such audit shall be paid by LANDLORD.

Each of the premises described in EXHIBIT A and EXHIBIT B shall be considered separately in determining the additional rental provided for by this Paragraph 4.

5. **THE BUSINESS.** LANDLORD hereby acknowledges that INTERNATIONAL INDUSTRIES, INC., its divisions, affiliates and subsidiaries, hereinafter referred to collectively as INTERNATIONAL, are engaged in the business of franchising, licensing and operating pancake houses, hereinafter called the BUSINESS. TENANT agrees that the premises shall be used solely as a pancake house or restaurant and for no other purpose; LANDLORD further acknowledges that the buildings in which the BUSINESS are operated are painted with a unique combination of colors, namely, blue, white and persimmon, and have unique logos and drawings, and turnposts of novel design. LANDLORD further acknowledges that said distinctive features, through extensive advertising, promotion and use,
as well as uniformity of service, products and business methods, have become identified by the public throughout the nation with INTERNATIONAL's operations and have acquired a secondary meaning, indicating said INTERNATIONAL’s operations. INTERNATIONAL has thereby acquired property rights of great value in the distinctive features and all trademarks, trade names, trade secrets, signs and symbols relating thereto which can be protected only by confining the use thereof to buildings housing the business operated by INTERNATIONAL or its franchisees or licensees. It is, therefore, agreed that the use of said distinctive features in a building housing any business other than the business operated by INTERNATIONAL, its franchisees or licensees will cause irreparable injury to INTERNATIONAL, its franchisees and licensees for which there is no adequate remedy at law.

LANDLORD further agrees for the benefit of TENANT and INTERNATIONAL that if, for any reason other than TENANT’S default this lease be terminated by lapse of time or otherwise, TENANT may at its own expense, remove the distinctive features hereinabove enumerated from said building, substituting colors selected by the LANDLORD in place thereof. In the event of a breach of this agreement by LANDLORD, LANDLORD agrees that TENANT or INTERNATIONAL will be entitled to an immediate injunction from a court of equity to compel LANDLORD to comply with this agreement and to prevent LANDLORD from making or permitting any use of the demised premises until LANDLORD has so complied.

All of the rights of the tenant under the provisions of Section 5 set forth above shall be conditioned upon, and subject to, the TENANT complying with its obligations under this lease and not committing any breach of, or default under, the provision
of this lease. Further, the LANDLORD shall have no responsibil-
ity for any violation of the provisions of this section by any
person other than himself.

6. **USE OF PREMISES.** TENANT shall use the premises for the
purpose of conducting thereon the business or incidental pur-
poses related thereto, or for any other legally permissible
restaurant business; provided, however, that TENANT shall not
use the premises in such a manner as to violate any applicable
law, rule, ordinance or regulation of any governmental body.

7. **LIABILITY FOR DAMAGES:** TENANT, as a material part of the
consideration to be rendered to the LANDLORD, hereby waives all
claims against the LANDLORD for damage to goods, wares and
merchandise, in, upon, or about the premises, and for injuries to
persons in or about the premises from any cause arising at any
time. The TENANT further agrees on the commencement of the term
of this lease to take out public liability insurance covering the
premises. Said policy or policies shall be for an amount of at
least three hundred thousand dollars ($300,000.00) for death or
injury to one person, and five hundred thousand ($500,000.00) for
death or injury to two or more persons, plus fifty thousand
dollars ($50,000.00) property damage, which said policy or said poli
cies of insurance shall name the LANDLORD as an additional
assured thereunder, and TENANT agrees to maintain same at TENANT'S
sole cost and expense in full force and effect during the entire
term of this lease. TENANT shall furnish the LANDLORD with a
copy of such insurance coverage, or with a certificate of the
company issuing such insurance, certifying that the same is in
full force and effect. The TENANT may, at its option, bring
its obligations to insure hereunder under any so-called blanket policy or policies of insurance; provided, however, that the interests of the LANDLORD shall be as fully protected thereby as if TENANT obtained individual policies of insurance. Each policy or certificate of insurance which shall be issued pursuant to the provisions of this section shall be issued by an insurance company that shall be licensed to do business in the state where the premises are located, and shall be a company that shall be acceptable to LANDLORD. The LANDLORD shall be reasonable in the exercise of his discretion in giving or withholding approval of any such insurance company.

8. COVENANTS AGAINST LIENS; INSPECTION. TENANT shall indemnify and save LANDLORD harmless from and against any lien or claim of lien attached to or upon the premises or any part thereof by reason of any act or omission on the part of the TENANT.

LANDLORD, or LANDLORD's agent, shall at all reasonable times have the right to enter upon the demised premises for the purpose of inspecting the same, and for the purpose of posting or keeping posted notices of non-responsibility or any or all forms of notice reasonably necessary or proper to protect LANDLORD or the premises against mechanics' or materialmen's liens, or charges, or other liens or charges which might or could arise out of the use of the premises by TENANT, or the construction of the improvements or the making of alterations or repairs to the premises.

9. BANKRUPTCY OR INSOLVENCY. If at any time during the term hereof proceedings in bankruptcy shall be instituted by or against the TENANT, and result in an adjudication or bankruptcy, or if the TENANT shall file, or any creditor of the TENANT shall file any petition under Chapter X or Chapter XI of the Bankruptcy
Act of the United States of America, as the same are now in force or may hereafter be amended, and TENANT be adjudicated bankrupt, or if a receiver or trustee of the business or assets of TENANT be appointed and such appointment be not vacated within thirty (30) days after notice thereof to TENANT, or if the TENANT makes an assignment for the benefit of creditors, or if any sheriff, marshal, constable, or keeper takes possession of the premises or assets located thereon by virtue of any attachment or execution proceedings and offer same for sale publicly, then LANDLORD may, at its option, in either or any of such events, terminate this lease. Upon such termination all installments of rent earned to the date of termination and unpaid shall at once become due and payable, and in addition thereto LANDLORD shall have all rights provided by the bankruptcy laws relative to the proof of claim on an anticipatory breach of an executory contract.

10. ASSIGNMENT. TENANT may not assign this lease in whole or in part without first obtaining the prior written consent of LANDLORD, which consent shall not be unreasonably withheld; provided, however, the giving of consent by the LANDLORD shall not release the TENANT from its primary liability for the full and complete performance of the TENANT's obligations under this lease; and, provided further, that TENANT may, without such consent, assign this lease in whole or in part as security or otherwise to any corporation controlled by, controlling or under common control with TENANT (it being understood that TENANT shall remain liable hereunder) or to any surviving corporation.
resulting from a merger or consolidation of the TENANT with any other corporation or to any corporation which purchases or otherwise acquires all or substantially all of the assets of the TENANT. Any consent to an assignment shall not be deemed to be a consent to any subsequent assignment. Any assignment by TENANT other than in accordance with this Section 10 shall be voidable by LANDLORD for a period of sixty days after acquiring knowledge by written notice of such assignment; provided, however, failure on the part of the LANDLORD to take any action within said sixty-day period shall not be deemed to release the TENANT from primary liability under the terms of this lease.

TENANT or its assignees shall have and is hereby given, the unqualified right and privilege at its option of subletting the demised premises, in whole or in part, subject to all of the rents, terms and conditions of this lease. It is specifically understood and agreed by and between LANDLORD and TENANT that any subletting which TENANT or its assignees make, as permitted herein, shall in no event relieve TENANT of the obligations of TENANT hereunder, and that the right of subletting shall be that of TENANT or its assignees only, and shall not extend to any subtenant.

11. TAXES. TENANT shall pay or cause to be paid before delinquency all taxes, assessments, or charges and in such event shall indemnify and hold LANDLORD harmless from any cost, expense or penalties in connection therewith. LANDLORD shall authorize and instruct the assessing and taxing authorities to forward all such tax bills to TENANT. TENANT shall furnish LANDLORD with proof of payment of taxes within thirty (30) days after the taxes
are paid.

12. DEFAULT. If TENANT shall fail to make any payment of rent, or of taxes, interest on taxes, or insurance premiums, within ten (10) days after same shall be due under the provisions of this lease, the TENANT shall be considered in default. In such an event, the payment of rent shall be subject to a five per cent (5%) late charge, which sum shall be considered as additional rent due for the month during which said default occurred. In the event of the TENANT's failure to pay the rent (including the late charge), or the taxes, the interest on taxes, or insurance premiums required of it, for a period of thirty (30) days, the LANDLORD may, at his option, accelerate and declare immediately due and owing the entire balance of the rent to be paid under this lease for the remainder of the twenty year term. With regard to any default other than arising from the failure of tenant to pay rent, taxes, interest on taxes, or insurance premiums, the TENANT shall have thirty (30) days after receipt of written notice from LANDLORD to cure said default, or a reasonable time after receipt of such notice if such default could not be cured within thirty (30) days by TENANT's diligent efforts. In the event of TENANT's failure to cure said default within the time provided, LANDLORD may, at his option, accelerate and declare immediately due and owing the entire balance of the rent to be paid under this lease for the remainder of the twenty year term. Also, in the event of the TENANT's failure to cure any of the defaults hereinbefore provided, within the time hereinbefore provided, LANDLORD may, at its option, at any time thereafter during the continuance of such default, declare this lease terminated, re-enter and take possession of the premises pursuant to applicable provisions of
Should LANDLORD be required to enforce the provisions of this lease against TENANT in any judicial proceedings, or to retain the services of an attorney in connection with the enforcement of LANDLORD's rights hereunder, or in the event LANDLORD shall terminate this lease for any breach, in addition to any other remedies LANDLORD may have, LANDLORD may recover from TENANT all the damages LANDLORD may incur by reason of such breach, including reasonable attorney's fees and cost of recovering the premises, and including the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this lease for the remainder of the stated term over the then reasonable rental value of the premises for the remainder of the stated term.

LANDLORD agrees that if LANDLORD fails to pay any installment of taxes, or assessments (other than provided for herein to be paid by TENANT) or any interest, principal, costs or other charges upon any mortgage or mortgages or other liens and encumbrances affecting the premises and to which this lease may be subordinate when any of the same become due, or in any other respect fails to perform any covenant or agreements in this lease contained on the part of LANDLORD to be performed, then and in any such event or events, TENANT, after the continuance of any such failure or default for thirty (30) days after notice in writing thereof is given by TENANT to LANDLORD, may pay said interest, principal, costs, and other charges and cure such defaults all on behalf of and at the expense of
LANDLORD and make all necessary payments in connection therewith including but not limiting the same to payment of any reasonable counsel fees, costs and charges of or in connection with any legal action which may have been brought, the LANDLORD agrees to pay to TENANT forthwith the amount so paid by TENANT, together with interest thereon at a rate which is one-half of one per cent per annum above the prime rate but in no event higher than the maximum rate allowed by applicable law, and agrees that tenant may withhold any and all rental payments and other payments thereafter becoming due to LANDLORD pursuant to the provisions of this lease or any extension thereof, and may apply the same to payment of such indebtedness of LANDLORD to TENANT until such indebtedness is fully paid with interest thereon as herein provided. Nothing herein contained shall preclude TENANT from proceeding to collect the amount so paid by it as aforesaid without waiting for rental offsets to accrue, and if at the expiration of this lease or any extension thereof, there shall be any sums owing by LANDLORD to TENANT, this lease may at the election of TENANT be extended and continued in full force and effect until March 31st of the year following the date when the indebtedness of LANDLORD to TENANT shall have been fully paid.

The TENANT agrees that if TENANT fails to pay any taxes or assessments required to be paid by the TENANT under any provisions of this lease, or the TENANT shall fail to maintain the interior or exterior of the premises as required by this lease, LANDLORD may pay such tax or assessment, and pay for the proper maintenance and repair of the premises, and make all necessary
payments in connection therewith including but not limiting the
same to payment of any reasonable counsel fees, costs and charges
of or in connection with any legal action which may have to be
brought, and TENANT agrees to pay to LANDLORD, as additional rent,
all such amounts so paid by LANDLORD, together with interest
thereon at a rate which is one-half of one per cent per annum
above the prime rate but in no event higher than the maximum rate
allowed by applicable law; provided, however, that with regard
to the maintenance and repair of the building, LANDLORD shall not
make any payments in connection therewith until after the contin-
uation of TENANT's failure or default for thirty (30) days after
notice in writing thereof is given by LANDLORD to TENANT, except
in the case of emergency repairs which may be necessary to
temporarily preserve the premises after any serious casualty or
act of God.
13. NON-DEFAULT OF TENANT. It is understood and agreed that
LANDLORD may transfer title to the premises described in
EXHIBIT A, subject to the terms and conditions provided herein;
provided, that in the event of any change in or transfer
of title of LANDLORD in or to the demised premises, or any
part thereof, whether voluntary or involuntary, or by the
act of LANDLORD or by operation of law, TENANT shall be under
no obligation to pay rents thereafter accruing until notified
in writing by LANDLORD, his heirs, executors, administrators or
successors or assigns, of such change in title and being given
satisfactory proof thereof, and that the withholding of such
rents in the meantime shall not be in any sense a default upon
14. **UTILITIES.** TENANT shall pay directly to the applicable company the cost of all utilities consumed on the premises, including but not limited to power, electricity, gas, water, and telephone. In the event the TENANT shall request the LANDLORD to convey any utility easements reasonably required in connection with TENANT's operation of the BUSINESS from the premises, LANDLORD shall notify TENANT of his decision concerning said request within thirty (30) days after LANDLORD shall receive such request, in writing, from TENANT, and LANDLORD will not unreasonably withhold his consent to any such request. In the event LANDLORD shall fail to notify TENANT within thirty (30) days of his answer to said request, and only in that event, LANDLORD hereby appoints TENANT his attorney in fact to execute any and all documents required to convey required utility easements in, on, under and over the premises in all manners permitted by this lease and further agrees to cooperate with TENANT and execute those documents required to be executed by LANDLORD to obtain such utility easements.

15. **INSURANCE WAIVER.** LANDLORD hereby expressly waives any and all claims against TENANT for loss and/or damage arising or resulting from the occupancy of the demised premises and/or from any operation conducted therein or thereabouts caused by fire and/or other perils insured under standard form fire insurance policies with extended coverage endorsements regardless of the cause of such damage, including damage resulting from the negligence of TENANT or its agents, servants, employees or invitees;
provided, however, the aforedescribed waiver by the LANDLORD shall occur only to the extent that any such damage and loss shall be paid by the insurance company that shall have issued said insurance policies.

16. **INSURANCE.** TENANT will, at TENANT's own cost and expense, carry and maintain fire insurance with extended coverage endorsement and flood insurance, if available, for the benefit of LANDLORD and TENANT on all buildings erected upon the premises in an amount equal to one hundred per cent (100%) of the full insurable value thereof, excluding foundation and excavation costs. As often as any such policy or policies shall expire or terminate, renewal or additional policies shall be procured by TENANT in like manner and to like extent. Proceeds of any such policies, in the event of fire or other casualty, shall be payable to LANDLORD and TENANT as their respective interest may appear. The initial policies or certificates evidencing said insurance shall be delivered to the LANDLORD within thirty (30) days of the signing of the lease, and any replacements therefor shall be delivered at least ten (10) days prior to expiration of termination of any coverage then in force. In the event such insurance shall not be provided LANDLORD as hereinbefore provided, the LANDLORD shall have the option of purchasing same and the cost, plus interest at the maximum legal rate, shall be due from TENANT as additional rent on the first day of the month next following such purchase.

TENANT may, at its option, bring its obligations to insure this section within the coverage of any so-called blanket policy or policies of insurance which TENANT may now or hereafter carry.
by appropriate amendment, rider endorsement, or otherwise, provided, however, that the interest of LANDLORD shall thereby be as fully protected as they would be otherwise if this option to TENANT to use blanket policies were not permitted. Copies of certificates of any such policies shall be delivered to LANDLORD within thirty (30) days after the commencement of this lease. All such policies shall contain a clause or endorsement to the effect that it may not be terminated or materially amended except by compliance with New York law, after written notice to the LANDLORD.

All such policies and certificates shall be issued by insurance companies that shall be acceptable to both LANDLORD and to any lending institution that shall hold or accept a mortgage on the premises; provided, however, LANDLORD agrees that he will not unreasonably withhold his approval of any insurance company designated by TENANT. All such policies and certificates shall be issued by insurance companies that shall either be licensed to do business in the state where the premises are located, or that shall provide the LANDLORD with a legally binding undertaking granting the LANDLORD the option of filing any suit under the policy in the State of New York.

17. DESTRUCTION OF BUILDING. If the building on said premises shall be damaged or rendered untenable by fire or other casualty, or as a result of any act of God, TENANT shall repair or replace said building so that TENANT may continue in occupancy. There shall be no abatement in rent, nor any reduction in rent, during the period of time that the premises shall be damaged or rendered untenable. TENANT shall have the access to any
insurance proceeds available by reason of such damage or destruction to the building. It is further understood and agreed that in case of any damage or destruction occurring during the last five (5) years of the original term of this lease, or during any extension of the term, to the extent of fifty per cent (50%) or more of the insurable value of the building, TENANT may at TENANT's option, to be evidenced by notice in writing given to LANDLORD within thirty (30) days after the occurrence of such damage or destruction, in lieu of repairing or replacing said building, elect to terminate this lease as of the date of the damage or destruction, in which event LANDLORD shall be entitled to receive the proceeds of any insurance representing the insured value of the building exclusive of any such proceeds which are attributable to the furniture, fixtures and equipment of TENANT referred to in section 22 below, which such latter proceeds shall belong to TENANT. In the event the TENANT shall elect to terminate the lease during the last five (5) years as a result of damage or destruction as hereinabove provided, and in the further event that the insurance proceeds shall be insufficient to fully repair said damage or to replace said building, then TENANT shall, as an additional condition to its right to terminate the lease, pay to LANDLORD the difference between the insurance proceeds and said cost of repairing or replacing the building.

18. CONDEMNATION. If all of the premises shall be taken or condemned for a public or quasi-public use, this lease shall terminate as of the date that possession shall vest in the
condemnor. In the event of such termination, both parties shall be released from any and all further obligation hereunder, and all of the proceeds paid by the condemning authority for the taking shall be the property of the LANDLORD.

If any part of the premises, but less than all, shall be taken or condemned for a public or quasi-public use, and a part thereof remains which is reasonably suitable for the use of the premises made by TENANT immediately prior to such condemnation, this lease shall continue in full force and effect for the balance of the term thereof; provided, however, that the annual rental paid by the TENANT shall be reduced by an amount equal to twelve (12%) per cent of the net proceeds received by the LANDLORD from the condemning authority for the taking, said net proceeds to be the amount paid by the condemning authority less attorney's fees, costs and expenses incurred by LANDLORD in connection therewith.

In the event so much of the premises is taken or condemned that, in the reasonable judgment of TENANT, the aforesaid use by TENANT shall be substantially impaired, then the TENANT shall have the option of either:

a. Continuing the lease upon the reduced rental formula provided for above; or

b. Terminating the lease by purchasing in fee simple title to the premises from the LANDLORD for the sum of Two Hundred Fifty One Thousand Eight Hundred Sixty ($251,860.00) Dollars for the premises at 4340 Boston Post Road, Bronx, New York, described in EXHIBIT A attached hereto.
The TENANT shall have thirty (30) days from the date that possession shall vest in the condemnor within which to exercise the above options. In the event that TENANT shall fail to give LANDLORD written notice of its intention within said thirty (30) day period, then the TENANT shall be conclusively presumed to have designated the option contained in subparagraph a. above, it shall accompany said notice with a deposit equal to ten percent (10%) of the purchase price, and shall within thirty (30) days thereafter pay the balance of the purchase price, less any mortgage which may then encumber the premises, to the LANDLORD in cash. The LANDLORD shall convey good and marketable title to the TENANT subject only to:

(1) The unpaid principal balance of any mortgage for which the TENANT shall receive credit against the purchase price; and
(2) Any other conditions of title which existed at the time LANDLORD acquired title, or were subsequently caused by or consented to by the TENANT.

19. SHORT FORM LEASE. Simultaneously with the execution and acknowledgment of this lease, the parties shall execute a "short form" lease for recording purposes. In no event shall such "short form" set forth the rental or other charges payable by the TENANT under this lease, and such "short form" shall expressly state that it is executed pursuant to the provisions contained in this lease and is not intended to vary the terms
and conditions of this lease. In the event that LANDLORD or TENANT shall terminate and cancel this lease pursuant to the provisions contained herein for any cause other than LANDLORD's breach thereof, TENANT shall prepare, execute, and deliver to LANDLORD a release and cancellation of this lease.

20. **SUBORDINATION.** TENANT agrees upon request of LANDLORD to subordinate this lease and its rights hereunder to the lien of any mortgage, deed of trust or other voluntary hypothecation charged against the premises or any land, building or improvements included therein, or of which the premises are a part, or any portion or portions thereof, which mortgage, deed of trust or other voluntary hypothecation is to be recorded. TENANT further agrees to execute at any time and from time to time such documents as may be required to effectuate such subordination; provided, however, that TENANT shall not be required to effectuate such subordination or other documents hypothecating any interest in the premises unless the mortgagee, or hypothecary creditor named in such mortgage shall first agree in writing that so long as TENANT is not in default of any of the terms, covenants or conditions of this lease, neither this lease nor any of the rights of TENANT hereunder shall be terminated or modified or be subject to termination or modification by virtue of any provision of such mortgage, or other hypothecation, or any sale of the premises upon foreclosure or other exercise of remedies by such mortgagee, beneficiary or hypothecary creditor.

21. **ALTERATIONS AND IMPROVEMENTS.** TENANT may, provided the value of the premises is not thereby impaired, at its option, make improvements of the premises or may install or replace
equipment, lighting, partitioning or furnishings within the premises at its sole cost and expense as may be required by the business conducted therein. All furniture and equipment other than air conditioning, heating and lighting systems so installed shall remain the property of TENANT and may be removed from the premises at any time during the term or at the termination of TENANT's occupancy hereunder, provided that the lease shall not be in default, and provided that any damage caused by such removal shall be repaired by TENANT. TENANT may elect not to remove any or all of such equipment and furnishings in which case the same shall become the property of LANDLORD upon TENANT's surrender of the premises. TENANT agrees that any and all alterations or additions shall be made in compliance with the building codes and ordinances, laws and regulations applicable to the premises; provided, however, there shall be no structural changes to the building without the LANDLORD's consent, which consent will not be unreasonably withheld. Should a building permit or other permit be required by TENANT to accomplish said improvements, LANDLORD will not unreasonably refuse to execute all documents required to obtain said permits including dedication documents if such are required to obtain said permits.

22. PERSONAL PROPERTY. It is agreed that all furniture, fixtures and equipment installed by TENANT in the premises shall at all times be and remain personal property, regardless of the method in which the same is affixed to the premises and may be removed by TENANT at the expiration or sooner termination of this
lease; provided this lease shall not then be in default. TENANT shall, at its expense, repair any damage to the building caused by such removal. It is agreed that the air conditioning, heating and lighting systems contained in the building may not be removed unless they are replaced with better systems, and all such systems when installed in the building shall, upon the termination of this lease, become the property of the LANDLORD.

The LANDLORD is hereby granted a lien on all of the personal property of the TENANT in the building, which lien is given to secure the performance by the TENANT of all of its obligations hereunder. The LANDLORD agrees to subordinate his lien once on each item of furniture, fixtures and equipment installed on the premises by the TENANT, said subordination to be given at the time of the initial purchase of any item of furniture, fixtures and equipment, or subsequent to its initial purchase, but in any event such subordination shall be given only once on any individual item of personal property. Further, no such subordination shall be given with regard to the air conditioning, heating and lighting systems installed in the building. Further, any such subordination shall be conditioned upon the party to whom said subordination is given agreeing to repair any damage which may be caused to the premises upon the removal of said personal property by said third party. LANDLORD shall execute any waivers, consents, or other documents reasonably required by TENANT or any third party to effectuate the terms of this section.
23. **COVENANT OF QUIET ENJOYMENT.** LANDLORD covenants and agrees to and with TENANT that at all times when TENANT is not in default under this lease and during the term of this lease, TENANT's quiet and peaceable enjoyment of the premises shall not be disturbed or interfered with by LANDLORD or any person claiming by, through or under LANDLORD.

24. **SIGNS.** TENANT may affix, erect and maintain on the premises such signs or advertisements as TENANT shall deem reasonably necessary to the conduct of its business; provided, however, that the cost of erection and maintenance of any such sign or advertisement shall be the responsibility of TENANT.

At the expiration or termination of this lease, and provided this lease shall not then be in default, TENANT may, at its option, remove all signs and other identifying logos from the premises and repaint the building with colors selected by the LANDLORD so as to eliminate TENANT's distinctive color combinations. Provided the lease shall not be in default, LANDLORD shall not thereafter permit such distinctive colors or color combinations, signs or other identifying marks, to be used on the premises. Any such removal of signs and other identifying marks from the premises and repainting of the building shall be done within ten (10) days after the termination of the lease.

25. **HOLDING OVER.** Any holding over by TENANT after expiration of the term hereof or any extension thereof shall be construed as a tenancy from month to month, subject to all the conditions of this lease and at the rental rate effective as of the last month.
of the term expired. Either party may terminate such month to
month tenancy by giving to the other thirty (30) days written
notice of its intent to terminate.

26. **SURRENDER.** In the event of the return of the premises to
the LANDLORD in a damaged condition as a result of a casualty or
act of God, the damage shall be repaired by the TENANT or the
cost thereof paid by the TENANT and its insurer as provided in
Section 17 hereof.

27. **RIGHTS OF PARTIES.** Either LANDLORD or TENANT may from
time to time at its option exercise all rights or remedies which
either may have at law or in equity and nothing herein contained
shall be construed as in any way abridging or waiving such rights
or remedies; and any consent, waiver, compromise or indulgence
by one party hereto of or under any of the provisions of this
lease, or as to any breach or default hereunder by the other
party hereof, shall not constitute or be construed as a waiver
of the former party's right to enforce performance of the condi-
tions and terms hereof at all other times.

28. **NOTICES.** Any written notice provided to be given under
this lease to LANDLORD shall be given to LANDLORD at the above
address and any notice given to TENANT shall be addressed to
TENANT at TENANT's office and principal place of business. Such
notice shall be given by United States mail, certified or regis-
tered return receipt requested, properly addressed and postage
prepaid. The address of either party may be changed by written
notice to the other.

29. **CONTEST OF LIENS AND ENCUMBRANCES BY TENANT.** TENANT shall
have the right to contest, in good faith and by appropriate legal proceedings, the validity or amount of any mechanic's, laborer's, or materialmen's lien or other claimed lien or encumbrance. Such contest shall be made in the manner and subject to all the terms and conditions set forth in Section 11 (Taxes) as though such contest were a contest of the validity or amount of a payment of additional rent.

30. **BINDING FUTURE PARTIES.** Each and all of the terms and agreements herein contained shall be binding upon and inure to the benefit of the parties hereto, their heirs, personal and legal representatives, successors and assigns.

Michael R. Mitchell, Esq.
Counsel to the United States
House of Representatives
Committee on Standards of Official Conduct
4929 Wilshire Boulevard
Suite 910
Los Angeles, CA 90010

Dear Mr. Mitchell:

This has reference to your letter of May 5, 1986 and our conference of June 4, 1986 in respect of the request for certain information regarding a loan made by our client, Rhode Island Hospital Trust National Bank to an entity entitled The Crepe Trust which loan was guaranteed by Congressman Fernand St. Germain.

This letter responds to the initial information request as clarified and modified during the discussion with you on June 4.

1. Enclosed, in Folder 1, is a copy of a letter dated March 31, 1986 to Brian P. Murphy, Esquire, counsel for Congressman St. Germain together with photocopies of all the documents which were provided to Mr. Murphy at that time. This letter is responsive to certain questions which you asked at our conference as well as to many of the documents referred to at our discussion.

2. You have inquired, on June 4, as to whether the loan in question was, at one or another time, rewritten. The records confirm that the interest rate was increased effective December 21, 1977 to 8% and concurrently the term was extended from 15 years to 20 years. No record
of loan committee action has been found nor would that necessarily be expected since no new funds were involved. Enclosed in Folder 2 is (a) copy of modification agreement dated December 21, 1977 and (b) correspondence between the Bank and the Congressman dated November 8, 1977 and January 10, 1978.

3. At our discussion on June 4, you raised several questions concerning the transaction and Bank records which are responded to as follows:

(a) No amortization schedule was generated since the date of the loan. Moreover, it was not the custom or practice at the time of the loan, nor at this time, for an amortization schedule to be generated. (Affidavit in Folder No. 3.)

(b) The Bank did not send out personnel to appraise the property at the time of the loan. There was not a policy for appraisals, either internal or external, for a loan of this type outside the Rhode Island and contiguous area. An internal credit memo was prepared in July of 1972 which valued the transaction using a capitalization rate of 10% for a value of $300,000. In addition, on July 3, 1975, an examination was made through an MAI appraiser in New York from which a fair market value on July 1, 1975 of $270,000 was determined. Copies of these documents are enclosed in Folder No. 5.

(c) The Bank was, since 1971, directly or indirectly subject to regulation by the Federal Reserve and the Comptroller of the Currency;

(d) The Bank formed a PAC, effective February, 1975. Its name is RHIT Financial Governmental Fund. Its address is One Hospital Trust Plaza, Providence, RI 02903;

(e) The Bank does not have a copy of the Hallwell Release signed by Hallwell;

(f) The Congressman was not retained as a lobbyist on behalf of the Bank and there is no correspondence or such matter.
(g) A diligent search has been made of Bank records and no copy of a loan application has been found. It would not have been the policy to require a loan application signed by the borrower for a commercial loan. See Affidavit attached; (Folder No. 3)

(h) "Comparable Loans". You advised that the request for information on comparable loans is subjective and not susceptible of precise definition. Without making an effort to determine comparability, an examination has been made of Bank records to the extent that the same remain in existence. Enclosed in Folder 4 is a schedule of commercial loans in excess of $100,000 for which records are in existence. I have shown the type of business, the purpose of the business, the date of the loan, the original amount of the loan, the date, the term and the collateral. There is also enclosed the minutes of the committee approval of these loans with the identity of the Borrowers redacted. To the extent that the minutes refer to other loans not appearing on the Schedule and not appearing in your inquiry, that material has likewise been redacted.

To the extent that you wish current addresses of any of the Bank officers and/or directors, a list of which was previously furnished, please let me know and every effort will be made to obtain that information as well.

After you have had an opportunity to review these materials, if I can be of further assistance to you, please do not hesitate to give me a call.

Very truly yours,

Attleboro, Rhode Island 02801

Dear Congressman St. Germain:

Your request to this bank for modification of U.S. Trust's mortgage financing of the Bronx real estate has been referred to me. I understand that you are requesting that the repayment schedule for the mortgage be extended to the expiration date of the lease, thus 1985. As condition to the same, the term of the financing you have agreed to an adjustment in the interest rate to 8.75 percent from the present 8 percent.

The loan is made under the following conditions:
1) The mortgage rate adjustment (2) that all other terms and conditions of the mortgage note and other documents remain in full force and effect. Also, I understand you will be providing or have current financial statements of the lessee who is the tenant of the real estate.

If the above is both accurate and acceptable, would you please have the authorized trustee(s) and notarize the enclosed copy indicating concurrence. I will then have a new payment schedule derived and will send the trustee the new scheduled rate amount starting.

1. That I am a First Vice President of Rhode Island Hospital Trust National Bank.

2. That I made a diligent search of the papers in the possession of the Bank for a copy of a loan application, if any, executed by or on behalf of the Borrowers, in respect of The Crepe Trust.

3. To the best of my knowledge and belief, there is no loan application executed by or on behalf of the Borrowers among the workpapers in respect of this loan.

1. In the case of a commercial loan, which is the case here, it is not the practice to require a formal loan application to be executed by the Borrower.

This is a loan of $242,000 payable over 15 years at 8% secured by (1) a real estate mortgage on an International House of Pancakes operation on Route PI at Pelham, New York (2) an assignment of a 20-year lease signed by International Industries, Inc. (on NYSE), (3) an assignment of rents covering $2,518.66 per month ($30,223 per year) from a franchisee, and (4) personal guarantees by Fernan and his wife.

International Industries, Inc. got into a liquidity problem which has caused it to sell and lease back a number of food outlets. Chester Barner, Pete Toulmin, Alden Anderson and I have had several meetings with Mike Abatuno, who is Trustee of a Trust established by St. Germain, who is also a Congressman from Rhode Island and who has invested similarly in 4 other International House of Pancakes operations, none of which we have financed.

Figures of the franchisee show excellent profits last year and this year to date. Easily enough to cover rent payments. The Annual Audit of International Industries, Inc. shows a considerable retrenchment program last year, but net worth still at $68 million and they are making good current profits.

The above proposition has been discussed earlier in Loan Review early in March but today Alden Anderson and I nailed down a number of remaining details (title, insurance, legal costs, etc.). During the temporary absence of R. Howard, and with the approval of either Mr. Gifford or Mr. Beebe, I plan to make this loan as a mortgage to Michael A. Abatuno, Trustee. At 8% payable over 15 years, besides the real estate, the collateral includes assignment of leases from a nationally known industry concern, an assignment of rents, payments from a franchisee and personal guarantee of a carefully employed local entrepreneur and wife. I consider the real estate secondary to the lease and the cash flow in this case. Using a reasonable capitalization of 10% against a lease bringing net income of $24,600 per year an approximate value of $300,000 for the premises and a value of about $50 of land at this value.

II. PURCHASE PRICE

The purchase price of the PREMISES situated at 2526 University Boulevard, Wheaton, Maryland (described in EXHIBIT A) shall be Two Hundred Ninety Three Thousand Nine Hundred and no/100 ($293,940.00) Dollars, of which a deposit of Ten Thousand and no/100 ($10,000.00) Dollars has been paid simultaneously with the execution of this Agreement to the escrow as herein provided.

B. SELLER shall, at least ten (10) days prior to closing deliver to PURCHASER owner's marketability title insurance binders issued by Lawyers Title Insurance Corporation which binder shall reflect the SELLER's marketable and marketable title in the PREMISES, subject only to current real estate taxes and those matters permitted in Paragraph...

Such risk of loss or damage assumed by SELLER shall continue until the actual delivery of the deed in accordance with the terms of this Agreement. In the event of any such damage or destruction prior to the date of closing hereunder, SELLER shall promptly notify PURCHASER of such fact. The closing shall then be postponed until the work shall have been completed and paid for by SELLER; provided, however, that SELLER agrees to promptly commence said work and to diligently pursue said work to completion.

VII. CLOSING

The closing shall be held at the offices of Lawyers T. Insurance Corporation in Providence, R.I. or as otherwise within ten (10) days of the furnishing of an executed copy of this Agreement to the PURCHASER, or at such other time and place as shall have been agreed to in writing by SELLER and PURCHASER. In regard to any such leases, SELLER shall retain all its rights as lessor, including the right to terminate any such leases and the right to receive all rents provided for therein during the term of the leaseback. The said assignment shall not be deemed to create any duty or liability on the part of the PURCHASER to any franchisee, licensee, tenant or subtenant to SELLER.

D. The term of the leases shall be twenty (20) years.

E. The fixed minimum annual rental for the PREMISES situated at 2526 University Boulevard, Wheaton, Maryland (ascribed in EXHIBIT A) shall be Thirty Five Thousand Two hundred Seventy Two and 80/100($35,722.80) Dollars payable by the PURCHASER to the LANDLORD during the full term in monthly installments of Forty One Thousand Four Hundred and 40/100($41,404.40) Dollars payable on the first day of each calendar month.
F. Said lease shall be a NET LEASE and the Lessor shall not be required to provide any services or do any act in connection with the PREMISES.

IX. ESCROW OF DEPOSIT MONEY

The PURCHASER shall pay the deposit as per Paragraph 1, simultaneously with PURCHASER's execution of this Agreement, which sum has been paid to Lawyers Title Insurance Corporation and held in escrow by it upon the following conditions:

A. If PURCHASER shall fail, neglect, or refuse to consummate this Agreement in accordance with the terms and conditions herein set forth, through no fault of SELLER, SELLER shall retain such down payment as its liquidated damages and parties hereto shall be released from any and all further obligation hereunder.

If SELLER shall be unable to convey title to PURCHASER in accordance with the Agreement, after making
bona fide diligent efforts to clear any clouds which may exist upon its title or objections to title by PURCHASER shall have the option of either accepting title in its existing condition or of obtaining the return of his money along with payment by the SELLER to PURCHASER of all expenses reasonably incurred by PURCHASER in connection with this transaction, including but not limited to, mortgage procurement costs, title insurance expenses, attorney's fees, travel expenses and long distance telephone charges.

C. SELLER hereby authorizes and directs the escrowee, Lawyers Title Insurance Corporation and said escrowee hereby agrees to abide by the instruction contained in EXHIBIT C.

D. Upon the receipt of consent from Security Pacific National Bank, as Agent for the lenders of the SELLER, the escrowee shall record the instruments held in escrow relating to the respective locations, namely, the warranty deed, subordination agreement(s), the first mortgage to PURCHASER's lender, (MARQUETTE CREDIT UNION, a credit union organized under the laws of the State of Rhode Island with a principal place of business in the City of Woonsocket, R.I.) together with the real estate Masterlease.

Gross sales are defined as the amount of all sales of food, goods, merchandise and services made in, upon, or from the demised premises, whether for cash or on credit, whether or not payments are received therefor. There shall be deducted from gross sales for purposes of computation those only to the extent that they have been included in the amount of all sales tax receipts or similar tax receipts when by law are chargeable to customers, and the amount of any actual refunds, exchanges, markdowns, and allowances given to customers in good faith.

C. Sublessee shall pay to Sublessor an additional rental when billed therefor, which includes in real property taxes, insurance, assessments on the demised premises, if any, such amount shall be equal to the amount of rentals which the taxes and assessments are imposed against the demised premises for the first year in which the building shall be erected and completed thereon.

D. Each week and the amount thereof shall be recorded when the sales are made. The books and records of Sublessee shall be made available for inspection by Sublessor or its agents at any time during business hours. VI

Sublessee shall, on behalf of Sublessee, cause to be obtained and Sublessee agrees to keep in force during the term hereof, all insurance with extended coverage endorsement on the building to an amount equal to the full insurable value thereof, excluding foundations and elevating costs, and public liability insurance in an amount not less than $25,000, for a term no less than the term of the sublease, but in no event, shall the amounts stated, if any, in the lease, prevail against damage to property in a sum not less than $25,000 and such other insurance as may be required by the master lease or Sublessor. All said policies shall be issued for the benefit of Sublessee, Sublessor and Landlord, and shall be carried and maintained with standard reputable insurance companies.

VII

ASSIGNMENT

Sublessee shall not assign or hypothecate this sublease, or any interest therein, or any portion thereof, nor shall Sublessee sublet any portion of the demised premises nor permit any other person to occupy or use said premises or any part thereof, without first having obtained the written consent of Sublessor. This sublease shall not, nor shall any interest therein, be assignable, as to the interest of Sublessee, by operation of law, without the written consent of Sublessor.

VIII

REMEDIES OF SUBLESSOR ON DEFAULT

Should Sublessee at any time terminate this sublease for any breach, in addition to any other remedy it may have, it may recover from Sublessee all damages it may incur by reason of such breach, including the cost of re-entering the premises, and including the value at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this sublease for the remainder of the stated term and the then current reasonable rental value of the premises for the remainder of the stated term, all of which amounts shall be immediately due and payable from Sublessee to Sublessor. The remedies herein stated shall not be deemed to be exclusive, but are cumulative of and in addition to all other remedies Sublessor may have at law or in equity.

1. **SITE INSPECTION:**

On November 19, 1970, Mr. Thomas C. Busby, Manager of this restaurant was contacted. He was very cooperative in the inspection of the property and furnished all information which was requested. He said that business had been good since the opening of the restaurant on August 28, 1970. Parking was a problem due to the relatively small size of the subject lot and the lack of adequate off-street parking area in the immediate vicinity.

2. **NEIGHBORHOOD INFORMATION:**

The subject property is located in the southeastern quadrant of University Boulevard and Grandview Avenue in Wheaton. This is considered to be near the center of the central business district of the city.

Wheaton is a rapidly expanding suburb of Washington, D.C. Its current population is estimated to be 70,000, and the majority of the working force is employed in Washington. This city is just north of the Washington belt-line and satisfactory access is provided to all areas of the city.

University Boulevard is a six lane highway and an additional turn lane at Grandview Avenue. This street has concrete curb, gutter, and sidewalk. It is a primary east-west street connecting the residential areas of the city to the central business district. Grandview Avenue is also six lanes in width beside the subject property, however it narrows as it extends northward from the central business district. The northern extension of this street is residential, however it has a rather heavy concentration of commercial development near the central city area. Georgia Avenue which extends northward from Washington is one block east of the subject. This is a heavily traveled street which is used as access to the belt-line highway and the northern areas of Washington. Viers Mill Road is located one block west of the subject, and this is a heavily traveled street which serves the western residential areas and intersects Georgia Avenue approximately 3 blocks south of the subject. Approximately 2 blocks west of the subject is the Wheaton Plaza Regional Shopping Center which contains over 70 commercial establishments. There are many other smaller stores and office buildings.
Neighborhood Information - Continued:

in the immediate vicinity of the subject.

It is concluded that this property is well located in the central section of the city where there are a sufficient number of offices and businesses which provide an adequate number of customers for the successful operation of the subject restaurant. Although there is a city parking lot one block south of this site, parking in the immediate vicinity of this restaurant is extremely limited and may be a somewhat detracting influence upon this site.

This area is zoned Commercial C-2 which provides for all of the facilities which are normally found in the central business area of a city. All city utilities, including natural gas, are available to this area. Tax data is omitted from this report by permission since it is not meaningful to the purpose of this appraisal.

3. Site Description:

The subject lot has approximately 70' of frontage on University Boulevard, 86' of frontage on Grandview Avenue, 54' of frontage on Ennals Avenue, and contains an area of 10,439 sq ft. For graphic identification of this irregularly shaped lot the reader should refer to the property sketch in the addenda of this report.

This lot is generally at grade with each of these streets and has a moderate downward slope from north to south. There is a curb-cut on University Boulevard at the eastern property line and a curb-cut on Ennals Avenue. There is a large paved parking area to the rear of the adjoining stores which front on Ennals Avenue, however a chain mounted on pipe supports has been placed along the eastern property line of the subject. All of the subject lot, with the exception of the building site, has been paved. Due to the irregular shape of this lot and the necessity of adding a driveway between University Boulevard and Ennals Avenue, there is room to park only approximately 10 cars on this site. There is metered parking along Grandview Avenue, however no parking is allowed on University Boulevard.

Due to the slope of the land drainage appears to be adequate. There are no known sub-soil conditions which restrict the utility of this lot. The primary detracting influence from this site is the lack of parking spaces. However, there seems to be a sufficient number of nearby offices and stores which can provide a sufficient number of customers to make this

4. IMPROVEMENT DESCRIPTION:

The improvement, an International House of Pancake Restaurant, appears to be in general conformity to the plans and specifications submitted by International Industries to this office. Primary deviations is the fact that this restaurant lacks approximately 10' in length of the standard restaurant. It has been calculated that this structure contains approximately 2,270 $\text{sq ft}$ of enclosed first floor area and 483 $\text{sq ft}$ in a mezzanine or second floor area. There is also a small basement equipment room which is at ground level with the rear of the building. The first floor is utilized as dining and food preparation-serving area, while the second floor is used for various forms of storage, machinery housing and employee locker rooms. The rear food preparation and storage area of the building is 10' shorter than indicated on the plans. This has required some relocation of machinery and storage facilities, however this has not materially affected the functional utility of the building.

Like all International Pancake Houses, the structure is of unique architectural styling and appears to be highly functional to the end that it is designed to serve. Structural quality, maintenance inside and out, and the unique architectural style and structural components result in the substantial construction cost.

On-site parking is restricted to about 10 spaces primarily to the rear of the building. This appears to be minimal but adequate in light of the rather substantial foot traffic available to the site.

The building costs supplied by International Industries of $137,653.00 indicates a construction cost of $60.64 per square foot of ground floor area. In October of this year data was secured from the Atlanta offices of International Industries relative to the construction of a new International House of Pancakes during this year in Winston-Salem. From this data it was calculated that the unit cost of this structure was $45.11 per square foot of ground area which did not include any consideration for paving, landscaping, and the larger exterior signs. Thus, it can be reasonable concluded that the submitted improvement cost is within the realm of reason.

The cost certification required to be submitted to this office by International Industries is in the addenda of this report.
Several sales in the central business district of Wheaton were compiled and investigated. Three of these sales and one offering were believed to be reasonably pertinent to the valuation of this land and a comparison of these lots with the subject follows:

Sale 31 During July of 1963 Lloyd Odendhal sold a lot to Mcdonalds Corporation. This lot is approximately 2 blocks west of the subject on the north side of University Boulevard and east side of East Avenue. The sales price of $398,000.00 indicates a unit price of $21.23 for this 18,748 $ lot.

In comparing this sale with the subject, some upward adjustment is required for time to reflect the change in the economic conditions of the area between the date of sale and date of appraisal. The location of this lot is also considered to be superior to the subject since it is directly across the highway from Wheaton Plaza Shopping Center. Also, some downward adjustment should be made for conditions of the sale since it is general knowledge that Mcdonalds Corporation was highly desirous of this location, had previously leased this land, and paid the asking price with little negotiation between the buyer and seller. Considering these factors it is concluded that a downward adjustment of 35% would be appropriate when this sale is compared with the subject. As applied to the purchase price this would indicate a unit value of $13.80 for the subject.

Sale 32 In December of 1966 I & J Investment Corporation sold a lot to Firestone Investment Corporation. This lot is located approximately one block north of the subject in the northwestern quadrant of the intersection of Georgia Avenue and Blu ridge Avenue. The sales price of $305,244.00 indicates a unit value of $11.00 per square foot for this 27,767 $ lot.

In comparing this sale with the subject, some upward adjustment is required for time to reflect the change in the economic conditions of the area between the date of sale and date of appraisal. The location of this lot is considered equal to that of the subject. The larger size of this sale is considered to have reduced its overall unit price slightly. However, the much greater street frontage on Georgia Avenue is considered to be a definite advantage for the sale. From a comparison of this sale with the subject, it is concluded that a net upward adjustment of 25% would be appropriate, and as applied to the purchase price of the sale would indicate a unit value of $13.75 per square foot for the subject.
In June 1968 H. McAmallen sold a lot to Thomas A. Umuccci. This lot is approximately one block north of the subject and has access from Georgia Avenue, Blueridge, and Grandview Avenues. A sales price of $130,000.00 indicates a unit value of $8.13 per square foot for this 16,000 sq. lot.

In comparing this sale with the subject, an upward adjustment is required for time to reflect the change in the economic conditions of the area between the date of sale and date of appraisal. The location of this sale lot is also considered to be inferior to the subject since its primary frontage is on a secondary street and it has only an entry way from Georgia Avenue. Considering these factors, it is concluded that a net upward adjustment of 35% would be appropriate in a comparison of this sale with the subject, and this would indicate a unit value of $10.98 for the subject.

Offering J4 - A lot located at the corner of Blueridge and Grandview Avenues and having limited frontage on Georgia Avenue is currently offered for sale. 24,000 sq. of this land is zoned C-2 Commercial, the same as the subject, and this is being offered for sale at $360,000.00 or $15.00 per square foot.

In comparing this offering to the subject, some downward adjustment is necessary since this is an offering rather than a completed transaction and this lot has been on the market for several months with little interest being shown. The location of this offering is considered to be slightly inferior to the subject since it has primary frontage on two secondary streets. The much larger size of this lot is considered to have somewhat reduced its overall unit value. Considering all of these factors, it is concluded that a net downward adjustment of 10% would be appropriate in a comparison of this offering with the subject. Applying this adjustment to the offering price, a unit price of $13.50 per square foot is indicated for the subject.

CORRELATION AND CONCLUSION

Each of the sales which have been cited are considered to be general comparable with the subject land and to give a good indication of its value. Primary consideration was given to date of sale and location. The subject is located in the heart of the central business district of the city. It should be noted that the subject sold in March of 1970 for an indicated consideration of $135,000.00.
ERRATUM - Correction and Conclusion - Continued.

(Continued)

Cruat et

due to the

on Georgia Avenue and the current date of the offering

Therefore, based upon the sales which have been cited and the appraiser's
interpretation of 1953 real estate market, it is concluded that the subject
would have a current value in the order of $13.40 per square foot. On this
basis, the value of the land can be shown as follows:

\[ 10,419 \times \$13.40/\text{ft}^2 = \$139,883.44, \text{rounded to } \$140,000.00 \]

(D) Improvements:

As previously stated, the improvements appear to have been
constructed in substantial conformity to the plans and general specifications
submitted to this office. The reported cost of the improvements of
$117,700., (rounded) is slightly less than for other similar Pancake
Houses, however it is noted that this building has less square footage
than is typical for other improvements of this type. Therefore, the
certified value of $137,700. is considered reasonable and is adopted as
the value of the improvements. A certification as to actual costs
submitted by International Industries will be found in the addenda of
this report.

6. ESTIMATE OF VALUE:

Pursuant to instructions from Wachovia Realty Investments, neither the market data nor investment income approach is desired or
required to be developed. Thus, the indicated value as developed through
the cost approach is herewith adopted as my judgment as to the value of
the property:

Dear Lee:

This will confirm our telephone conversation today wherein I requested you to start the ball rolling on the sale and leaseback of the following properties to the Crepe Trust:

a) International House of Pancakes, 4340 Boston Post Road, Bronx, N.Y.
The selling price is $251,860.

b) International House of Pancakes and Bryman School
2412, West Holcomb Boulevard, Houston, Texas
The selling price is $574,900.

Enclosed you will find a marked up copy of the escrow instructions used in connection with the sale to the Crepe Trust of the International House of Pancakes, Wheaton, Maryland. You should substitute the prices and the legal descriptions; otherwise the instructions are OK. Enclosed are the legal descriptions for these two locations. However, I believe you will find that for each of these properties there is a mortgage also held by another third party. In the case of the New York location it would be North American Mortgage Investors in the amount of $198,000 and for the Houston location it would be Republic Mortgage Investors in the amount of $420,400.

In connection with these and with the Bryman School in Canoga Park, I also ask you to prepare, at your earliest convenience, the necessary releases.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Steven Fisher

EARNINGS DROP 35% IN SECOND QUARTER

Old Stone Corporation's second quarter earnings were $1,883,000, down 35% from the record high earnings a year ago. Net income, after securities losses of $26,000, was $1,857,000 compared to $2,904,000 in the second quarter of 1979. For the six months ended June 30, earnings were $4,642,000, a 14% drop from last year. Net income, after $44,000 in securities losses, was $4,598,000 compared to $5,386,000 for the same period a year ago. Per share data and other highlights are presented in the accompanying table.

Earnings in the second quarter, while disappointing, were not unexpected. The extraordinarily high cost of money beginning late in the first quarter and continuing into the second, placed pressure on net interest income. Net interest income is the difference, or "spread", between interest income on assets and interest expense. The cost of deposits funding fixed rate loans shifted significantly to higher levels during this period thereby narrowing spread. Additionally, while the Bank continues to make progress in its efforts to expand its portfolio of floating rate loans, the unusual and sudden drop in the prime rate during the second quarter without corresponding relief in the cost of funds used to fund these loans added to the strong pressure on spread.

It appears, however, that interest rates have stabilized. Old Stone results for the third and fourth quarters are expected to be sufficiently improved so that earnings for this year may be approximately equal to 1979.

The contribution to earnings of UniFinancial Corporation, the Corporation's consumer financing subsidiary based in Florida, has been very encouraging. Second quarter operating results were over three times the earnings in the same quarter of 1979.

Mortgage origination and service fees earned in UniFinancial and Old Stone Bank contributed to a 141% increase in other operating income for the current quarter over last year. Management is encouraged that income from fees continues to increase both in real dollars and as a percentage of operating earnings and is optimistic that the trend will continue in the future.

If you would like additional financial information, you may obtain Old Stone's quarterly report at one of our branch offices or by calling the investor Relations Department at (401) 737-5012.

How do you feel about this proposal? Should 15% of your dividend and interest earned be withheld for tax purposes rather than paid to you? Should companies such as Old Stone bear the added cost of withholding and remitting these taxes to the Federal government? Is the withholding of taxes really needed to ensure individual compliance in income reporting when the Form 1099 reporting mechanism already exists?

Old Stone is concerned about the impact this proposal would have on all of us. We are contacting members of the Rhode Island Congressional delegation to express these concerns. However, it is much more important that your Congressmen hear directly from you, their constituents, and we urge you to write or telephone them with your opinion. ARE YOU HOLDING DIVIDEND CHECKS?
Please search for any dividend checks you may be holding and cash them. If you wait until a dividend check is five years old, the dividend must be turned over (escheated) to the State, and you will have to go through a lengthy process to reclaim the money. Avoid problems and inconvenience by cashing your checks promptly.

FIRST QUARTER EARNINGS UP 10%

Old Stone Corporation's net operating earnings were $2,759,000 for the first quarter of 1980, an increase of 10% over the same period last year. Net income, after $18,000 in securities losses, was $2,741,000, up 10.4%. Per share data and other financial highlights for the quarter are presented in the accompanying table.

Despite a narrowing of the net interest margin, the Corporation posted a 7.3% increase in net interest earned on a taxable equivalent basis during the current quarter from the same period last year. This increase was primarily due to the large amount of forfeited interest on time deposits because of withdrawals before maturity and a 17% growth in the amount of loans outstanding.

Other operating income in the first quarter was 95% higher than last year. A major portion was from higher mortgage origination and service fees earned in Old Stone Bank and Unifinancial Corporation, a consumer finance subsidiary of the Corporation.

JOSEPH B. COLLINSON, OLD STONE DIRECTOR

WITHHOLDING OF TAXES FROM DIVIDENDS AND INTEREST PROPOSED

There is a matter before the United States Congress which, if it becomes law, will have a direct affect on your pocketbook. The Carter Administration has proposed that taxes at the rate of 15% be withheld from payments of interest and dividends to individuals effective January 1, 1981. The measure applies not only to dividends and interest now subject to information reporting to the Internal Revenue Service, but also is extended to include Treasury bills, Series E bonds, and other instruments. According to the Internal Revenue Service, such a withholding system would produce several billion dollars in revenue yearly for use by the Federal Government while relieving the Internal Revenue Service of followup of those individuals who do not report all or part of their dividend and interest income.

What would the withholding of taxes on dividends and interest mean to you, a shareholder and a saver? The dividend check or the interest posted to your account would be reduced by the amount of the taxes withheld. The withholding of such taxes could easily represent an overwithholding of your total tax liability, especially when you consider that the amount of dividends and interest includable from gross income rises upwards from $100 to $200 for individual and $200 to $400 for joint returns.

Re: St. Germain

Dear Mr. Mitchell:

Pursuant to your correspondence of May 2, 1986, I am enclosing copies of all relevant data concerning a loan transaction between Marquette and Congressman St. Germain. The enclosures constitute Marquette's best effort to comply with Paragraphs II through VIII of your correspondence. Your correspondence also refers to copies of loan transactions between the Credit Union and other borrowers where loans are made in excess of $100,000.00 secured with real estate mortgages on which a retail business was conducted. I am enclosing copies of relevant data concerning six loan transactions which constitute all of the loans requested for during the time period set forth in your letter of May 2, 1986.

There are no appraisals on file with respect to these loans because all of these loans, with the exception of one, have been paid.

If you have any questions, I would be happy to discuss these documents with you at your convenience.

Yours truly,

I (we) certify that I (we) have personally inspected this property and that I (we) have no interest present or contemplated in this property and that neither the employment to make the appraisal nor the compensation contingent on the amount of the valuation reported.

I (we) hereby state that in my (our) opinion we find the Fair Market Value of this property to be:

Land $65,000
Building(s) $110,000

Signature ____________________________
The only income derived from the property is from the [redacted] Co. which pays a rent of $445 per month and from the [redacted] which pays $400 per month - heat and electricity included. From an income approach, to value the property represents a poor investment. Added income could be had from renting parking space to the public.

The highest and best use of the property is its present operation. The major concern is if the property becomes vacant and the building cannot be sold or rented to a similar type of operation.

To convert the building into a number of small offices or into another use would entail a considerable amount of money. The question is whether the property could recapture its cost in value.

This appraiser is aware that the cost to acquire the property and the repair and modernization could exceed the indicated market value stated, but the major question is whether the property could sell for at the indicated value if it were vacant.

Mr. Edgar Turcotte, Mortgage Officer,
Marquette Credit Union,
52 Cumberland Street,
Woonsocket, R. I. 02895

Dear Mr. Turcotte:

Please find enclosed Plot Plan of the property which is to be added to the material we sent you on October 13.

The original cost of this property was approximately $120,000, including engineering fees. As you note on our Cost Sheet, we used a figure of $85,000. The original purchases included Plots B and D. At the present time we do not care to mortgage these two parcels since we are not quite sure what our future plans for these two plots may be.

Plot D has a small house on it which is on a 1-year lease at $200. per month. This lot was purchased mostly to be used for a sign on the entrance. If we did not sell this lot we would retain an easement or a small piece of land where the sign is located; or we may keep it for housing some of the key employees.

Plot 3, for the time being, will be used for the residence of our new Manager. When we took over the property there was a house on Plot A which was going to be torn down. On further inspection this house proved to be very sound and well built, and we have bids on moving it from Plot A to Plot B. We have a price on remodeling this house of approximately $16,000.

Plot A will remain a part of the Cash & Carry property, and we are talking with several parties who are interested in leasing this for some business that we feel would draw customers into the area.

Plot C - This is surplus land and our Real Estate Agent has several parties in the area interested in a piece of land of this size for a small warehouse. We are negotiating with these parties at the present time. Any money received from this property would be used to reduce our mortgage, if acceptable to the lender.

Yours truly,

Dear Mr. DiGianfilippo:

I am a special counsel to the U.S. House of Representatives Committee on Standards of Official Conduct. You may verify this information by direct contact with the Committee at Room HT-2, U.S. Capitol, Washington, D.C. 20515, Phone (202) 225-7103.

The Committee staff is engaged in a Preliminary Inquiry in which it finds it needs to view and copy certain documents which appear to be in the custody of your client, Marquette Credit Union. We need:

I. Originals, if available, otherwise true copies, of all loan applications made during the period from January 1, 1971 to December 31, 1973 to the credit union for loans (a) in excess of $100,000, and (b) for the purchase of real property on which a retail business (including but not limited to an International House of Pancakes restaurant) was conducted.

II. (a) Originals, if available, otherwise true copies, of all recommendations to any credit union officer(s), loan committee or board for each loan application supplied in response to Item I.

II. (b) Originals, if available, otherwise true copies, of all "underwriting reports," appraisals, certifications of value, and other documents analyzing the proposed loan.

II. (c) Originals, if available, otherwise true copies, of all minutes or notes of meetings of the credit union officer(s), loan committee or board that evidence, reflect or allude to:
(i) deliberations, discussions or decisions about approving, dis-approving, or making the loan;

(iii) identities of officers, members of the board, or loan committee;

II. (d) True copies of each and every letter, correspondence, or other communication from the credit union to the person or entity that made the loan application approving or dis-approving the loan application;

III. All letters, correspondence, notes, memos, reports, and other documents which evidence, reflect or allude to conversations or other communications in the period from January 1, 1971 to date between:

The credit union or any of its predecessors, officers, directors, employees, representatives or agents;

and

U.S. Representative Fernand St Germain or any of his agents, employees, staff, or representatives;

IV. The original, or a legible copy, of any application by Rep. St Germain in or about June, or July, 1972 for a loan from the credit union to purchase property located at 2526 University Boulevard West, Wheaton, Maryland.

V. Copies of any and all documents which evidence, reflect or allude to whether the credit union inspected or made or received any appraisal the site of the 2526 University Boulevard West, Wheaton, Maryland property.

VI. All amortization tables and other documents that evidence, reflect or allude to the amount of principal owed to the credit union under the note dated February 28, 1973 made by the Crepe trust to the credit union for $283,000.

VII. Originals, if available, otherwise true copies, of all minutes or notes of meetings of the credit union officer(s), loan committee or board that evidence, reflect or allude to deliberations, discussions or decisions in or about February 28, 1973 about whether to delete from the proposed Crepe trust note and mortgage securing it any late charge for late payments;

VIII. Copies of notes reflecting any loans made by the
credit union since January 1, 1971 to Fernand St Germain or the Crepe trust.

Please advise whether the credit union has been subject to federal regulation, and, if so, state the duration and nature of the regulation.

I expect to be in Rhode Island shortly, at which time I would appreciate an opportunity to (a) discuss with credit union board members their participation in the decision to make the loan to the Congressman, and (b) inspect the original February 28, 1973 note made by the Crepe trust to the credit union for $283,000.

I would appreciate your supplying me with a list of the names and last known business and residence addresses of each and every person who has served, since January 1, 1971, as an officer or director of the credit union.

I look forward to hearing from you and thank you in advance for your cooperation.

1. **SITE INSPECTION:**
   On November 19, 1970, Mr. Thomas C. Busby, Manager of this restaurant was contacted. He was very cooperative in the inspection of the property and furnished all information which was requested. He said that business had been good since the opening of the restaurant on August 28, 1970. Parking was a problem due to the relatively small size of the subject lot and the lack of adequate off-street parking area in the immediate vicinity.

2. **NEIGHBORHOOD INFORMATION:**
   The subject property is located in the southeastern quadrant of University Boulevard and Grandview Avenue in Wheaton. This is considered to be near the center of the central business district of the city.
   Wheaton is a rapidly expanding suburb of Washington, D.C. Its current population is estimated to be 70,000, and the majority of the working force is employed in Washington. This city is just north of the Washington belt-line and satisfactory access is provided to all areas of the city.

   University Boulevard is a six lane highway and an additional turn lane at Grandview Avenue. This street has concrete curb, gutter, and sidewalk. It is a primary east-west street connecting the residential areas of the city to the central business district. Grandview Avenue is also six lanes in width beside the subject property, however it narrows as it extends northward from the central business district. The northern extension of this street is residential, however it has a rather heavy concentration of commercial development near the central city area. Georgia Avenue which extends northward from Washington is one block east of the subject. This is a heavily traveled street which is used as access to the belt-line highway and the northern areas of Washington. Viers Hill Road is located one block west of the subject, and this is a heavily traveled street which serves the western residential areas and intersects Georgia Avenue approximately 3 blocks south of the subject. Approximately 2 blocks west of the subject is the Wheaton Plaza Regional Shopping Center which contains over 70 commercial establishments. There are many other smaller stores and office buildings.
NEIGHBORHOOD INFORMATION - Continued:

in the immediate vicinity of the subject.

It is concluded that this property is well located in the central section of the city where there are a sufficient number of offices and businesses which provide an adequate number of customers for the successful operation of the subject restaurant. Although there is a city parking lot one block south of this site, parking in the immediate vicinity of this restaurant is extremely limited and may be a somewhat detracting influence upon this site.

This area is zoned Commercial C-2 which provides for all of the facilities which are normally found in the central business area of a city. All city utilities, including natural gas, are available to this area. Tax data is omitted from this report by permission since it is not meaningful to the purpose of this appraisal.

3. SITE DESCRIPTION:

The subject lot has approximately 70' of frontage on University Boulevard, 86' of frontage on Grandview Avenue, 54' of frontage on Ennalls Avenue, and contains an area of 10,439 ft². For graphic identification of this irregularly shaped lot the reader should refer to the property sketch in the addenda of this report.

This lot is generally at grade with each of these streets and has a moderate downward slope from north to south. There is a curb-cut on University Boulevard at the eastern property line and a curb-cut on Ennalls Avenue. There is a large paved parking area to the rear of the adjoining stores which front on Ennalls Avenue, however a chain mounted on pipe supports has been placed along the eastern property line of the subject. All of the subject lot, with the exception of the building site, has been paved. Due to the irregular shape of this lot and the necessity of adding a driveway between University Boulevard and Ennalls Avenue, there is room to park only approximately 10 cars on this site. There is metered parking along Grandview Avenue, however no parking is allowed on University Boulevard.

Due to the slope of the land drainage appears to be adequate. There are no known sub-soil conditions which restrict the utility of this lot. The primary detracting influence from this site is the lack of parking spaces. However, there seems to be a sufficient number of nearby offices and stores which can provide a sufficient number of customers to make this...
SITUATION - Continued:
an economically sound restaurant site.

4. IMPROVEMENT DESCRIPTION:

The improvement, an International House of Pancake Restaurant, appears to be in general conformity to the plans and specifications submitted by International Industries to this office. Primary deviations is the fact that this restaurant lacks approximately 10' in length of the standard restaurant. It has been calculated that this structure contains approximately 2,270 sq ft of enclosed first floor area and 483 sq ft in a mezzanine or second floor area. There is also a small basement equipment room which is at ground level with the rear of the building. The first floor is utilized as dining and food preparation-serving area, while the second floor is used for various forms of storage, machinery housing and employee locker rooms. The rear food preparation and storage area of the building is 10' shorter than indicated on the plans. This has required some relocation of machinery and storage facilities, however this has not materially affected the functional utility of the building.

Like all International Pancake Houses, the structure is of unique architectural styling and appears to be highly functional to the end that it is designed to serve. Structural quality, maintenance inside and out, and the unique architectural style and structural components result in the substantial construction cost.

On-site parking is restricted to about 10 spaces primarily to the rear of the building. This appears to be minimal but adequate in light of the rather substantial foot traffic available to the site.

The building costs supplied by International Industries of $137,653.00 indicates a construction cost of $60.64 per square foot of ground floor area. In October of this year data was secured from the Atlanta offices of International Industries relative to the construction of a new International House of Pancakes during this year in Winston-Salem. From this data it was calculated that the unit cost of this structure was $45.11 per square foot of ground area which did not include any consideration for paving, landscaping, and the larger exterior signs. Thus, it can be reasonable concluded that the submitted improvement cost is within the realm of reason.

The cost certification required to be submitted to this office by International Industries is in the append of this report.
5. **COST APPROACH TO VALUE:**

(A) **Land Value by Comparison:**

Several sales in the central business district of Wheaton were compiled and investigated. Three of these sales and one offering were believed to be reasonably pertinent to the valuation of this land and a comparison of these lots with the subject follows:

**Sale #1** - During July of 1968 Lloyd Odendhal sold a lot to McDonald's Corporation. This lot is approximately 2 blocks west of the subject on the north side of University Boulevard and east side of East Avenue. The sales price of $398,000.00 indicates a unit price of $21.23 for this 18,786 ft² lot.

In comparing this sale with the subject, some upward adjustment is required for time to reflect the change in the economic conditions of the area between the date of sale and date of appraisal. The location of this lot is also considered to be superior to the subject since it is directly across the highway from Wheaton Plaza Shopping Center. Also, some downward adjustment should be made for conditions of the sale since it is general knowledge that McDonald's Corporation was highly desirous of this location, had previously leased this land, and paid the asking price with little negotiation between the buyer and seller. Considering these factors it is concluded that a downward adjustment of 35% would be appropriate when this sale is compared with the subject. As applied to the purchase price this would indicate a unit value of $13.80 for the subject.

**Sale #2** - In December of 1966 T. & J. Investment Corporation sold a lot to Firestone Investment Corporation. This lot is located approximately one block north of the subject in the northwestern quadrant of the intersection of Georgia Avenue and Blueridge Avenue. The sales price of $305,244.00 indicates a unit value of $11.00 per square foot for this 27,767 ft² lot.

In comparing this sale with the subject, some upward adjustment is required for time to reflect the change in the economic conditions of the area between the date of sale and date of appraisal. The location of this lot is considered equal to that of the subject. The larger size of this sale is considered to have reduced its overall unit price slightly. However, the much greater street frontage on Georgia Avenue is considered to be a definite advantage for the sale. From a comparison of this sale with the subject, it is concluded that a net upward adjustment of 25% would be appropriate, and as applied to the purchase price of the sale would indicate a unit value of $13.75 per square foot for the subject.
Sale 53 - In June 1968 R. McNamara sold a lot to Thomas A. Amatucci. This lot is approximately one block north of the subject and has access from Georgia Avenue, Blue Ridge, and Grandview Avenues. A sales price of $130,000.00 indicates a unit value of $8.13 per square foot for this 16,000 sf lot.

In comparing this sale with the subject, an upward adjustment is required for time to reflect the change in the economic conditions of the area between the date of sale and date of appraisal. The location of this sale lot is also considered to be inferior to the subject since its primary frontage is on a secondary street and it has only an entry-way from Georgia Avenue. Considering these factors, it is concluded that a net upward adjustment of 35% would be appropriate in a comparison of this sale with the subject, and this would indicate a unit value of $10.98 for the subject.

Offering 54 - A lot located at the corner of Blue Ridge and Grandview Avenues and having limited frontage on Georgia Avenue is currently offered for sale. 24,000 sf of this land is zoned C-2 Commercial, the same as the subject, and this is being offered for sale at $360,000.00 or $15.00 per square foot.

In comparing this offering to the subject, some downward adjustment is necessary since this is an offering rather than a completed transaction and this lot has been on the market for several months with little interest being shown. The location of this offering is considered to be slightly inferior to the subject since it has primary frontage on two secondary streets. The much larger size of this lot is considered to have somewhat reduced its overall unit value. Considering all of these factors, it is concluded that a net downward adjustment of 10% would be appropriate in a comparison of this offering with the subject. Applying this adjustment to the offering price, a unit price of $13.50 per square foot is indicated for the subject.

CORRELATION AND CONCLUSION

Each of the sales which have been cited are considered to be general comparable with the subject land and to give a good indication of its value. Primary consideration was given to date of sale and location. The subject is located in the heart of the central business district of the city. It should be noted that the subject sold in March of 1970 for an indicated consideration of $135,000.00.
COST APPROACH - Correlation and Conclusion - Continued:

Greatest weight is given to Sales 92 and Offering 24 due to the
frontage of Sale 12 on Georgia Avenue and the current date of the offering.
Therefore, based upon the sales which have been cited and the appraisers'
interpretation of the real estate market, it is concluded that the subject
would have a current value in the order of $13.40 per square foot. On this
basis, the value of the land can be shown as follows:

\[
10,439 \times \frac{13.40}{\text{ft}^2} = 139,883, \text{ rounded to } 140,000.00
\]

LAND VALUE: $140,000.00

(D) Improvements:

As previously stated, the improvements appear to have been
constructed in substantial conformity to the plans and general specifications
submitted to this office. The reported cost of the improvements of
$137,700., (rounded) is slightly less than for other similar Pancake
houses, however it is noted that this building has less square footage
than is typical for other improvements of this type. Therefore, the
certified value of $137,700. is considered reasonable and is adopted as
the value of the improvements. A certification as to actual costs
submitted by International Industries will be found in the addenda of
this report.

6. ESTIMATE OF VALUE:

Pursuant to instructions from Wachovia Realty Investments,
neither the market data nor investment income approach is desired or
required to be developed. Thus, the indicated value as developed through
the cost approach is herewith adopted as my judgment as to the value of
the property.

LAND VALUE: $140,000.00

IMPROVEMENT VALUE: $137,700.

ESTIMATED CURRENT VALUE: $277,700.

RE: Crepe Trust Acquisition of International House of Pancakes at 2626 University Boulevard West, Wheaton, Maryland

Dear Mr. Soucy:

The hold-up in this matter has been the refusal or the part of the franchisee to execute the subordinate agreement which I prepared. The seller has furnished the enclosed subordinate agreement as an alternative. I will have to pass this decision on to you as to whether or not you find the proposed subordinate agreement to be satisfactory.

I personally feel that the proper approach is to expand the agreement of quiet possession to include the franchisee in addition to the lessee specifically; otherwise, the franchisee could be held to have greater rights than the Crepe Trust, which in my estimation would be unsatisfactory.

I await your reply.

Very truly yours,

MICHAEL A. ABATUNO

Re: Hon. Fernand J. St Germain

Gentlemen:

During our meeting on February 28, 1986, we discussed several matters relevant to Congressman St Germain's financial interests in properties connected with the International House of Pancakes (IHOP). At the meeting, you provided the Committee with numerous documents relevant to the subject interests. In this regard, I would like to thank you for the time and cooperative attitude you displayed during that discussion. You will recall that we raised a number of questions relevant to the IHOP interests and indicated at that time that a more detailed letter identifying more comprehensive questions would follow.

We now have had an opportunity to review not only the IHOP properties at issue, but also to identify other questions relevant to the Preliminary Inquiry. To this end, we have decided that the most logical course of action is to submit for your response questions addressing all matters that we believe merit resolution at this time. Accordingly, we have prepared three separate letters, the focus of which is on properties and questions having, for the most part, at least a geographic "common denominator". In this light, this letter focuses on the IHOP properties and what may be regarded as "general" questions. Under separate cover, we will be submitting to you a letter focussing on Rhode Island properties and a letter which concentrates on the congressman's Florida interests. The questions raised with respect to the IHOP interests follow.
I. INTERNATIONAL HOUSE OF PANCAKES

1. At the meeting, you agreed to provide us with the identities of investors who purchased from International Industries, Inc., or International House of Pancakes, restaurants financed by Industrial National Bank of Rhode Island, Fleet National Bank, Gulf Coast Investment Corporation, Marquette Credit Union, Rhode Island Hospital Trust National Bank, or Old Stone Bank. In addition to the foregoing, please respond to the following questions.

2. Please provide the original Crepe Trust agreement, all amendments thereto, and all journals, ledgers, checkbooks, and cancelled checks and bank statements for such trust from its inception.

In connection with this Committee's Preliminary Inquiry into certain financial holdings and transactions of Representative Fernand J. St Germain, we have preliminarily identified a series of questions to which we believe answers are necessary. As you will see, the questions which are the subject of this letter focus on the congressman's holdings and transactions in the State of Florida. The questions follow.

I. FLORIDA FEDERAL SAVINGS AND LOAN: RECEIPT OF AIR TRANSPORTATION

1. Please provide a statement from Rep. St Germain which recites each and every trip (other than trips for which he received an honorarium, reimbursement, or other consideration and which he reported in a Financial Disclosure Statement (FDS)) taken by him since January 1, 1977, in aircraft owned, leased, or provided by Florida Federal Savings and Loan, or by any of its officers or directors, indicating:

   (a) the date of the trip;
   (b) trip point of origin;
   (c) trip point of termination;
   (d) the identity of the person or entity that provided the aircraft;
   (e) the purpose of the trip.

II. FLORIDA FEDERAL SAVINGS AND LOAN STOCK CONVERSION

2. A "Florida Federal" holding appears in the 1983 FDS with a fair market value in category C ($15,001 to $50,000). Please
provide confirmation slips and monthly brokerage statements reflecting all purchases, other acquisitions, and sales by Rep. St Germain (or for his benefit) of securities (including, but not limited to, options) of Florida Federal Savings & Loan. Please provide original cancelled checks and bank statements, if any, reflecting payment for options to purchase such stock, payment for the stock itself, and consideration received upon sale of the stock. If the stock was obtained on conversion of a mutual savings institution, provide the savings passbook that shows Rep. St Germain's deposits and withdrawals and balance as of conversion date. Please provide the prospectus or offering circular that shows conversion ratio.

III. OTHER FLORIDA FEDERAL SAVINGS AND LOAN FINANCIAL INTERESTS

3. Please provide a statement (with supporting documentation) detailing all money or other property, if any, received by Rep. St Germain from Florida Federal Savings and Loan or any of its officers, directors, controlling persons, or subsidiaries.

4. Please provide a statement (with supporting documentation) detailing all money or other property, if any, transmitted by Rep. St Germain to Florida Federal Savings and Loan or any of its officers, directors, controlling persons, or subsidiaries.

5. Please provide a statement (with supporting documentation) detailing all investments of Rep. St Germain in which Florida Federal Savings and Loan or any of its officers, directors, controlling persons, or subsidiaries are partners, limited partners, or otherwise participants.

RE: Hon. Fernand J. St Germain

Gentlemen:

As part of this Committee's Preliminary Inquiry into Representative Fernand St Germain's financial holdings and transactions, we have preliminarily identified various questions with respect to certain properties and interests which the congressman either has had or now has over the last several years. The focus of the questions which follow is on those properties and interests located in the State of Rhode Island. The questions follow.

I. RHODE ISLAND APARTMENT DEVELOPMENTS

1. Rep. St Germain issued a news release dated May 1, 1978, which stated that "he held a 15% interest in each of three limited partnerships involving three apartment developments in Rhode Island -- Parkview Associates; School Street Associates; and Four Seasons East...[each of which were] below the value [fair market value of at least $1,000] required to be reported under House rules...."

   A. SCHOOL STREET ASSOCIATES

   The School Street Associates holding is not reflected as a "transaction" with a purchase date in any FDS. It was listed only once in Rep. St Germain's FDS, to wit, the original 1983 report as a holding in category A (fair market value of not more than $5000). Please provide a basis for this categorization.

   -1-
B. PARKVIEW ASSOCIATES

The Parkview Associates holding is not reflected as a "transaction" with a purchase date in any FDS.

(a) This holding is first listed in the 1983 FDS in category A (fair market value of not more than $5,000). Please provide a basis for this categorization.

(b) This holding is reported in the 1984 FDS in category C (fair market value of $15,001 to $50,000). Please provide a basis for this categorization.

C. FOUR SEASONS EAST

The Four Seasons East holding is not reflected as a "transaction" with a purchase date in any FDS.

(c) This holding is first listed in the 1980 FDS in category C (fair market value of $15,001 to $50,000). Please provide a basis for this categorization.

(d) Rep. St Germain reported a sale of, presumably, a portion of this interest in December, 1980 in category A (less than $5,000). This holding is listed in Rep. St Germain's 1981 FDS in category C (fair market value of $15,001 to $50,000). Please provide a basis for this categorization.

(e) Rep. St Germain reported a sale of, presumably, a portion of this interest in January, 1981 in category E ($101,000 to $250,000). This holding is listed in Rep. St Germain's 1982 FDS in category C (fair market value of $15,001 to $50,000). Please provide a basis for this categorization.

(f) This holding is listed in Rep. St Germain's 1983 FDS in category A (fair market value of not more than $5,000). Please provide a basis for this categorization.
This holding is listed in Rep. St Germain's 1984 FLD in category C (fair market value of $15,001 to $50,000). Please provide a basis for this categorization.

For each of these limited partnerships, please provide copies of the (a) limited partnership agreement, (b) financial statements made in connection with the offering and annually thereafter, (c) financial projections, (d) offering circulars, (e) prospectus, (f) cancelled checks and bank statements of other documentation evidencing the original and any subsequent consideration for the purchase of the interest given by Rep. St Germain, (g) accountings of income, cash, and other distributions from the partnership, and (h) deposit slips, cancelled checks and bank statements and other documentation evidencing all consideration received by Rep. St Germain from the lease, rental, sale or transfer of any portion the partnership interest. Also, please provide the identities and addresses of the persons (i) who introduced Rep. St Germain to this investment, (j) from whom Rep. St Germain purchased and (k) to whom Rep. St Germain sold these interests.

II. FERNAND CORPORATION

2. Please provide a statement (with supporting documentation) detailing all money or other property, if any, received by Rep. St Germain from Ferland Corporation or any of its officers, directors, controlling persons or subsidiaries.

3. Please provide a statement (with supporting documentation) detailing all money or other property, if any, transmitted by Rep. St Germain to Ferland Corporation or any of its officers, directors, controlling persons or subsidiaries.

4. Please provide a statement (with supporting documentation) detailing all investments made at any time, of Rep. St Germain in which Ferland Corporation or any of its officers, directors, controlling persons or subsidiaries are partners, limited partners, or otherwise participants.
III. GENERAL

5. Please provide original pages of all of Rep. St Germain's phone logs, diaries, daily calendars and logbooks, if any exist, which evidence, reflect or allude to his whereabouts, travel, conversations, meetings, and other activities from January 1, 1971 to date in connection with any matter referred to in this letter.

I, the undersigned, Richard Pratt, declare that if sworn as a witness, I would testify competently to the following facts on my personal knowledge.

On or about April 13, 1981, I became the Chairman of the Federal Home Loan Bank Board. I retained that position until April or May 30, 1983.

I am aware that during my tenure as the Chairman of the Federal Home Loan Bank Board an application for conversion from a depositor backed institution to a publicly held stock institution was submitted by Florida Federal Savings and Loan Association (Florida Federal) of St. Petersburg, Florida.

I am further aware that the President of the above mentioned institution during this application process was Raleigh Greene. During this conversion process, I received one (1) to three (3) calls from Paul Nelson. To the best of my recollection he made inquiries into the conversion process relative to the above institution. I was aware that Representative St. Germain was a friend of Raleigh Greene. I don't recall receiving any other calls from Paul Nelson regarding any institution other than Florida Federal.

Although I do not recall the complete statements made during these conversations with Paul Nelson I recall that the general purpose of the calls was to determine the status of the above mentioned conversion.

During these conversations I had no knowledge that Representative St. Germain had any financial interest in the above institution. I learned of this for the first time a number of months after these conversations. Representative St. Germain never called me personally to discuss this matter.

I am not aware of any instances where a Congressman called about a conversion of a financial institution who simultaneously had a financial interest in that institution.
During my tenure as Chairman of the Federal Home Loan Bank Board I had a number of meetings with Representative St. Germain on various issues regarding legislation in the banking industry. I do not recall the above mentioned conversion ever being discussed during these meetings.

During my tenure as Chairman of the Federal Home Loan Bank Board I had a number of meetings with Raleigh Greene, however, I do not recall what the discussions concerned.

I did not remember receiving any calls from anyone regarding the above mentioned institution other than from Paul Nelson.

In general most thrift institution stock have increased in value from 1983 to the present. Generally, there are certain advantages from converting to a stock organization because the institution can raise capital and can have a more effective organization. Additionally, management can more easily participate in the favorable fortunes of the firm through options as opposed to simply looking to salaries and bonuses for their entire compensation.

Other than the above mentioned conversion I do not recall having any knowledge of any other conversions engaged in by Florida Federal.

I have no recollection of any knowledge of any attempt by Florida Federal to purchase First Mutual Saving Association of Florida, a Stock Corporation, St. Petersburg, Florida.

I swear under the penalty of perjury and the laws of the United States that the foregoing is true and correct and that this declaration is executed on the __ day of August, 1986, at New York, New York.

RICHARD PRATT
STATEMENT OF WILLIAM R. HALLIWELL
SUBMITTED TO THE U.S. HOUSE OF REPRESENTATIVES
COMMITTEE ON STANDARDS OF OFFICIAL CONDUCT

I, the undersigned, William R. Halliwell, declare that if sworn as a witness, I would testify competently to the following facts on my personal knowledge.

My name is William R. Halliwell. My residence address is 131 Palmetto Road, Belleair, Florida, Phone (813) 586-3813.

In 1972 and 1973, I was primarily engaged in the insurance business as a general agent for insurance companies, I also held a real estate broker's license during that period. Although I did have a real estate broker's license, I would estimate that ninety-nine percent of my business was in the insurance field and not in the real estate field. My office was located at 162 Main Street, Woonsocket, Rhode Island.

On or about March 7, 1972, Representative Fernand St. Germain, who I had known for approximately twenty years, came to my office and tendered a general release to me, a true copy of which, marked Exhibit 2236, is attached hereto and incorporated herein by reference. Representative St. Germain asked me to sign it. I did so. I did not receive any consideration for signing the general release.

The general release aforementioned concerned the Crepe Trust of which Michael Abatuno was Trustee. It was my understanding at the time I signed the release on March 7, 1972, that I was releasing any claim that I might have had against the trust for a brokerage commission in connection with the sale of two parcels located at 228 Meeting Street, Providence, Rhode Island, and 1045 Reservoir Avenue, Cranston, Rhode Island (which I now understand were formerly owned by International House of Pancake Restaurants). I had previously been asked by Congressman St. Germain to act as a broker in those two sales and I had consented to do so.

Subsequent to the death of Michael Abatuno, sometime after 1972, Representative St. Germain asked me to serve as Trustee of the Crepe Trust. I assented to my name being used as Trustee of the Crepe Trust with the understanding that I would not be obligated to spend any time as Trustee in executing the provisions of the Crepe Trust, and that others would do the work involved in order to carry out said provisions.

Sometime in 1976, after I moved to Florida, I receive a communication from Attorneys Tobin & Silverstein, in which they requested that I resign as Trustee of the Crepe Trust, because I was no longer a Rhode Island resident and had moved to Florida. I did resign as Trustee of the Crepe Trust in 1976.
I was not responsible for the negotiations culminating in the acquisition by the Crepe Trust of the Providence and Cranston, Rhode Island properties and did not receive any commission or money in connection with the purchase or sale of those properties from the Crepe Trust or anyone else.

I was never aware that the Crepe Trust or Mr. St. Germain were involved in the acquisition of the properties located at 1010 Central Expressway, Richardson, Texas; 2526 University Boulevard, Wheaton, Maryland; and 4340 Boston Post Road, Bronx, New York. I did not receive any commission or other money in connection with the purchase or sale of the properties in Texas, Maryland or New York from the Crepe Trust or from any other person.

I declare under penalty of perjury and the laws of the United States that the foregoing is true and correct and that this declaration is executed on the 14th day of May, A.D. 1986, at Providence, Rhode Island.
