IMPORTANT NOTICE ABOUT PRIME RATE: As a result of new federal credit card regulations, we are simplifying the way that the Prime Rate is determined for variable interest rates. Accordingly, effective April 8, 2010, the second and third sentences of the subsection about the Prime Rate in your Cardmember Agreement are deleted and replaced with: "The Prime Rate for each billing period is the Prime Rate published in The Wall Street Journal 2 days before the Closing Date of the billing period. The Wall Street Journal may not publish the Prime Rate on that day. If it does not, we will use the Prime Rate from the previous day it was published."

To manage your Card account online or to pay your bill, please visit us at www.americanexpress.com. For additional contact information, please see the reverse side of this page.

Use Membership Rewards® Points Towards Tax Payments

Membership Rewards points are more flexible than ever. Make your tax payment using an eligible enrolled American Express® Card. You can then use points towards the balance due.

For more information, visit membershiprewards.com/taxes

To use Membership Rewards points for government payments, charge payment to an eligible, enrolled Card. Points debited from program account and credit for corresponding dollar amount issued to Card account used. If points redeemed do not cover full charge amount, balance of payment remains on Card account. Minimum redemption of 200 points. Some government payments made with Card are subject to service provider convenience fee. Acceptance of state, local taxes varies by service provider. Service providers are approved IRS payment processors. Fees, participating states and municipalities provided by service provider online or by phone. Terms and conditions for the Membership Rewards® program apply.

Notice of Changes to Your Membership Rewards Program Account

Effective July 1, 2010, Southwest Airlines will no longer be a point transfer partner in the Membership Rewards program. Any Membership Rewards point transfers or redemptions for the Southwest Rapid Rewards program must be made by June 30, 2010. These transfers or redemptions will be considered final, non-refundable, and subject to the Southwest Rapid Rewards program terms and conditions.

You will still be able to redeem points for flights using Membership Rewards® Pay with Points. With Pay with Points, you can fly any airline without seat restrictions or blackout dates, and can pay for all or part of your trip with points. You can also transfer points into over 20 frequent flyer and guest programs, or redeem points toward our airline and hotel travel certificate partners.

To transfer points to a participating frequent flyer program or to use Pay with Points, please visit membershprewards.com/travel. Please remember to make any final point transfers or redemptions for the Southwest Rapid Rewards program by June 30, 2010.

Payments: Payments received after 5:00 p.m. may not be credited until the next day. Payments must be sent to the payment address shown on your statement and must include the remittance coupon from your statement. Payments must be made with a single check or draft drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, or through an electronic payment method payable in US dollars and clearable through the US banking system. Your Account number must be included on all payments. If payment does not conform to these requirements, crediting may be delayed and additional Charges may be imposed. If we accept payment made in a foreign currency, we will choose a conversion rate that is acceptable to us to convert your payment into US dollars, unless a particular rate is required by law. Please do not send post-dated checks. They will be deposited upon receipt. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our express prior written approval. **Authorization for Electronic Debit:** We will process checks electronically, at first presentment and any re-presentments, by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. By submitting a check for payment, you authorize us to initiate an electronic debit from your bank or asset account. When we process your check electronically, your payment may be debited to your bank or asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your bank or asset account statement. If we cannot collect the funds electronically we may issue a draft against your bank or asset account for the amount of the check. **Authorization for Electronic Payments:** By using the American Express Pay By Computer, Pay By Phone or any other American Express electronic payment service, you will be authorizing American Express to initiate an electronic debit to the financial account you specify in the amount you request. Payments received after 8:00 p.m. MST may not be credited until the next day. To use Pay By Computer, please visit us at www.americanexpress.com. **Finance Charges: Average Daily Balance (ADB) Method for Calculation of Finance Charges (FC):** We use the ADB Method to calculate FC on your Account. Under this method, we figure the FC on your Account by applying the Daily Periodic Rate (DPR) to the ADB (as described below) for each Feature (including current transactions). Different daily periodic rates may be applied to separate Feature balances. To get the ADB for each feature, we (1) take the beginning balance for each day (including unpaid FC from previous billing periods) (2) add any new transactions, debits, or fees, (3) subtract any payments or credits, and (4) make any appropriate adjustments. For each day after the first day of the billing period, we also add an amount of interest equal to the previous day's daily balance multiplied by the DPR for the Feature. This gives us the daily balance for the Feature for that day and the beginning balance for that Feature for the next day. If this balance is negative, it is considered to be zero. Then, we add up all the daily balances for the Feature for the billing period and divide the total by the number of days in the billing period. This gives us the ADB for the Feature. If you pay the New Balance on this statement by the next Closing Date, then you will avoid additional FC on features included in this New Balance. If you multiply the ADB for each Feature by the number of days in the billing period and the DPR for that Feature, the result will be the FC assessed on that Feature, except for variations caused by rounding. The total FC for the billing period is calculated by adding the FC assessed on all Features of the Account. **This method of calculating the ADB and FC results in daily compounding of FC.** **Transactions Made in Foreign Currencies:** If you incur a Charge in a foreign currency, it will be converted into US dollars on the date it is processed by us or our agents. Unless a particular rate is required by applicable law, we will choose a conversion rate that is acceptable to us for that date. Currently, the conversion rate we use for a Charge in a foreign currency is no greater than (a) the highest official conversion rate published by a government agency, or (b) the highest interbank conversion rate identified by us from customary banking sources, on the conversion date or the prior business day, in each instance increased by 2.7%. This conversion rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use. **Billing Rights Summary: In Case of Errors or Questions About Your Bill:** If you think your bill is incorrect, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at the Customer Service address noted to the right. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us at the number indicated on the front of this statement, but doing so will not preserve your rights. In your letter, give us the following information: 1. Your name and account number; 2. The dollar amount of the suspected error; 3. Describe why you believe there is an error. If you need more information, describe the item you are unsure about. You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. If you have authorized us to pay your bill automatically from your checking or savings account, you can stop the payment on any amount you think is wrong. To stop the payment your letter must reach us three business days before the automatic payment is scheduled to occur. **Special Rule for Credit Card Purchases:** If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of the purchase.) **Credit Balance:** If a credit balance (designated CR) is shown on this statement, it represents money owed to you. If you do not make sufficient charges against the credit balance or request a refund, we will, within 30 days after expiration of the six-month period following the date of the first statement indicating the credit balance, issue a check to you for the credit balance if the amount is \$1.00 or more. **New York residents** may contact the New York Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.

Receive a \$50 TaylorMade Gift Card with Redemption!

TaylorMade's most forgiving iron ever is engineered to help slower swingers launch the ball higher and carry it longer. The iron is ultra-forgiving on every type of off-center hit and the wide beveled sole offers great playability while establishing a low CG. The generous offset helps straighten a slide and promote a distance-enhancing draw, and the low-profile long-iron design makes it easy to launch on a high, long, soft-landing flight. Redeem now and receive a \$50 TaylorMade gift card!
