#### **Summary of Changes**

We're making changes to how some American Express cards work.

#### Important Changes to Your Account Terms

The following is a summary changes to important terms to your account. The detailed changes to your Cardmember Agreement appear on the reverse side of this page.

	Revised Term effective January 18, 2013
Late Payment	Up to \$35. However, if your account does not have a Pay Over Time feature or balance and you do not pay for two billing periods in a row, your fee will be \$35 or 2.99% of the past due amount, whichever is greater.

	Additional change to your terms effective January 1, 2013
About Pay Over Time Limit	You may have the ability to carry a balance on your Card using the Pay Over Time feature. We are clarifying that we may increase or reduce the maximum Pay Over Time balance you may have on your account. This amount is called Pay Over Time limit. Your Pay Over Time limit is \$35,000, unless it's been previously reduced or increased.
	We will tell you if we change your Pay Over Time limit.
	You must pay in full all charges that would cause your Pay Over Time balance to exceed your Pay Over Time limit.

	Additional change to your terms effective immediately
Statement Copy Fee	We are removing the fee for copies of billing statements you request. This fee was \$5.00 for each statement requested, except for the three most recent statements.

See the reverse side for the detail of changes to your Cardmember Agreement.

#### Important Changes to Your Account Terms

The terms of the account referenced in or with this notice are subject to change in accordance with the Cardmember Agreement governing the account (the "Agreement"). This notice formally amends the Agreement as described below. Any terms in the Agreement conflicting with these changes are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with additional Cardmembers on your account, and file it for future reference. If you have any questions about these changes, please call the number on the back of your Card.

#### Late Payment Fee

We are clarifying how late payment fees work on your account:

- If your account has a Pay Over Time feature or balance, your late fee will be up to \$35.
- If your account does not have a Pay Over Time feature or balance, your late fee will be up to \$35. However, if you
  do not pay for two billing periods in a row, your late fee will be \$35 or 2.99% of the past due amount, whichever is
  greater.

Effective January 18, 2013, the How Rates and Fees Work section of Part 1 of the Cardmember Agreement is amended by deleting the Late Payment row and replacing it with the following:

#### Late Payment

Accounts without a Pay Over Time Feature or Balance: Up to \$35. However, if you do not pay the Amount Due for two billing periods in a row, your late fee will be \$35 or 2.99% of the past due amount, whichever is greater.

- Your first late fee is \$25. This late fee will be charged if you do not pay the Amount Due on
  your billing statement before the 10<sup>th</sup> day after the Closing Date shown on your next billing
  statement. If you do this again within the next 6 billing periods, your late fee is \$35 instead.
- However, if you do not pay the Amount Due for two or more billing periods in a row, your late
  fee will be \$35 or 2.99% of the past due amount, whichever is greater. This late fee will be
  charged on the Closing Date of the second consecutive billing period, and, if the Amount
  Due remains unpaid, on each Closing Date after that.
- · Your late fee will never exceed the Amount Due.

Accounts with a Pay Over Time Feature or Balance Up to \$35

- Your first late fee is \$25. If you pay late again within the next 6 billing periods, your late fee is \$35 instead. However, your late fee will never exceed the Minimum Payment Due.
- The applicable late fee will be charged if you do not pay the Minimum Payment Due on your billing statement before the 10<sup>th</sup> day after the Closing Date shown on your next billing statement, and, if the Minimum Payment Due remains unpaid, on each Closing Date after that
- Paying late may also result in a Penalty APR. See Penalty APR for new transactions and Penalty APR for existing balances above.

In certain circumstances, because of the liming of the late fee charges described above, a billing statement may reflect two late fees, each one charged with respect to a different billing period.

#### **About Pay Over Time Features**

Effective January 1, 2013, the fourth paragraph of the About Pay Over Time features section is deleted and replaced with: We assign a Pay Over Time limit to your Account. We will not place any charge into a Pay Over Time balance if it causes the total of your Pay Over Time balances to go over your Pay Over Time limit. We may reduce or increase this amount. We may do so even if you pay on time and your Account is not in default. We will tell you if we change that amount. You must pay in full upon receipt of your billing statement all charges that are not placed into a Pay Over Time balance. We may change which charges are eligible to be placed into a Pay Over Time balance.

Statement Copy Fee

In the How Rates and Fees Work table, in Part 1 of your Cardmember Agreement, the Statement Copy row is deleted.

#### Changes to the Arbitration Provision

We are making changes to the process for resolving legal claims to provide more options. See the summary of our new process below and the detailed language on the following pages for more on these changes.

## Summary of New Claims Resolution Provision (including Arbitration) Effective January 1, 2013

First, if you have an issue or dispute, please contact our Customer Service Department at the number listed on the back of your card. They are able to resolve most issues and disputes.

Second, before initiating a mediation, arbitration or litigation, we ask that you send a Claim Notice to: American Express ADR c/o CT Corporation System, 111 8th Ave., New York, NY 10011. For a sample Claim Notice form, go to american express.com/claim.

**Third**, you may now mediate your claim prior to initiating an arbitration or litigation. In mediation, a neutral mediator helps to resolve your claim.

Fourth, our Claims Resolution provision includes an arbitration provision. This means that either you or we may choose to have an arbitrator decide any claim instead of having the claim decided by a court. However, you may reject the arbitration provision if you notify us in writing prior to February 15, 2013.

Rejecting arbitration: If you reject the arbitration provision, it will not apply to you, except for any claims subject to litigation or arbitrations pending at the time you send your rejection notice. Also, your rejection will apply to the arbitration provision in any other American Express Card accounts you may have, except for Corporate Card accounts. It will have no other effect on your ability to use your card or the service you have with American Express.

How to reject arbitration: You must send us a rejection notice by February 15, 2013, that contains your:

- name
- address
- account number(s)
- signature

Mail your rejection notice to American Express, P.O. Box 981556, El Paso. TX 79908. For a sample form, go to american express.com/reject. You are not required to use the sample form.

See the reverse side and subsequent pages for the detail of changes.

#### Important Changes to Your Account Terms

The terms of the account referenced in or with this notice are subject to change in accordance with the Cardmember Agreement governing your Account (the "Agreement"). This notice formally amends the Agreement as described below. These changes apply to existing and future balances on your Account. Any terms in the Agreement conflicting with these changes is replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your Account, and file it for future reference. If you have any questions about these changes, please call the number on the back of your Card.

Effective January 1, 2013, the Arbitration provision in the Cardmember Agreement is replaced with the following:

#### **CLAIMS RESOLUTION**

Most customer concerns can be resolved by calling our Customer Service Department at the number listed on the back of your card. In the event Customer Service is unable to resolve a complaint to your satisfaction, this section explains how claims can be resolved through mediation, arbitration or litigation. It includes an arbitration provision. You may reject the arbitration provision by sending us written notice within 45 days after your first card purchase, or by February 15, 2013, whichever is later. See Your Right to Reject Arbitration below.

For this section, **you** and **us** includes any corporate parents, subsidiaries, affiliates or related persons or entities. **Claim** means any current or future claim, dispute or controversy relating to your Account(s), this Agreement, or any agreement or relationship you have or had with us, except for the validity, enforceability or scope of the Arbitration provision. **Claim** includes but is not limited to: (1) initial claims, counterclaims, crossclaims and third-party claims; (2) claims based upon contract, tort, fraud, statute, regulation, common law and equity; (3) claims by or against any third party using or providing any product, service or benefit in connection with any account; and (4) claims that arise from or relate to (a) any account created under any of the agreements, or any balances on any such account, (b) advertisements, promotions or statements related to any accounts, goods or services financed under any accounts or terms of financing, (c) benefits and services related to card membership (including fee-based or free benefit programs, enrollment services and rewards programs) and (d) your application for any account. You may not sell, assign or transfer a claim.

#### Sending a Claim Notice

Before beginning a lawsuit, mediation or arbitration, you and we agree to send a written notice (a *claim notice*) to each party against whom a claim is asserted, in order to provide an opportunity to resolve the claim informally or through mediation. Go to american express com/claim for a sample claim notice. The claim notice must describe the claim and state the specific relief demanded. Notice to you may be provided by your billing statement or sent to your billing address. Notice to us must include your name, address and Account number and be sent to American Express ADR c/o CT Corporation System, 111 8th Ave., NY, NY 10011. If the claim proceeds to arbitration, the amount of any relief demanded in a claim notice will not be disclosed to the arbitrator until after the arbitrator rules.

#### Mediation

In mediation, a neutral mediator helps parties resolve a claim. The mediator does not decide the claim but helps parties reach agreement.

Before beginning mediation, you or we must first send a claim notice. Within 30 days after sending or receiving a claim notice, you or we may submit the claim to JAMS (1-800-352-5267, jamsadr.com) or the American Arbitration Association ("AAA") (1-800-778-7879, adr.org) for mediation. We will pay the fees of the mediator.

All mediation-related communications are confidential, inadmissible in court and not subject to discovery. All applicable statutes of limitation will be tolled until termination of the mediation. Either you or we may terminate the mediation at any time. The submission or failure to submit a claim to mediation will not affect your or our right to elect arbitration.

BRUCE E YOUNG Closing Date 10/11/12

Account Ending 2-21003

#### Arbitration

You or we may elect to resolve any claim by individual arbitration. Claims are decided by a neutral arbitrator.

If arbitration is chosen by any party, neither you nor we will have the right to litigate that claim in court or have a jury trial on that claim. Further, you and we will not have the right to participate in a representative capacity or as a member of any class pertaining to any claim subject to arbitration. Arbitration procedures are generally simpler than the rules that apply in court, and discovery is more limited. The arbitrator's decisions are as enforceable as any court order and are subject to very limited review by a court. Except as set forth below, the arbitrator's decision will be final and binding. Other rights you or we would have in court may also not be available in arbitration.

#### Initiating Arbitration

Before beginning arbitration, you or we must first send a claim notice. Claims will be referred to either JAMS or AAA, as selected by the party electing arbitration. Claims will be resolved pursuant to this Arbitration provision and the selected organization's rules in effect when the claim is filed, except where those rules conflict with this Agreement. If we choose the organization, you may select the other within 30 days after receiving notice of our selection. Contact JAMS or AAA to begin an arbitration or for other information. Claims also may be referred to another arbitration organization if you and we agree in writing or to an arbitrator appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. §§ 1-16 (FAA).

We will not elect arbitration for any claim you file in small claims court, so long as the claim is individual and pending only in that court. You or we may otherwise elect to arbitrate any claim at any time unless it has been filed in court and trial has begun or final judgment has been entered. Either you or we may delay enforcing or not exercise rights under this Arbitration provision, including the right to arbitrate a claim, without waiving the right to exercise or enforce those rights.

#### Limitations on Arbitration

If either party elects to resolve a claim by arbitration, that claim will be arbitrated on an individual basis. There will be no right or authority for any claims to be arbitrated on a class action basis or on bases involving claims brought in a purported representative capacity on behalf of the general public, other cardmembers or other persons similarly situated.

The arbitrator's authority is limited to claims between you and us alone. Claims may not be joined or consolidated unless you and we agree in writing. An arbitration award and any judgment confirming it will apply only to the specific case and cannot be used in any other case except to enforce the award. Notwithstanding any other provision and without waiving the right to appeal such decision, if any portion of these *Limitations on Arbitration* is deemed invalid or unenforceable, then the entire Arbitration provision (other than this sentence) will not apply.

#### **Arbitration Procedures**

This Arbitration provision is governed by the FAA. The arbitrator will apply applicable substantive law, statutes of limitations and privileges. The arbitrator will not apply any federal or state rules of civil procedure or evidence in matters relating to evidence or discovery. Subject to the *Limitations on Arbitration*, the arbitrator may otherwise award any relief available in court. The arbitration will be confidential, but you may notify any government authority of your claim.

If your claim is for \$10,000 or less, you may choose whether the arbitration will be conducted solely on the basis of documents, through a telephonic hearing, or by an in-person hearing. At any party's request, the arbitrator will provide a brief written explanation of the award. The arbitrator's award will be final and binding, except for any right of appeal provided by the FAA; however, any party will have 30 days to appeal the award by notifying the arbitration organization and all parties in writing. The organization will appoint a three-arbitrator panel to decide anew, by majority vote based on written submissions, any aspect of the decision objected to. Judgment upon any award may be entered in any court having jurisdiction. At your election, arbitration hearings will take place in the federal judicial district of your residence.

#### **Arbitration Fees and Costs**

You will be responsible for paying your share of any arbitration fees (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees you would have incurred if you had brought a claim in court. We will be responsible for any additional arbitration fees. At your written request, we will consider in good faith making a temporary advance of your share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause.

#### Additional Arbitration Awards

If the arbitrator rules in your favor for an amount greater than any final offer we made before arbitration, the arbitrator's award will include: (1) any money to which you are entitled, but in no case less than \$5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees.

#### Your Right to Reject Arbitration

You may reject this Arbitration provision by sending a written *rejection notice* to us at: American Express, P.O. Box 981556, El Paso, TX 79908. Go to american express com/reject for a sample rejection notice. Your rejection notice must be mailed within 45 days after your first card purchase, or by February 15, 2013, whichever is later. Your rejection notice must state that you reject the Arbitration provision and include your name, address, Account number and personal signature. No one else may sign the rejection notice. If your rejection notice complies with these requirements, this Arbitration provision and any other arbitration provisions in the cardmember agreements for any other currently open American Express accounts you have will not apply to you, except for Corporate Card accounts and any claims subject to pending litigation or arbitration at the time you send your rejection notice. Rejection of this Arbitration provision will not affect your other rights or responsibilities under this Claims Resolution section or the Agreement. Rejecting this Arbitration provision will not affect your ability to use your card or any other benefit, product or service you may have with your Account.

#### Continuation

This section will survive termination of your Account, voluntary payment of your Account balance, any legal proceeding to collect a debt, any bankruptcy and any sale of your Account (in the case of a sale, its terms will apply to the buyer of your Account). If any portion of this Claims Resolution section, except as otherwise provided in the *Limitations on Arbitration* subsection, is deemed invalid or unenforceable, it will not invalidate the remaining portions of this Claims Resolution section.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a U5 bank and payable in U5 dollars, or with a negotiable instrument payable in U5 dollars and clearable through the U5 banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in U5 dollars and clearable through the U5 banking system. If we accept payment in a foreign currency, we will convert it into U5 dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. The method we use to figure the ADB and interest results in daily compounding of interest.

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically (for example, Sign & Travel and Extended Payment Option) if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it.

We will charge a fee of 2.7% of the converted US dollar amount. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by taw. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Service number listed below for more information about this balance computation method and how resulting interest charges are determined. The method we use to figure the ADB and interest results in daily compounding of interest.

Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will begin charging interest on transactions added to a Pay Over Time balance as of the date they are added. However, we will not charge interest on charges added to a Pay Over Time balance automatically (for example, Sign & Travel and Extended Payment Option) if you pay the Account Total New Balance by the due date each proof.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it.

We will charge a fee of 2.7% of the converted US dollar amount. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by taw. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.
