

Notice of Important Membership Rewards® Program Changes

We are making changes to the Membership Rewards Program Terms & Conditions that affect OPEN Business Card Members. A summary of the changes appears below. The detailed changes can be found after the summary chart.

Summary of Changes, effective September 9, 2016 (Please note that these changes apply only to OPEN Business Card Members.)	
Who can use the program	<p>The Basic Business Card Member must be enrolled in the Membership Rewards program in order for an Additional Business Card Member to have his or her own Membership Rewards program account.</p> <p>If the Basic Business Card Member exits the program, we will cancel an Additional Business Card Member's participation in Membership Rewards and, if applicable, that Card Member's Membership Rewards account.</p> <p>An Additional Business Card Member who has a separate Membership Rewards account may not link other program-eligible Cards to that account.</p>
Buying points	If an Additional Business Card Member has a separate Membership Rewards account and chooses to buy points for that separate Membership Rewards account, the Basic Business Card Member on the Business Card account will be responsible for the buying points fee.
Reinstating points forfeited for making late payments	Points forfeited for late payment on a Business Card account (including points which would have been awarded to an Additional Business Card Member with a separate Membership Rewards account) can be reinstated only by the Basic Business Card Member on the Business Card account. The fee for reinstating points (currently \$35) will be charged to the Business Card account. By paying this reinstatement fee, the Basic Business Card Member may reinstate all points which would have been awarded to all Card Members on the Business Card account for a single billing period.
Forfeiting and getting points back for canceling your account	If the Basic Business Card Member voluntarily cancels enrollment in the program, this will also cancel the Additional Business Card Member's separate Membership Rewards account. However, if the Additional Business Card Member has at least one American Express Card open and in good standing, the Additional Business Card Member will have up to 30 days from the date of cancellation to use any points in the separate Membership Rewards account. If the Additional Business Card Member doesn't have any open American Express Cards, all points in the separate Membership Rewards account will be immediately forfeited.
Excise tax offset fee	We have added clarifying language confirming that the Basic Business Card Member on the Business Card account will be responsible for any excise tax offset fees incurred by Additional Business Card Members who have their own Membership Rewards accounts.

Detail of the Changes

This notice amends the Membership Rewards Program Terms & Conditions (the "Terms & Conditions") as described below. We have the right to amend as described in the Terms & Conditions. Any terms in the Terms & Conditions conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Card Members on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. **All changes are effective September 9, 2016.** See the following page(s) for the Detail of the Changes.

Who Can Use the Program

We are amending the *Who Can Use the Program & Annual Fees* sub-section of the *About the Program* section by deleting in their entirety the first two full paragraphs after the table and replacing them with:

For a Business Card account, any Additional Business Card Members can be permitted to have their own separate program account by the Basic Business Card Member. In order to permit any Additional Business Card Members to have their own separate program account, the Basic Business Card Member must be enrolled in the program. We will cancel an Additional Business Card Member's participation in the program and, if applicable, separate program account if the Basic Business Card Member exits the program. Additional Card Members on a Consumer Card account must be enrolled by the basic Card Member. Eligible Corporate Card Members are only able to enroll in the program with a Corporate Card issued in their name. Enrolled Corporate Cards from the same company can't be linked to the same program account.

Please note that if you already have a Card enrolled in Membership Rewards when you enroll a Business Charge or Credit Card, the Cards may be automatically linked. Additional Business Card Members who have a separate program account may not link other program-eligible Cards to the separate program account created for them as an Additional Business Card Member.

Buying Points

We are amending the *Buying Points* sub-section of the *Getting Points* section by inserting the below after the second sentence of the first paragraph:

For Additional Business Card Members who have a separate program account, this fee will be charged to the Business Card account, for which the Basic Business Card Member is responsible to pay.

We are amending the *Buying Points* sub-section of the *Getting Points* section by deleting the third and fourth sentences of the second full paragraph and replacing them with:

If you have a Card enrolled in Membership Rewards when you enroll a second Card, the Cards may be linked to the same program account unless one or both of those Cards is enrolled in Membership Rewards through a separate program account created for you as an Additional Business Card Member. If the Cards are linked to the same program account, both Cards will be eligible for the benefits available to the Card with the greater benefits.

Reinstating points forfeited for making late payments

We are amending the *For Making Late Payments* sub-section of the *Forfeiting and Getting Points Back* section by inserting the following at the end of the second full paragraph:

Points forfeited for late payment of a Business Card account (including points which would have been awarded to an Additional Business Card Member having a separate program account) can be reinstated only by the Basic Business Card Member on the Business Card account. The \$35 fee will be charged to the Business Card account (for which the Basic Business Card Member is responsible to pay) to reinstate points which would have been awarded to all Card Members on the Business Card account for a billing period.

Forfeiting and getting points back for canceling your account

We are amending the *For Canceling Your Account* sub-section of the *Forfeiting and Getting Points Back* section by deleting the last 2 sentences in their entirety and replacing them with:

If you voluntarily cancel your enrollment in the program (or if you are an Additional Business Card Member with your own separate program account and the Basic Business Card Member voluntarily cancels his/her enrollment in the program), but you keep at least one American Express® Card open and in good standing, you'll have up to 30 days from the date of cancellation to use any points in your program account.

If you voluntarily cancel your enrollment in the program (or if you are an Additional Business Card Member with your own separate program account and the Basic Business Card Member voluntarily cancels his/her enrollment in the program) and you don't keep open any American Express Cards, all points in your program account will be immediately forfeited.

Transferring points

We are amending the *Transferring Points to Frequent Customer Programs* sub-section of the *Using Points* section by deleting the second and third sentences of the second paragraph of the *Who can transfer points* sub-section and replacing them with:

If you have a Card enrolled in Membership Rewards when you enroll another Card, the Cards may be linked to the same program account unless one or both of those Cards is enrolled in Membership Rewards through a separate program account created for you as an Additional Business Card Member. If the Cards are linked to the same program account, both Cards will be eligible for the benefits available to the Card with the greater benefits.

Excise tax offset fee

We are amending the *Transferring Points to Frequent Customer Programs* sub-section of the *Using Points* section by inserting the following after the last sentence of the *Excise tax offset fee* paragraph:

For Additional Business Card Members who have a separate program account, any fee(s) associated with transferring points into a participating frequent flyer program will be charged to the Business Card account, for which the Basic Business Card Member is responsible to pay.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Change to Your Account Terms

We are making a change to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. Any language in the Agreement contrary to or conflicting with the terms amended below is deleted in its entirety to the extent of the conflict. All terms of the Agreement not amended herein remain in full force and effect. We urge you and any Additional Cardmembers on your Account to read the below notice carefully and file it along with your Agreement in a safe place for future reference. The detailed change to your Cardmember Agreement can be found after the summary chart.

Summary of Changes	
Using the card	<p>Currently, you may arrange for merchants to store certain account information for certain purposes (for example, for recurring billing). When you arrange for merchants to store this information, you acknowledge that we may share updates to this information with these merchants.</p> <p>Effective August 15, 2016, we are updating your Cardmember Agreement to say that if you choose to store your account information with any third parties, we may also share updates to this information with these third parties. Please note that this only applies to third parties with whom you elect to share this information.</p>
Converting charges made in a foreign currency	<p>Effective August 15, 2016, we are updating your Cardmember Agreement to state that, for any charges you make in a foreign currency, AE Exposure Management Ltd. ("AEEML") will convert that charge into U.S. dollars.</p>
Closing your Account	<p>We are changing our policy for refunding Annual Membership fees for voluntary account cancellations taking place on or after September 1, 2016.</p> <p>If an Annual Membership fee applies to your Account, we will refund this fee if you notify us that you are voluntarily closing your Account within 30 days of the Closing Date of the billing statement on which that fee appears. For cancellations after this 30 day period, the Annual Membership fee is non-refundable.</p> <p><i>For example, if your Annual Fee is charged on a billing statement on which the Closing Date is April 2, you have until May 2 to voluntarily cancel your Account and receive a full refund.</i></p> <p>Please note that any Annual Membership fees for additional cards may appear on a different billing statement than the Annual Membership fee for the Basic Card Member's Account. This means that additional card fees may not be refunded if you cancel your Account.</p>

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card.

Using the Card

Effective August 15, 2016, in Part 2 of the Cardmember Agreement, we are amending the *Using the card* sub-section of the *About using your card* section by deleting the fourth paragraph (including the bullet points) and the fifth paragraph in their entirety and replacing them with the following:

You may arrange for certain merchants and third parties to store your card number and expiration date, so that, for example:

- the merchant may charge your account at regular intervals; or
- you may make charges using that stored card information.

We may (but are not required to) tell these merchants and third parties if your expiration date or card number changes or if your account status is updated, including if your account is cancelled. You must notify the merchants and third parties directly if you want them to stop charging your Account.

Converting charges made in a foreign currency

Effective August 15, 2016, in Part 2 of the Cardmember Agreement, we are amending the *Converting charges made in a foreign currency* sub-section in the *Other important information* section by deleting the text in its entirety and replacing it with:

If you make a charge in a foreign currency, AE Exposure Management Ltd. ("AEEML") will convert it into U.S. dollars on the date we or our agents process it, so that we bill you for the charge in U.S. dollars based upon this conversion. Unless a particular rate is required by law, AEEML will choose a conversion rate that is acceptable to us for that date. The rate AEEML uses is no more than the highest official rate published by a government agency or the highest interbank rate AEEML identifies from customary banking sources on the conversion date or the prior business day. This rate may differ from rates that are in effect on the date of your charge. We will bill charges converted by establishments (such as airlines) at the rates they use.

Closing your Account

Effective September 1, 2016, in Part 2 of the Cardmember Agreement, we are amending the *Closing your Account* sub-section in the *Other important information* section by inserting a new paragraph at the end of the sub-section:

If an Annual Membership fee applies, we will refund this fee if you notify us that you are voluntarily closing your Account within 30 days of the Closing Date of the billing statement on which that fee appears. For cancellations after this 30 day period, the Annual Membership fee is non-refundable. If an Annual Membership fee applies to your Account, it is shown on page 1 and page 2 of Part 1 of the Cardmember Agreement.

If your billing address is in the Commonwealth of Massachusetts at the time you close your account, this policy will not apply to you.

Discounts will be applied in the form of a statement credit. For full terms and conditions go to opensavings.com.

The Membership Rewards points balance shown above reflects only points received through the OPEN Savings benefit and may not reflect any reversals. Please refer to your Membership Rewards account balance for the most up-to-date balance information.

¹ See individual OPEN Savings partner terms and conditions located at opensavings.com.

Get 2 additional Membership Rewards® points for each eligible dollar spent OR a 5% discount on eligible purchases with OPEN Savings® partners. Visit opensavings.com for details.

Merchant participation and offers are subject to change without notice. Maximum annual caps and exclusions may apply to the benefit you can receive. See individual OPEN Savings partner terms and conditions located at opensavings.com.

Offers are made only to Cardmembers who meet certain qualifying criteria. By responding you will be disclosing to the merchant that you meet these criteria.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

*NOW THERE ARE MORE PLACES THAN EVER TO
USE YOUR CARD AND GET REWARDED.*

More places to use your Card means more ways to:

- Get rewards on eligible purchases*
- Consolidate your business spending
- Support small businesses in your area

Find local places to shop for your business at shopsmallnow.com/open.

*Not all Cards are eligible to get rewards. Terms and limitations vary by Card type.

Offers are made only to Cardmembers who meet certain qualifying criteria. By responding you will be disclosing to the merchant that you meet these criteria.

EARN REWARDS FASTER WITH EMPLOYEE CARDS

Here are three ways your business can benefit from adding Employee Cards:

- ▶ Earn rewards on purchases in the same way your own Card does.¹
- ▶ Stay on budget with spending limits on each Employee Card — plus, request text or email alerts when an employee tries to spend above the limit.²
- ▶ Help save time on back-office tasks by using your Employee Cards with tools like ReceiptMatchSM³ and Account Manager.⁴

Every OPEN Card offers an Employee Card option with **no annual fee**. Visit open.com/empcards to find the one that works best for your business.

¹ Terms, conditions, and restrictions vary by individual Card products.

² Employee Card Spending Limits may be set up online or by calling the number on the back of your Card. The Spending Limit is not a guarantee that the Employee Card Member will be able to make purchases up to that limit. There are certain purchases where the limit does not apply, such as, for example, restaurant tips and hotel stays extended beyond their original reservation period, and the overall Account capacity is taken into consideration. You agree to pay all Charges without regard to whether any Charges exceed a limit, and you agree that we are not liable to you or any other person when a limit is not applied to any Charges and/or when Charges are incurred and billed that exceed a limit. For more information on the application of the limit, please refer to the Employee Card Spending Limits Terms and Conditions at www.americanexpress.com/spendlimits/terms, which will also be provided when you enroll Employee Card(s) in this feature.

³ ReceiptMatch is only available with Business Cards from American Express OPEN. For details and enrollment, go to www.open.com/receiptmatch.

⁴ Account Managers and Agents must be at least 18 years old.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Business Gold Rewards**Notice of Important Changes to the Membership Rewards® Program Terms****OPEN**

We are making changes summarized below to the Membership Rewards program terms. We encourage you to read this notice and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to the Membership Rewards program terms can be found on the following page.

Important Information about the Membership Rewards Program

According to the Membership Rewards® program Terms and Conditions, when you receive a statement credit for a returned purchase, we will reverse the points you earned for that purchase. Effective January 1, 2017, we are changing the Terms and Conditions to clarify that, if your point balance is insufficient to cover point reversals for this or other reasons, your point balance will be negative. If this happens, any points you receive thereafter will be applied first to the negative balance and you will not have points available for redemption until your point balance becomes positive.

Detail of Changes to the Membership Rewards Program Terms

This notice amends the Membership Rewards program Terms and Conditions (the "Terms and Conditions") as described below. We have the right to amend as described in the Terms and Conditions. Any provisions in the Terms conflicting with this change are replaced fully and completely. Provisions not changed by this notice remain in full force and effect.

Membership Rewards Program

Effective January 1, 2017, the *Forfeiting and Getting Points Back* section of the Terms and Conditions is amended by adding the following additional section after the "4. For Cancelling Your Account":

5. Negative Point Balance

In certain circumstances (for example, if points you received for a purchase are reversed because you returned that purchase and your point balance is insufficient to cover the reversal; or, if we determine that you are ineligible for an additional points incentive award that you received and your point balance is insufficient to cover the reversal of the incentive award) your point balance can be negative. If this happens, any points you receive thereafter will be applied first to the negative balance, and you will not have points available for redemption until your point balance becomes positive.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Changes to the Membership Rewards® Program Terms

We are making changes summarized below to the Membership Rewards program terms. We encourage you to read this notice and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to the Membership Rewards program terms can be found on the following page.

Important Information about the Membership Rewards Program

Effective June 1, 2017, we are making two changes to the Terms and Conditions of the Membership Rewards® program: (1) If we cancel your Linked Card Account on or after June 1, 2017, we will no longer return points to your program account if your Linked Card Account (including a Corporate Card) is reinstated within one year after it is cancelled; and (2) Corporate Card Members can begin using points for charges at Ticketmaster and Telecharge.

Effective immediately, we are replacing the first paragraph of the "Using Your Card" subsection of the "Getting Points" section to clarify how you can earn points and when they will be available for use.

See the reverse side for the Detail of Changes to the Membership Rewards program Terms and Conditions

Detail of Changes to the Membership Rewards Program Terms

This notice amends the Membership Rewards program Terms and Conditions (the "Terms and Conditions") as described below. We have the right to amend as described in the Terms and Conditions. Any provisions in the Terms conflicting with this change are replaced fully and completely. Provisions not changed by this notice remain in full force and effect.

Membership Rewards Program

Effective June 1, 2017, (1) the following two sentences are deleted from the "For Canceling Your Account" subsection of the "Forfeiting And Getting Points Back" section of the Membership Rewards Terms and Conditions: "If we reinstate the Linked Card Account within one year, these forfeited points will be returned to your program account. If the only Linked Card Account is a Corporate Card and has been reinstated within one year, you must contact Membership Rewards at 1-800-AXP-EARN to have the forfeited points returned to your account.", and (2) the following sentence is deleted from the "Using Pay With Points To Book Travel On American Express® Travel, For Products Through Membershiprewards.com, And Elsewhere" subsection of the "Using Points" section of the Membership Rewards Terms and Conditions: "Corporate Card Members are not eligible to use points for Ticketmaster or Telecharge if the Corporate Card is the only Linked Card Account."

Effective immediately, the following language will replace the first paragraph of the "Using Your Card" subsection of the "Getting Points" section:

"Most Card Members will earn one point for every dollar charged for an eligible purchase to their Linked Card Account. Some Card Members will earn additional points for every dollar charged for an eligible purchase to their Linked Card Account, as noted in the Getting Additional Points section immediately below. To use points you have earned, including these additional points, you must pay the amount due on your Linked Card Account statement on time. If it's necessary for you to enroll your Card in Membership Rewards in order to participate in the program, you won't earn points for eligible purchases that you made before your enrollment date. As long as you pay the minimum amount due, you will earn points for the full amount of any charge applied to the following:

- Sign & Travel®
- Extended Payment Option
- Flexible Payment Option
- Select & Pay Later
- Eligible American Express Credit Card purchases

From time to time, we may make promotional offers of points. These offers include terms about how you can earn the points and when you can use them. These offer terms may differ from the terms above concerning points earned for charges to your Linked Card account, including when you can use the points.

You can view your point balance by logging onto your online account at www.americanexpress.com and viewing your account summary page. Some points may be shown as pending points. Pending points are points you will be able to use after we receive timely payment of the related amount due or in accordance with the terms of the offer for which the promotional points are awarded."

Billing Dispute Procedures

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at:

American Express

PO Box 981535

El Paso TX 79998-1535

In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* Describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we may not follow these procedures and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we will do two things:

1. Within 30 days of receiving your letter, we will tell you that we received your letter. We will also tell you if we have already corrected the error.
2. We will investigate your inquiry and will either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We will not try to collect the amount in question.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may report you as delinquent if you do not pay the amount we think you owe.

Annual EFT Error Resolution Notice

This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate to or from a consumer bank account using your American Express Card, including Express Cash transactions, or electronic payments from a consumer bank account you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You can call us at 1-800-IPAY-AXP for Pay By Phone questions, at 1-800-528-2122 for Pay By Computer questions, at 1-800-528-4800 for AutoPay questions, and at 1-800-CASH-NOW for Express Cash questions. You may also write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531 or contact us online at www.americanexpress.com/inquirycenter. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose.

When you contact us, please provide the following information:

- (1) Your name and card account number.
- (2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information.
- (3) The dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call.

We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your consumer bank account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

Notice for residents of Washington State

In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of interest charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your account within three working days of our receipt of the credit.

Offers are made only to Cardmembers who meet certain qualifying criteria. By responding you will be disclosing to the merchant that you meet these criteria.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Changes to Your Account Terms

We are making changes summarized below to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to your Agreement can be found on the following page.

Summary of Changes, Effective Immediately	
How Rates and Fees Work - Calculating APRs and DPRs	If you have a Pay Over Time feature, we are adding a cap on your variable penalty APR. Your variable penalty APR will not exceed 29.99%.

ID 12472

See the reverse side for the detail of changes to your Agreement.

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

How Rates and Fees Work

Effective immediately, if you have a Pay Over Time feature, we are amending the *Calculating APRs and DPRs* section of the *How Rates and Fees Work* table on page 2 of Part 1 of your Agreement by inserting the following footnote to apply to the Penalty APR row:

*The variable penalty APR will not exceed 29.99%.

Notice of Updates to the Additional Benefits of Your Card

We are making several updates to your card benefits on September 1, 2017. These benefits are provided to you as part of your Card Membership at no additional charge. Key updates are described in more detail below. If you would like more information about these updates or to receive a Description of Coverage, please visit americanexpress.com/benefitsguide to see benefits specific to your Card or call 1-800-854-9783 Monday-Friday 8 am to 8 pm and Saturday 9 am to 6 pm ET.

Car Rental Loss and Damage Insurance* coverage

Car Rental Loss and Damage Insurance coverage will now apply to vehicles rented in Ireland, Israel and Jamaica. Consistent with your current benefit, coverage will not apply to vehicles rented in Australia, Italy, and New Zealand.

In addition to the vehicle types currently covered, eligible rental vehicles will now include certain types of full sized sport utility vehicles, exotic/expensive cars, full sized vans, trucks, pick-ups and cargo vans.

Purchase Protection* coverage

In addition to your current coverage, Purchase Protection will now include incidents related to Natural Disasters with a maximum per occurrence limit of \$500 per incident, and will also apply to items stolen from motor vehicles.

Extended Warranty**, Baggage Insurance Plan**, Travel Accident Insurance**, Purchase Protection** and Car Rental Loss and Damage Insurance** coverage, as applicable to your Card.

We have updated several definitions and exclusions to clarify our claim administration process and the Description of Coverage. For example, your Baggage Insurance Plan is clarified to advise that medications, prosthetics, perishables, eyeglasses and hearing aids are ineligible for benefits. Similarly, certain exclusions are clarified to state that losses caused by civil disturbance, riot or participation in a felony are ineligible for benefits.

Additionally, we have clarified that benefits above and Return Protection will be applicable when you activate the benefit by using your Card to make a purchase.

Global Assist® Hotline service

Global Assist® Hotline will no longer provide the Destination Guide, an online resource for travel information. For more information please call 1-800-333-2639.

Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Changes to Your Account Terms

We are making changes summarized below to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to your Cardmember Agreement can be found on the following page.

Summary of Changes	
Late Payment Fee Assessment Date	<p>Starting with billing periods beginning August 1, 2017, if you do not pay the required payment by the Next Closing Date shown at the top of your billing statement, we will charge a late fee.</p> <p>Previously, you had to make the required payment within 10 days after the next Closing Date to avoid the late fee.</p>

ID 12491

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

Late Payment Fee Assessment Date

Effective August 1, 2017, the *How Rates and Fees Work* section on page 2 of Part 1 of the Cardmember Agreement is amended by deleting the *Late Payment* sub-section in its entirety and replacing it with the following:

Late Payment	<p>\$38 if you do not pay the Amount Due on a billing statement before the next Closing Date. For each following Closing Date that an amount past due remains unpaid, we may charge a fee of the greater of \$38 or 2.99% of any past due Pay In Full amounts. Your late fee will not exceed the Amount Due or any limit established by applicable law. Paying late may also result in a penalty APR. See <i>When the penalty APR will apply</i> above.</p>

Remember, you can get benefits on eligible purchases with OPEN Savings® partners¹ automatically when you use your Business Card from American Express OPEN. Learn more at opensavings.com.

Discounts will be applied in the form of a statement credit. For full terms and conditions go to opensavings.com.

The Membership Rewards points balance shown above reflects only points received through the OPEN Savings benefit and may not reflect any reversals. Please refer to your Membership Rewards account balance for the most up-to-date balance information.

¹ See individual OPEN Savings partner terms and conditions located at opensavings.com.

Get 2 additional Membership Rewards® points for each eligible dollar spent OR a 5% discount on eligible purchases with OPEN Savings® partners. Visit opensavings.com for details.

Merchant participation and offers are subject to change without notice. Maximum annual caps and exclusions may apply to the benefit you can receive. See individual OPEN Savings partner terms and conditions located at opensavings.com.

Offers are made only to Cardmembers who meet certain qualifying criteria. By responding you will be disclosing to the merchant that you meet these criteria.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Change to Your Account Terms

We are making a change to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. Any language in the Agreement contrary to or conflicting with the terms amended below is deleted in its entirety to the extent of the conflict. All terms of the Agreement not amended herein remain in full force and effect. We urge you and any Additional Cardmembers on your Account to read the below notice carefully and file it along with your Agreement in a safe place for future reference. The detailed change to your Cardmember Agreement can be found after the summary chart.

Summary of Changes, effective immediately	
Using the card	<p>Currently, you may arrange for merchants and third parties to store certain account information for certain purposes (for example, for recurring billing). When you arrange for merchants and third parties to store this information, you acknowledge that we may share updates to this information with these merchants and third parties.</p> <p>Effective immediately, we are updating your Agreement to say that if you decide that you do not want us to share updated information as described, then you may contact the number on the back of your card and request that such information no longer be shared.</p>

ID 12512

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card.

Using the Card

Effective immediately, in Part 2 of the Agreement, we are amending the *Using the card* sub-section of the *About using your card* section by deleting the following paragraph:

We may (but are not required to) tell these merchants and third parties if your expiration date or card number changes or if your account status is updated, including if your account is cancelled. You must notify the merchants and third parties directly if you want them to stop charging your Account.

And replacing with the following paragraph:

We may (but are not required to) tell these merchants and third parties if your expiration date or card number changes or if your account status is updated, including if your account is cancelled. If you do not want us to share your updated account information, please contact us using the number on the back of your card.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Notice of Important Changes to Your Account Terms

We are making changes summarized below to your account terms, which are contained in the American Express Cardmember Agreement ("Agreement") governing your Account referenced in this notice. We encourage you to read this notice, share it with Additional Cardmembers on your account, and file it for future reference. If you have any questions about this change, please call the number on the back of your Card. The detailed changes to your Cardmember Agreement can be found on the following page.

Summary of Changes, Beginning in April 2018	
<i>Determining the Prime Rate</i>	<p>Currently on your Pay Over Time feature, the Prime Rate used to calculate interest is the Prime Rate published by the Wall Street Journal 2 days prior to the Closing Date of your billing period.</p> <p>Effective for your billing period beginning in April 2018, we are updating your Agreement to say that the Prime Rate used to calculate interest will be the Prime Rate published by the Wall Street Journal on the Closing Date of your billing period.</p>

ID12553

See the following page for the Detail of Changes to your Cardmember Agreement.

Detail of Changes to Your Cardmember Agreement

This notice amends the Cardmember Agreement (the "Agreement") as described below. We have the right to amend as described in the Agreement. Any terms in the Agreement conflicting with this change are replaced fully and completely. Terms not changed by this notice remain in full force and effect.

Determining the Prime Rate

Effective with billing periods beginning in April 2018, in Part 2 of the Agreement, we are amending the *Determining Prime Rate* sub section of the *About Interest Charges on Pay Over Time Balance* section by deleting the following paragraph:

We use the Prime Rate from the rates section of *The Wall Street Journal*. The Prime Rate for each billing period is the Prime Rate published in *The Wall Street Journal* 2 days before the Closing Date of the billing period.

And replacing with the following paragraph:

We use the Prime Rate from the rates section of *The Wall Street Journal*. The Prime Rate for each billing period is the Prime Rate published in *The Wall Street Journal* on the Closing Date of the billing period.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Billing Dispute Procedures

What To Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at:

American Express
PO Box 981535
El Paso TX 79998-1535

In your letter, give us the following information:

- *Account information:* Your name and account number.
- *Dollar amount:* The dollar amount of the suspected error.
- *Description of problem:* Describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement.
- At least 2 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors *in writing*. You may call us, but if you do we may not follow these procedures and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we will do two things:

1. Within 30 days of receiving your letter, we will tell you that we received your letter. We will also tell you if we have already corrected the error.
2. We will investigate your inquiry and will either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We will not try to collect the amount in question.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- *If we made a mistake:* You will not have to pay the amount in question or any interest or other fees related to that amount.
- *If we do not believe there was a mistake:* You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may report you as delinquent if you do not pay the amount we think you owe.

AN/OC/BillingDispute/11-2014

Annual EFT Error Resolution Notice

This notice is to inform you about how you should notify us of errors or questions regarding any electronic fund transfers you initiate to or from a consumer bank account using your American Express Card, including Express Cash transactions, or electronic payments from a consumer bank account you make to American Express using Pay By Phone, Pay By Computer, or any other American Express electronic payment service.

In case of errors or questions about your Electronic Transfers, please contact us as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You can call us at 1-800-IPAY-AXP for Pay By Phone questions, at 1-800-528-2122 for Pay By Computer questions, at 1-800-528-4800 for AutoPay questions, and at 1-800-CASH-NOW for Express Cash questions. You may also write to us at American Express, Electronic Funds Services, P.O. Box 981531, El Paso, TX 79998-1531 or contact us online at www.americanexpress.com/inquirycenter. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared or question arose.

When you contact us, please provide the following information:

- (1) Your name and card account number.
- (2) Description of the error or the transfer you are unsure about. Explain as clearly as you can why you believe it is an error or why you need more information.
- (3) The dollar amount of the suspected error.

If you notify us by phone, we may require that you send us your complaint or question in writing within 10 business days of the call.

We will determine whether an error occurred within 10 business days and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your consumer bank account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving point-of-sale or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If we have credited your bank account and there was no error, we will tell you when we will withdraw that amount from your bank account again. You authorize us to withdraw this amount from your bank account. If your bank account does

not have enough funds to cover this withdrawal, we can charge the amount to your card account or collect the amount from you. If this happens, we may cancel your right to use our electronic transfer services.

AN/OC/EFT/11-2014

Notice for residents of Washington State

In accordance with the Revised Code of Washington Statutes, Section 63.14.167, you are not responsible for payment of interest charges that result solely from a merchant's failure to transmit to us within seven working days a credit for goods or services accepted for return or forgiven if you have notified us of the merchant's delay in posting such credit, or our failure to post such credit to your account within three working days of our receipt of the credit.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. If we accept payment in a foreign currency, we will convert it into US dollars at a conversion rate that is acceptable to us, unless a particular rate is required by law. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time balances on your Account. Call the Customer Care number listed below for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

How to Avoid Paying Interest: If you have a Pay Over Time balance, your due date is at least 25 days after the close of each billing period. We will not charge interest on charges added to a Pay Over Time balance if you pay the Account Total New Balance by the due date each month.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

Paul -

The campaign has been leasing a Chevy Tahoe since last November.

I believe 20% or less of the usage is personal. Balance of usage is official and campaign usage. I've asked for the Tahoe cost before but just haven't had time to do the math and cut the check back to the campaign.

Could you direct Dylan to calculate what I owe for the use of the Chevy Tahoe and set it up as a payable from me at the 20% level. Guess for the paperwork he could invoice me.

Thanks,

Steven

Mr. Palazzo,
Please see the attached spreadsheet showing the amount of the Tahoe lease from 1/1/2017 – 6/30/18.
20% of the lease is \$3,831.16.

This file appears to have all credit card transactions. However I think I should only be responsible for the card I used. Other gas transactions by campaign staff would be and should be 100% chargeable to the campaign.

Please discuss and update if necessary.

SMP

Subject: Palazzo Automobile expenses since 2016 auto lease 02.14.2020.xlsx

Steven per our discussions, attached is a list of automobile expenses since the lease of the 2016 Tahoe to date. Please review for any corrections. The 20% personal use amount is calculated at the bottom. If you agree with this amount, please reimburse the campaign for personal use of the two leased vehicles since November, 2016.

Thanks.

Jacque
