How can I help?

Sooo I have to register for this online class by the 4th in order to have my timing in line for my PA applications but it's a super expensive class. I can't get any financial aid or loans for this class specifically because it's a weird non degree thing at a weird school. I hate asking for help honestly, but if anyone in this world I feel comfortable asking it's you lol

How much is it?

The class is 1500 😅

When is it due?

By the 4th of October

On it

You are the best human to walk the earth

Don't forget it

Hey boo, so I somehow literally left all my cash at home and my bank has like $1 in it and my dumbass accepted your Venmo not as instant and it won't process until Monday. Would you be able to send it again and then I can send it back to you when it processes in a few days.... I hate asking because it's 100% my fault but I don't wanna make ▮▮▮▮ pay for everything for me this weekend.. 🤦🏼‍♀️

Of course

You're an angel

I'll return it to you Monday

Done

❤️

My name is on the room right?
