Hi Staffer Three Martiza sent you an NAB form yesterday. Please take that form and send it to [redacted] with the following note:

Hi WFOR CBS Representative I am forwarding the corrected NAB form at your request. It was our position that we did not need to provide an NAB as the spots were Public Service Announcements. We filled out the form that was provided to us as requested and we are doing so once again in the over abundance of caution. We appreciate that your legal department agreed with us that we were providing the incorrect form at the start and we are providing this new form at your request even though we disagree that an NAB form is necessary for PSA's.

Thank you so much

Official statement:

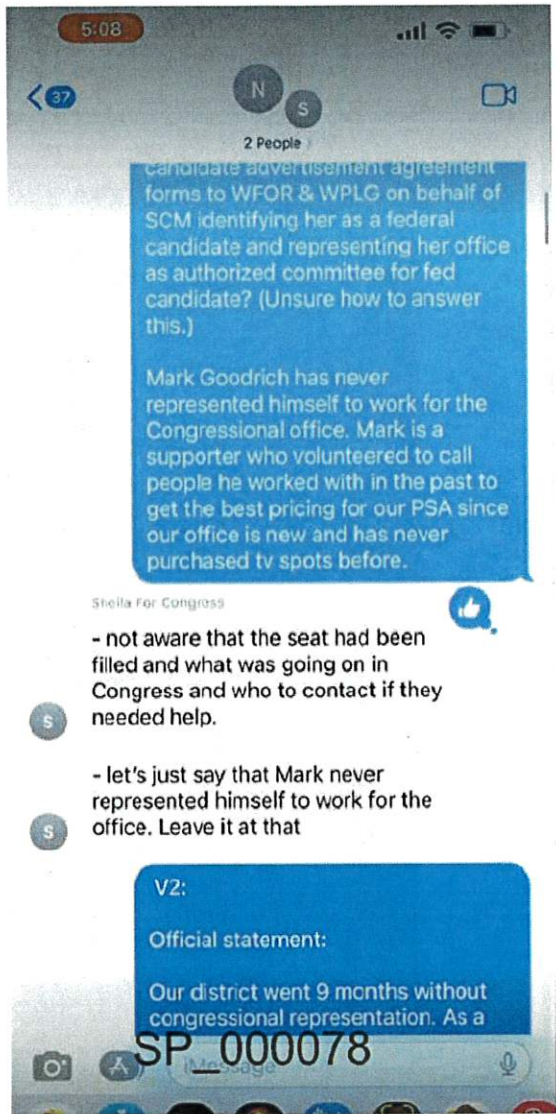

Our district went 9 months without congressional representation. As a result many of our constituents were not aware of their new representative in the House of Representatives.

The purpose of this PSA was to inform our constituents of their new representative and current legislation we're working on in Congress to alleviate the housing and inflation issues. Each of the three PSAs were approved by the Communications Standards Commission. The total cost for these mass communications was \$30,672.

• Why did House office submit candidate advertisement agreement forms to WFOR & WPLG on behalf of SCM identifying her as a federal candidate and representing her office as authorized committee for fed candidate? (Unsure how to answer this.)

Mark Goodrich has never represented himself to work for the Congressional office. Mark is a supporter who volunteered to call
